HARD NEWS:

Gay Marriage went national

- Huckabee is tearing his hair out; Boehner is getting drunk in his office with his friends.

Bill Maher called Rama today – listened to the whole call last night; listens quite regularly

- Said he looked at the pictures on Mars & what was on comet HP 67, & had to talk to Rama!
- does not necessarily believe in god, but knows the galactics are here – time for the galactic crew to show up!
- The Supreme Court has opened things up: some of the races in the galaxy go beyond gender, are unisex – Twin Flames are 2 halves of the one soul!
- When you align your chakras and merge with your twin flame, there are none of the issues like the ones we have experienced on this planet: giving birth can be a hum dinger!
 - When he was younger, he was one of the assistants with the EMTs during the birth process and sometimes things went a bit wrong – as we get to the realm where we merge and in that divine creation story of the energy of Alcyone, Mother, a being literally just appears from anti matter into matter. This is how things ought to be and as it is taught in the higher realms: no physical pain, no blood, no teams

the Washitaw

- T read & discussed the Washitaw yesterday, present before the Native American People
- they were on the continent at the time it was in the process of breaking up – it was called LUARASIA & included all of NA, all of Europe, all of Asia – she corrected what they said in the article - she is invoking more time to pull things from the past
- the Mongolians and the Siberians had red and golden tone skin; the mongolians are mixed, being both lighter and darker

Audio: Nassim Haremein on the Ark of the Covenant and The Knights Templar

<https://www.youtube.com/watch?v=ZGzQcgw54Gc>

T: Magdalene [who was LM Nada] wrote the oath used by the Knights Templar

- what Barack has done here

LM Nada: was at the eulogy with KOS and Katheryn; came by shuttle craft and has returned

- Arnold Guthrie and wife were there as well

Conference Call

R: as you looked at the TV screen, the minister on Obama's left is a galactic

C1: has a moustache -

R: has seen him on the New Jerusalem!

T:When Dylann Roof got to the church – someone should have told him he was in the wrong place if he wanted to create civil war!

C1: it was a moving ceremony: we are so blessed to see all this happening

- the one who did the shooting did not realize he was doing god's work – Caller thinks this is the most magical part of the speech
- the people of that community knew what was happening, and knew what to do!
- Time to put on our angel hats
- R was so moved by the ceremony – asks everyone to watch it!

T: we carry the language of light on our tongue – can infuse ourselves with this language ourselves. That was on Obama's tongue this morning

C1: what's going to happen on the weekend? As we move through this – come Monday we will see the fall of the EU zone.

T: Monday is the 29th; they have until Tuesday, the 30th

- It may not look like what we think it will; the whole economy collapsed Feb, 2014
- the Greek President and Prime Minister will impose no more austerity on their people
- Christine Lagarde will not budge, and Angela Merkel is behind it: if she looked at the history of Germany, she might be inclined to lighten up!
 - they want to make it look like Greece is the culprit: it is not, it is the greedy banksters of the EU and the USA and Hank Paulson
- **History of the Charleston Church:** founded in 1816; in 1820 the founder, Denmark Vesey, who got outed by a mole in the church, was organizing the largest rebellion of the slaves ever
 - the founder and 30 of his people were lynched; then the church was burnt to the ground; then any church gatherings were banned unless there was some kind of white overlord present
 - in 1837, church was re built, then burned again and rebuilt in 1891 – it is 124 years old.
 - These folks have never stopped their tradition of opening their hearts & welcoming all
 - they never missed a week: they were back on the Wednesday after the shooting
 - Barack Obama gave the eulogy for the preacher
- The crack in the cosmic egg has occurred!
- **Going national with Gay Marriage**
LGBT to Q [queer]

C2: Last night's call was a great call! A good discussion!

