13,5%

SERVING TEMPERATURE:

16°-18°C

BOTTLE SIZES:

0,75L-1,5L

Ruby red wine with brilliant shades of scarlet, intense and lingering, and characterized by a great delicacy. This wine is obtained by delicate grape processing and long maceration of the skin, which

has a pleasing body mouth-feel. It is thick, enveloping and deep. Notes of morello cherry, liquorice, and berries elegantly characterize the wine, suitable for different dishes from seafood

to red meat.
