## HARD NEWS

### Pushing the war games –

- **Egypt:** President / dictator / military junta [Abdel Fattah el-Sisi](#) killed 4,000 Muslim brotherhoods in last 2 years; incarcerated 23,000, and are disappearing young activists; in Sinai, they are bombing – don't know what it's about
- **Ukraine:** Now have 1500 US boots on the ground and all kinds of military equipment short of nukes at the border – this info from Steve Cohen: this has never happened in history that the US was the aggressor on the border of Russia  
**KOS and others are saying:** even Steve Cohen is being forced to say there might be an equal amount of Russians in Ukraine: KOS is saying there are no Russians in Ukraine – **it is all on the US**; the US media is compromised: TOTALLY and discouraging when someone like Cohen is also
  - Cohen's wife is Katrina vanden Heuvel who says it as it is

**Tom the Cat:** he and Rama talked several times today he said it is all about the fanatical idea that goes back to Dracos and other ancient cultures who claimed earth as their property; there are disputes about the planet and its inhabitants – this was not in the bargain.

- Long ago, the inhabitants were not as we are now
- Tom explained: the ongoing things in the solar system and galaxy – there are still negotiations, going on between humans & ET hybrids, human hybrids all the way up to LM Nada: they are not fighting, but figuring out how to nail the cabal who have held them in incarceration and slavery as well as getting us humans free, as well –
- there are miracles afoot – it is about stepping into that Star Trek time of the next evolutionary leap. Has to do with all kinds of contacts that are happening though it is not being reported in the media
- Brings it **back to Mr Putin**: who has talked about this in their papers that he has met with many different cultures; when the signal is given by Ashtar and Sananda, the nanites in all the satellites [hundreds of millions of them] around the planet will change the programming on all the satellites, and everyone on planet on earth will hear Ashtar's voice

**Natasha:** said the same

**Ashtar:** no nukes! **They have neutralized all the nukes**

- they are playing with the fear brinkmanship stuff; they want to play the hard core stuff & they can't – they are in for it!!!

**Greece:** very very ugly; people cannot get \$ out of the bank

**Rama talked with Larry, Curly Mo, Tom the Cat; Jackie Chan of the Shaolin Path, Natasha's body guard**

- his family for 10,000 years have followed the Shaolin Path - he's 36; has beautiful tattoos inside his forearms – one dragon, one tiger - once the tattoo is on the arm, they pick up a hot pot with both arms to seal the tattoo in: an initiation! He Natasha's body guard!
- They were sitting on a big rock in the middle of town – Jackie Chan was teaching the kids while Rama and Natasha were talking.
- **from Jackie Chan:** China is going to help Greece out behind the scenes; no more communications until the referendum. As the people get to vote: if they say yes, they will have more severe austerity added on; if they say no, then China has to step in OR Angela Merkel has said – she is in trouble as there is
  - a **2nd set of Wikileaks:** NSA caught spying on 60+ ministers in Germany + Merkel's phone is involved again;

**France:** Francois Hollande also caught spying on Germany

**Merkel:** still has to go in front of World Court – no getting out of it.  
The following report is not helping her, either!

**Reading: 2013-04-08 Secret Athens Report: Berlin Owes Greece Billions in WWII Reparations [SEE BELOW]**

- Greece never received any reparations for the loans they were forced to make to Germany or for the damages suffered during the war
  - Story based on 190,000 pages of documents scattered around various public buildings
  - 108 BILLION EUROS for + 64 Billion Euros for FORCED LOANS TO THE NAZI OCCUPATION FORCE between 1942 - 1944
  - 162 BILLION EUROS = 80% of Greece's current annual domestic income
  - Berlin has shown no willingness to revisit the question of reparations to Greece
  - the findings should be published
  - analysts think the current Greece gov't not willing to take Germany on.
  - THIS IS OVER AND ABOVE WHAT RICHARD WOLFF TOLD US A WHILE AGO ABOUT THE GERMANS GETTING CUT IN HALF THE LOAN THEY WERE TO REPAY AFTER THE WAR. As well as getting 30 years to pay it back with very good terms.
- There are other people in the German gov't who are screaming that friends shouldn't spy on friends!
  - Merkel looks very concerned – knows she has to go The Hague

**R:** what he heard is that the markets may just go over a cliff after the holiday

- Max Keiser is foaming at the mouth about the heist that is going on due to the trading going on on Wall Street; at the moment, they are **not** amino acid computers

