## HARD NEWS

**R:** Betty Ruble took the grandmother who is 95, looks 60

- told him stories about the time we're in: the age of the sun; the return of Quetzacoatl and his twin flame; the 24 Kumaras
- energies going only up and creating chaos; the media plays with distraction; the republic is being carved up like a turkey
- the distractions are the stories out there: Mr 19.5 DID NOT tap Trump Tower – the fake news is being orchestrated by the archonic life forms
- the Grandmother said Trump will soon be exposed for the archon he is: an ancient fire being like salamanders except they go up all the way up to the former Planetary Prince, Lucifera; Rick Scott is another one, not human
- the Grandmother called them skinwalkers and the undead – talked about the return of [Quetzalcoatl](#) - the skinwalkers get exposed & we the people take our power back – will happen in the twinkling of an eye
- she went to the UN in 1978 and 1987 on the longest march

### On Native America Calling:

- speaker on the program has been appointed by some other grandmothers as the N A spokesperson for Native Americans on Turtle Island, N and S America
- to be a big meeting at the UN in Septemer: they will attend
- Trump's fake budget – cutting aid to the UN – seems it's humanitarian, but it is one of the more evil organizations on the earth – 5 countries Yemen, Somalia, Nigeria, Sudan and ? are starving to death and the only money coming to them is from private funds or through the UN; they are being starved to death intentionally by the cabal and US Black Ops – supplying and funding the different groups in Africa, Syria that are supported by Black Ops
- Mrs Kuchinich asked the question – what are we doing in Syria in the first place?
  - Dennis, his wife, Tulsi Gabbard from Hawaii went there: all got the same message – we don't want you here; we can deal with this; please leave us alone
    - all the groups in Syria – ISIL and other groups are funded by Black Ops; ISIL created by Koch Bros, Adelson, others like them: what T & R have been told is that WW 3 is already happening in a small way and is being increased slowly
- Hard for people to grasp that Obama is a double agent: what happened in Libya is entirely on Hillary, not Barack – T tells the whole story of what happened, including the killing of the **clone of Gaddafi, as well as the ambassador and 3 others. HRC** stole 800 metric tonnes of Gaddafie's gold to be used to create an economy, some financial stability for the people of northern Africa
  - *You can bomb the world to pieces, but you cannot bomb the world to peace:* lines from a song by Michael Fronte, and repeated twice by Mrs Kuchinich who also said we are coming into a spiritual transformative time & people are waking up [happened on Tuesday, the 14<sup>th</sup>]

**Question:** is it true that Alex Acosta has offered a sweetheart deal to serial offender Julian Epstein?

- This ties in with what the crystalline beings told him
- the crystalline beings wanted Rama to go to the top of the mtn, so he went and was on the bridge; the crystalline people showed up and told him Tom the Cat would be calling him
- while he waited, he washed his crystals and also dunked his head in the water
- Sweet Angelicque the Cat explained that she's been in contact with Jane Doe and 25 other women that Trump, Epstein, Baron von Rothschild and many others had violent sex

with; there are others we know nothing about because it happens on his estate on the island

- These 25 women who were between 13 and 25 years old were helped by the women who were on the island; the White Knights also involved – the women are millennials in their mid 30s
- Justice Sotomayor has been helping Jane Doe; Sweet Angelique the Cat said that the justice also said there is another case having to do with the idea that the President, the Vice-President, the Speaker of the house and all except 64 good members are not fit for office
- **this is a Nesara story:** Mother is in charge of this: NO ONE GETS A SWEETHEART DEAL!!!
- R is watching the unravelling and the complete insanity of the media playing with what is being done and expecting people to believe what they say

**T: Bernie Sanders:** Trump's budget is morally obscene and bad economic policy. It will call devastating pain to those he said he'd be helping. . . .We should not slash programs that seniors, children and working people rely on in order to provide a massive increase in spending for the military industrial complex" – his budget should reflect more than this

