Hard News:

Ed Schultz: Mike Papantonio was sitting in: guests were Max Keiser, Nomi Prince, Paul Krugman

- The price tag of \$24 B is being put on the head of Ted Kruz
- It is about Congress people who have been bought out by lobbyists, multi national death corps who work for Satanic ritualistic black magic is what it was called.
- They are in the final moments, in the corner, like rabid dogs – only place to go is Mother's loving heart.

T: NSA situation getting tenser; now have leaders of 35 countries getting tapped; Germany is livid

R: got a text message: maybe Angela Merkel will have to tell the story of Hitler meeting Kahotep when he went to the Satonian underground bases in Antarctica

- Kahotep taught him the obscene rite: cut the head off a person, eat the pineal gland and extend life force for 50 years – he did it for almost 13, 000 years – didn't make it all the way
- So do those today – from the Vatican to the politics of the 13 families and their minions; they also drink the blood and eat the flesh of those they kill

Reading: Germany is to send top intelligence to DC – Merkel says spying on France is unacceptable

- Different topic: kids across US not going to take any more tests

R: time for mystery schools and the true teachings which bring us into immortality, not fake history, fake news.

- This is the 2nd time they have heard that Angela Merkel about to get her bubble broken to the public eye

Weather: 7.0 earthquake – 300 km off Fukushima region; felt from Fukushima to Tokyo

- had 1 meter high tsunamis up and down the coast
- Earth is so saturated, people were forcibly removed from shore areas due to danger of land slides
- Strontium 90 now escaping from the nuclear plants & strontium 90 replaces calcium in the body

- Brings up Judy Beebe's book **The Hydrogen Cypher** - that the ancient Egyptians had an awareness about this energy

Understanding Heart

The 12 Electrical Gateways in the Spine.

A man called Adam is going to make a hard copy of the book **The Hydrogen Cypher**

Her name and book titles can be found on amazon.com or amazon.ca

- Talks about the blowing up of the ozone layer around the planet and how it got blown up at the end of the time of Atlantis when the Great Crystal got blown up

Faultlines: the most uncared for children in US are those who pick our food; they live in a stationary place for about 6 months and then they go to where the food is harvested: kids pick onions, for example. The parents may get \$5-6 /hour and kids \$1-2 - about the same kind of money as in eastern countries

- Restaurants – staff get low salaries & may get tips, may have to pool the tips and not get as much
- Talks about co-operative restaurant: everyone learned how to do books, order, cook, serve, clean the restaurant etc etc; everyone rotates through all the jobs and everyone gets paid the same - \$20/hour – restaurant still operating

- 8 major banks: all the CEOs getting prosecuted, staff being held accountable too

[Million Mask March - November 5th 2013 - ANONYMOUS](#)

T: There is an armada of L-shaped ships, parked on the dark side of the moon. Highly evolved beings; Tolec is C-inC – commander of the Andromedans; they are here from Andromedan Galaxy which is opposite ours; it is a huge deal to have them help us

R: to take care of the ones in the corner who are petrified; they know when Mother gives them a hug, they will be in the Dark Rift, and end to the ancient 13,000 year story

- The 9th member of the Sirius Council of 9 [who is from Andromeda] has the answer: full disclosure + NESARA NOW; all else is distraction a zig zag path to nowhere.
- this timeline we are on now is the one that heals the full story

T: The Citizen Hearing on Disclosure was a great success.

http://www.citizenhearing.org/chdcampaignnew.html?utm_source=TE+Launch+-+Main+List&utm_campaign=TE+Main+List+Mailing+10-25-13&utm_medium=email

THIS IS PART OF THE TEXT taken from the notice referenced above

WHY THIS CAN WORK

First and foremost this initiative would not be possible without the film record of the Citizen Hearing on Disclosure. We going to send over 5000 DVDs to the 535 congressional offices. These DVDs represent the hearings the Congress should be holding and provides a glimpse of what to expect. This is a game changer.

If congressional hearings are held in the House and Senate to take the testimony from hundreds of government/agency/political witnesses, we are quite confident the scores of sitting Members on those committees will undergo the same transformation as the Citizen Hearing on Disclosure Committee. The truth embargo will not last sixty days. This is exactly why certain persons in the know within Congress have blocked every effort to get such hearings since 1968, and there have been many.