**the latest information about climate change:**

- the charts deal with the extinctions in terms of families per million years [animals, plants, all kinds of families] –
- the charts go back to 600 million years; at 550 million years go to Paleozoic
- 300 million years ago
- 250 million years ago Mesozoic – this is about the time that Pangea began to lower itself: Rama remembers we had bodies clear as glass; whatever we thought manifested instantly
- 200 million years ago - Cretaceous Tertiary extinction:  
This is the one being worried about now – all of the ones before were natural and took hundreds of millions of years to materialize
  - this one has to do with technology and completely ignoring the rules of nature and nature's god
  - in the last 100 years, we have accomplished what had take about 100 million years to create – a serious problem – need an abrupt and serious change
  - **Ashtar said they have things in hand, but still need to see support for NESARA!**
  - Our job is to share this: we have been working together for a long time and we know more than most people; We can actually talk to people now as much of the information is leaking into the main media

**Bernie Sanders:** 10,700 people at the gathering in Madison, WI: in all of our history of doing campaigning, were never so many people at a gathering

- The next day, he spoke in a city of 175,000 in Minnesota, with 5,000 people showing up
- he's saying can't steal the people's house; can't give tax cuts to the rich and not give minimum wage to the poor; or make you pee in a cup to get your small pittance of support
- in Greece, 8-10 times worse than anywhere else in Europe.

**T goes to the page of questions:**

**Did they find out anything about space weapons being used to start fires?**

The Koch bros used a nuclear reactor fuel rod to blow something up – that means there

was lots of radiation in it.  
lightforce.com – have

**Question: 7 different churches were burnt down – some by lightning – is this true?**

This is good old racism – and the flag was the flag of Virginia not of South Carolina!

- **Racism in the US – have to deal with it**

- on a program called *Watching the Hawk*, hosted by Jesse Ventura's son, Zach, and associate go into depth about the fact of the confederate flag being the flag of treason.

Saw a Ford car with the confederate flag on the roof of the “general Lee Car” - many different corporations are disengaging with that flag and its associations.

**Trump:** losing lots of contracts – with a TV show

**Mayor of NYC:** pulling every contract that has Trump's name on it

**Republican party:** what we see is very ugly

**Bernie Sanders:** has \$15 Million all out of small contributions – giving Hillary something to worry about. Trying to act like they are not worried. His job is to remain strong

**Senator Pinchney:** this was not a clone; it was murder – it was a Black Op.

- The young man who did it said he was inspired by an ultra conservative white racist group; he never made it past 9<sup>th</sup> grade. Just saturated with the Aryanism
- It is not the true ayanism

- **Question via e-mail:** Please ask about the connection between Knights Templar, Freemasons, the Secrets of the Cathars.

- It's not black and white: Freemasonry has been usurped: they learned the secrets and used the power against humanity

- He was not a vile sexual person - **St Germain was never evil**; he was in the order of Dracule, but popped out of it

- Francis Ford Coppola's movie called *Dracula* is the closest to the true spiritual teachings.

**Cathy L:** asking about another person that St Germain was

- Vladimir the Impaler was the lifetime of Dracula – he was going after the church which was not holy at all

- the first one representing the foulness of the church in the Crusades was Mordred, son of Arthur and Morgana who tricked Arthur by shape shifting into Guinevere, Arthur's wife

**Caller:** Thanks to the team members. Asks about Benjamin Netanyahu & plot to invade Jordan

- he's holding Jordan accountable because over half of Jordan is refugees from Palestine and he just wants to kill more Palestinians

- **KOS said** he is completely nuts: has not been in right mind for a long time

- he was in his 20s when he organized the Project for a New America and started planning to do 911 – from 1963 to 911 – 38 years of building it up on all kinds of levels to get people's minds ready to accept this; Net has truly come to believe in what he is doing

- Israel was a fake insertion, a criminal activity right from the beginning: the original Hebrews were black – this is where Bob Marley and Halle Salasse come in

- Hamein brought up at the last minute of his program, that there were interveners depicted as blonde and blue-eyed and not necessarily working for the light! In the reality of the Earth plane, Isis was black because she was born of Australian aboriginal people.

When she was 12, her Twin Flame, Osiris, came down in his star ship to get her, and they dropped down in and picked up KaHoTep who was a barbarian as a result of the blowing up of the Great Crystal of Atlantis. This was an intervention.

- Isis and Osiris in their 5<sup>th</sup> dimensional lives ruled over Atlantis. She said she would incarnate and go to Egypt where there were still some living by the higher principles and living 1000s of years; the others on the other path lost their extended life ability and were

dying younger and younger. In Atlantis, we lived for 10,000 years, never getting sick, and just wondered what we would be doing next.

**Caller:** asks about the movie *Terminator* which came out July 1<sup>st</sup>

- Terminator Genesis is a kind of rehash of Sarah Conner and John Conner playing with the story of Skynet and Cyberdine – don't bother to see it: they degraded the message!
  - Like Bill Clinton said we have a secret gov't and I am not in charge!
  - Barack who is a double agent: he is not in charge as the president, but he IS in charge as he is a double agent. He's doing something else & has a method to his madness – he's the dirtball with the 1500 troops on the ground: Angela Merkel and Hillary are in the middle of it
  - these guys want thermonuclear war and NOW: it looks like they are getting it -  
People look at you strangely when you say there are galactics involved
- the astrology correlates with this: Mahala, The Pele Report, Carl Boudreau – getting hotter and hotter until 8-8-8 Lions Gate. The 13 Families are in absolute total free fall collapse.

