Important Information to Help You Enjoy and Profit From the Annual Convention

The National Guild of Hypnotists, Inc. is proud that during the past twenty-nine years we have provided publications, seminars, and workshops which appeal to a wide range of professionals. In addition to those members who are the backbone of our own profession, certified hypnotists, our membership now includes licensed health professionals from most of the major disciplines.

Many physicians, dentists, chiropractors, osteopaths, nurses, psychologists, psychiatrists, and other professionals who have become aware of the efficacy of hypnosis have found that the Guild provides a wonderful resource for them to tap into for more information and continuing education, and we are happy to see that they are becoming regulars at our continuing education events.

Therefore, the program that we provide at our annual convention and educational conference has to adequately meet the needs of our profession, but also those with advanced degrees in other fields as well.

Each year, as you read through the seminar/workshop titles and descriptions, you will find topics that are more appropriate for use by licensed health professionals or those with advanced degrees. Does this mean that you cannot or should not attend? Absolutely not—because in the future you might be called on to lend your expertise to cases which require the attention of a licensed health professional who does not have your hypnotic knowledge or skill.

With 299 Sessions to choose from, it may seem like an overwhelming task to pick the sessions that are right for you. Here is one way that will help you make that process a simple and beneficial one.

Personal Learning Goals Form:

1. Review the session topics and titles in this catalog.
2. Fill in the appropriate session numbers under each of the columns.

	Fri. AM	Fri. AFT	Fri. PM	Sat. AM	Sat. AFT	Sun. AM	Sun. AFT
Sessions that could help my personal career development							
Subject areas I need to know about immediately							
Subject areas I would like to know more about for the future							
Particular presenters I would like to hear							
Other:							

3. Decide which of these best matches your personal learning goals.
4. Once you have your agenda for attending the NGH 2017 Convention, simply fill in the appropriate information on the Registration Form (pages 3 & 4).
5. After you've made your final session selections, list each session on a separate sheet of paper.
6. Write your specific objectives/goals for attendance.
7. Then, make a list of questions you'd like to have the presenter answer or discuss with other attendees. (Be sure to pack these notes when you leave.)