- T:** Cathy Lauren is a good bridger between those who know and those who are struggling
- brings up the example of Cathy wondering about how 500,000 people can be arrested so quickly
 - T spoke of the 20 Million Sovereign Militia, and that there are trillions of star ships around the planet and they can do a number of things at once!
 - They are responsible for the whole outcome now – the ones who took over and were not invited: the grays destroyed their own planet and went inside the planet because of the radiation on the surface; they didn't get enough light and eventually could not reproduce. While they have human DNA, the radiation poisoning affected their sizes and shapes etc [same concern for Julian Assange in the embassy in London for 2.5 years]
 - Assange and Snowden are downloading all kinds of things about the Saudis who are saying it is just a set-up
 - a lot of squawking about same sex marriage

Katherine, KOS, LM Nada were present at the ceremony

- the treasonous flags that represents a
- Beloved Ascended Master St Germain spoke to the Supreme Court – did not threaten
 - said they have dishonoured him and the land they walk upon
- as N is announced, you will kindly hand in your resignations; as you do that, you will be subject to the original laws of the land of Mu, the aboriginals
- there is an island in the Pacific that is part of Mu
 - Lemuria was governed by the feminine; they had a female army
 - as peace is declared globally, these peaceful ways will return
 - the light cities are beginning to manifest on the planet's

LM Nada had a navigator with her; they landed in a park close by – cloaked; they disembarked, she got into 3 D clothing – like in *Star Trek 4*, the movie which came out on Thanksgiving Day – about the star people helping the people, and the galactics getting a lesson in living on the planet!

C3: the message played last night about the Washitaw and those from Lemuria: he had no knowledge about any of this; 15-20 years ago he attended a very rare appearance of the Empress in Georgia, and all T read is what was said at that meeting

- Does not know where she is now but the presentation of that day was as T read.

T: time to get the whole story – and, yes, there is much more to learn. People's minds are opening

C4: tells C3: - the Empress made her transition last April; C3 was on the call for about 6 months these last 2 years; son kept them updated; Cindy Washitaw, the granddaughter, took the place of the Empress

- website has pictures of the memorial; son is Joe and ran the calls
- a couple of weeks ago, the coronation of the grand daughter took place
- **website: Washitaw** – go there: **it will say that is the official website** –
 - the banner is there + lots of information –
 - this is NOT the original Moabite Nation call – there were a lot of troubles with Lord Jamal and the caller did not want to be part of that

T: the trouble they had was that Lord Jamal did not honour the feminine

C4: He pretended he did – saying one thing, but he wanted to be in charge

T: because he was a slave when he was small, some things got trapped in his point of view;

- there are lots of chapters in which women are not allowed.
- GG Lillie is the president of the Moabite Nation: she helped the empress pass over
- C4:** did not know what was going on – she talked to the son who said they were in the wrong, and that Lord Jamal hit the Empress trying to get information
- T:** GG Lillie, as the Prime Minister of the Moabite Nation, works with the 3 groups of the feminine energy; they created a banner with the phoenix rising – it flies in The Hauge with the banners of all other nations on the planet
 - that banner represents the whole earth; in the western hemisphere there are 755 – and the languages of the aboriginals are being brought back, among other things -
 - the development is a work in progress.

- Once Lord Jamal was kind of cranky, and was chastizing her for something: there was to be a gathering at which Michelle & Barack to show up but it all blew up/didn't happen

C4: was told they went to DC and were not tr

T: was the Organization of American States – became clear that the Vatican was in charge and was intent on putting people in their place:

C4: the person C4 was talking to just got up and left. The Empress was in California

T: this is where we have to grow up

- the Washitaw group wanted to have the talking stick all the time
- The Empress only attended the UN
- GG Lillie went global and brought all the other aboriginals in – the Vatican did not like it!

C4: when you read the info on the site, that is not what is being said

- C4 likes GG Lillie and Joe – just does not know enough; did not see enough unity to want to put her time into this – wants to know where people deal with their egos before she gets involved.
- the Washitaw side had something similar with some of the men, so she stepped back from that - it's been 1.5 years or so since she was involved. Jamal has made his transition

