Randy: people are saying they saw a pink moon; in Thailand, it was white and the energy kept people awake!

Omena: call-in number for the 2nd half 1-888-429-5471

HARD NEWS

R: between 12 – 1 MST, got a call from the **Poppy Lady in Afghanistan**

- she called to say the US dropped the Mother of All Bombs [MOAB] 22,000 lbs of high explosives but not nukes: dropped it in an area of Kandahar where there are a series of tunnels supposed to be used by the Taliban, ISIL etc
- it has awoken an entire group of Sasquatch people under the mountains who take care of that area of Pakistan – AND THEY ARE HOPPING MAD!
- When they get into a certain state, 3 of them can pick up a Abrams tank with the people in it and throw it the length of a foot ball field!

- Later, it was **KOS** – **very rare these days**, given the climate: told Rama there was someone who just wanted to say Hello!
 - A familiar voice said "Good afternoon, Lord Rama!" It was Amy Goodman! He said Happy Birthday to her, and thanked her for her work of the last 20 years to help people wake up She thanked him for his work also, and **said he would get his Reformation act! Have a nice day!** Rama was in tears the whole time they talked; could hardly talk!

KOS: as the energy has crossed the threshold: expect Lord Ashtar to take the airwaves same as what happened on BBC in 1957 – Ashtar will give further instructions!

- said we are at the critical juncture: lots of things will unravel because of what happened in Afghanistan
- R thinks things will happen due to events in Afghanistan, as well as in North Korea
- as we are stepping into the grey, nebulous area – the brinkmanship games as in **War Games** movie: Ashtar, Sananda and the legions of heaven are saying NO NUKES –
- The 13 families are pushing things to the limit with MOAB: it's non-nuclear yet they are scared out of their wits; we are in the time of resurrection and the least among us, the Syrians; the people in the US are watching a huge fight between life forms that are not necessarily human –
 - all of these things will be coming out; thinks it's immediate as we are at the juncture
- When Mr Abe was at Mar-a-lago, in the last few days the resort had their kitchens inspected, and the kitchens failed the inspection test – what does this say about the Orangeman's business?
 - It's all falling apart – it is about the fight amongst the 13 families and they are going to the limits with that MOAB – they wanted to see how many people they could kill with it Full disclosure at any second!!
- as Dr Greer's movie comes forward, more and more from Hollywood will also come forward – including Mark Ruffalo who played in The Avengers as the doctor
 - Mark tweeted we are stepping into the realm where the people of the Nordic regions have a name: Ragnar Rock, the end of the world – Ashtar has told Rama since 1967 - NO NUKES, & Rama is holding him to it
 - We are seeing the most outrageous things unravelling – like the ones about Trump threatening the Democrats so they will come to the bargaining table about the health care – it is archonic consciousness, not human
- Talks of other stories: the ancient ones of Marduk, Enki, Enlil, the Hanging Babylon and all the others
 - Not all the people of Babylon were under the sway of Enki, Enlil and their destructive forces; there were good people in that time - brings in the stories of the rejuvenation cryogenic chambers all over the planet, with beings in them like Zoroaster including Iran,

Saudi Arabia – they are pre-Adomic people, part of the original inhabitants of the planet **before the flood** –

- a lot of them don't have that malevolent intent to gain control of the planet– the resurrection is at hand! The Admiral will not let things slide – things will come into focus now: interesting interplays of how disclosure happens – it has to do with the very dirty money bio medical, military, industrial, congressional complex
- so many corporations will have to take the death penalty and disappear and folks will have to figure out another way of being
- We will be assisted, guided by the wise councils of elders, The 13 Grandmothers, and legions upon legions of others will be here to help
- Talks of the movie, *The Fifth Element* – which is love: **from KOS:** R got the great feeling of love

R,T: need \$143 by Saturday to pay for their dish network – very appreciative for any help

- Coming to the end of the line:
 - don't get a call from Amy for no reason – it's been about 20 years since they last spokesman – they surprised her on her show; played Stevie Wonder for her
 - T: describes the event on Democracy Now
 - Amy said: **you all will get your Reformation Act – it's coming very shortly**
 - Amy is one of the 19 people who will be on the stage during the announcements about NESARA
- Thom Hartmann quoted James Madison about war and its dangers:
Audio: Today: Thom Hartmann quoted from James Madison about war

Steve Cohen on Democracy Now this am: this is the most dangerous moment in US-Russia relationship since the Cuban Crisis.

