- We will concentrate on this full moon - this full moon is in Libra and it will have challenging effects on a of Aries, Cancer, Capricorn; it will positively affect Gemini, Taurus, should be OK for Pisces & Sagittarius;
- it also makes all 12 sign indecisive; have to watch Libra's marital, significant other affairs:
- don't push any decision making until Tuesday and this is for everyone. We will be pretty cleared up by Tuesday; after that, a lot of business finished up, and others reluctant to talk about what is bothering them.
- Travel safely this weekend.
- Bothered by the news she heard about North Korea - talking of attacking 2 countries: would like someone to cool their jets! If America, being a Cancer, is very strong - if America attacked NK, it would be obliterated.
- Hopes that we all concentrate on positive thoughts for peace in our meditations

**Rainbird:** reports on her retreat and soul healing

**Hard News:**

- encouraging people to help Marietta
- Also encouraging more people to donate to the cause

**R: Ed show: Leo Gerard** Pres of Steel Workers Union was on for an hour: talking about the assault weapon ban - biggest story was Pres Obama on the subject and LaPierre lying through his teeth

- this bill will pass in spite of what is happening - R has been talking to people at the highest levels: a full background check, an assault weapons ban

- Harry Reid is more than he seems to be: this bill will pass; it has to do with the fact that we are moving into Age of 6<sup>th</sup> Sun - it is already Sat Yuga, though it may not feel like it, but it is.
- **In the UN today,** Syria, Russia and Iran decided not to vote on something regarding the arms treaty - why does the Homeland Gestapo need millions of rounds of uranium depleted ammunition & hollow point bullets?

**Cyprus:** they are losing businesses there because people cannot run a business; can only take out 300 Euros a day - so they cannot order new product with that amount of money

- Max Keiser says by end of April, Cyprus will collapse; local Cypriots who have over \$100,000 cannot take any out
- People who work in Likie [?] banks in Cyprus are out of work; even though the wealthy, mostly Russians, who have figured out how they can get their money out, this will still be punishing to Germany because they blame Germany because the European Central Bankers are all Nazis
- A week ago, Max Keiser was on Ed show and asked LM Angela Merkel when she was going to let people know she was the daughter of Hitler and Eva Braun - T saw on TV that there are pictures of Merkel hanging in Germany, with her father's mustache on her upper lip!

**Ed Show: David Cay Johnston was on for 1.5 hours:** talked about Medici bankers and the Mystery Man of Europe who gave the people of the merchant and wealthy class the formula and how they told the working people they were out of Luck - we are on the verge of a major collapse: the Dow is not a good indicator - Good Friday a good day to get your money

**KOS:** we are at a critical juncture; full disclosure, first contact is the order of the day

- Dr Keshe at the right time will flip the switch and military equipment of any kind will NOT work
- **Please send love to North Korea:** the new president Kim Jong Un is a CIA asset and very twisted Indigo child who needs Mother Sekhmet's care

**T:** Pres Obama put down the hammer of Allah down - it is less than 100 days away from Sandy Hook: have you people in America forgotten the children of Sandy Hook? I have not!  
90% of Americans agree with the background checks

Rachel went back to Tom Clemens who was shot point blank by a gunman at his door; the Texas sheriffs had a car chase with the killer and he crashed; they found the gun that killed Tom Clemens; and they found the woman who bought the gun at a straw sale and gave it to him -

- for years, there has been little punishment for making straw sales - has to do with not making stringent laws re: background checks

**Ed Show: Gabby Giffords husband was on**

- Reminds us again that the shooting at Newtown was a black ops - Alan Lanza did not do it
- LaPierre involved - one of the biggest arms dealers around - illegal arms trade going on around the planet and US in the middle of it; goes on until these ones are removed
- Talk of this right now - the hammer of Thor has hit the ground: in the last few days, Rob Reiner has been on **Stephanie Miller Show** - he is in the centre of the same sex marriage issue at Supreme Court story; same sex marriage - an issue that is a no-brainer
  - As we have divine human rights, people come together as the energies are in divine union, no matter what it is about - this opens the door for first contact, full disclosure as we accept the respect for all life forms no matter who and what they are
- Barack Obama asked when has 90% of the American people ever agreed on anything? 80% of NRA membership on the same side, too
  - It is unconscionable that a few Republicans will not vote for more stringent laws regarding straw sales & Lindsay Graham was at the top of that list: he is guilty of treason: Afghanistan got nukes because he took information via Turkey - this is how Pakistan and North Korea got nukes - we have to arrest the criminals.
- there was a letter - 22 Arab countries meeting in Dohar, Qatar - was this letter aired on behalf of Al Assad or is he dead? **KOS says no comment** when R asks if he is alive.
  - The Arab Summit Economic Forum passed an agreement to fund arms for the Free Syrian Army, and the letter from Al Assad denigrates the 22 countries for doing this.
  - Syria has been taken off the membership list of this group
  - Iran has also criticized the Arab League decision
  - Tara gives the details of the in fighting in the larger Arab League - heading to 80,000 dead in Syria

**Leo Gerard** said this would be a good time to deploy Dr Keshe's technology so the guns, weapons, tanks would not work - then weapons could be left at the door.