**Question:** when did the 13 families infiltrate?

- they are part of the reptilian story which goes back to Enki & Enlil which is 65 million years ago
  - Cannot pinpoint these things to more recent timetables – doesn't work like that.

**Caller:** are you saying on July 6<sup>th</sup> the 13 families will have nothing in their bank accounts?

- NO DATES- it's just a scenario; CANNOT PIN IT DOWN! Doesn't work like that: the masses have to assimilate this over a time period, which is getting shorter and shorter. And as you can see there are shorter and shorter fuses amongst the 13 family members
- The Knights Templar were peasants; had the equivalent of co-ops and were getting along
  - The original story had Magdalene as a KT: the oath they took was to the Office of the Christ and only to the Office of the Christ
  - the **Jesuits were a usurpation:** as soon as they knew anything about KT, they got involved: the church killed the KT s - it was a land grab and a gold grab – they had done the spiritual work and doing cooperatives with the land, taking care of people, etc etc -

**Caller:** re democratic socialism – Obama going to Cuba – what about it?

- Will be in later July – 20ths when the embassies are completely set up – has been announced.
  - Part of the story of declaring peace
  - REMINDER: the Castro Bros have been an asset of the CIA since the start. That in was used to do all kinds of things.
  - The **big bad threat of communism was fake:** it was the US who aimed the nuke at L A; Ashtar took it into outer space and neutralized it or 3 million + would have died
  - Barack Obama is doing what JFK didn't get to [get to re-normalize the relationship]

**Caller:** understands that a super human will appear on the stage and the media will get hold of it: will do an act of courage, of rescue – somewhere in Europe – what about this?

- Know nothing about it

**R:** in the realm of infinite probabilities & possibilities, it's an absolute: 144,000 of us have shown up: we are star fleet academy: it means we have studied and have experienced working with our gifts to the fullest: can appear & disappear, walk on water: nothing new about this

- saw something today in the India Times: a man harnessed the energy of the vacuum of space – has harnessed zero point energy: an Indian engineer – this news didn't show up in North America

**Caller:** talks of the TV series "The Hero" - there was an Indian Dr who could create things out of our thoughts

**T:** "we" are "them" - just remember that

**R:** since 1967, R has been beaming up in the physical – does not need spandex and a cape!  
The movie called *jumper* goes into that realm and it works!

**CathyL:** what kind of experience is it to do instantaneous transitions?

- a feeling of ecstatic joy; being in the presence – like millions of blissful ecstatic orgasms all at once and it only keeps getting better.
  - Sometime he might have to spin the crystals for 3-4 hours before they pick him up but he literally goes up in the physical.

**T:** she did it once with a friend: they got nauseous first and then the beam was on them – some people came along and they didn't get taken up

- Some of us have decided to do the work from this end and stay here; others go back and forth like R; others decide to work from the other side, like the 16 million Sovereign Militia Forces who are from the ships and have worked for decades behind the scenes.
  - They take on a form and look like a human; they are now Ground Crew and have been for decades. Some guard the president and are more than the Secret Service
    - Talked of JFK with someone beside him who was 8' tall and it was real!
    - Valiant Thor lived at the Pentagon for 3 years.
- The possibility and probability of full disclosure has been here for a long, long time
- On June 26<sup>th</sup>, ship showed up over [Teotihuacan, Mexico](#)
  - Picture of a star ship over Yosemite Park – see the website.
  - In South America, China, Russia – nothing new to see ships
  - In the US, people are called loony toons if they talk about ships because the gov't is so punishing – Tara knew the teacher who was a Jesuit was doing black arts.

\*\*\*\*\*

Anonymous 7 ½ sent this photo to Rama a few days ago, of a ship over Yosemite Park

\*\*\*\*\*

**Bernie Sanders:** he's 73, a farmer, a vegetarian, no health problems

- every time he does a campaign speech, he says it's not about me, about Hillary, or about the Republicans, but about the issues and the state of affairs in this country and what we must do to change it

- Rama got **17 minutes** on the **Ed Show today: has never happened before – a break through in the media**

- Rachel and Laurence O'Donnell said something about Bernie – but nowhere else.
- Bernie had 10,000+ show up in Madison & Ed was there doing live streaming; talked to Bernie after the speech
- MSNBC covered him today and did it big time: that record is now in the archives. Ed is a problem in some way as he cowtows to Hillary

**But there is more and More disclosure on various levels**

**Obamatrade.com** - Thom Hartmann had on the Republican CEO who blames Obama for something so outrageous. His Big Picture Rumble – has 2 Repubs + 1 progressive and Thom – they do get to the issues: you can see the game being played by these guys and it is dirty: not to do with helping the people, but with a power grab for the planet.