- Hopes the 2 groups can come together – does not think that Wendy is doing that
- T:** what will help is to get NESARA on the table – there will be no borders and those who have been colonizing and were not invited in the first place and are turning this into a slave labour camp will be gone.
- Recalls what Obama said about having an Ah ha moment, and then not doing what needs to be done -
- C4:** requires education and healing on both sides; as an African American, was involved in civil rights through her family; chose to follow the eastern path out of India and some others;
- the things that happened to the A A community require serious healing to be done.
 - And the AA people will need to do a lot of healing, forgiveness – like knowing that all is in divine order; focussing on moving forward – many have already done this yet there is still a lot of anger out there that individuals need to deal with –
 - the truth of the matter is that we are all One.
- T:** there is no one who has not done something that didn't help; we are all One and that is the tough one.
- The Supreme Court supported the Fair Housing Act and said something more must be done now. The dishonouring of that act is so blatant in some neighbourhoods – it has to do with what Barack brought up today – Boehner ?
- C4:** a you tube going round about Dick Gregory – he was saying on the radio interview that the whole thing that happened in Charleston was a fake! It does not sound right -
- T:** this is not true – very troubling!
- C4:** he talked about the kid being an actor; that Ferguson was a fake – glad it has come up as he has said things like this before.
- T:** it was a fake in the sense in that we don't have **the whole story which is that the CIA is behind them**
- C4:** he said that he had information from Europe that the Charleston thing was going to happen: what? How does that happen?
- T:** that is easy to do – just get to listen to the right radio channels
- 911 was in planning for 38 years and a whole pile of people knew
- R:** lots of F1 and F2 websites out there & lots say Sandy Hook, the Boston bombing, Charleston were fake: the whole agenda is to build up the white side of the story, create enough confusion so that, in the fray, the national guard & military get called out
- T:** it makes no sense that Dick Gregory would be involved in wanting the same thing as the others - who was the interviewer?
- C4:** Wake Up Radio – a young man. The way in which Dick G was addressing him – they knew each other. Gregory was giving the young one some direction about what websites to go to, for example.
- Dick G was considered an elder vis a vis passing on various kinds of info but what's happened to him?
- T:** was talking to Sister Thelma, GG Lillie's sister – thinks she was implying that Noble Drew Ali was not the son of the Queen Mother, but her lover –
- C4:** What Queen Mother – QE's mother was the Queen Mother – cannot comment, as she does not know – several stories out there. So many points of view and other peoples' agendas.
- T:** thinks that Sister Thelma – the reason that they copulate with so many people – Bush Jr is not Bush Sr's son – it works out so that the children are
- when Noble Drew Ali literally retrieved the whole and gave it back to the people – it will take my people a good 70 years to wake up to what has happened here; he was poisoned
 - March 9, 1999 – the Nesara bill was placed on the table before Congress for consideration to become law; then a year went by and no one got to read it as Bush

Sr swiped it off the table. He also created Nesara.com and Nesara.org as misinformation sites; also Nesara.US + all kinds of trash on wikileaks

- March 9, 2000 – the entire congress was escorted to an undisclosed location at the White House – which was KOS star ship under the White House; they were surrounded by galactic ambassadors with phasers – that was called “galactic intervention”
- Oct 10, 2000 – Clinton signed it into law.

BBS Radio

T: grateful to be alive; what we are experiencing now is beyond what we can imagine!
Everything is changing: the Cathars went back to the time of Christ and led to the Knights Templar

Mother / Alcyone

Greetings in the Light of the Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

Greetings, Children of Ra!

- What happened today: it's a great day! A door has been opened wide! Don't need a key master. This cosmic story has taken one step closer to where we can set an extra plate at the table, not just for Elijah, but for Tom the Cat and a few other folks! Guess who's coming for dinner?
- As this doorway has opened, she can come with her tail and there will be no issues, as we are all one. Does not matter what sex we are, we are all creator gods of the most high. Did we realize that communication with our animals is equal to communicating with them? When we talk to our cat, dog, they understand, know what's up – the level of communication has just taken quantum leaps.
- It is time for the conversation, as we are all One at the Great Round Table. We speak of the Knights Templar, the Cathars – it is returning: the Knights of the Round Table; Arthur and the story of the Grail - this cosmic story about the sacred womb space of Creator Goddess, All That Is. Yes, Mr Putin knows fully well he has to play a dangerous game right now

T: Not just him that knows full well - a whole pile of people know this – produced by Bill Maher: a program called Vice – this one is called Cold War 2.0: Sean Smith meets with Kremlin officials & American leaders to discuss rising tensions in Ukraine – the season finale

M/A: it is all about brinkmanship -

T: absolutely, and Joe Biden is in the middle of all this – he's being naughty and promulgating lies.

M/A: Uncle Joe knows how the lay of the land is; praise, respect, thank and love him for what he is doing, as he continues to create more outrageous, outlandish stories about US fighting fighting Russian soldiers on the borders of Donesk & east Ukraine

T: Americal politics is based on fabricated stories, assumptions and disputed . . .

- and there are **no** Russian troops; there are ordinary Russians who are Slavic, born in Ukraine, now living in Russia and coming back to Ukraine to take their family out of Ukraine

M/A: it is the place where we must do what Dr Shulin says: housecleaning . . .

