

Compudyne Community Service - An Angel Mission

<http://www.compudynecommunityservice.giving.officelive.com>

February 25, 2010

Dear Friends/Sponsors/Contributors,

As staff and board members of Compudyne Community Service—An Angel Mission, we greet you expectantly because of your sense of fairness and compassion for your fellow man. We have developed a plan that executes a community action project whose focus is on helping the homeless, displaced, teens, domestic violence victims and seniors of our society, return as healthy, productive, responsible members. Over the course of the next twelve months CCS. (An Angel Mission) will have secured and placed at least forty families/individuals/teens and seniors, in their own apartments or homes with all the amenities furnished by your generous contributions and sponsorship, that will insure their steady progress towards becoming and remaining healthy, responsible and productive members of our society.

The clients that we are asking you to generously support by funding, sponsorship/membership or contributions, are in desperate need of an intervention that pinpoints and actively links them with vital housing, health-care, outreach, education systems and whatever else is needed based on an evaluation that CCS. performs at the onset of inducting them into our "Angel Mission Project."

If your business is interested in donating to this project we would greatly appreciate your input. All donations would be recognized as donated from your establishment, advertised on our website and in the Compudyne Community Service monthly newsletter as well as in the local newspapers (that are always interested in human interest stories) unless you choose to remain anonymous.

This letter and our letter of "Thank You" plus an added receipt from CCS; indicating your exact donation, is sufficient documentation of your donation for tax purposes.

These donations will be used for the sole purpose and benefit of the clients involved in "An Angel Mission Project" of Compudyne Community Services of Chicago. Our project goal is to provide a healthy positive environment for everyone involved.

If you have any questions you may contact the project group chairperson and founder, Ms. Marie Johnson at 630.793.9789 or anangelmission@hotmail.com. Or if you would prefer please donate from our website: <http://www.compudynecommunityservice.giving.officelive.com>.

Thank you in advance for your consideration and support.

Sincerely,

Ms. Marie Johnson,
Chairperson

PS. If you would rather make a "Angel" contribution please mail it to the address enclosed.