- Bernie spoke up about this because of the info in the article "Trump's budget slashes funding for EPA, education, housing and the State Department"

**Reading: 2017-03-16 Trump Budget Slashes Funding for EPA, Education, Housing & State Dept. [SEE BELOW]**

**T:** Natasha told Rama on Tuesday that Trump would never be able get rid of Obamacare

**Caller:** asking about his most recent past life before this one

**O:** was a monk in France, wore a brown robe

**T:** as T grew up in the Catholic system, that would be the Franciscan order – cool

**C:** last name is "French"! Another kind of validation.

**O:** e-mail about having a loving relationship with her older, controlling sister Mary

- Mary the sister had to be right, but she also did things out of caring

**O:** asking for more information on double agents, their role, their importance

**T/R:** 3 major double agents in the bigger story: Obama, Putin, Xi -

- any one of the three, should they not do what they are told by the ruling cabal of their countries, would be dead!
- In response to Omena's question: yes, being a double agent is a **very, very very good** thing – it is part of the NESARA PLAN
- they do what they are told to do: so Barack is getting flack for killing people using drones – it is HILLARY who is ordering him around on behalf of the cabal aka 13 families
- In Russia, it is the oligarchs/cabal ordering Putin around
- same in China
- these **3 are contactees of the Ashtar Command** –
  - Putin in contact with the Andromedans;
  - Barack is from Andromeda and works with the Andromedans who on the Sirian Council of 9; he is the 9<sup>th</sup> member of the Council on Sirius A – the KOS takes him to these meetings in his shuttle craft and this continues until this day – Barack went to Mars in 1979 as part of the Project Pegasus
  - Pres Xi is in contact with the Pleiadians, works with them directly and the Ashtar Command comes from the Pleiades

- They do what they need to do to stay alive: the transfer of the power to Trump represents the cabal getting in but now is the time as the transfer of the energies into a higher frequency is going on, and this will make things visible for all to see
- in the Netherlands, the person who is like Trump did not win -
- Does not expect LePen to win in France, either – the lights in peoples' hearts is saying Enough already!

**O:** this is going on at a conscious level?

**T:** it's happening at a physical level as well – Ashtar, Sananda Kumara, St Germain, Mother – all sit with Barack; they have been meeting with these guys in their own countries, and these guys go on the ships as well! A galactic operation that is helping to get Earth back on track.

**O:** is Trump trying to create a 3<sup>rd</sup> World War?

**R:** he's trying to egg on the energies in Syria; there is also still a green zone in Iraq and neither country had anything to do with 9/11.

- these neo cons are drooling at the potential of expanding the military budget
- these are the kind of things brought up in Dr Greer's latest documentary "Unacknowledged" about the military black budget: where it comes from, what it's for, etc
- we only hear bits and pieces, plus mysterious conspiracy theories from those who don't really know what is going on as they are being fed lies by Factions 1 and 2

• a good thing what Julian Assange did by revealing the techniques used by the ABC agencies to listen to us; at the same time, there is a war going on that has not been acknowledged

**T:** it began with the Orion War that went on for 5,000 years before they came to earth in the High Middle period of Atlantis and kept on warring: they are still the ruling ones to this day

**Caller:** trying to understand what his commission is at this time – knows he's a lightworker but still no direct messages from his team

**O:** getting that he is not ready yet: keep doing what you're doing and be patient

**C:** in the past, O mentioned an Archangel from another universe – has had no contact.

**O:** has to be more mindful: has a tendency to wander a bit – be more aware of what you're doing, thinking and allow them to come to

**C:** asks about his connections to any ET race

**O:** definitely a strong connection with the Pleiadians –

**C:** sent T & R a youtube of Barbara Marciniak – has been told to be ready; they will come

**Caller/CT:** how does she control anxiety?

**O:** if it's not clinical, it can come from not making decisions; waiting to see what happens next creates anxiety. Zero in on the source and do something about it. If it's out of her control, then detach from it; also look at childhood – could be something from then when caller was young and could do nothing about it.