T: turning a cold war into a hot war and telling no one – just doing it

M/A: Everyone must understand: **Putin knows:** the hyper dimensional technology is fully operational; there will be no WW III – there will be everlasting peace, joy, overstanding

and understanding of how we can greet our Russian brothers and sisters, heal eons of time - all we are saying is give peace a chance and it begins with me as I re-take the talking stick and begin the overstanding of the great lie that has occurred - has nothing to do with Islam which is fine;

T: that [Islam] is just being used and abused: we can thank the church for this

M/A: they usurped the Holy Grail. The technology of the stars was never to be used for offensive technology: as Master Joda has said: the Force is never used for offensive, only defense; it is only to protect the people

- The issue is about a few of her wayward children who have gone totally mad with power; when absolute power steps in, corruption - corrupts everything

T: in France, a decapitated body with the head at the door step in Tunisia

M/A: a factory in France - in Tunisia - up to 39 people dead

T: who's doing it really?

M/A: paid schills hired by Acadamie aka Blackwater, CIA, FBI & others

T: why are they doing this to the French? They wanted to blow up the whole thing & got stopped

M/A: it is about creating an absolute one way path where Obama gets on the red phone and Putin gets on the red phone, and they say put your head between your legs and kiss your ass goodbye - not going to happen!

- WORLD WAR 3 HAS BEEN CANCELLED, per the orders of THE COUNCILS ACROSS THE GALAXY along with all the other mediations, negotiations that, at this time, have to do WITH SO MANY DIFFERENT CULTURES DEFECTING TO THE LIGHT, who no longer wish to serve with Luciferia WHO HAS ALREADY COME BACK TO LOVE, ALONG WITH HIS PARENTS JAVAH and Lilith

- It is about the fiasco happening here: stir the pot and put whites against blacks, browns, red, yellow, green, blue

- Tonight as she watched the news, the WH was bathed in rainbow colours - we are all One - it has to do with the order of the new day -

- matters not if you are Stephanie Miller and her girlfriend, or Mr Zulu and his husband - **we are all equal in the eyes of Creator Source.**

- As we share the bounty of the cornucopia of Love at the Round Table, we can begin the next step and pass our plate to the next in line: take our own plates and fill them - sprouts, quinoa, a few green beans - whatever it takes to heal this story that goes so far back when we made a conscious choice to do this and say that we were here for the duration, no matter how thick the shit hits the fan! All I am saying is give peace a chance

- Our beloved friend St John and his beloved Yoko - the ancient story of how various cultures can bring about a level of peace and greater overstanding / understanding. We have already begun what Mr 19.5* began today with that amazing grace eulogy. This is the doorway opening wide where a real story can be told about the original people and their beginnings

- the people that come from Nibiru have no ideas of conquest or war - only want to share how they can help our lives so much better because they see how much humanity on earth is in pain. Pain is inevitable; suffering is optional, as Lord Buddha said

- this original story when they began to come here and seed the lifeforms, knowing that as the seed sprouted and gained root, there would also be seeds of a little grey and black and blue around the edges because, when they began the story, the Universe of Neadon volunteered to be polar - positive and negative, Land of Pan, where we could look each other in the eye and come to mutual understanding and agreement that we would overcome our differences, and the people with the golden eyes and the purple skin, and the people with the dark skin and the gold dust in their veins - even unto this day, Beloved Ascended Master St Germain is sharing the scientific principles of love - this is true science
 - as we take the physical science and take it to higher realms, it takes on metaphysical science. This is the principle of what Nassim Harimein brings to the table: take all the stars in the universe and put them all in the little cube, the vacuum and whadda you got?

You got you and me, Pinky Lee, and we can do this in a nano second as we realize how magnificent and great we are and this changes everything –

- She has said it so many infinite times, yet today, what has happened today is the magnificent story of the rainbow banner, the path to Asgard and Hyberborea, where we can sit with Lord Odin and mighty Thor, LM Sith and her companions and drink the mead, eat the vega wafers and toast each other - victory!
- it is about a funny little piece of info, right here, right now – Mr Putin knows – gonna do something and that moment is **now**, because they are pushing it, pushing it, pushing it
 - like Dr Steve Cohen said - they want to turn this into a hot war: Mr Putin will not let it happen: the sideral hyper dimensional technology shuts it all down. Then what are you gonna do – do we pass the talking stick or the bomb? How do we do this?

