Welcome to Memphis!

Join us in Memphis for iSummit '09. This year we celebrate seven years of leadership in learning and leading with technology. iSummit '09, brought to you by the Coalition of Lighthouse Schools, promises to deliver yet another outstanding event for leaders, teachers, and IT professionals who are implementing 1 to 1 learning environments in their schools.

iSummit's program has always delivered the most current and relevant sessions to support Apple notebook learning programs. This year promises to be the best ever!

Come and Experience:

- Focused workshops in the areas of leadership, learning, and infrastructure delivered by experienced practitioners and experts
- Collaborative / project based workshops and activities
- Software and web enabled curriculum solutions
- Instructional strategies for immediate implementation in your school
- Discussions of common opportunities and challenges
- Keynotes from leaders in instructional technology
- Nightly social activities and networking opportunities
- more.... (go online to view the entire agenda)
