FIM03: Impact UMC
Impact Culture – Radical Hospitality
Maxine Fears – max@impactdcd.org
Logistics Director and Event Center Manager
Impact UMC

Description:

An interactive discussion on how vibrant, growing, innovative churches practice Radical Hospitality. At Impact we believe the church was created to transform lives through how we interact with people in a **hospitable** environment. We are simply **hosting** people for an experience with God.

This session is designed to start the conversation. You will hear the Impact story. You will be asked to think about your current hospitality and then challenged to make it radical or make it more radical.