T: Does it not have to do with exposing the ruthlessness of the black ops?

M/A: Yes - has to do with a few of her wayward children who went down the zig zag path, as the Hopi sais, that leads to nowhere in the prophecy:

let us say our grandfather David and Margaret talked of taking the planting sitck and a kernel of corn, put it in the ground, pray to Great Spirit, pray peace and overnight it becomes Jack and the Beanstalk!

- Like she's been talking about forever - any time now, the seed pods in the capstone will release the zenon gas and this will affect everyone's consciousness; they will all put down their guns and they will want to dance
- How we can facilitate the music that is playing in the background: it is this story about this rising star, magnificent in its magnitude: Gaia/Vyamus; Tita Lacoria; Terra Nova - earth takes her place as the 33d member of the Confederation of Worlds – this is already a fact.
- No one else out there, with all due respect to many of the whistleblowers out there who come from the secret space command or the secret space alliance, can talk about her position in the scheme of things or the other councils: can only hint at it, drop names like Ashtar Command, Solar Tribunal Council of Love, Light, Peace and Joy
 - as she's said before, a few of her wayward children decided to play like Skelator and a few of his friends. Peace – she is remembering the names: has to do with bringing in a few of these cosmic characters: Isis; Shiva; Princess Diana, the true queen that sits on the true Stone of Scone, not this fake usurper who is a Hapsburg jew – not that there is anything wrong with the Hebrews yet they lied: they were all black as coal – they were all black!

T: Nassim Harimein was saying that the blond, blue eyed ones were mingling with the Ethiopian ones

M/A: it was part of the plan – it was how to let us share in the wealth of the greater understanding of seeding: the rainbow it was a challenge to get there and to begin to comprehend how big this story is!

Watching the Hawks – as Gandalf and the hobbit said: here come the eagles! The eagles have landed, along with all the other folks.

- How can she share with us, other than to say that she is greatly humbled by the good news that has been shared today. It is a few baby steps that become giant steps in the path to peace. It is – let it begin with me: lord, make me an instrument of thy peace; where there is such hatred, let me sow love
- How we can do this is to begin to help the least among us where the ones who are in the place of having no shelter, no food – they are coming to the shores and fleeing from the mechanized technologies of the death machines, the death merchants called Rafeon, Monsanto, Darpa, - the folks who want us to be turned into lamp shades! Not going there: it has already been done
- Angelca Merkel, daughter of an ancient ancient Lemurian master who listened to the whispering of worm tongue who said create an army of orcs and I will give you the

kingdom; another slice of Luciferia - The death cults are coming to an end now

T: they have to do a blood ritual every time

M/A: because they have to make offerings to their so-called gods

- this is the place now: as we raise it up – the song by Josh Rogan – this is the place where what we heard from Mr 19.5*: as we really get how big this story is that began with one little church service that was not just a church service: all of heaven and earth was watching and it made a huge chunk of armour . . .

T: they had no intention of it turning out like this!

M/A: they got hit between the eyes by the gunpowder plots: remember, remember the 5th of November – she will take care of the matters at hand!

- Anonymous has already begun the conversation about climate change, geo engineering, manipulation, while we have merchants of death spraying us like roaches! Yet roaches can survive nuclear winter, a nuclear blast – we are not going there: nuclear war has been cancelled.

- At the same time, Lao Tze wrote **The Secret Art of War** - what they play with is fear-based. Lao Tze wrote the book called **The Book of the West**, where LM Quan Yin and her friends Hanuman, Lord Rama, Lord Shiva, Lord Vishnu show up – they are all part of the original template of how this story began

T: her story is mainly a Chinese, Taoist story; the rest are Hindu

M/A: it all fits in as they are all together in Asgard, talking and drinking and eating.

T: will we get full disclosure now?

M/A: as we've opened the doorway, the people of earth, beginning in this country where George Takai and husband can walk down Main Street, USA. hand in hand, it is a new day - this opens the door for them to come in: no issues about gender bender stuff.

- Next step is honouring people like Caitlin Jenner – all are equal in the eyes of Creator Source. Matters not what the package is about; it is the heart cave, the place where you and I are ONE!

Greetings in the Light of the Most Radiant One! Kadoish, Kadoish, Kadoish -

R: has been at the Fortress of Solitude at the North pole

- everyone dancing with joy as we can honour each other, no matter the form
- This brings in the heart wisdom: as we think with our hearts, this changes the physical structure