He's very concerned about the other locations of war

This is the first time in 40 years that a president attacked a sovereign government!!!

Guest: Omena Takes questions from callers
a clairvoyant; only needs first name of caller, others being asked about
If she gets an answer, the caller does too.

Lynn the mystic Healer: what is most significant past life?

- As a healer in France, lots of herbs,
- brought in a persecution complex that is dogging her in this lifetime – this happened in France, and she decided not to do that in this lifetime; she does healing work now with her hands so hopefully she is working to her full potential.
- Asking for the name of the healing male in France: IT WAS HER! There is no name coming forth
- a name that popped in: David

Caller from TX: when will she and husband move?

- Probaly within 6 months – still up to free will, and both wanting it at the same time.

Caller: Finances?

- If you do your homework the finances will be there
Want to purchase a home, finances an issue
- Do some research as to other sources

Caller appreciates the show!

T: a sister of hers who is an astrologer – in Barron's chart and Donald's chart – shows that Donald will not here long, and that Barron loses his father at the same time

O: had another dream of D T – he finds her and holds her hands and said she has fascinating eyes! Has no idea of what it means

P: story about Len, including the background to the story – Ontario friends come yearly to visit us

- P has known Ontario Len since 1966, My Len since 1969
- Tues am: had a very intense dream – writing things, putting in information, editing and facing a deadline to complete the writing – lots of pressure!
 - Curled up in an indentation in the bed, am toasty warm – and I have a cold foot!
 - How does that happen? I open one eye, see ceiling fan on full tilt & the fan light
 - I get Ontario Len to come down and see the situation: fan on, light on – he didn't know what to make of it – I told him a couple of times that I did not do it! It was on when I came to – it's why my foot was cold!!!
 - His wife came upstairs, wondering what the laughing and commotion was about
 - Gave her the morning coffee and told her: we went downstairs to visit the scene – she **looked for the commander/remote** and saw there was **no indication of either fan or** light being on – I had not realized this!!!

• Told them both how happy I was about this: for the first time, I had witnesses and Len's doing it again!

O: What they have just seen is rockin' their brains

- It was definitely Len trying to get my attention

P: Not so sure it was my attention he was trying to get – My Len always enjoyed their visits – maybe he was trying to get theirs – letting them know he was present too!

- Don't have a question; just want to share with folks that there are strange things goin' on in Alberta!!!

O: they are still pondering over it: they believe me, they don't believe me; they believe me; they don't believe me, etc etc – says I could always ask Len to stop doing this

P: I don't want him to quit doing these kinds of things; keeps me reminded there are things that can be done from the other side

- Also, I am moving from the point of intellectual knowing to absorbing it in my heart

O: he's helping you grow!

P: Yes, he is and I am passing it on to other folks

O: This [Stargate Roundtable] is a good place to do it

MA from TX: a family member with cancer; discharged from hospital to die – will she find peace soon; is home with family in PA

- yes, she's found peace; happy to be home, a little nervous – they are working with her to help her adjust

MA: doctors said they could do no more; caller does not know how to accept this

- She won't suffer any more: hospice will help her

- Caller has to go through the grief and the loss: talk to her on the phone – do a meditation, invite her into the meditation and talk to her that way. If you can't see her coming into the meditation, put her in the meditation via imagination which is real! Will bring peace to the caller, too – and caller thanks Omena profusely.

Ross: is he going to be moving to a new life situation, life style – has a feeling about it – both new life style, new house

O: looking for change – be specific about the kind of change he wants, don't leave it to chance doesn't see any location as he's made no decision about where he wants to go

R: asks about a visit from his girl friend Ayisha – when?

O: says within the month!

R says she's a galactic!

B from KT: when 3 years old, gave her clairvoyance away – did this have to do with a past life?

O: was clairvoyant in last 3 lifetimes; brought it in this lifetime; made a conscious decision to shut it down – found the responsibility too burdensome; was wide open when she came in and then shut it down

- yes, she can get it back by asking – just get the fear out of the way - ask her spiritual team and allow it

B: would she be able to do readings?

- O:** will know that as she allows it to open up – she needs to do some work on herself first;
- it will bring people to her with similar situations as she has – this will help her open up even more

MR: an opportunity that she could go to LV or NYC – will she be doing either one of those things? Does O seeing her doing either of these?

O: sees her being drawn to LV

MR: thinks it would be too much, based on other things happening in her life.
Asks about NYC -

O: getting back to **her dream and Mr Trump**, who was so pale – she just walks into places and there he is, and he's not orange!

