Hard News:

- T:** People are waking up as never before; click on the NESARA tab on the 2013 Rainbow Roundtable site – the document there is very educational; can be sent out to people we know
- We are literally ending the use of nuclear weapons on the planet; the opposition is trying to stop us.
 - Everything that needs correction in the system by means that have not been obvious will be
 - Barack was on the Jimmy Kimmel show – what he said about galactics is amazing

President Barack Obama made his first public comments about the shooting of two Ferguson,

Missouri police officers during his appearance on Jimmy Kimmel Live Thursday night.

"What had been happening in Ferguson was oppressive and objectionable and was worthy of protest," Obama told host Jimmy Kimmel, according to The New York Times. "But there was no excuse for criminal acts."

The president also participated in Kimmel's signature "Mean Tweets" segment, relaying one message about himself that read, "Is there any way we could fly Obama to some golf course halfway around the world and just leave him there?"

As Kimmel had hinted earlier, he asked Obama about Area 51 and possible existence of alien life. "I can't reveal anything," he said, adding of President Bill Clinton's suggestion that he found nothing of interest in those files after taking office, "That's what we're instructed to say."

R spoke with RanaMU: the upcoming eclipse and the frequencies of the equinox means

- this shifts everything in our consciousness and in our reality
- this relates to current situation, Nomi Prince this morning on **Craig Barnes radio show** –
- both RanaMu and Nomi Prince said the **markets are teetering on the edge of absolute collapse AND NO ONE IS SAYING ANYTHING** –
 - THE US dollar is \$1.03 to the Euro; Dow is going down – it's a dog & pony show
- Nomi Prince said we **need a debt jubilee, worldwide** : same as NESARA
- As we approach the equinox, the eclipse, the blood moon, the planet is on high alert
 - the new energies are increasing the balance of love and peace is being restored; those of the scaly persuasion – R cannot make light of ecocide, genocide etc – we are the moment now, like the fire fairies etc
 - the smallest beings going all the way to the largest ones who sit at the throne of the Father – they are all right here, in our faces!
 - RanaMu suggesting that we all be on our best behaviour in these times; we are being scrutinized
 - the first order of business is "Lord, make me an instrument of thy peace:

Camp Lovewave: guest was a shaman from Santa Fe; has been meeting with shamans in Central & South America

- the Kogi tribe are saying now is the time of the 6th Sun & the return of the blue and the red star kachina
- This brings in the story of Nibiru is here and is being seen by the scientists as is the phenomenon of two suns in the sky; they are scared – but this is not about an invasion; about neighbours coming to help with new skills and new ways of being: if we bake a pie for them, they'll bake a pie for us.

T: So many hints of good news in what she is hearing: can be a challenge to see all of them

- she watches NHK out of Japan – the last segment in the show is about people helping people
- talking about 700 + tonnes of super radioactive water just got dumped into the ocean

Iceland has dropped their EU membership! They are doing fine on their own!

Caller: where is Putin?

- Everyone is talking about where is Putin? T thinks he might be getting ready to make the announcement
- Abby Martin gave Ron Paul back \$1 million he gave her, from the \$2 Billion he had from the Vatican
 - She has no qualms about talking about full disclosure, and she's been off her show for same time
 - She has been gone the same time as Putin –
 - PUTIN IS NOT DEAD; HE **WILL NOT BE** ANNOUNCING NUCLEAR WAR WITH THE WEST.
 - FOR **THE LAST 4 YEARS, PUTIN, XI AND OBAMA ARE WORKING TOGETHER** BEHIND THE SCENES IN an agreed manner knowing they have to play the roles as per the 13 families, but they have PACT to stop the proliferation of nuclear stuff.

Caller: the RV is to happen before the announcement?