**Question: How can Barack Obama being a double agent when T & R talk about it? It can't be very difficult for the wrong people to learn it too.**

- 99% of the reptiles are clones – killed and cloned and programmed and reprogrammed, like the examples of Oct 28, 1991 Bush Sr was killed and cloned the 1<sup>st</sup> time; had 34 clones was made and kept on ice; in 1993, he was killed by food poisoning in Japan and fell face-first in his food - each one is good for about 2-3 years of activity; need so many clones to cover the time it takes for the people to “get it”
  - the taking down of the Confederate flag moved things along
  - so did the eulogy given by Obama at the funeral
  - he brought up the gun laws: 30,000 people a year are killed thanks to guns also talked about the housing laws –
  - he does as he's told yet was free to speak as he is guided by El Morya: it was El Morya who was walking in there – they know from their Luciferian guide book who E M is; people feel the vibration that comes out of Obama when he talks and they don't know what it is. The lady T & R talked to was talking about the love she felt but she knows nothing of St Germain

T tells the story again of the lady in 2010 who studied auras and showed the progression of his physical aura which spread to a 90 mile radius as he developed during the presidency and learned how to project the energy. She measured his aura from when he started to these times.

- from 1987 to 12 – 12, the wandering in the MWG continued: in Dec 2006 we were finally pulled into the MWG by the photon belt – we had wandered from the time of Atlantis on the outer edge of the solar system & wobbling and wondering if we were going to go Super Nova – the 5 years Orion war created havoc in the galaxy and our universe - we are completing the healing now
  - there are millions of people who have been moved & they are continuing to be moved as they cannot continue to hold themselves in physicality – because they have done the best they can, they get to stay in their body and are taken elsewhere to learn more; there are 80 billions planets like earth to which they can go
  - all of the underground bases still not gone but a great mass of freeing people has been accomplished
  - THIS IS NOT ABOUT A DATE; IT'S ABOUT THE GROWING momentum
  - Bernie is from Venus and he carries some of the Kumara vibration – and he is touching people – he is also holding other things that are stunning
- the changes that are going to come: Last Sunday, T & R talked to GG Lillie who is the Prime Minister of the Aboriginal Moabite Nation; she got the phoenix rising banner beside all the other flags of the world at The Hague – an electric blue phoenix rising on a white ground
  - every indigenous person on the planet is now represented there - over 1,750 indigenous peoples and stories from the western hemisphere alone
  - a shaman from the US went down to Brazil to talk to shamans there who are up to 175 to 200 years old – he wrote down all they had to say & knew or it would have been lost.
  - Gary living young has done the same kind of thing:
  - T tells the story of an indigenous woman they brought to a meeting who spoke to a man who used to be in Egypt: told him he needed to clean things up in this lifetime- that's what this one is for
- We are all ancient beings here!

**For Penny:** People not able to get into the archives & the notes; Samana has been having trouble too -

**T:** asking for help to stay afloat

**Caller 3:** wanted to send a supplement he thought might be helpful: a topical magnesium product + info on the product: [www.activationproducts](http://www.activationproducts)

- EASE is an acronym for all the products in the supplement

## INFORMATION RELATED TO THE NOTES

2015-07-02

2013-04-08 **Secret Athens Report: Berlin Owes Greece Billions in WWII Reparations**

By [Giorgos Christides](#) in Thessaloniki

REUTERS Details of a Greek report on the amount of World War II reparations still owed by Germany leaked to the press over the weekend.

**A top-secret report compiled at the behest of the Finance Ministry in Athens has come to the conclusion that Germany owes Greece billions in World War II reparations. The total could be enough to solve the country's debt problems, but the Greek government is wary of picking a fight with its paymaster.**

The headline on Sunday's issue of the Greek newspaper *To Vima* made it clear what is at stake: "What Germany Owes Us," it read. The article below outlined possible reparations payments Athens might demand from Germany resulting from World War II. A panel of experts, commissioned by the Greek Finance Ministry, spent months working on the report -- an 80-page file classified as "top secret."

Now, though, the first details of the report have been leaked to the public. According to *To Vima*, the commission arrived at a clear conclusion: "Greece never received any compensation, either for the loans it was forced to provide to Germany or for the damages it suffered during the war."

The research is based on 761 volumes of archival material, including documents, agreements, court decisions and legal texts. Panagiotis Karakousis, who heads the group of experts, told *To Vima* that the researchers examined 190,000 pages of documents, which had been scattered across public archives, often stored in sacks thrown in the basements of public buildings.

The newspaper offered no concrete figure regarding the possible extent of reparation demands outlined in the report. But earlier calculations from Greek organizations have set the total owed by Germany at €108 billion for reconstruction of the country's destroyed infrastructure and a further €54 billion resulting from forced loans paid by Greece to Nazi Germany between 1942 and 1944. The loans were issued by the Bank of Greece and were used to pay for supplies and wages for the German occupation force.

