**Host:** MariettaRobert

**Opening Meditation:** Angelsu

**Mayan Calendar:** Rainbird

This is the **Day Out of Time** in the Mayan Calendar is the 365<sup>th</sup> day of the year as it starts on July 26<sup>th</sup> -it does not have a month or a day name as the old calendar finished yesterday and the new one starts tomorrow.

This one is 7 Akbal – speaks to our abundance and our participation; 7 tone – a conduit, the ability to move from source back to matter – lots of magic in this tone.

**26<sup>th</sup> July, Friday – 8 KAN** - start of a New Year: KAN is the seed; 8 is a harmonic resonance tone, and the seed is harmony seeking as well; this will carry us for the whole new year. We are in the Wave of Kaban, the earth, being grounded; the earth will carry us for the next year too. The Seed is self-determination, harmony seeking as well, openness to life, openness to right timing.

**27<sup>th</sup> Sat – 9 CHICCHAN** – the serpent – this is a seasonal day, a portal day which gives us the galactic energy - doing expansion work and shedding old skin. 9 is completion, expansion

**28<sup>th</sup> Sun – 10 CIMI** – Cimi is the bridger of worlds, = birth & death, bringing the past and the future into the NOW moment

**29<sup>th</sup> Mon – 11 MANIK** – the Diamond Tetrahedron formation comes into full flower on this day; manik is the healing hand and healing deer; 11 tone is about letting go of what no longer serves us.

**30<sup>th</sup> Tues – 12 LAMAT** - a multidimensional, portal day – Lamat is the star gate – the crystal clear understanding, the unity of polarity

**31<sup>st</sup> Wed – 13 MULUC** – the wave of Caban is finished with Muluc the moon;

**1<sup>st</sup> Aug – Thurs – 1 OC** – start a new wave; 1 Oc the dog = unconditional love

**Oracle – destiny energies of 8 Kan:**

**Tone guide** is LAMAT, the stargate – will guide us for this year

**Support glyph** is the eagle, MEN – we think of Nesara, as well

**Spirit teacher** is Caban – earth energies, working with Mother Earth teachings – Caban is #17 which is an 8 energy

**Challenge energy** for the year is IK the magician or the Jaquar priestess – at the place in the oracle that brings up issues; we are taught from the other side!

Lots of synchronicity: lots of 8s: Caban is 17 = 8; we are in an 8 month

**Angelsu:** asks about upping the energy from IK, the Jaquar energy – what would you suggest?

**T:** reads: call on your power as a visionary – this will be a time of timelessness [FOR THE WHOLE YEAR!] you will be able to bring in clarity for self and for the people; use your integrity and impeccability when you work with the people; give up your need to control others.

**Rainbird:** we do this with the support of Mother Earth, and of NESARA.. Happy New Year, everyone!

**MR:** Asking for help paying for BBS on Thursday nights.

### **Hard News:**

**R:** this civilization on the brink of first contact

- Mr 19.5\* hit it out of the park yesterday – working with the people! Lots of things going on that are intense
  - will only continue. Has to do with going into the higher realms – we are called to active duty by our Higher Selves which adhere to the discipline of Serapis Bey

**T:** the more we are able to glimpse what is real, the more illusions that are put up – as the Jaguar medicine Rainbird referred to – the big one is “The Divine Province” situation. **[See below]**

### **T's comments:**

- James McBride – **not** a representative of St Germain; from Faction 1 or 2 – another illusion; **NESARA and St Germain are in charge** – these people are NOT!
  - This one is corrupt: connected with those currently in power and is aligned with the dinar groups; dinars will not pay out in spite of what they are saying about countries sharing dinars - all things will go to zero, including the value of the dinars.
  - reminds everyone that they have have their home back, free and clear; land and every thing else that has been taken from you. Dinars etc will not pay – the 78 programs closed in April/May of 1999, so anything that happened after this date is not part of the 78 programs.
  - KOS said it will be a lot sooner than Sept 1; this one who claims to represent St Germain: HE IS NOT! When you look at their website, they know the law etc **because THIS IS A GALACTIC OPERATION and these ones are not involved!**

**"All claims and accounts have been settled".**

There is more to this than I am able to share at this time. "all claims and accounts have been settled" includes: "mortgages", "credit card debt" and "IRS claims"! more shall be revealed....

