# Florida Legislative Update

The Hon Dr Steve Perman provided us with an excellent, informative, and enthusiastic recap of his first session in our state legislature.

Although he recognized the difficulty in participating as a minority party representative, he spoke of the half-full nature of that task and highlighted the accomplishments of the legislative session and the opportunities for working together for the common good.

Steve reminded us how well the 4-way test applied to his everyday work as our representative. He also reviewed for us a bill he was able to initiate and get signed into law to help our law enforcement team combat identity theft. Congratulations, Steve, and thanks!

## Visitors Helped Us Celebrate 15 Years as Boca Raton Sunset Rotary

In addition to visiting Rotarians AG Dave Freudenberg and e-club member Lupe Eyde, we enjoyed the company of chartering members: Kathryn Danella, Chrissy Piazza (and husband Sam), and Foster Lahn. Also joining us was Hon Dr Steve Permans's guest Joseph Riopel. An additional table was added to accommodate our 15-year celebration. We hope many will return to visit us again.

## Speaker Committee

Our speaker committee set a great example for Rotary in action by arriving early for their meeting.
