**CL: Update on Angelsu & Harriet:** home being taken from them, illegally - because they can!

- a man showed up at their door today [Feb 21] and told them they had to be out by 10:00 am tomorrow morning, Harriet was a school teacher for years and never ever thought that this would happen. A family member intervened today and there is an extension to March 4<sup>th</sup>.

- They will be leaving Florida and going to Louisiana and will be closer to Harriet's son, Rob.
- T:** A lady lived in a FEMA mobile home from Louisiana moved to Mississippi, she offered A & H a room in her home, and A & Harriet will be staying there for a couple of months until the house in Louisiana is ready. It is our love, our prayers, the help of this lady which has made this possible
- Taking this example of such generous help, Tara reminds us
    - We are all part of the White Knights, Faction 3; the King of Swords [KOS] and the Ashtar Command, 16 million of them from off-planet, are part of our family too.
    - This is what it means when we have the mandate: our energy makes the connections of what is not quite clear on all the other news stations - they are murky to say the least!
  - Rachel Maddow, Ed Schultz, John Fugelsein, Laurence O'Donnell and the others talk to Rama - they know the King, but they cannot say what Rama can say: ordinary people are just getting to know that the news is monitored by the powers that think they are still in power, and it is really our little bit of messaging that is getting the real truth out. And it only takes a few to get it out
    - Everyone else in the media and the political scene and the Hollywood scene are all under gag orders: if they say anything, they would be dead.
  - **KOS: This is a listener supported operation for a reason:** we get our move on the chess board - we are making an equivalency - the biggest illness of the world is the inequality, and even though we are not so wealthy in terms of money, we are wealthy in terms of the spirit of us as a poor people: - 146 million people in US are under the poverty line and yet we are being asked to step to the plate with a wealth of spirit
  - Yesterday, Rama put out a call to support the station ans us; the \$900 became \$740: about 10 people put \$10- \$30 in; Tara is asking us and the KOS is asking us to support the program as we will go off the air if we do not meet this requirement; we the people 10 more people today go to BBS or to Marietta and donate - all the days cost money!
  - The **amount of dissemination of clarity and truth is paramount right now:** there is so much disinformation on the internet right now AND we are also in a cyber war between China and the US - yesterday, Obama put out an Executive Order to protect the US
  - Also heard that Japan is using North Korea to threaten China AND that North Korea is doing another nuclear test under ground!
  - We also know that Dr Keshe has technology on the stick: North and South Korea do not have it yet; Obama has had it since Oct 15<sup>th</sup>
  - At the Tiger Woods golf game - the rest could not get in, because **Tiger Woods & Obama were talking about full disclosure - Tiger Woods is a Pleiadian, a member of the Ashtar Command, knows what is going on** and despite the scandal stuff, his wife was not clean and was after his money!
    - It is part of the protocol that someone at We the People level get out the communications and things happen from there.
    - There are other things going on and Obama is wearing every hat possible; B Fulford is trashing him completely and so are the Faction 2ers.
    - There are many levels of discernment and there are lighworkers talking of things that are incorrect; it is hard to discern what is going on
    - The "We the People" thing is absolutely a fraud - the channels can only go as far as the evolutionary consciousness of the person being spoken through - not a criticism, but that there is complete disinformation going on for all kinds of reasons: the support for this network is important and also involving yourselves in what is going on, including taking part in the discussions.

**T: Clarification:** the players at "We the People" are not the players that you see that are talking about it

- **the players behind the players are archons; they do not want to give up the ghost**
- while it smells like a rose, there are many Faction 2-ers - which means they are not connecting with Faction 3;
- **Faction 2 is completely controlled across the board** and those who are innocent of understanding what is going on behind the scenes are promulgating something that is like a Schindler's List - China can see people who are listening to people who are hearing about the Peoples Trust! Part of the Cyber War

**T:** Going to play something from David Icke about **Archons**: from a movie called *Dark City*: Bruce Willis was in it - a story about playing with power; in the realm of Ayn Rand, John Gault weird stuff;

- David Icke says the **Archons are soul-less people who have power without love**. Tied in with the Jinn, life forms that are real that are part of the seraphim & cerubim all the way up to the arch angels, yet the jinn have come back to love; in the higher realms, there are darker angels & the jinn have had their share of shenanigans!
- This is tied in with the hard news that began the news 9-1-1 and the name Daniel Pearl, CIA He supposed to meet with Dan Rather and Sheik Jalani to discuss the jinn, the Gate of Ishtar, the stargates : what is going on in the Middle East has **nothing to do with WMDs but the stargates** - it is tied in with why we are at this place of wondering what is going on on the planet. Stephanie Miller: says Congress has a rating that is so low, it is lower than disease called klymedia
  - there is about to be a gut-wrenching house-cleaning on such a level; they talk of Mother as the final equalizer - the cleaning is coming from **Faction 3**