Greetings

What a wonderful time to be alive on Mother Earth! We have been experiencing one grand shift after another in this exciting transition out of the old and into our very own new creation.

But first allow me to list some of the changes we are seeing, feeling and experiencing as we make this leap in consciousness.

September 1, 2013 seems to be a pivotal date although I cannot tell you exactly why or what to expect. Here are some of what September 1 will bring:

- Ben Bernanke announced that he is resigning the Federal Reserve effective September 1,

2013.

- One of the Federal Reserve Governors has resigned effective September 1, 2013.
- Janet Napolitano [Homeland Security] has resigned effective September 1, 2013.
- The Most Holy Francis issued an Apostolic Letter on July 11 and effective September 1, 2013 that effectively stripped away the immunity of all judges, attorneys, government officials and all entities established under the Roman Curia [hint: All corporations are established under the Roman Curia]. All of these "persons" can now be held accountable for war crimes, crimes against humanity, [hint: Divine Spirit is humanity], for the unlawful restrictions of the liberties of the divine spirit incarnate; for failure to settle the accounts; for continued prosecution of claims already settled, etc.

### **EMERGENCE FROM BANKRUPTCY**

On July 1, 2013 the world economic system rebooted the world into an economic system of substance and value. To accomplish this feat the entire world emerged from bankruptcy and was returned to solvency. **All claims and accounts have been settled.**

Why have we not heard this in the public media? You ask. There have been many announcements around the world, each one making public one small piece of the whole. The United States is resisting making any announcements so as not to incite chaos, [This is for our own good as we are not capable of handling good news, you know]. Of course the real reason is that there is a transitional window which they hope to exploit for their own profit and gain.

During this transitional window they may continue to prosecute and collect on these already settled claims ..... UNLESS, the people are aware and timely object to the continued prosecution. Once the objection is made they can no longer collect or prosecute their claim except under pains and penalties of war crimes and crimes against humanity. Remember they are operating under Letters of Marque and Reprisal under the laws of war and conquest. After September 1, 2013 they can be held accountable!

We had several cases before the courts on Friday with wonderfully exciting results! Thanks to the inspired efforts of Rob in Maryland we were able to see, feel and experience a major shift in the courts this past week.

### **What a wonderful time to be alive on Mother Earth!**

**R:** spoke with Mr X today: in spite of the distractions – fake investigations, Darryl Issa wanting to stop Saturday delivery of the mail and door-to-door deliveries [Ed Schulz told Issa you'll have to deal with me – seniors need their mail; he is challenging Issa to a one-on-one meeting on the Post Office]

Mr X- it is the absolute obstruction and refusal to work with Obama

There is a moment here with the diamond tetrahedron - magical moments happening: love this ones in the midst of the chaos

Mr X: the train accident – another distraction – they have some kind of technology that means at one moment you have the wheel, the next you are face to face with a tree – the train was going 190 km/hr around a curve, more than twice the speed; then there was an explosion, and then it went off the rails – same thing that happened with Michael Hastings.

**MR:** why do they keep perpetrating the lie that the Post Office is losing money when the Post Office is not part of the gov't

**T:** the ones involved – they are lawyers and know how to manipulate

- Bush Jr started this in 2006 and said PO said they had to put billions against future employees all up the way to 2075

**MR:** it's all to make the PO look like it's not doing well.

**R:** the biggest union in the US is the postal workers – want to shut them down and put in couriers

**T:** Detroit – a state judge said it was unconstitutional as per the state constitution to take people's pensions away; this week, a federal judge knocked this decision down so Detroit can take that money.

▪ What they are going to try and do between now and Sept 1 is steal as much money as they can from the people – they will not care about laws at all. It will get way, way more intense.

**R:** They have lost it in terms of morality – why Mother comes in now.

**T:** Janet Napolitano has stepped down because she is responsible with Hillary Clinton for ordering drone strikes.

**MR:** talking of the guy in Russia – how he explains what HAARP really is – NOT just research.

**T:** KOS has said: they are not using HAARP at all – it is nothing compared to what they have on the Space Station – magnetic particle beam technology: one car gets burned up & the one beside it is fine.