- **THE ONLY THING HAPPENING IS NESARA, NOTHING ELSE.**
- This represents a need for a change in consciousness; this came up last night in the discussion about getting access to our individual *master files*
 - yes, we are worth \$100 Million & there is supposed to be a way to access it
 - yet all these things are about serving 2 masters and if we are looking for money, then we are not in unity consciousness
- Yes, we have to live, yet the way you find the resources you need is by coming from the heart, resonating there and asking your Higher Self
 - going after money now is not sensible; the entire old system collapsed in Feb, 2014; if you are looking for money attached to the old system: that money is GONE
 - since that time, there has been no legitimate money to get!!
- Nomi Prince brought up the idea that Jamie Dimon, Lloyd Blankfein, Timothy Geitner, Mr Bernake - Janet Yellen should be on a chain gang in Georgia!
- **Will not happen that we can get that \$100 Million** – all the avenues are blocked by the 13 families & their cabal, who are keeping people distracted so the knowledge of NESARA and moving into divine gov't where the economy is based on divine principles cannot be entertained. This takes our energy away from NESARA
- The mandate that T & R have is for entering the Age of Enlightenment: under the NEW SARA law, the name of the first born child of Jesu and Magdalene which brings in religion
 - all organized religion is FALSE EVIDENCE APPEARING REAL [F E A R]
 - The only way we can access truth is by accessing our askashic records and accessing the higher energies through meditation and through learning from teachers, from other spiritual practices
 - Brings up Nassim Haremein who is talking about spirituality and God is a number

Caller: are you saying that no form of currency – whatever it is - is all null and void?

- YES – they were put out by the cabal and they are based on the old system staying on board, and NONE OF THEM WILL PAY OUT.

Caller: what happened to Hitler – he is still around?

- he is sitting in a brig on a starship; he is alive and well, no suicide
 - Victor Scorzeni was one of the generals who went to SA via the Ratline & the Vatican;
 - Operation Paperclip headed up by Bush Sr and Henry Kissenger brought in 100,000+ Nazis from Argentina to the US including Hitler who's been hanging out in the US for decades
 - Scorzeni gave his papers to the daughter's boyfriend, a journalist, on his death bed
 - explains how he was hired to shoot and kill a clone and make it announcable to the world that he was dead; he knew that as **both he and Hitler** went via the Ratlines to the US
- Kadaffi is alive, but they don't know where he is; Hillary thought she had him murdered so she could get his 800 metric tonnes of gold because he had set up currencies for the northern countries of Africa and they were getting on their feet, economically
 - she only killed a clone – he is safe somewhere but they don't know where; Gadaffi had more good things than bad things about him: MK Ultra programming changes people so they do things that is not of their nature
 - The 800 metric tonnes was beamed off a plane going to the US by St Germain – the money is in his coffers to be distributed by NESARA law.
 - the plane MJH 370 was beamed into a starship: plane and people are fine.

Caller: What about the other plane that was missing

- The other plane was taken out by Netanyahu and John McCain;
 - an RT documentary went over the idea of an air to ground missile that was fired; there were also people who witnessed what happened;
 - showed evidence of debris on the ground, and showed a plane that was a Kiev military plane which is nothing but a pimp of Netanyahu and McCain. The Kiev plane was opposite to the other plane which was over Ukraine and you could see 2 missiles; the first one hit the engine and did not bring down the plane; then they took out the pilot, the plane went down.
 - The Ground to air missile was sent as an afterthought; it was property of the Kiev gov't - all this being used to start a thermonuclear war with Putin:
 - Putin, Obama and Xi have a rock solid agreement with the Galactics to prevent a thermonuclear war.

Caller: this week a trial for Boston Bomber – what will be the outcome?

- Navy 3 seal team who are not nice folks will be exposed!!!! They [T & R] are not being told: Rama's white Knights tell him "You are not on our payroll and I'd have to kill you if I told you"
- **Faction 2:** a very sad mix – represents our military; there are characters like Petraus: many of them are Nazi collaborators of the 4th Reich kind
 - we've had 100,000+ original Nazi warlords running the military since 1949, and this military is being run by the Khzarian Zionists; *The Protocols of the Elders of Zion* is what is running the country
 - What do you mean, we didn't!!! The war criminals got off [not tried at Nuremburg]; the Vatican made sure they did, and got to the US
 - WW II continues as an economic war: with money, you can give it to the defense system, the 4th Reich military, who kill people or to Black Operatives through our Nazi collaborator Mr McCain and his handler, Henry Kissenger
 - the 47 ones who signed the petition, in time of war, aided and abetted the enemy in time of war, and this is called treason

Caller: are you saying they are traitors and the provost marshal will step in and arrest them?

