Contributed by **Eva Nell Hunter**, LifeWay Church Library Ministry Specialist and library team leader for Central Baptist Church, Decatur, Alabama.

This mediagraphy features suggested titles for church libraries. The titles are alphabetized by authors' last names. Mediagraphies are presented as an aide to librarians. All titles should be evaluated against your church's selection policy to determine if it is appropriate for your individual collection. Some titles may be classified differently to suit the needs and placement in individual libraries.

Most titles may be purchased via LifeWay Christian Stores. Many of these titles are also eBooks.