▪ This is how the base of the Towers came down.

**T:** July 25, 1941 – Emmet Tills birthday if he were still alive.

**R:** the juror on the Zimmerman trial – said Z got away with murder

**MR** heard it on national news tonight

**T:** they gave different instructions to the jury than what was given to the public

▪ difference between the standard law of Florida and Stand your Ground Law

– you cannot use the Stand your Ground Law if you were the accoster – and he was when he did not listen to the officer at the call centre and got out of his car

▪ when they showed the image of Trayon Martin's torso – not him! A Rap singer who was way

bigger than Trayvon. ! They lied their way through everything.

**Guest: Craig Campobasco** – directing a movie called Strangers in the Pentagon

Cathy Lauren followed up on the suggestion to have Craig on the program

1967 – the book was first published; he read it in the 80s

Long time ago, there would be gatherings of those who had had experiences – thousands meeting in the desert

*Stranger at the Pentagon with Craig Campobasso LIVE on UFOPM. ... Craig is also producing, directing ...*

**ABOUT THE PROJECT - FILM SYNOPSIS:**

"The landing of Valiant Thor was perhaps the first documented landing of a human-type alien by military officials. He met with President Eisenhower and Vice President Richard Nixon for an hour, then the alien was put on VIP status and shuttled back to the Pentagon."

**--Harley Byrd, Project Blue Book, Division of United States Air Force**

"Stranger at the Pentagon" is inspired by True Events from the book of the same name. It was first published in 1967. It remains a UFO classic to date.

Author Dr. Frank E. Stranges met Commander Valiant Thor, a Created Being and spiritual representative of the universe on Christmas Eve in 1959.

Our story begins when Thor lands on Earth in his technological wonder "Victor One" on Saturday, March 16, 1957 at 8:00 AM. President Eisenhower, Vice President Richard Nixon, the Joint Chiefs of Staff--all rush to the Oval Office to meet with the extraterrestrial. When Thor explains his presence, the men ponder his endless technological possibilities. They contemplate their future strategy either using friendship or force to gain control. Thor's three year invitation to reside at the Pentagon under VIP status begins.

A designated Vice General in the Joint Chiefs of Staff has plans to climb the military ladder. Thor is his goal. To attain what Thor knows will ensure the United States military supremacy over the world, and status with his superiors. When all else fails, he takes Thor to the Empyrean, the leader of 13 men who make-up the SSS: the Secret Shadow Society--the men who really run the world from behind the corporate curtain. The Empyrean has liaisons across the universe with malevolent beings who have groomed him on how to handle Thor.

Will Commander Thor succumb to the evils of the SSS? Will the government gain control over him and his technology? What is the fate of the Earth? Who will tell the "stranger" at the pentagon's story--in the government cover-up of all government cover-ups?

\*\*\*\*\*

**"Stranger at the Pentagon" movie will answer these questions:**

Where does Commander Valiant Thor come from?

Why did he come to Earth?

Who appointed him?

Did other Created Beings come with him?

What is a Created Being?

What powers do Created Beings have?

What do the advanced technologies on board the Victor Class Saucers and the Starship look like and how do they function?

Is there life on other planets in the Milky Way Galaxy?

Is there religion on other worlds?

Is there a hierarchy to the universe?

Is there a Universal Sovereign?

- Dr Frank Stranges, with whom Craig talked over all the script of the movie, died in 2008.
  - Craig got help from people who worked with James Cameron and the person who built the uniforms for the first space movies
- MR:** her grandson has the red camera and the equipment; he is a DT, as well! MR went to the desert in 1975 when Daniel Fry and others were putting things together.
- CC:** CC and Dr Frank went to the Integraton and Dr Frank showed Craig the entire site and where everything happened.
- Robert Short, the last guy now is a channeler of ET information; he has video and photos from that era; all kinds of people from all over the universe came to talk to all kinds of people – Craig has talked to 4 people who have met Valiant Thor. The sisters trying to get the George van Tassel story made into a film, too.