- already the order has gone from St Germain to KOS to Obama to the Provost Marshal General who has deployed the military to assist a galactic operation
 - St Germain is Mr Moneybags, and there is no other money out there to get; whatever we do with any other sources is tainted by the nazi 4th Reich and the Vatican
 - There is an obelisk in front of the Vatican, one in City of London, the 3rd is the Washington Monument; those 3 places with the Elders of Zion, the Khazarian interlopers are actually reptilians, not human; every single one of the Nazi collaborators at the top are reptiles they are not human or Jewish, only claimed the religion
 - the minions who are not full blood reptilians and so they are programmed – the MK Ultra program

R: talked to Barney Frank who admitted he committed pedophilia which has to do with a deal in which he collaborated by selling nuclear secrets for a bribe, as soon as he got that contribution, they entered him in the MK Ultra program and changed his programming and is addicted to pedophilia

- anything coming from Faction 2
- Abby Martin gave the money back to Ron Paul from the Vatican who is a registered Nazi and still a KKK member claiming to run for president!!!
- Last week Alex Jones sent out a scathing article about OBAMA taking 38 vacations last year and spent \$40 million of tax payers money to do so - ALL LIES! This story is out there.
 - Alex Jones got a \$1 Billion from the Vatican; he's not a lovely guy but is a paid schill for the Nazi collaborators and the Club of Rome
- R asked **NADA last Thursday:** where is Patrick Fitzgerald: we need him now to deal with these traitors; Holder will not do it; he's a traitor too
 - he took all kinds of money from the Federal Reserve; he is Fast and Furious; he is responsible for killing a person at the border; he ordered the operations at Ferguson:
 - he is programmed as MK Ultra and can be two faced; they made money on the back of the people's back illegitimately and unconstitutionally and unlawfully

Nada said I will put a bug in his ear: did not say "None of your beeswax"

- **LM Nada has been in charge of US since Jan 1, 2007** as a special lawyer of the World Court,

the ICJ;

- is also the Twin Flame of KOS who is the 7th initiation & incarnation of Sananda Kumara on the planet
- this is the return of the king referred to in **The Lord of the Rings**, the true story of what is going on, put in in Middle Earth: dressed up as science fiction.
- this is galactic intervention: both Nada and KOS are members of the Ashtar Command; a ground crew team
 - in order for the galactics to intervene, we have to have people representing a ground crew involved to bring news to the people, and T & R are the messengers for that Ground Crew and their work is to reach out to ordinary people to spread the message of that Ground Crew that has galactics involved with it at the same time: they cannot just invade! We have to get that permission through the eyes of the people; T & R are the eyes of the ground crew
 - The KOS and Nada are already in the ground level; she is also **head of the Solar Tribunal** on Saturn; this means she is both galactic & human and represents the galactic ability of intervention in the highest Court of Justice on the earth
 - the US has still not signed on the International Court of Justice as the 13 families would not allow it, yet they are still in trouble because the galactic intervention at the World Court levels allows them to come in, coupled with the ACIO has been existence since 1945, inside the military at 38th levels above the president

Caller: Val Thor was in the White House for 3 years in the late '50s when Eisenhower was President before JFK ran; he wanted to give our world a patent blueprint for curing all illnesses and new technologies

- It's been given, and there are 50,000 technologies that have been suppressed
- Once NESARA has been completely enacted, a lawful term: the banks are ready with rainbow bills; the software & hardware has been changed in every bank on earth; the basket of currencies is in place
 - at midnight, March 31st, 2008, the Declaration of Insolvency of the Federal Reserve Bank was absolute
 - Oct 1 – 31, 2008, Heidi, as a team member of Faction 3 White Knights working with KOS and the ACIO galactic intervention group, entered the Bank of International Settlements and zeroed out all the entire global economies & all the central financial banks, and we entered the NESARA economy, the NESARA ECONOMY began AT MIDNIGHT OF OCT 31st, that year.
 - On Oct 1st, 2008, a smarty pants Bush Jr was already announcing martial law, and two U S Marshalls went to either side of the podium, lifted him off his feet & dragged him away: "You're coming with us"
 - At that same moment, Nancy Pelosi became the acting President of the United States, and the last clone of Bush Jr who was announcing martial law was retired for good.
 - on October 10th, a Friday, voting was going on about the National Economic Stabilization & Recovery Act [the fake NESARA] , a 2nd TARP, which was being put in place as opposed to the "National Economic, **Security and Reformation Act**". By changing the words to "stabilization and recovery", the idea was to stabilize the existing system and recover it, just to keep it going so the 13 families and the Nazi collaborators can start thermonuclear war, and issue all kinds of money to start it – which is what they have done
 - the kind of money involved was quatuor decillions – this is the money in the form of gold & other precious metals from other star systems and planets that was brought to earth to be the base of the true NESARA act.
 - this is how big what has happened, and people are not aware of the enormity
 - All the reports of Faction 2 are NOT REAL; they never have been:
- already things have been moved into the first of the two parts of NESARA:
 - the enactment is the official global announcement of its presence,
 - yet there **has been a transition time going on.**
- there is another part of the transition: **the NESARA LAW was signed into law by Clinton Oct 10, 2001, before he left office**, before Bush and Cheney got into the White House
 - He signed the **TRUE NESARA BILL into law ON Oct 10, 2000**; October is important because Sept 30 ends the fiscal banking year of the previous year; so **Oct 1, 2000 was the beginning of the fiscal banking year of 2001.**
 - On Oct 28, 2000, Dick Cheney and George Bush were killed and cloned the 1st time which means the real Dick Cheney and the real George Bush Jr never made it into the White House!
 - they stopped the recount in Florida on purpose because they knew they would have found