## **Bad Time to 'Pick a Fight'**

The total sum of €162 billion is the equivalent of almost 80 percent of Greece's current annual gross domestic product. Were Germany to pay the full amount, it would go a long way toward solving the debt problems faced by Athens. Berlin, however, has shown no willingness to revisit the question of reparations to Greece.

Athens too is wary of moving ahead with the demands. The government sees the report as being particularly sensitive due to the fear that it could damage their relations with Europe's most important supplier of euro-crisis aid.

The Greek public, however, has a different view. *To Vima* reflected the feelings of many by arguing that "the historical responsibility now falls on the three-party coalition government. It should publish all the findings and determine its position on this sensitive issue, which has detonated like a bomb at a time we are under extreme pressure from our lenders."

But political analysts believe that the Greek government is disinclined to raise the issue with Germany. The official government position, most recently expressed by deputy finance minister Christos Staikouras, is that Greece considers the issue open and "reserves the right ... to bring it to a satisfactory conclusion."

The report is no longer in the hands of Finance Ministry officials. It was delivered in early March to Foreign Minister Dimitris Avramopoulos and Prime Minister Antonis Samaras. "It will be a top level, political decision regarding how to use it, and Mr. Samaras will be the one to decide," a senior government official told SPIEGEL ONLINE. "This is no time to pick a fight with Berlin."

From 1208-1244 the first European holocaust was conducted. The [Church of Rome](#) savagely attacked **the Cathars**, the peaceful 'heretics of the Languedoc' of Southern France, with a viciousness and detestable arrogance paralleled only by the **Nazi** atrocities during WW II.

The Cathars called themselves Pure Ones after the Goddess known as the Pure One, their term for the Virgin Great Creator Mother Mari (meaning 'love'). The reason the Church resorted to the mass murder of hundreds of thousands of Cathars most certainly had to do with their alternative views about Jesus.

They claimed to possess a secret Book of Love (Mari, TARA). This mysterious manuscript is attributed to Jesus who gave it to John the Divine. It was transmitted through the centuries until the Knights Templar and the Cathars adopted it. The Book of Love was the foundation of the Cathar Church of Love or Amor (the reverse of Roma).

The existence of this lost (or hidden) gospel was revealed when the Catholic Church subjected the Cathars and Templar (in 1308) to torture. Its contents were a secret skill (symbolized by the Templar skull) said to grant one the ability to control the forces of nature and to transform ordinary human blood into that of the wise, holy and pure blood of life of the immortal Illi or [Illuminati](#). It is equated with the Holy Grail.

### THE JESUS CODE

According to Catharic belief, one object of Earth life was to make over the human body as a worthy vehicle for the light of the Holy Spirit (love). The point was to know the Grail not as a cup but as a process. Jesus was its modeler. Insight into this teaching radiates from the name of the Cathar's home, the Languedoc. Named after the pre-Flood language system the Cathar priests claimed Jesus preached in—the Language of Oc (possibly short for occamy, a corruption of alchemy) -- this place name is Cathar Jesus code.

Webster's says 'Oc' is the root of octo, 8, and ocular, the eye. A related Egyptian word, Ak, means 'light', and aker means 'light being'. Ak-hu is the archetypal Cosmic Man of Light, or ideal archetype of humanity found in a host of Hermetic and Gnostic teachings, whether Egyptian, Jewish, Christian or Islamic. As **Mircea Eliade** notes in *Shamanism, among the Iglulik Eskimos*, who were driven out of some unknown homeland, a sequence of initiations concludes with the ang-ak-oq (virtually the same word as Languedoc or L'ang-ak-oq), meaning 'lightening' or 'illumination'.

This angakoq, writes Eliade, consists of,

"a mysterious light which the **shaman** suddenly feels in his body, inside his head, within his brain, an inexplicable searchlight, a luminous fire which enables him to see with both eyes, both literally and metaphorically speaking, for he can now, even with closed eyes, see through darkness and perceive things and coming events which are hidden from others."

The emphasis here is on eyes and light.

*Enlightenment* is exactly what the **Cathars** claimed they received from the highly symbolic Language of Oc. As an investigative mythologist, it is of great interest to me that the Egyptian hieroglyph of the heron/phoenix, , the 'bird of light' (akh), so closely matches the stylized fish glyph of Jesus , though it predates him by millennia. In addition, these two symbols are structurally identical to , the mathematical sign sometimes used for infinity, which spells OC. It is the root for 'octo' or 8. These symbols suggest a continuous transmission of knowledge of the secrets of light.

## **CRYPTOCRACY**

When the Roman Christian church began to consolidate its power in the fourth century it sought to prevent its adherents from taking up the secret path of 8 (Jesus' number is 888) and becoming Christ-like beings. After all, they don't pay taxes, they're difficult to control, and they have no use for a priest.