[www.StrangeratthePentagon.com](http://www.StrangeratthePentagon.com) is the website; has videos of promos, story of Valiant Thor with Dr Frank telling the story; has stills, too

**Out of print:** Stranger at the Pentagon; Outwitting Tomorrow – Valiant Thor & Dr Frank; UFO Conspiracy; Millenium Seven. By Dr Frank

There are posters of Victor 1 which holds up to 200 people, and a star ship that is 14 mil long and 7 mi wide – trying to raise \$ to make a short film – we can donate as we like to.

- For a donation of \$25: Craig will autograph Stranger at the Pentagon, give a Valiant Thor wristband, and will send a copy of the film when it is done.
- Now doing visual effects and sound track – to get a copy of the short film, have to make a donation.
- The big film will be in the theatres.
- They need post production funding to get it done; they want to put it in film festivals, too to drum up more interest – Craig had no idea of the excitement that people have for seeing the short film done about the fully conscious beings in the universe.
- Val has been here in trying to woo the gov't into a higher vibration; left on Mar 16, 1960; came back with a new commission – he has been here since Mar 16, 1961 – Vice Commanders Don, Thon, Theil, Zann + Yeniaya who is a creative being out of Melchizedek; then the Victor class ship is located around the earth [thinks there are 267 stations – Victor 1 is by Lake Meade in Las Vegas – the ship is anchored over some big rocks way out in the lake – if you could see on a still day, you'd find dead insects around it!

**Caller:** Is this the same Thor of the mythical Aries and Thor? **Craig** does not know – brings up the notion that one radio show host said Valiant Thor could just be a title – it was Kevin Smith who said that.

**Caller:** he is a real person. **CC:** he is from Venus

**Cathy L:** would Valiant Thor have a message for us? **CC:** to work on ourselves spiritually so that we are doing everything in unconditional love which is how the planet raises – no more anger, hate and being in other people's dramas. He woke up in the '80s – he had UFO parties and meditation parties and within a year, they were right there with him!

**Cathy:** could you share how your fascination began? **CC:** he could feel and sense energies around him as a little kid; at the age of 10 he woke up and saw an angel in its astral body floating in his bedroom. Also at 10, in the bath tub, he went into a catatonic state and his soul went out into the cosmos and heard the beating of the cosmos and he heard the questions we all ask who am I? Etc etc

- He can remember being on craft and being taught things; when he woke up at 26, he began to work with the masters who woke him up quickly. He felt every cell in his body turn into golden light; saw the beauty behind the creation of everything on the planet; he could see the auras around people & their soul history; he wept for 8 months anywhere from 8 - 12 x a day; He was taught much – they wanted him to write about it, the book was 400 pages; then he went to Mt Shasta and had a major experience with the I AM.
- When he came home, one of his teachers said “What if we say you wrote that book for yourself? After that book, he wrote the book he was intended to write: The Autobiography of an Extra Terrestrial Saga: I AM Thyron. It's in a Spielberg/Lucas story – immensely spiritual. This has come out of the Melchizedek star seed program that is to raise the consciousness on other worlds, especially focusing on earth on the moment: Melchizedek is an outer space planetary city of 490 planets!
- When he wrote this, they told him to keep writing until he heard nothing no more!!! It was channeled – he had no idea where the story was going.

[www.autobiographyofanet.com](http://www.autobiographyofanet.com) Sylvia Browne read the book in one night, and wrote the forward at once.

- E-mail him off the website and he will autograph it for you – hardcover & softcover. - will be a trilogy of

books – read the back of the book first so you understand the structure of the universe

**Cathy:** who is Thryon? **CC:** the lead ET in the story: all has to do with duality. Thryon is one of the anomalies and was born dualistic – he learns how to quicken his duality into becoming fully conscious

**Cathy:** what role will Valiant Thor play now? **CC:** their ships are capable - on the big motherships, they can record the band width of every living creature on earth, their spiritual progression, and where their thoughts are at any moment – so they monitor people if their intentions are negative and they also report what they learn to the higher ups – he wonders with the things that are going on like chemtrails and pollution if they remove things like that. When you think about it, each thought helps you balance as you go back and forth and learn the meaning of balance. They are able to do this – when Dr Frank was alive, he said that Thor and the crew members are in touch with many on earth in various walks of life; they also oversee much that goes on.