that there were 500,000 more votes for Al Gore than for Bush Jr in Florida

- this means that **when this bill was signed into law, it was absolute, meaning** the White Knights, Faction 3, and the galactics could intervene legally behind the scenes big time
 - they had done things before this because there is a Prime Directive in terms of a higher law which is galactic and intergalactic law, called Universal Law
 - It's the Prime Directive from the first creation point in the Pleiades when Mother created everything in the local Universe of Nebadon which is the only one in the 7 super universes that has polarity which was intended as a temporary thing, which allowed us to descend further into matter, the materiality this world
 - this means we are not this physicality; we never were! We actually co-created ourselves with Mother in the 12th dimensional level and now we have the appearance of being in a 3rd dimension and being subject to gravity. We have been programmed this way and have lost our memory of who we are plus our understanding of how to navigate spiritual principles which would enable us to rise about our need to believe that we are bound by gravity; we are not bound by gravity as pure souls;
 - we have the ability in consciousness if we were to learn this stuff instead of grovelling around looking for money in an old system which wants to kill us all
 - that is what this big story that running after these programs has been; anything except learning who we are and how to master this stuff and where the villain is and take our constitution . . .
- This constitution, including the Declaration of Independence, is the only spiritual document ON EARTH!
 - Its creation was assisted for 13 years by Sananda Kumara, St Germain, the Founding Fathers, other spiritual beings of the 6 nations who were forming a Confederacy of the Iroquois Nation -
 - Ben Franklin was the notetaker; they went to meetings in the physical with the Iroquois elders and their women: the women ran the show in the Iroquois nation, not the men!
 - the original Declaration is in the Bruton Vaults, plus all kinds of other documents, including the hand-written manuscripts of the Shakespearean plays as Wm Shakespeare was illiterate
 - Sir Francis Bacon was heir to the throne of England as the first born son of QE 1st
 - the Bower family was in power in England during the time of QE 1st and were controlling the everything through the banks even then, including William Shakespeare as a cover-up
 - there was a marriage certificate between QE 1st and Sir Thomas Dudley – another high court person [Queen Victoria at the end of the 19th century] got hold of that certificate and burned it, but **there is other evidence**. THAT WAS GALACTIC INTERVENTION AT THAT TIME.
 - St Germain, a galactic, was born as Sir Francis Bacon. He wrote **The New Atlantis** and he brought it to the US himself; it was put in The Bruton Vaults 400 + years ago
- there is a lot to learn of a usurpation of a galactic interventive mode by the dark side, called reptiles who have been around for 13,000 years and knowing how to do the obscene rite which has gone on in the Vatican since then .
 - that was the organized religion that blotted out the truth that you need a mother and a father to be born, not just the father; they deny the truth that **the source of all life is THE MOTHER**, not the father. The father is to be the protector of that energy - this is the obscenity of all organized religions which deny the truth of this
 - How can we be stewards of the NESARA divine gov't & set it up with the blessings - how can we have that kind of money to steward without knowing any of this?? We can't!
 - Nothing comes from any other source other than the teachings that need to be brought to the people first and we might want to start with the materials that were passed on by word of mouth by the story tellers of the native American tribes in the western hemisphere has been pretty much destroyed; as you go back far enough, all the tribes were blacks.
- What have we got here: as Michelle who wrote **The New Jim Crow** wrote: we have more slavery now than in 1850 due to the incarceration of black people through the drug laws.
- this happened through Reagan, who was only around for 2 months before he was taken out and cloned.
 - Then **there was Bush Sr for 3 terms** so they could have the 13 families and the reptilians anchor the Nazi 4th Reich really good on the planet.
- Leo Wanta was a minion of Bush Sr and the 13 families and all the money from the Leo Wanta Mitterand Fund of Faction 2 talk.
- Only **one true thing said by Faction 2** through Rumour Mill News: in 1999, Reilyn Allen said she learned that in 1996 Clinton had become a member of F2, and she knew there was a F3 White Knights: that

