

Solutions, etc.'s

Maximizing the
Power
of Teaming

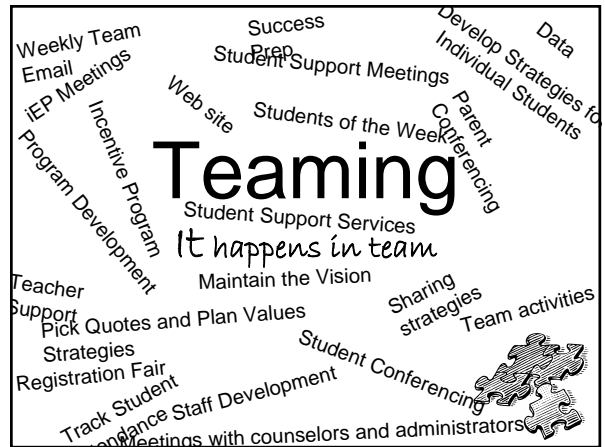

Teaming

No longer impacting just a few...
Now transforming the school from the bottom up

Teaming

What happens in team

Teaming

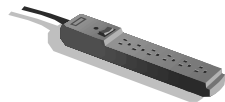

Wonderful and Challenging

Wonderful

The Power of Four

- Empowering teachers
- The strength of each teacher becomes the strength of all
- Commitment to sound teaching strategies
- From Rookie to All-Star

Wonderful

Changing the Image of Teachers

- Assigning SISD
- Changing schedules
- Conferences – 4:1 versus 1:1
- The whole is greater than the sum of the parts.

Challenging

Leadership

Building a comfort level with team goals

Maintaining positive team relationships with students

Challenging

Developing new team members

Maximizing use of team time

Other responsibilities and obligations

Public relations

Solutions

Getting along

- Be willing to try new things
- Praise and listen to other team members
- Extend team relationships outside school

Solutions

Building Consensus

- Summer meeting/commitment
- Make sure that everyone feels good about team goals from the beginning
- Together develop an agenda for the week
- Share team attitudes and values

Solutions

Utilizing Talents

- Recognizing strengths
- Give all team members a chance to contribute
- Look for ways to contribute - serve rather than be served

Teaming

*When done right, it brings potency
and effectiveness to everything you
do, including...*

Teaming

*Allowing teachers to do all the "extras"
- study skills, organization,
inspiration - and still accomplish
more teaching and learning
than ever before!*
