

What is the Partnership for a Drug-Free Foxboro?

We are a group of parents, law enforcement officials, school staff members, and community members concerned about the underage alcohol and drug problem in Foxboro, MA. We are searching for solutions and we invite you to join us.

What activities do you have planned?

We are still in the planning stages for exciting activities for youth, plus Red Ribbon Week, Safe Home Program, and Operation Snowball. We welcome new ideas.

I'm interested in your group, but I don't have much time to volunteer.

We understand that people have varying amounts of time to volunteer. There are still many ways in which you can support our work:

- Log onto our web site at <http://partnershipforadrugfreefoxboro.ning.com> and start or contribute to a conversation in our forums.
- Attend a meeting. Our schedule is on our web site.
- While you may not have time to attend meetings or plan an event, perhaps you could help us build a database, stuff envelopes, encourage family and friends to join us, make bows for Red Ribbon Week, etc. We value any amount of time you can give us.
- Speak to your PTO/PAC or service organizations about our organization. We will be happy to provide written material for you to distribute.

How can I join?

Please visit us at <http://partnershipforadrugfreefoxboro.ning.com/>

Please contact membership chair Pattiann Malynn at pmalynn@verizon.net if you have any questions.