article is no longer available, yet Tara, in her 60+ boxes of materials, has a copy of that article. She read that whole article – maybe 2006 or 2005, still on the phone calls with Carol Davis.

- Also read all the protocols of the Elders of Zion around the same time.

- In 2005, Alex Jones, schill of the Vatican, in April 25-26, with a bullhorn in downtown LA, was saying that 9/11 was an inside job. How did he get to say that when all the actors, politices, the media, the banks, etc etc had gag orders?
 - T& R knew then that he was a schill [because he was protected by the Vatican, not arrested for treason]. So they let him blow off steam and tell more lies: like the one about Obama & his 38 vacations.
- The information coming through them is coming through Faction 3; it is not from them- they are just the channels
 - when T & R ask for a donation, it is St Germain asking everyone to support them because the information coming through is VITAL. Important for people to know this information
 - The galactics are encouraging us to bring more people into the focus of what is going on right here, right now
 - the questions asked by the caller means the people are ready to hear this.

Caller: there are new people on the call; some listeners are hearing this for the very 1st time

- both T & R are to be commended for doing this for over 30 years [closer to 45!]
- the Commendation is received with all of our hearts; the support they receive for their mission is the proof of the pudding that the people are supporting them globally – learning, learning, learning everything that we do here: it is necessary for people globally to say “yes” and to support them as they cover news from galactic, spiritual, to 3D – banksters, the mafioso boys, & the vatican rag!

Caller: one question people need to know: who the President really is and what he represents

- Obama has been in the Pegasus Project / the Mars Project. Mr Assiago went to Mars and has about 6 hours of information on that experience
 - Barack went to Mars, too, in 1980 when he was 18; the same year, he became a double agent, as he was already being groomed by Zbigniew Brezinski , as his Manchurian candidate, to become President.
 - Brezinski hates the Bush familiy with a blood thirsty venom; he is also an archon, a 50 foot dragon and only a Master can deal with such a one with power from the 13 families:Obama did it!
 - It was no picnic going to Mars: they intended for Obama to die but he was helped by the Ashtar Command or he would have been dead; they were blown out of the water that he returned in one piece!
- So he went through the Manchurian Candidate system: in 2004, he was introduced to the world at the Democratic Convention of that year - Hillary was his handler at the time –
 - in spite of anything he said, he was in! Everyone said “who the heck was that???” There was no one running who was even close
 - John Kerry is a pedophile, had pedophilial stuff going on as an MK Ultra boy since 1968 when he had sex with Bush Jr and became a Skull and Bones Grand Master for doing that, and then by having sex with 3 year old to 14 year old kids who were killed afterward. They have him for life now.
 - HE WAS NOT A HERO in Viet Nam - it's all bull shit! He is a totally programmed minion of the dark ones, 13 families
 - Same thing that is going on in the Vatican, the C Street Characters – all this goes / disappears!
- Barack was a Mogul king of India, a Muslim – Akbar the Great; was overlitghted by El Morya, an interventionist action at the time.
 - was born of a mother and learned Rumi, could not read or write;
 - the people around him taught him things, read to him, and he made a renaissance; he was vibrating to an ascended master and stopped 49 wars at the time
 - He remembers that life time and is vibrating to that same ascended master – El Morya. He is none of the things he appears to be – it has been one giant galactic chess game

Caller2: good to re-hear the material! The questions she had have changed!!!!

- misunderstood when she asked about Hitler: thought he never came to the US and that it was only Himmler and Scorzini
 - so the 100,000 nazis were brought to the States to be part of science, gov't
- 1949 is Operation Paper clip, the same year Israel became the 51st state of the US

- Hitler came to the US via the underground satonian network – he was at the Bohemian Grove where there is an opening to the Satonian Network; he was there lots of times for obscene rites – was involved in pedophilia
 - Ted Gunderson – very dark! - learned all he knew from Hitler!

