

stand out this summer

Kaplan Summer Schools are a great opportunity for students in years 11, 12 and 13 to test drive an Apprenticeship for FREE.

If you're worried about what to do when you leave school, then don't worry, Kaplan is here to help. As part of our commitment to young people, Kaplan are proud to host a series of FREE Summer Schools held at one of our 16 Kaplan centres throughout the UK.

All Kaplan's Apprenticeships are fully funded by the government so that you can earn whilst you're learning and without getting into debt.

What happens at a Kaplan Summer School?

The Kaplan Summer School programme is designed to help young people in years 11, 12 and 13 make the right steps into a career in Business or Accountancy. A Kaplan Summer School is a FREE four-day course held at your local Kaplan centre and is an excellent way to get a taste of what it's like to do a Business or Accountancy Apprenticeship.

Why should I attend?

Attend and you'll gain valuable insights into the following:

- A taste of what it's like to work within business or accountancy sectors
- CV tips and interview techniques from industry experts
- The opportunity to develop a professional and effective CV
- Plus! An opportunity to meet employers looking to recruit Apprentices

An added benefit of Kaplan Summer Schools is that they attract local employers who are not only willing to give you advice but willing to recruit young Apprentices to work within their organisation.

What do I receive at the end of the course?

At the end of the four-day course you will become more confident and have a professional CV but they will also receive a certificate that can be added to your National Record of Achievement.

How to secure a place?

To attend one of our Summer Schools, you must complete an online application form which can be found on the **Summer School** section of www.kaplanapprenticeships.co.uk by the **22nd July 2011**.

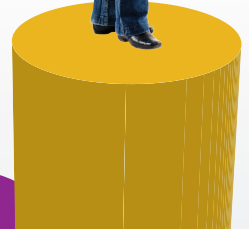

The courses start from 25th July through to 12th August 2011.

Specific course dates across the UK can be downloaded from our Summer School section on the website or by contacting **0845 873 6315**

Many students who have attended Kaplan Summer Schools have secured employment to do an Apprenticeship with the employers who attend the Summer School.

Last year we placed
122
young people into employment to do an Apprenticeship.

Lewis Kerfoot attended our Manchester Summer School

“Attending the School not only helped me gain confidence but also get a job – working for Kaplan as an Office Administrator and earning whilst taking my Business Administration/Accountancy Apprenticeship. I found the CV tips part really useful. I would advise any student to do an Apprenticeship as you can gain a qualification and not get into student debt!”

Abbie Babbage attended our Bristol Summer School

“At a Kaplan’s Summer School I not only found out about Apprenticeships but I applied for the Accountancy Scholarship Programme and won! I now work as an Accounts Assistant in a small practise in Bristol! At the Summer School I also got to meet new people and have fun while gaining valuable experience. I think it’s a good idea that anyone thinking about University should first try and find out as much as possible about the wide range of Apprenticeships that are currently available.”
