

6 Month to 1-Year Internship

Imagine spending 6 months to 1-year of your life fulfilling the “Great Commission” as an inner-city missionary. Building relationships to the people of Pittsburgh and making disciples teaching them all that Jesus commanded us through our After School Program and Youth Group.

As an intern you will be a part of the lives of the youth and families we serve and will learn to use a variety of tools to minister to the children and see breakthroughs in their lives! You will learn what it is to live in a community of believers as you partner with us on a mission. We provide community-style accommodations and daily meals.

We are looking for people who love God and who are hungry to serve Him. This will not be an easy road to take but it is a rewarding one. You will undoubtedly learn a lot about yourself and who God has made you to be! If you have prayerfully considered the above and feel that you are called to this mission complete the application here and return to earthenvessels98@gmail.com