Caller: Say that Hitler is in a brig now? What is a brig?

- A Brig is a jail but with no bars; it's a force field – a humane jail! He will have to answer to LM Nada, and the solar Tribunal and to an intergalactic tribunal

Caller: when was he beamed out of here?

- T & R have known it for at least a decade – when you do the obscene rite, you don't die
- the obscene rite is when they open up the heads of children and eat the pineal gland, then eat the flesh and drink the blood – extends their life force for another 50 years of life. Means they eat their soul!!!

Caller: when T told us that we are not bound by gravity: she is in love with 2 men: the Osca the shaman from Peru and Nassim Harrimein

- this is why we have to have more people come to the calls!

Caller: has sent Rama an e-mail of Meg Benedict's vortex activation; she is now in Mt Shasta & has a healing centre; was born as a total Black Ops; the existing structure will have a new use as the House of Micah; same thing as with the Congress

- that compression causes our separation from Source; what she does in the vortex meditation is bring in the energy and what you bring in clockwise is bringing down Infinity – this is the only reason there is disease in the planet because of the separation and because of the duality
- she works with the limitation, the compression - wants T & R to play the vortex activation & meditation

Caller: what happened with the International Court of Justice: was it Palestine who asked for a seat in the UN & filed the proceedings through the ICJ? Israel very upset - what happened with that proceeding?

- Still pending – has to do with criminal activity
- the UN will be taken down as a total Black Ops; the existing structure will have a new use as the House of Micah; same thing as with the Congress
- what will happen: Israel will be dissolved and Palestine will be the new name of the whole land. The people there will have to learn the truth & that they are Khazarians, not Israelis, even though they do not know it – will find that out from the DNA

Caller: so the only true Jewish people are Hebrews originally from Palestine and none of the Abrahamic teachings are the original source or ?

- And they are BLACK
- the Mosaic Law matches the teachings of Aknautun who was the one who introduced the one god / goddess - Sekhmet
 - Moses and Aknautun were the same identical soul which is the link
 - We need to comprehend the numerical codes of the biblical text and none of that is going on with the fundamentalists

Caller: Understands that Hitler wanted to dissolve all the teachings deriving from Abraham

- Yes, and defy his own existence in the process: dumb, dumb and dumber!
- Yet he was not dumb, he was a transcendent soul and a reptile too – in a previous live time he was an ancient Lemurian master

Caller: How can such an evolved soul choose to take on such a thing?

- It is very incomprehensible to us, as we no concept of what it means to cut out the 12th strand – it is like killing yourself, a kind of agony that we do not have going on; when you deny your own source, the love that is available to them by denying Mother, who is pure love
- There is **no comparison to our coming into 3D and polarity is not the same as what he chose.**
- Yes, we **are** working at a 12 D level but we asked to forget that and have it veiled so we could make choices and experience the consequences of our choices
 - The reptilians invaded Atlantis from the Orion Wars which they never finished and brought it into the earth plane – and that war has never ended.

Caller: It was the Atlanteans of the late period who messed with our DNA to create a slave race with limited consciousness

- that is a superficial description of what happened: they lured us into ideas: Let's take over China by sending the laser energy of the crystal & send it through the centre of the sun into their palaces and then take them over and control the planet – what fun!
 - The Sun in the centre of the earth, the Tara, an intelligent being & heart of Mother Earth, said I

don't need that and sent it back

- So the Great Crystal blew things up and because we took part in that, we **lowered our own template consciousness and have not taken responsibility for the consequence at whatever level we** took part.
- the coming week is a powerful week – will be reading the Uranus Pluto Square by Barbara Hand Clow

This is the uncensored edition catered to those that can handle it. Be prepared to see scenes that involve swearing, violence, explicit gestures, and...well, you get the point.

This is the first part of a project I worked on since May of 2013. It is primarily about a man named Matthew Anderson, who serves as a focal point in the friendship between me and the other people involved in this documentary. I hope you enjoy all the work my friends and I have put into this. Basically, we made this just because we wanted to; it serves as a virtual time capsule so that we can look back at all the good times we've had. Enjoy, and feel free to let me know what you think!