- Leo spoke with Heidi at the Bank of International Settlements - the true St Germain trust is the

- there is a TV show called **The Bill Miller Show in London**; he put out evidence that Heather of the One People's Trust was once a lady of the night, who was put through law school by the 13 families so she could work on their behalf.
- **Leo** also said the global settlement funds are in the hand of St Germain and not with Neil Keenan who will be implicated for wanting his slice of the pie - the OTTP funds are a way for the
- What happened re: Neil Keenan? He had been compromised - had been on right track, and got lured by money - like Foster Gamble and Rona Downey [her husband was killed because he was talking about 9/1; then she put out the version of the bible on History channel - so bad, says Rama, it is not worth watching.
- **Re Dinar programs**: none of the dinar thing will be paid out through the dinar programs; stop going to those programs and **DO NOT PUT ANYTHING ON LAYAWAY**. They are putting the money into hedge funds and pocketing the money!!!
- Love is measured with discipline and over standing and paying it forward to

**Guest: Dannion Brinkley**

- He loves people very much, and that they chose to be born and live through this transition
- What is utmost on his mind at the moment: there has been a complete shift in consciousness - Dec 21 / 12 was a half way point - the new calendar was not in place because the Spanish came and burned everything; what people are not doing is paying attention to the time between Oct /12 to the transition between the g
- The elitists are trying to drag the old world into the new world - wars, economic etc - the mission of the people who participate in this program is to ////

**what Dannion is known for:**

- working with wounded vets, and dying 3 times: he finds it more amazing that he is alive for 4 times!!!
- there are millions of people who have had NDEs - Dannion became famous because he was in the medical school where Raymond Moody was a student!
  - Raymond was brilliant, a philosopher - he became to be the voice of the experiencer
- If you have an NDE, you have a panoramic life review and nothing is missed. You look at it all: you become every person you ever encountered

**Tara:** tells him she worked in hospices for some time; what she experienced when being with people as they transitioned: those passing had the experience of knowing they were not dead

**DB:** people have to embrace the dying part of life

- He has seen mothers, brothers and sisters come and get people and tell them it is time to go! He has seen the room filled with light

**MR** talks about her experiences with the death of her husband and her daughter & her son - and she feels really, really blessed with what she has witnessed, given what Dannion described.

**DB:** his latest book is coming out soon - thinks we need humour around the subject of death; if you don't believe in life after death, you need a good colonic!  
always laughs when he hears the hard core fundamentalist stuff: will they be in for a surprise!!!

**Caller:** her mother worked with a faith healer so she grew up knowing that you could be healed without a doctor; she has Krohn's

**DB:** calls it the Jewish sickness: Krohns comes in when small intestine and large intestine; it comes from the migratory nature of the Steppes of Russia - somewhere in her history is Jewish blood

**Caller:** she was misdiagnosed; in 1960 could not give the doctor \$600; through various means she got back to Montana and through all those years, she only has 9 ft of intestine left

- In 1965, had an NDE - she remembers going up the golden stairs and being told she needed to go back to finish her work; in the 90s, she had another session: through the years, has had 14 surgeries
- Does not understand why she is going through these different paths; she's on hospice now - since Feb as the hospital can do no more: she can lose 5 units of blood in 3 hours; they put spirals in the veins to stop the bleeding in what is left of her intestines - does not know what her purpose is: meditates when she is well, why she keeps going through these things; when she is well, she meditates and then there is an emergency and another path

**DB:** everyone chooses the way they want to learn; they have an understanding of Krohns and there are regimes you can go through for treatment

- the doctors have created the notion that they can do nothing more

- we create the way we best teach and we best learn; she has probably helped people along the way
- He has learned about the defining nature of the other side and brought it back with him; he has also learned about himself
- There are now medical regimes that are not chemical, but are energetic which is what faith healing is - he thinks that golden being will be with her

**Caller:** she has quit pharmaceuticals and has gone on alternative; every day she sees a turquoise-y light over her head - what is it?

**DB:** either orbs or angels; no one ever crosses alone; they are keeping an eye on you - when you see the orbs which are dimensional beings, they come to support you by letting you know you are not alone: what you are going through physically is something you can handle as you are strong spiritually - everyone on this show is now your family! Send her love!

**Caller:** kind of shy about starting to meditate again - has taken time to get back her strength after the medical stuff of the first part of the year, it seems like she is reluctant because she feels wonderful when she does, but she does not want to encourage another crisis.