- If it's around 7,8 years old, there were things going on in the home: talk to that child as an adult, and tell her that all is OK now – the child is the anxious one

**Caller:** source of anxiety is her life!!!

**O:** can only change your attitude towards others – can't change them!!

**Caller for Rama:** understands that Sean Spicer's days are numbered

**R:** Sean Spicer is tied in with the blackmail that has to do with Russia, will have to answer for his crimes of money-laundering

**T:** none of this has to do with Putin – it's the mobsters called the Khazarians

**C:** re Trump- Jane Doe and her testimony

**T:** Jane Doe and the 25 other women – violently raped by Trump at Epstein's island in the Caribbean – Judge Sotomayor is handling the case, with help from Sweet Angelique the Cat; T & R review the names they gave previously: goes right into Madam Palfrey's black book

**Caller:** her 7 year old seems to be very intuitive, and also anxious especially about travelling – and other things – old beyond his years – Devin – how can she help?

**O:** he is anxious around travelling because he likes to be in control – to deal with him, explain everything to him in terms of what is coming up next – all the details

- he is intuitive right now and sometimes he rejects things that are going to help
- don't worry too much – he'll mature and have a better understanding of things
- there is a part of him that is very concrete so he needs concrete explanation

**Caller/BJ:** lots of scout ships in the area – has been seeing them since 2007,2008 – is this a specific group or various ones?

**R:** Illinois – Evanston, north of Chicago

**T:** strongly that they are Pleiadian ships – saw them in the 70s and 80s

**R:** their purpose is to keep an eye on the people, and also on naughty things

- Since 1945, the galactics have taken over on the earth; because with the dropping of the bombs, we broke the Prime Directive of Mother, they're keeping a good eye on events!

**T:** the caller can see because the level of consciousness is high enough to see them

**C:** has had galactic experiences since age 8. When caller goes out, a ship follows him specifically until he comes home

**O:** he is from that ship, and they are protecting him

**T:** that means he has a special mission to help on the ground

**O:** tune in, ask and get the answers

**C:** dialed in on the 888 # three times – then he called 530 # twice and got live links and a place to meet singles!!!

**T:** it is BBS that is getting interfered with as are many other stations

**C:** re past lives -

**O:** needs a name: gets it – in last lifetime, in England as a butcher! A male there, Married with 5 kids and one of the kids is with him now!

**C:** Doesn't want to give their names; has an idea which son – the 2<sup>nd</sup> one – acts like he's the caller's Dad or something!!! Suppose it's because of the familiarity!

**T:** people are getting the point that there are things going on behind the scenes – Trump is getting after the media, and there is plenty to get after him about, too

- it is the banksters that are in common: both Hillary and Trump are equally involved with Goldman Sachs; Goldman Sachs, the Mossad, the CIA and others collaborated to do 9/11
- the globalists have 3 obelisks that are strategically placed
  - one in London which is not part of England – the world scale of finance
  - one in Vatican which is not part of Italy – the world scale of religion
  - one in DC which is not part of the US – the world scale of the military

**Big Will:** what is his present future looking like right now?

- He is retired now

**O:** he's asked this before – yes, he's in the process of moving now

**BW:** asking about the safe zones in the US – says the NW of Texas is one of the safest

**O:** he's not moving because fear is stopping him from moving

It will come to him where to go

**BW:** 5 years from now: what does she see him as?

**O:** seeing him as much more at peace with himself than he is now!

- His lineage: she gets nothing on that; could be that he is blocking it: getting no info
- not seeing anything about galactics helping him

**Caller:** asks about what is her job at this time?

**O:** to help keep people calm – sees that her presence has a quieting influence on others

**C:** anything about her own self care?

**O:** get more rest, more sleep; more water too!

**Caller:** had an experience when she was 15; has bothered her – having sex with someone – saw herself above her body – he made a tiny little slit on her neck and sucked her blood. Then she came back into her body. Not fearful about it – but what was he doing and why?