**Faction 3 is the White Knights, at the 38<sup>th</sup> level above the president including ACIO** - Alien Contact Intelligence Organization - members of the Ashtar Command have been there since 1945 because the US nuked innocent civilians in Nagasaki and Hiroshima, instigated by FDR. He fought as much as he could, but he worked with Hitler and was under the thumb of that grouping which is a satanic Nazi entity

**In Star Trek**, they talk of the final Frontier which is completing the experience that we call polarity - the 3D world.

- Polarity is not limited to 3D; it is necessary for creation, and we started the creation story when we asked Mother "Can you help us learn how to co-create?". She said you want free will choice and it will be given with **one exception; the Prime Directive - there is non-intervention in a civilization's development** unless, in case of nuclear or psychic holocaust: if you go that far, we will intervene: and at this point, both things have occurred. Hence, the involvement of the Ashtar Command
- "We the Peoples" trust is psychically attacking & nuclear attacking: the Iraq war was next thing to it: Germany dropped 2 neutron bombs on the very first day and no one got to know that

**Cathy:** if we really had free will choice, why have we been invaded by these dark ones?

**T:** they are our brothers and sisters; everyone has played their part - we have all lived light lifetimes, dark lifetimes, evil lifetimes. None of us are 100% pure!

**R:** Mother explained at the start: within the Laws of the One, we have free will choice to do things in the Laws of the One, or we also have the free will choice to explore - when we did that, things went wonky!

**Cathy:** for the last 13,000 years! But we are in the first years of the Golden Age; let's be real about that

**T:** **Faction 3, meaning Ashtar Command, 38<sup>th</sup> level above the President**, includes all the real, true Ascended Masters, as opposed to the Ascended Masters people think they are channelling: **THEY ARE NOT**: they are channelling the so-called Ascended Masters programmed with dark Illuminati programs **AND THIS HAS BEEN GOING ON FOR 30 YEARS**. It is excruciatingly difficult right

now to know the difference

- Rajanish told them in 1976: you have about 25 years before this gets really ugly; it would be good to start your spiritual journey now and the good, bad and ugly will fight you: it will not be fun; that time frame led exactly to 2011, 9/11

**Cathy:** when she sees 9/11 - she sees Ratzinger who was not Pope at the time & was part of stuff behind the scenes

**T:** The not nice ones in the P2 Lodge and Opus Dei; Ratzinger was called The Rat inside the organization; raised in the Hitlerian Youth; helped the Vatican get the Nazis get to South America.

**Cathy:** asking if he is just resigning because of health

**T:** uglier than that: he does not intend to get arrested; the Vatican Police are guarding him and they know if they don't, they too will be arrested along with the Pope & the other members of the Vatican.

- The Pope represents the dark priesthood back to Atlantis who went to Egypt - they are the dark lords, Luciferians from Orion originally.

- **The King said please everyone; it is important that we get the truth and follow it and NOT GO OFF THE AIR - need 10 people a day to make a donation of \$10 a day - IT IS SO IMPORTANT!**

- **How can we do the right thing and receive money if we do not help with this?**

**Caller:** the meteor that entered the atmosphere in Russia - a meteor or a space ship?

**R:** my, my, my! What a wild web we weave on this planet!

- Mr X told him it was not a meteor, it was not a space ship, it was not from earth; it was some kind of technology - called it an object that came from outside our system - could have been an ancient piece of technology that came from Maldek; no one would understand that except Rama!

**Cathy:** what about the video we saw and it was broken up?

**R:** he told Mr X about that video, and Mr X said it is more complicated than this - the next step is about talking about full disclosure

- What full disclosure means to him: R went to the Solar Tribunal on Saturn and they have explained:
  - as we have a setting on this planet, where it is as close as what Dr Keshe talks about - when the technology of death stops: planes don't work nor guns nor anything else - in that split second of NOW AND WE CAN HAVE a conversation, then in that moment that technology of death is dismantled and we can have a conversation with the Solar Tribunal

**Cathy:** a complete and utter change on earth and people will find out the conspiracy theories are true - all will come forward in full disclosure

**R:** in the 60s he met Sister Phaedra, Tuella - they explained that Ashtar and Sananda Kumara would reveal to the people - world wide - not one iota of people missing anything

**T: Ed's radio show:** today he spoke of quantitative easing - connected with the sequestration through and by the Republicans who want to crash the government & blame it on Obama

- **Guest Dr Richard Wolfe:** called out Jamie Diamon, Ben Bernanke, Robert Rubin, Henry Paulson and Robert Reich - and between now and the time Congress comes back

- **Mr X told Rama:** T has heard it elsewhere too: Obama will call Congress back early & speak to them!

