----------MINUTES----------

Toby, Ellie, Emma and Catherine.

We looked at an amalgamated list of people we'd like to invite, decided to invite everyone on the list (with the proviso that they reply by the end of the year) and then issue an open invite if there are any spare spaces (though it looks like there probably won't be). Emma invited people on the list by email.

Discussed the programme zine – and decided it should be pretty similar to last year's.

What should we be doing now?
Workshops – Ellie to contact Ed about the computer zine-making (who was it who was suggested/wanted to do this one?)

Puppet show – Ellie's going to find out about payment (though this is now irrelevant I think as Ellie's email said they won't be able to make it on Saturday)

Cabaret – guys haven't yet got back to Ellie.
Emma's going to get in touch with the vampires v zombies guys.

HCC – they need 135pounds soon(ish) Ellie/Toby can pay this in January.
The garden has been booked but Ellie's waiting to hear back from the guys at Cranks about doing a workshop.
Time has been extended to 6.45 (free of charge), so we'll have the lower hall 12-6.45, the upper hall 12.45-6.45.

People who are organising a party afterwards might come in early – but if they do, they can help us tidy up!

Booze – BYO but don't advertise and don't ask.

Lianne for Music on Saturday – Toby will check specifics of what we can/can't do.

Music for Thursday – looking for acoustic acts. Catherine will email round a guy she has up her sleeve.

Friday lineup is set – Sauna Youth, This Business is Closed, Rooftops, The Social Club (guy from Cap Ev), the Arteries.

Alternative Press Fair is the weekend before BZF, Emma's going and will take flyers etc.

**Still need to confirm the workshops**

NB Emma – harass your cousin about the film!

Saturday night – we could have music or film clips showing during dinner? Catherine will ask a friend about getting a projector/some film snippets.