**O:** she was sexually thoughtless?

**C:** she went there willingly

**O:** That's not normal

**C:** she gives the name

**O:** he was into experimenting – still not normal

**C:** very strange – when he whispered something – she thinks now it was kind of hypnotic

**O:** goes into the deviant part of sex. Good thing that was the end of it!

**C:** asks about her health – has had issues all her life

**O:** some things have to do with emotions: don't talk about her feelings  
seems to be around her heart – and her elimination system

Thanks

**Caller:** if they are meant to move next year?

**O:** within the next 2 years; looks like one wants to go, other not so sure – both need to agree

**C:** any environmental issues where caller lives – some troubles with congestion in throat, chest – appear every year – in the home or in the studio

**O:** maybe some mould around in the house; where there is stagnant water, is allergic

**C:** in a new green building – a carriage house above garages: quite well insulated

**O:** could be about rugs

**C:** there are stalls for cars beneath the carriage house -

**T:** could have to do with fumes

**C:** in spite of the assurances, could still be leaks here and there.

**Caller:** about her love life

**O:** can see she wants one; also that she has a problem with trust – the trust blocks what she is looking for – has to trust self to find someone who is trust-worthy – also, are you wanting this relationship out of need or of want? Out of need won't last long!

- Make a list and then become the list: are you on the list?

- Relationships are always about ourselves, not the other! Take a look at past ones

**C:** Questioning the drive she has for – is she working with the right people? Seems like they are invisible – trying to integrate so much information -

**O:** shouldn't be doing more – needs to get clearer on what she wants to bring to fruition – zero in on her specific desire – try and narrow it down to one or two things, so energies are not scattered.

**Cmdr R:** how do we cope with the incredible waves of energy that create so much tiredness?

**O:** has asked them to stop downloading on her because she gets so tired: they say all we can do is rest more and drink more!!!

**CR:** finds they are more intense at night when he is resting – people should pay attention to the animals – the animals are reacting differently

**O:** MR is OK; O will not be here next week, but on the following week

- Discussion about how O celebrates St Patrick's Day: when O was little, it was a Holy Day – no school; wore a shamrock and went to mass.

## INFORMATION RELATED TO THE NEWS

### 2017-03-16 Trump Budget Slashes Funding for EPA, Education, Housing & State Dept.

President Trump is set to send his proposed budget to Congress today. The budget calls for an unprecedented \$54 billion increase in military spending, as well as a \$2.8 billion increase in funding for the Department of Homeland Security, largely to pay for Trump's expanded border wall and the hiring of 1,500 new Border Patrol and ICE agents.

The budget slashes funding for the Environmental Protection Agency by 31 percent and funding for the State Department by 28 percent. It also proposes cutting billions in funding for the Department of Housing and Urban Development and the Department of Health and Human Services.

The Education Department would see \$9 billion cut from its budget—even as so-called "school choice" programs would receive \$1.4 billion more in funding. Trump's education secretary, Betsy DeVos, has been a major backer of such programs, which include vouchers for private and religious schools that divert public funding out of the public school system.

Trump's budget also proposes entirely eliminating funding for the Corporation for Public Broadcasting, which supports public radio and TV stations nationwide; the National Endowment for the Humanities; the National Endowment for the Arts; and the Legal Services Corporation, which funds free legal aid nationwide. The proposed budget is expected to face fierce opposition in Congress.

Meanwhile, on Wednesday, House Speaker Paul Ryan admitted the Republicans' plan to repeal and replace the Affordable Care Act will have to be changed if it's to pass the House. The plan has been losing support since the Congressional Budget Office released a report Monday saying 24 million Americans would lose their insurance under the plan within 10 years.