- Robert Reich: has dirty hands because he, during the Clinton admin, aided and abetted Bill and Hillary in stealing money from the Keating Savings and Loan scandal: \$50 million. And as a result, Bill through Hillary murdered Sherman Scholnick. So his hands got even dirtier!

- **Ed: People, can you not see we have a drunken liar in the form of Mr Boehner on tv every day?**

**Caller:** I was working in the Ohio Chamber of Commerce; I watched the Republicans in the district he worked in get together & gerrymander Boehner's district and then Boehner's Black Ops threatened to kill any Democrat who would run against him!!!

**R:** why do we have the head of Mossad as a Mayor in an American city? [Rahm Emmanuel, Chicago]

**Cathy:** none of it makes sense! We do not know the why and wherefore of criminals at the top

**T:** The **country has been a corporation since the beginning**; there has never been anyone elected all the way back to 1775

- In 1774, the Aboriginal Moabite Moorish people had already created a Declaration of Independence with the Iroquois; Jefferson added a section [25%] in English; rest in Iroquois language

A 27 pager that Penny alerted them to, including the origins of QEII and other subjects: to make it clear, St Germain's mother was an Aboriginal Moabite Moor; you follow this from QEI down to today and QEII whose father was NOBLE DREW ALI, an Aboriginal Moabite Moor

All of the wealth of Great Britain and the US goes back to the Moabite people of the earth and that is ALL OF US. Has nothing to do with the colour of our skin, but with a principle. Jesus was a RADICAL and there is no such thing as a conservative christian [This is an oxymoron!]

**Cathy:** has invited people to the call who find this kind of info confusing:

Sananda was Jesus in the time of the Jesus story; he is the Christed one - we know him as Sananda today as he has a higher self and he evolved into an ascended being.

**T:** Jeshu was the 6<sup>th</sup> incarnation & initiation of a unique, autonomous soul who took on the ray of Sananda Kumara in that lifetime

- the 7<sup>th</sup> initiation & incarnation of that unique and autonomous soul in this life time, Sananda Kumara, is **THE KING OF SWORDS**.

- What the Faction 3 - lots of people blaspheming about KOS and saying he is the devil, like Barack Obama - this is a serious energy we have to heal: it is related to the under current of what we were talking about before: **race**.

- How could the Queen of England not look like Noble Drew Ali, and how could Noble Drew Ali be her father: because this is the result of the operation of draining melanin from the skin.

- **None of us are white: all of us are descendents from the process of draining melanin from the skin!**

**Caller:** we are going onto the spring equinox: is there a possibility that a 2<sup>nd</sup> solar system is coming into view to intertwine with our solar system? Or will we get a big surprise on March 28?

**R:** we are passing through the galactic plane right now - does not know about any solar systems interacting

**T:** we are part of the Sirian constellation; our solar system - our physical sun and a baby sun [Jupiter] - are moving back to our point of origin which is the Pleiades & we are travelling through new turf.

- That would not be usual - merging with another constellation could spell disaster; there is more intelligence than that: Mother Tita Lacoria is a highly evolved being; she did not come here to be abused - the merging of 2 solar systems would be highly unusual and dangerous!

**Guest: Frank Chille** tells real stories of humanity and interactions with galactic beings

- has been having problems with e-mail account - will answer people as quickly as possible

- Got a new e-mail from George Philer - a retired military Air Force officer; used to brief the higher officers; trying to gain access to Stephen Bassett's event at the National Press Club - in front of a hearing board of Senators and Congressmen - will be on C-Span: **Disclosure Conference**

**Tells a story from Jan, 1978** - McQuire Air Force Base, Burlington County, southern New Jersey  
Will be some extra ordinary people stepping forward