This is it! We have made it to the NOW! The last of seven Uranus/Pluto squares that began in 2012 is THIS WEEK. Give yourself a pat on the back, look behind you at how far you have come and how much you have grown. This can be week of rejoicing, gratitude, and thanksgiving for the gift of life that has been bestowed upon us.

For some who have strongly invested in the past, who stubbornly cling to the old ways, habits, beliefs and fears ingrained in them through countless generations, this can be a time of trauma. Just as the summer inevitably gives way to fall, the past will silently vanish into the future. May you embrace the new, release the old, and dance in the light of love. Namaste'

Third Quarter Moon Phase: revise, realign

Moon in Capricorn

Wisdom Goddess: Kali

This weekend's report is in audio format in order for me to cover many areas of activity. Regular written reports will return Monday.

Reading: Open your whole self~

PHOTO : ANDREAS FEININGER

"To pray you open your whole self
To sky, to earth, to sun, to moon
To one whole voice that is you.
"And know there is more
That you can't see, can't hear;
Can't know except in moments
Steadily growing, and in languages
That aren't always sound but other
Circles of motion.
"Like eagle that Sunday morning
Over Salt River. Circled in blue sky
In wind, swept our hearts clean
With sacred wings.
We see you, see ourselves and know
That we must take the utmost care
And kindness in all things.
"Breathe in, knowing we are made of
All this, and breathe, knowing
We are truly blessed because we
Were born, and die soon within a
True circle of motion,
Like eagle rounding out the morning
Inside us.
We pray that it will be done
In beauty.
In beauty."

NASSIM HARAMEIN, Ancient Civilizations and Sacred Geometry - PART 5 OF 6<https://www.youtube.com/watch?v=02RQfj2V6U4>

In this video, Nassim continues to develop his theory of the structure of the vacuum and shows spectacular animations Isotropic Vector Matrix based on the research of R. Buckminster Fuller and complemented by Nassim Hamein and graphics we see clearly how to deployed geometry and how it connects with Nassim investigations on the structure of the vacuum. He then goes on to talk about crop circles and mathematical relationships that detected in many of them and relating it all ends with the legacy of the various ancient civilizations and again we see a series of geometric and mathematical relationships that lead back to their theories and isotropic Vector Matrix is one of the most significant geometric constructions of sacred geometry and is composed of 64 tetrahedra.

From here starts talking about how ancient civilizations could build those huge monuments worldwide precision and knowledge that surprised today that also seem to keep similar relations in all cases even when different civilizations are supposed that were isolated from each other geographically and temporally. But all seem to drink from the same fountain of knowledge that connects them all.

NASSIM Hamein - Cognos 2010 -

Nassim is a theoretical physicist who has developed self-taught one of the most incredible theories unification of physics that exist today. Unification theories are theories that attempt to unify physics explanations of the small (atomic level) and big (cosmological level) ... Nassim theory but has managed to explain more.

His theory describes the structure and dynamics of what constitutes the 99.9999999999 % of what we see out there ... space .. vacuum. According to science , the vacuum is not empty .. is full of energy ... infinitely energetic. And because of this " infinitez " infinitely annoying , scientists decided renormalizarla (according Hamein what we try to do them all in school .. with varying success ... obviously decided to give a finite value to the infinitez and with that calculation , Nassim has re- developed a comprehensive theory supplementing the Einstein field equations , giving his first result Schwarzschild status or a black hole , all rotational dynamics , coriolis and gyroscopic effects other given at any system, which obviously vary notions of what we understood as reality , extending to a reality in which all objects to be enjoyed , thanks to black holes or wells .. attraction and creation of infinity of sizes, held in place and create , all that exists , from an atom to a human, a planet , a star , a galaxy , or , probably , the universe itself .. because, it seems , everything looks like one autorrecurrente fractal image , learning and experiencing itself ...

We just compress all your extensísima theory in a paragraph ... but we entendáis , which

seems to have found , is the structure and the dynamics of movement and performance, which , to our knowledge , seems to contain an infinite amount of energy ... vacuum .. space .. and thanks and therefore understood finally evaded the great equation ... gravity.

Gravity is not more than the attractive force generated by black holes, plenty of sizes present in any system ... call this system an atom, a person , a planet , a star , or a galaxy , which, while generating an attractive force to keep the system in place , as any action there is an equal and opposite reaction also generate all the energy that we call matter and we can then see at a glance and experience with our senses.