- This time, she had a green dress on – green is about healing – maybe that is what she was doing with him

T: another part of the astrologer's connection with Barron: he's autistic and has ADHD – which is part of what his Dad has

O: it's a change in the relationship that she sees – not about physical death: a distance happening between them

T: they are already physically separated

O: he could be standing right beside his father and they will still not be connected!

T: it's public that Barron is Autistic, has ADHD – doesn't know how the info was accessed

O: if any of that is true, hopes the public will respect his privacy as he is only 10 years old

T: 1 in every 55 babies born has Autism

Margie: why do I feel abandoned? [via Randy]

- O:** It's an irrational fear; comes from 3 lifetimes ago – were in a harem, a wife but not in the full sense – was 11 years old when this happened: her life stopped then; she's still feeling that
- suggests a meditation: try and forgive self for taking on this irrational fear of being abandoned
 - O will send her love and light: remember: it's an **irrational fear!**

R: does he have any past relationship with the cat he was given for Christmas? It was a stray – what is interesting is that whenever this show is on or when Mother is on, he comes and listens; when it is done, he goes away

O: loves the energy, finds it healing

RB: Tommy Sampson is her cat and he does the same thing – they love the energy

- On Tues, Keshe is bringing out a formula for plasma science treatment of cancer
- He said to bring people to this event who are involved with the pharmaceutical companies and to sell your shares in Pharmaceutical companies, as this cure will change everything -
 - and it only costs \$1 per treatment to make
- all of the mice were cured; and killed 2 to do an autopsy on their bodies, including a moment of silence for the mice!
- What's in store for this – how will this be received?

O: Cancer is something that lots of people make lots of money at –

- another issue is that of belief that such a simple thing will work!!!
- Will have to begin in Japan - in response to RB's comment about bringing it out in Japan where so many people have cancer due to Fukushima
- Not much room to make money on something that costs only \$1 to make and that is so effective

C from CA: found out that she might move to CT – open to this: does this happen within next few months or not?

O: looks like they might move to southern part of CT – so probably will – within 3 months

A from NM: a college student; what is her career path; studying photography, engineering, the arts

O: looks like engineering she'd be good at; the others for enjoyment

• Where would she be working?

O: California possibly – it's a free will choice. Ask for guidance from spiritual team to get her to the most beneficial location for her highest good

J from Canada: about resolving difficulties with sister Mary

O: the older sister? she's too bossy?

J: Caller not sure she has caller's best interest at heart; everyone she meets, the sister goes behind her back and talks to everyone with stories that are not true or with twisted info

• J can't say anything innocent with the sister – it's always contorted: caller is getting worn out with lies

O: time to detach & protect self; she is somewhat jealous of caller – O sees nothing of past lives

J: when J was born, Mary was 3 – a vulnerable time as a child thinks parents no longer love them

O: do a meditation and release her; detach from her and her family

J: people are beginning to realize that something is going on and are being more supportive

O: nothing can happen without your permission

J: has lost brother's relationship as well as of his family, due to her

O: cannot do anything about what she does – best is to keep silent

J: when it affects her at work – things from the 60s or the 80s come up again

• understands that it's her issue as she is the one being triggered

O: get your spiritual team involved; also put the Light around self; whenever you think of her, just bless her, bless her, bless her – as long as you engage, it will still be there

• train your brain to let it go

J: it's gone on too long – parents always said she's the oldest and Mary always tells her that!

O: do some meditation and tell her she no longer has to be the parent and let it go!

T from CA: nephew Ezra was born on April 11 – what does O see about him?

O: he just popped in and wanted to know what caller wants to know!

• he's an old soul - will be introspective, quiet, intelligent; a deep thinker

T: Is he a re-incarnation of a family member?

O: He says no, new to the family

T: Looks like a little warrior

O: he **is** a warrior soul!

T: Has a square face of a warrior; his dad is a policeman!

J from NW: has been working on starting her business as a channel; when will she start making income?

O: will be slow at first; she also has to do a lot more practice to become clearer – and trust when you open up that it's for the highest good

J: when will it take off?

O: up to her entirely: takes time to build up a reputation, also need to promote it – within 2 years should be well on her way – keep doing it!! No, does not see any month – it's about her doing the work and promoting it.

C from GA: keeping eyes and ears open career wise: is he missing anything?

O: message is that you need to trust more: trust in what you hear; trust your gut! It's about opening up and trusting.

C: just short and sweet – yes says O – any doubt you have in there, write them out and burn them!!!