- **Kali** is the woman who went through the Monastery of the Seven Rays; she shared the experience of meeting the last living cyclops who lived there, and also saw the Atlantean Sun Disc which is there and is very very protected.
- She told Frank the story of meeting a young fellow who had blond hair and blue eyes, and was not threatened by meeting Kali - that he had been banished from the inner earth for a time; he drew from the left to the right, and he was ambi-dexterous; he was happy to meet someone who did not judge him .
- Shortly after she told Frank the story, she told Frank about Elizabeth Pitcher [?] - and Frank found her - she had someone close to her looking after her because she was wheel chair bound - she was beamed on board a big ship full of people that look just like us. Frank was given a copy of the manuscript she wrote about her experiences; she was a star being herself and when she was on the ship, she was free to move; on the earth she was in the wheel chair; at the end of the book, she reveals that it was AA Michael who ministered to her when she was on earth - she had such a joyful attitude to life in spite of what she faced in 3D. JAPHELLA is the name of the ship she went on.
- Kali had been given a series of cosmic tones and she wove them into a pattern that brought down the ships; she never let others know those tones.
- Kali asked Roberta to ask spirit to see if they should get involved in a project: they got the OK - found an individual and that they were interested in procuring a particular kind of mercury which had to be
  - He was about 6'8" had white hair, had a head band; he allowed them to test it to find out if it was the
  - He knew that Kali had these tones, and he tried to intimidate her to get those tones. Roberta was concerned - when he made a threatening move towards Kali, she touched him in 3 places with her forefinger and he was turned into the consistency of a wet rag!
- Roberta: Roberta Herzog who was a close friend of Kali AND of Sister Phaedra . Kali had a photo of Blavatsky with Djwhal Kuhl, St Germain & El Morya - Roberta gave Phaedra as a gift "The Singing Christ" [Sananda]; Phaedra cried when she saw it: It is exactly as he appeared to her every day!
  - Phaedra walked on Mt Shasta, on the opposite side of the mtn to Panther Meadow - the fairies and the divas gathered some sage for Phaedra; Sister Phaedra asked Frank to take it to Roberta for painting the picture.
- Kali was at the Monastery of the 7 Rays - only 2 women have been there: Sister Phaedra went through there in the 40s; Kali went there during the 50s. She could bi-locate and looked after her children and also be at the monastery getting her training.
  - Frank visited her every day after work as she was getting ready to transition: she was not in pain and very able to talk - she was in CA when George Van Tassel was building the integraton: she was able to bridge the metaphysical world and her world as a wife and mother.

- Kali was always looking for someone to pass the mantle to - Frank would take people to meet Kali - Gloria thought Kali was going to pass what with the bleeding and all, yet when morning came, she would be OK again and ready to climb the mountain. Kali told Frank that she had an extremely rare blood that was pyramid-shaped blood - Frank thinks this is what made her so extra-ordinary.
- She was given the tones and she made 6 songs
  - One would align the chakras and move you backward in time
  - One would align the chakras and move you forward in time
- She was extra ordinary, and so was Roberta - there never was the one to take the mantle
- Frank did meet a woman in Orange County: she said she wrote the Book of Mary which was banned by the church - it was about her interaction with Master Jesus - she was tortured and her book was banned, but she had no anger about it. She wanted to get a message to Doug Henning, the magician who was into TM.
  - Another lady got tickets to Doug Henning's show so Mary asked Frank to give a message to Doug and to give it to him personally; after the show, at a reception, Frank said to Doug you did not do magic; you teleported and - Doug just smiled!
  - So Frank passed him the note from Mary and told him he had been asked to deliver this to him.
- Doug called Mary later that night; he asked her to come to Vegas to Liberace's house. Frank drove Mary to Liberace's house and knew that they needed to be alone: Doug was very spiritually aligned - Frank stayed in the car - she stayed for 14 hours; for Frank, it was as nothing - when Mary came out, she was glowing - she thanked Frank for providing the opening.
  - Then Frank took her back to CA - she was able to achieve her mission with Doug Henning - she told him that there would be lots of secrets coming out about the Vatican and all kinds of things related; there will be more information coming out about the Essenes and that there was no need for an intermediary between us and god.
- Shortly after reading about getting some of the principles of diametics, Frank got a flyer about it so he applied; the teacher had taken the course with Gene Rodenberry [reactive mind, emotional mind,
  - It was a 12 week course; the first 10 were preparing for the last 2 weeks when they would have an out of body experience - Frank always had an affinity for Easter Island so he saw himself going there -

- We are not alone; phone ringing constantly - in the last few days, even 24 hours things that have been hanging for people, things they have been putting off - people are not alone: embrace what is going on - it is not going to go away! Whatever your karma is - the more you can embrace - how did I arrive at where I am at?
- We are in a time of actualization of unconditional love, of us becoming our Christed self, of coming into our empowerment      • **This is not the dress rehearsal; this is not a dry run - this is your life!**
- Oct 29, 2011 - the linear perception of time collapsed and we are just getting adjusting to it
- It's about each person living their lives to the fullest, embracing it and taking action - it is easier to live your life. Many people are angry - feeling the emotional body; don't deny this - go with it, move it