In this episode of the Keiser Report, Max Keiser and Stacy Herbert discuss the economic model of the co-called "War on Terror," in which the droning of wedding parties is nothing personal, just business. Same goes for de-dollarization as China builds an alternative to SWIFT – nothing personal, just business. In the second half, Max interviews former CIA agent and open source advocate, Robert David Steele, about false flags and moral hazard.

INFORMATION RELATED TO THE NOTES

2015-03-07 **Om Gam Ganapataye Namaha**

https://www.youtube.com/watch?feature=player_embedded&v=M7WcWc1_a6M

Om-Gam-Ganapataye-Namaha_Ganesha_Humanity-HealingOm Gam Ganapataye Namaha is one of the mantas of Lord Ganesha.

Lord Ganesha is the master of wisdom and knowledge. He is the remover of obstacles, and guardian of beauty, prosperity, grace and compassion. Lord Ganesha is the first deity to be revered in Hindu rites. He is a guardian of doors of houses and temples. He is the God that removes the internal and external obstacles of our success, and he is the one that grants the opening of your spiritual gifts. He is also the protector of all beings.

Lord Ganesha is known as the Guardian of Knowledge, representing the sage, or a state of consciousness where a man reaches self-realization and plenitude of gifts.

He is the first son of Shiva, the Lord of Transformation and supreme reality and the Goddess Parvati, the Mother of the Cosmos.

Lord Ganesha is an embodiment of wisdom and bliss. He is the Lord of Brahmacharins. He is the foremost among Brahmacharins or celibates.

He rides on the Vahana, the small mouse. He is the Presiding Deity of the Muladhara Chakra.

He is the Lord who removes all obstacles in the spiritual path and brings worldly success. So He is called Vighna Vinayaka. His Bijakshara is Gang. He is the Lord of harmony and peace.

Lord Ganesha represents OM or the Pranava. Pranava is the chief Mantra of the Hindus. Nothing can be done without uttering it. Hence the practice of invoking Lord Ganesha before beginning any rite or work. The two feet are His Jnana Sakti and Kriya Sakti. Lord Ganesha has the elephant-head as that is the one figure in nature which is of the form of Pranava.

Riding on the mouse represents that He has killed egoism. He holds Ankusa. This represents that He is the Ruler of the world. This is the emblem of Divine Royalty.

In accordance with the legends, Sri Ganesha was the scribe for the Vedic Texts, which he did using his tusks instead of a pen.

His Maha mantra is Om Gam Ganapataye Namaha. Lord Ganesha's Mantras can be chanted out loud or internally. They have been used throughout the centuries and it is believed that the sacred power of words and the accompanying sounds in mantra aid in spiritual progression (transcending into higher states of consciousness) and to effect healing in the physical and energetic bodies.

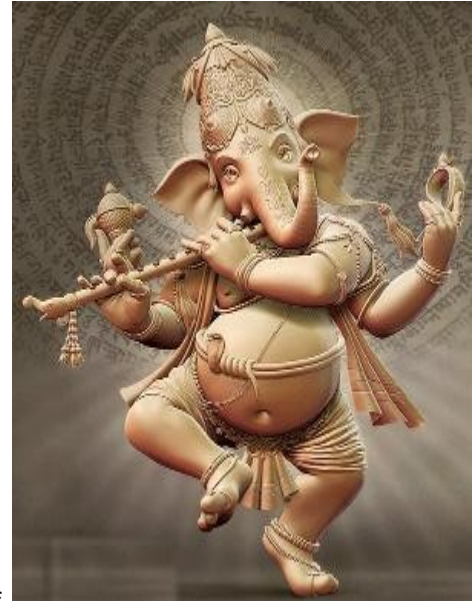

We strongly recommend the practice of the mantras for a period of 40 days (please see the meaning of the number 40) during a spiritual ritual at the same time every day.

Translation of Om gam ganapataye namaha

A very loose translation might be:

Om = Salutations! Everyone wake up!

Gam = The secret power sound of Ganesh. It is his "seed syllable" or bija mantra.

Ganapataye = Another name of Ganesh, the breaker of obstacles.
Namaha = Yo! Ganesh! You da God!

The pronunciation is also pretty easy:

Om = ohm or aum

Gam = Somewhere between "gahm" and "gum". In some dialects it is "guhng".

Ganapataye = gah-nah-paht-ah-yeh

Namaha – nah-mah-hah
