*District Deputies should call each of their councils **two days** after their Blitz has been held to complete this form. This report should list all councils that participated, as well as those that did not, stating a reason why they did not participate. A representative from your state council will be contacting you to obtain your district report within days of the Blitz to complete your Jurisdictional Blitz Report. Your State Deputy's Report will be sent to the Supreme Knight, as the official results of the **Blitz** effort within your State Council.*