Those aspiring to dominate the world and form a crytocracy (rule by secrecy) as, for example, the Church, and later the Nazis, must wrest these mystery teachings from those who possess them. Failing this, they must discredit or demonize the teaching and its purveyors or even eliminate them altogether. (The same process is at work today with today's science cryptocracy and its persecution of the evangelists of Zero Point, Cold Fusion and other enlightened technologies.)

Roma assimilated the pantheon of ancient gods and goddesses (Greek, Egyptian, Sumerian, Aryan, Asian) into a composite Devil. All nations outside of Rome were considered Devil worshippers. Lucifer became the catchall term for the Devil, and bearers of the teachings of light. In reality, said the Cathars, the Church was the Devil, the Fallen, who destroyed Jesus' true teachings in the most underhanded and diabolical manner, by substituting a false Christ for the real one. The Catharic was the true teaching.

## **THE ARYAN CONNECTION**

From a mythological perspective, the difference between the Catholic and Catharic Christianity is perfectly encoded in the difference between the word elements ol and ar or ari that differentiate these two words. Ol means all. All is the whole. It speaks to the desire of the Cath-ol-ic Church to be the universal religion.

Ar means 'before'. Ari is the root for Arian, the Gnostic Christian doctrine voted out during the pivotal first council of Nicea, convened in 325 by Constantine I to formulate Christian doctrine. Arians said Jesus stood between God and man. The Niceans said he was God. They won more votes. The Arian view became heresy. Aria also is Aryan, meaning "noble," "cultured," "high born" or "pure"; hence, the ari element of the word Catharic.

These definitions powerfully illustrate the profound interest Adolf Hitler and Heinrich Himmler had in the Cathars. They were 'Aryan'. This does not mean they were blond haired, blue-eyed beauties. It meant they carried the noble wise blood of the god race. More importantly, they knew how to create it within themselves. Hitler sought to create a super race through eugenics. The [Cathars' blood secrets](#) were as pure gold to him.

## CHILDREN OF ATLANTIS

According to Budge's **Egyptian Hieroglyphic Dictionary**, Ar means, "to make do, to create, to form, to fashion." It is the root of Ari, the creative god. In Egyptian, Ari-en means "made by, produced by the lady of the house". These definitions shed light on the Cathars and their prominent lady, Mari, their Pure Goddess.

In 1934 (when F.D.R. sent Nick Roerich to Mongolia in search of the Grail), archaeologist Walter Andrea discovered a magnificent 3,200 year-old statue of Mari at the site of her temple in Syria. Called "The Goddess with a Vase," Mari is holding a Grail cup and wearing a helmet that **Zecharia Sitchin** says could make her go far into the universe. She wears a cluster of blue stones at her neck.

Is-Tara/ Mari's Shugurra helmet and blue stones

**Mari** put on her helmet when she tended the pillar in which lived her husband, a wise serpent called **E.A.** (to see Sumerian God's Genealogic Tree - Note **green** square. Click [HERE](#)) by the **Sumerians**. Myths said he could drill holes in space.

E.A. shown as half-human, half-serpent offers the secrets of the stars

**Mari** and **E.A.** are prototypes for Eve and the Serpent, Yahweh's antagonists in the Hebrew Garden of Eden story. As many researchers profess, Eden and Atlantis are the same. E.A. [Enki] is her serpent king (called Poseidon).

It was ultimately the Cathar's linkage with Mari and E.A. and their Aryan – or Atlantean – connection that assured their extermination. They were the latest casualties in an ancient blood feud among the gods of Eden. On one side is E.A. [Enki] the great Anunnaki scientist featured in the Sumerian epic poems romanticized in the works of Sitchin. The Gnostics called him 'the Great Light'. He came to Earth in search of raw materials in the company of a group of gods called Anunnaki, the sons of the great Anu.

Sitchin maintains E.A. genetically modified the human race as a slave race. He was opposed in this endeavor by his half-brother, Enlil, who responded to E.A.'s later transmutation of a select few of the human element into a god-like being by sending the Flood, wiping (most all of) them off the face of the Earth. E.A. [Enki] and Enlil had been bitter rivals since before coming to Earth. Humanity became their new swords. E.A. and his priests, seek to uplift humanity to the level of the gods through global education and revelation of all sacred secrets. Enlil's priests seek to keep humanity at the level of slaves and sex objects, the property of a police state cryptocracy.

Sumerian lore makes it clear that E.A. put knowledge in human blood. It is claimed that remnants of the purer pre-Flood race(s) created by E.A. exist in secret refuges, called the Mount of Salvation in the Grail romances, around the world. The vineyards of the Languedoc, including hyper-mysterious Rennes-le-Chateau are considered one of these locations. I have traced the secrets of E.A. [Enki] there.

