Our first customers!

Our first customers loved the "soft opening" of Cafe Forte.

Cafe Forte is on Jerusalem's main thoroughfare ([97 Jaffa Street \(https://plus.google.com/116373595324247082649/about?gl=US&hl=en\)](https://plus.google.com/116373595324247082649/about?gl=US&hl=en)) in the very heart of Jerusalem.

Cafe Forte fills the atrium courtyard of Jerusalem's first indoor Shopping and Office complex.

Ann and I ate breakfast and lunchand loved it! It's a class act.

We're so grateful to Joe Korson and his exceptionally creative team!

You can already enjoy the culinary delights as we prepare ourselves for our Grand Opening on June 19th!

LIKE our [CAFE FORTE FACEBOOK page \(http://www.facebook.com/CafeForte?ref=ts&fref=ts\)](http://www.facebook.com/CafeForte?ref=ts&fref=ts) and stay updated with our progress.

Pastor Wayne,

Love to join you and your sweet wife at the "Forte" for Lunch but ... the drive for us from North Idaho is a bit long. Maybe "Next year in Jerusalem!" Or better yet, in Glory!