Our message to Congress will be simple and direct. Your approval rating is historically low. Trust in government has collapsed. All this could be turned around in a few months because the most important issue in the world today is yours to resolve. All you have to do is call witnesses and listen." This is not 1968. There are and have always been friends of Disclosure within Congress, but they have been isolated without a platform upon which to stand. The CHD provides that platform.

T: Last week was the anniversary of the destruction of Libya: the story about Hillary wanting to get the 800 metric tonnes of gold is still waiting to be told.

T: AFL-CIO has vowed to take apart the Transatlantic Trade partnership – will be done by a regular majority, but people have to squawk!

T: On Oct 24th Nigeria's navy is mounting forces to rescue 2 kidnapped Americans who were taken when pirates took the ships; 11 crew members have been released; captain and engineer still held. Pray peace!

Conference Call

T: there is a flotilla of ships from Andromeda ready to roar! This is awesome – they will push the river in early 2014. Better if it was sooner!

- Discussion about Cam & the sage

Caller: Illiostomy – in place of bladder; an outer bladder

T: He is also having dialysis – problems with kidneys

Caller's mother: had such an operation; bladder wall was also so thin and so was leaking;

Rawlene: have enough people to ask the AAs to come – we did a unified healing for Cam

T: Rama is taking his green drinks; has the bottle of water by his bed and that helps, also taking antibiotics etc

T: we are in the thin veil – started on the eclipse and will go through to Nov 2 – we need the “right as rain” idea – and the highest good for him at all levels, and for all that are involved.

Caller: a Circle of Life opened up here

Rainbird: crow medicine – sings like a crow, two different sounds

T: they never forget a face

Birdman joins us with more crow sounds! The crows brought their friends – dove & other birds.

Ray: sees doves in front of him, got some bread and the crows came

All: Crow is love – made manifest; they are also messengers; dove is peace; whiperwill is connected with Wicca

Rawlene: Angel of Kindness has shown up **T:** a particular kind of love – she heard it is showing up to help the family to slow down on the aggressive energy that they are feeling

Ray: Doves, then crows – significance?

T: Crows are messengers – I am bringing the message that peace is here and I am reminding you; and that you are not alone. They will never forget your face.

Rainbird: has also seen crows and doves together – gets that it's peace and love together

Ray: sees them several times in a row; they have been around since he has been on his own – goes out of the van and the feather is literally on his cheek. There are so many feathers in his van – even finding one in his seat!

T: the bird medicine is going to lead us; the red man on the good red roach will keep us calm

Lynn-Mystic Healer: Crow – **Animals Speak** – Ted Andrews' book – a reminder of the range of magic creation – crows have long been considered magical; symbols of spiritual strength; messengers coming about the magic in our world [on **BBS Station One – Spiritual Emergency Training** every other Saturday, 12 - 1pm]

Music:

Mother Sekhmet:

Greetings in the Light of the Most Radiant One. In the Office of the Christ and only in the Office of the Christ, we invoke the loving energy of St Germain and the Violet Flame.

And so it is!

- It is a time where we see you and you see us; it is only about love that we come at this time. In the moment it is that we honour those who have left before us: All Souls Day is coming up on Oct 31 – a lot happening as the Cosmic Egg has been cracked, and all is exposed – quite a conspiracy scandal rocks DC and it is not about the black man in the White House, but it is the house where no one lives!
- This whole story is back- asswards, and it is about love, the only issue at hand. It is only about Love. These Wayward Children of ours who have played in the arena of all of creation in the universe; it is in their sun set, eclipsed by what has happened – Sat Yuga 100,000 years of peace and joy. And all that is occurring in these last few nano seconds is about forgiveness for these ones.
- How many ways to Sunday can we say it? Only about love – it is with great gratitude, great respect, orgasmic joy and love for what has occurred, yet she knows the oceans of exposure as the whistle blowers come forward, as they are, braving even – shall we say, taking the risk now where “Tag, we're it.” The rescue party is about us; we are the ones we've been waiting for, and we're here: active duty is what is happening. The issues of the moment are about distraction and keeping people dumbed down with Sunday, Monday football games; not what is really going on. No one has talked about mr Bill Young's funeral in Florida. Very fishy stuff.