## **"THE LAND THERE EATETH THE PEOPLE UP"**

**E.A.** was depicted alternately as half-human, half-serpent, or half-human, half-fish. The serpent and fish are interchangeable symbols for his priesthood. One who adopted the symbolism of the fish was the Israelite warrior Joshua. When we explore a key episode in his story, we find a remarkable connection between E.A., the Israelites, the Cathars and the Languedoc.

In the book of Numbers 13, Moses was leading the Israelites to the Promised Land. When they were on the verge of entering, Yahweh [Enlil], flying high in his pillar of light, ordered them to stop short and to send out some spies to search the land of Canaan. In actuality, this was a search for the secrets of the Anunnaki, and E.A. One of Moses' operatives was Joshua the "Son of Nun," meaning 'fish'. In the protosiniatic Hebrew alphabet glyphs the letter nun was drawn as a serpent. Nun means eternally regenerating life (in cycles because of the serpent's shedding of its skin as it grows) or immortality.

Significantly, Joshua's name is the same as the Greek 'Yeshua' or Jesus, who was symbolized by the fish glyph , thought to represent the opening of the uterus , the womb/door of life leading to the home of the gods. Along with a companion, Joshua (Jesus) was dispatched to the mysterious valley of Eschol ('valley of the cluster' as in grapes), where he spied on the sons of Anak who were living there. The sons of Anak or A-nun (the fish/serpent) are described not as humans but as giants!

"We saw the children of An-ak there", the spies reported, "we saw the giants," those men of a prodigious size, the "sons of An-ak," which "come of the giants". The Sumerians called these giants (Nephilim in Hebrew) the A-nun-naki, which, literally translates as 'fish/serpent of light'.

From the description of their route given in Numbers and the length of their excursion (a 'magical' or initiatory forty days), it seems **Joshua** took a survey of a vast land, one larger than the Holy Land, which 24 people can reconnaissance in a lot less than forty days.

In a daring story reminiscent of Jack and the Beanstalk, we learn that when the spies left the vineyard of the giants they stole a branch heavy with the grapes of the Anunnaki. These grapes are so heavy it takes two men to carry them! (?) Yahweh [Enlil] had promised the Israelites a land flowing with milk and honey. These grapes were certainly a healthy down payment! One would think the spies would have returned to Moses enthusiastic about their future prospects. Instead, the spies counsel Moses that attacking the vineyards of the Anunnaki would be a nightmare.

The cities are impregnable fortresses; they "are walled," and "very great". But that's not all. Even if they overcame the walls another even more terrifying (and, therefore to us, a more interesting) reason for staying out of the vineyards presented itself. Joshua saw that Eschol "is a land that eateth up the inhabitants thereof".

What does this mean?! Was a great plague in the vineyards? If so, why shroud this simple fact in obscure language? The Israelites had just escaped Egypt due to a plague sent from a helpful Yahweh [Enlil]. They certainly knew what a plague was.

Moses, who lifted the healing serpent (E.A.), transmitted his wisdom to Joshua.

It came from Egypt.

Temple of Denderah.

If **Joshua** saw an **inner Earth** opening that consumed people, he could easily have said he saw a cave. Another interpretation is that the land did not sustain its people. This contradicts the belief that this was the land of milk and honey. It would be easy to say the spies saw a space ship. If so, they could have said they saw a "cloud," a term used dozens of times in the Bible during episodes that are strikingly similar to modern day **UFO** sightings.

The phrase, "the land eateth up the people thereof" must, therefore, have a more phenomenal, even supernatural, explanation. What could it be?

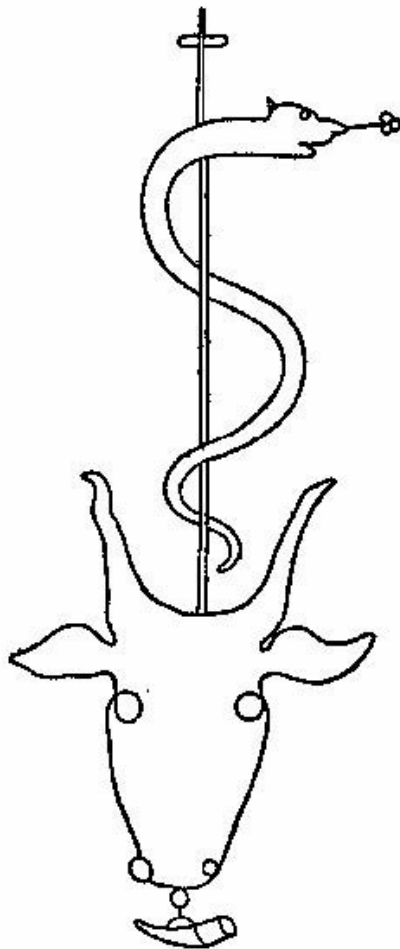

My research, developed in [my books](#) The Healing Sun Code, The Crystal Halls of Christ's Court and Ark of the Christos reveals that we now have such a word: stargate or wormhole. The Anunnaki,

possibly with E.A. in charge, were operating a stargate, a door to Heaven, in the vineyards at Eschol. Joshua stole its secrets, symbolized by the cluster of grapes.

