stainless steel vat and bottle

ALCOHOL:

13,5%

SERVING TEMPERATURE:

9-12°C

BOTTLE SIZE:

0,75L

Straw yellow wine with light golden shades. This wine surprises as soon as it is poured in glass for its exploding perfume. Well-structured and complex bouquet, it reminds us of fresh yellow pulp fruit weaving with flowery and green field grass notes; a decisive taste yet mellow, well-balanced and highly fresh. It accompanies aperitifs and is best served with appetizers in general and recipes with seafood dishes or white meat.