**DB:** (1) find someone to go to a health food store and get Ionic Liquid trace minerals and  
(2) drink Ensure or Boost as much as poss - it is pre-digested & the body begins to absorb rapidly.  
• Also pray and bless the food, and people on the call to put her in loving light

**DB:** final words: dannion.com - lots available: books, his wife's books and soon other ones readings

- Tells us all to clean house and to start over, this is the weekend to do it!

**MR:** Things are in divine order even though it seems not  
• Support Dannion and his Twilight Brigade;

**DB:** Happy Passover and Happy Easter: be blessed, everybody!

#### **Merelene Isaac:**

- this is an amazing time; she is overwhelmed by the events of 3D;
- the theme of the last 3 days: everything is going full circle; everything where you are now - what is activating you is the tip of the iceberg - will find more and more where you are at this moment ; will get a big picture - the things you are done with, you are very very done with and you will find yourself ranting about them!
- Passover from Monday night to next Tues: we are coming out of bondage - how do we get out of this? The realization that we are passover is about cleansing on all levels - cleansing, clearing, releasing until Ap 2 - get out of your jail cell and keep walking
- Full moon yesterday: a powerful one in Libra - lot of Venus connections - learning lots about self-love;
  - when we feel sorry for self or someone else, there is dysfunction;
  - when we have compassion, there is a positive thing - not about feeling sorry
  - when we feel sorry, we identify with someone who is a victim, and you can become trapped in that -
- the path out of bondage is right before us. Good Friday is death and the grave; Sunday is ascension - an amazing opportunity to die to the old self and rise into new consciousness

**Caller1:** wanting to know something about why on planet; does caller have the gift of healing?

**MI:** we all have abilities to heal - caller came into to finish 3 things:

- something big shifted between ages of 16 -22 - a real completion and now coming back to be looked at; think about things from that time frame
  - 27 - 30
  - last 3 years on a journey of healing, and yes, she has a gift of healing -

**Caller:** has not done hands-on-healing in people - just dogs!

**MI:** that is very powerful; animals more receptive than people - tells her how to work with energy on the dogs.

**Caller2NY:** calling for son who seems always to have tonsillitis - wonders if it's psychosomatic

**MI:** started in pre-puberty: chronic tonsillitis; when people have trouble in throat, has to do with not speaking truth - tell him to think back to when he was in 1- 12 and her as well;

- respiratory things are connected with anger or resentment - MI thinks his immune system is very weakened and has been for 18 mos: give him some adrenal fatigue tonic - boost the immune system - she sends direct healing energy to his immune system

- Something with his crown chakra: has lots of energy & it's trapped: he over thinks things

**Caller:** he is under major stress - was home for 2 weeks and left; going back to Manila to open 2 more restaurants -

**MI:** caller will be able to manifest a ticket; he really needs a boost to immune system; adrenal fatigue

- has a lot of success around him; he's also ready for some balance in his life - has lots of things that are extreme

**Caller:** has researched Edgar Cayce: recommends cod liver oil as a booster

**MI:** supports idea of Cayce's recommendation

**Caller3:** grandson injured in the war about 3 months ago

**MI:** needs a good cranial sacral person - out of alignment - would be a tremendous help

- the accident actually saved his life: he was struck down one way so would not get killed

**Caller:** has PTSD - picked up the body parts of his buddies!

**MI:** has seen and heard much of this kind of thing from other clients - ask for him to be freed mentally, spiritually, intellectually and emotionally that all entities be gone from the time when he was picking up body parts! That there be spiritual restoration for him.

**Caller:** he is in Vancouver, WA

**MI: To the caller, all on the call:** tune in to send healing energies

- will be a big shifting in next 3 days; next 10 days

**Caller:** has received no money - on unemployment and it ends soon

**MI:** in April, he'll get something

- cleansing of body, mind and spirit and of her home - anything that is not of the light has to go
- the more we go into May, June, July - lots of action and movement, and more joy

**Contact** 317-259 -8001 - [www.centreofpeace.com](http://www.centreofpeace.com)

**Closing by MI:** very important message: **not to judge things as good or bad** - just keep moving through things; anything not of the light - LET IT GO! Feel them, move them, let them go - everything is right now and can be healed - a wonderful time on the planet: we will find that things we have been wanting to happen are coming into fruition right now - just open to receive.

**Caller:** Can you tell us how you see this day as we are moving into 6<sup>th</sup> Sun?

**MI:** lots of interesting things have culminated for herself: absolutely felt the shift today

- we won't be going back and forth, it will be a permanent shift - by the middle of April will experience life in a more transcendent way - will be in higher level of consciousness and will be more balanced with it.

**Closing: Cathy**