## THE MOTHER SUBSTANCE

**E.A.**, we are told, came to **Earth** from Heaven in search of gold, rare metals and radioactive materials, such as uranium or cobalt. The latter were described as the Lower World's "blue stones" that could transmute a person into an El or "Shining One," i.e. a Pure One or an Aryan.

As the Sumerian god of smithcraft and alchemy, a priest hood developed around E.A.'s alchemical teachings. They were symbolized by the , the symbol for the fifth essence or quintessence, also called wood, or the Word, the exotic 'black' (hidden, occult) pure mother substance upon which the world is built.  is a cluster of grapes (or blue apples as they are called in Rennes-le-Chateau). The cluster of grapes later became cryptograms that were extremely important to the Essenes and the Gnostic Grail heretics that they held sacred and secret. Cathar watermarks showed a serpent hanging on a cross spitting the Word  symbol.

Cathar watermark with serpent spitting blue apples

This bas-relief from **Sion**, Switzerland illustrates the medieval belief in the concordance of the theft of the blue apples from [the Anunnaki](#) and the Crucifixion of Jesus. Old Testament scenes are

grouped together with the Passion of Jesus as if they happened at the same time. When put together with depictions of Jesus (E.A.?) as a serpent on the Cross the message is clear: the Gnostic Crucifixion was a stargate or wormhole event.

Joshua and his companion appear as the two thieves at the Crucifixion. From Sion, Switzerland.

The Gnostic wisdom spitting serpent. 16th century Germany.

Grail researcher **Andrew Sinclair** says the original French word for Grail was *escuele*. Phonetically, *escuele*, like *eschol*, is 'a skill' (a skull or skool). This makes sense. Christ was called 'wisdom'. His skill involved a transformation of *homo sapien* into a pure one, a Cathar.

In conclusion, the blue apples of Eschol (the Languedoc?) represent powerful physiological knowledge: the means to transform human blood into the blood of light... preparatory to entering the gate of God. Hundreds of thousands of **Cathars** were murdered because of this ultimate secret . It can happen again.

A historic botany book dating back to the 16th century showcases what

Historian and botanist, Mark Griffiths, claims to have uncovered

The theory surfaced in an article published on Tuesday in UK art and

10 years ago, Griffiths set out to write a biography about the author

It remains the largest single volume work on plants published in English to this day.

While analyzing the book as part of his research, Griffiths discovered it contained images of those who were

2015-07-02

involved in the creation of it.

He noticed four key figures: an image of Gerard himself, two images of Gerard's employers, and a fourth mysterious figure dressed in Roman-style clothing.

The unidentified bearded man had a laurel wreath tied around his head and was holding an ear of sweetcorn. Griffith's curiosity fuelled him to conduct an investigation to uncover the identity of the mysterious young man.

During his research, Griffiths discovered the identities of each figure in the book were encoded with Tudor symbols.

The code underneath the image of the "*anonymous*" man translated as William Shakespeare, according to Griffiths.

*"This is what Shakespeare looked like, drawn from life and in the prime of life,"* he told Country Life.

After cracking what he described as an "ingenious cipher," or multi-layered code, Griffiths said the mysterious man in the illustration is Shakespeare when he was 33 years old.

This image is the "*only known demonstrably authentic portrait*" of William Shakespeare. It was published for the first time by Country Life magazine on Wednesday.

Before the discovery, the only portraits available of the eminent writer had proven impossible to authenticate or had been drawn after his death.

The most widely recognized depiction of him is from an engraving by Martin Droeshout, which appears in the First Folio of his collected works, published in 1623.

Mark Hedges, editor of Country Life magazine, said Griffith's revelation is "*the literary discovery of the century.*"

*"We have a new portrait of Shakespeare, the first ever that is identified as him by the artist and made in his lifetime,"* he said.

However, Professor Michael Dobson, Director of the Shakespeare Institute at the University of Birmingham, disagrees.

He said he "*can't imagine any reason why Shakespeare would be in a botany text book.*"

*"It's a lovely picture. Everybody is fond of it,"* Dobson said. However, he rebuffs the idea that the image is an authentic portrait of the famed playwright and poet.

Commenting on the newly found image, Professor of English Literature at the University of Oxford, Jonathan Bate said Griffiths is "*very convincing on William Shakespeare's detailed knowledge of Gerard.*"

*"He seems to be correct that the other three images on the title page are people associated with the book, so logically the fourth man must be a real person,"* he said.

Bate argued the reading of the archaic image as Shakespeare is "*a stretch far from proven,*" but the theory should not be discounted.

He said it has more plausibility than other supposed Shakespeare portraits that have emerged in recent years.