T: or about the FEMA exercises, either

R: Nobody talked about any of these things, about the major issues, or shutting Congress down to go to a funeral? Very interesting dance. Send them an overdose of love – no, you cannot overdose on love! It is about infinite orgasmic joy, filling up and over flowing waterfalls on the frequencies of transfigurational healing – since we are all creator gods in this soup, it is high time to learn how to use it – we can create universes with our 3rd eye, whether we believe it or not! That is what it is there for.

- There are so many intricacies about this temple of the Living God: As within, so without – we are a reflection of what is out in space: a macrocosm, a microcosm – the nucleus of a cell is structured like the galaxy.. The sound of one hand clapping for infinite joy and gratitude; we have made it; the wayward children are in the corner and they will be contained momentarily, and we do mean immediately, whatever that means! It is only about love!
- The frequency is so hot that when you walk into a room and it is sardine full with beings: people waking up

in infinite love and joy. Yet so many are still in the place of hatred for the man who is making a difference in this world in spite of the collection of lies – and it is only about the 13 families with one agenda: it is about domination and control, and it failed.

T: don't we need to bring out who did the spying?

Mo: No, he did not order it up: the Black Widow – time for the other gov't to show itself. Maybe Alan Greyson will take off the hood off this group of clan members.

T: they brought up the hood: alan Grayson said today: if the hood fits, wear it!

Mo: In this local 'hood of the galaxy we love everyone. Hate is not a family value! Quite a cosmic dance that we must always keep one foot in the etheric, the other in this madness. She commends us for our diligence in keeping it all sane! Yet it is only about love – the only way we get there.

T: Reads news and asking Mother to provide feedback; so much going on, can barely keep up with it!

Journal News: France and Germany wish for Washington to agree to “New Rules” on espionage [ref to Bill Maher's show!]

Mo: when Angelca Merkel is being spied on, we know big things are afoot **T:** it was 35 countries **Mo:** and Mr Putin is in the mix

T: Russia dropped the piracy charge **MO:** now called Hooliganism – time to free Pussy Riot AND the Green peace people!

T: have some real winners on the Republican side: reading news from Laurence O'Donnell's **Last Word:**

- New Jersey Senator elect Cory Booker wants to re-write the war on drugs out of existence, and to do that, he is ready to work with someone who campaigned – RAND PAUL – who said 15,000 out of work in Newark NJ; one of 3 people there are living in poverty.

- The Tea party loser Steve Lonigan from NJ could get no other Republicans to come and support him: against Cory Booker - except Rand Paul and Sarah Palin

- Cory wants to work with Rand Paul because on Sept 12 2013, 7 minutes after ridiculing Cory Booker, Rand Paul said “ African Americans are being denied the right to vote by drivers licenses. They are being put in prison as felons for non-violent drug crimes, and for the rest of their lives, their lives are ruined.” went on to say should not be punished for a youthful indiscretion.

- Rand Paul got standing room applause for what he said complaining about the incarceration of young African American men. Had Cory been there, he would have led the applause.

Cory: Need to radically change the drug laws, esp those related to pot; Laurence said that Rand Paul is one of the precious few who will talk about it. Nor does Paul want to see people put in jail for making a mistake – say the last 2 president could conceivably have been put in jail for their drug use [Bush Jr, Obama]

T: today was the 30th anniversary of Reagan invading Grenada. A lady was on Thom Hartmann today and talked of her going to Grenada to help.

T: heard that something big is coming down the road! **MO** it is just down the road and is about over whelming ecstatic joy!

Kadoish, kadoish, kadoish, adonai

Rama: was in Lord Arcturus' sick bay – working with his jaw to get the tooth better; he's going to grow his teeth back, one way or another! What he heard is that we are in the midst of such a magnificent time to heal these bodies

R: In response to T's question if he heard anything: events are unravelling that are just that: monumental huge events that have everything to do with peace and love.