- He had also asked Dr Frank the question – he said the commander is always so busy and had such a heavy burden on his shoulders to oversee the development of what is going on; Dr Frank never saw him smile at anything until in the '80s and Dr Frank met him in the 50s'. The Vice Commanders have quite different personalities – talks of the creative one who used to pick up Dr Frank and try to guess his weight.

- In the morning, they got together to state their intention for the day and sing; another fascinating thing on Victor 1 is a history coin machine; you can sit in it or see it in the theatre; there are coins etched in blue light: to watch the life of Cleopatra, you order the coin from the Akashic records pop it in the machine and watch it – anything you want!

**MR:** speaks of the crystals which are records of events **CC:** there are little markings on the side of little pyramids: when you see crystals with little moles on the side shaped like a pyramid – that is a recorder crystal. He describes a crystal a friend of his found in the Amazon – a crystal from Atlantis – he shared it with no one but back in the late 80s he showed it to Craig and said the crystal wanted to go home with him for a few days! One night, Craig woke up and went in his astral body to the kitchen and the crystal downloaded its information to his light body; the light body downloaded into his physical body and his body shook for 10 minutes later. When the information comes in you, it is like encapsulated pills and comes out slowly so you can take time to examine it. Eventually it comes out with your own intuition.

- Says there a lot of famous actors who have been abducted or someone in their family has been or they are having big spiritual experiences – we are all quickening because we are rising into Christ Consciousness which was Christ Consciousness before he was on the planet! Then the world will go into telepathy – when he writes, he hears them talking to him and he knows who is talking. Think of when you become fully telepathic: we can exchange our feelings through our thoughts and feel and see our soul history and see the incredible light we each are. Those who are fully conscious see and feel on a deep level: sometimes they are more affected than we are! Which is why our guides stay with us.

- Cathy: asks if he spends time with the Vice Commanders? **CC** he had a lucid dream the day he started writing the scrip – Valiant thor came to him and showed him the whole path of the development of the film. Tells the story he told Frank Chille – when he first started writing the book he knew who some of them were and would feel a click in his neck – they let him know they were there. He saw a woman in a uniform but did not know who she was.

- A friend did a reading for him – in 2001, when he moved into his new place and set up his couches, he felt the presence of Valiant Thor and his VCs – why were they here? Two months later, he met Dr Frank! And when he started writing, he saw the woman with the red hair again – and again he wondered who she was. Dr Frank visited Valiant Thor and the Vice Commanders and Theil said “Hi” - it was the one he saw 10 years ago. He worked with them all during his first book too – he felt everyone come to him and share their energy with him

- he made the changes to the script by taking the writing to Dr Frank who gave it to Valiant Thor who held it in his hands and absorbed the text; the next morning, he sat at his computer and all the changes came to him from what he had downloaded over the night from VT.

- Theil is fascinated with earth people; she teaches the others about us, and has earth people come to the ship.

Talks about his experience with an obstructed bowel and how Theil helped him and how Dr Frank was there when he woke up in the hospital with a message from

**Cathy:** we know Dr Frank Stranges wanted us to know about this – what he specifically want to say today if he were here? **CC:** speaks of how he talked with Dr frank and how he would share which came up to him as they talked – he shared personal things that he had experienced with them CC has been on the ships astrally, but not in the physical.

**MR:** tells of her experience in the astral going to the ships: the healing space, the piano – asking to go travelling without the 3D stuff involved

**CC:** Thyron's ship – the metal is an organic material that is fused with his own DNA; he is the only one who can thought jump his ship from one place to another in the universe!

**MR:** the healing technologies - lying over the table and the light, sound and vibration things that happened – has been told to share as that is how we all learn!

- Repeats the phone #s so people can call in.

**T:** feels like she is on a ship just talking to him; **CC** – when we all talk about it, we are moved into that resonance Dr Frank talked of going on the ships and how you take off your clothes and have a cleansing shower, put on a space suit and no longer have need of glasses or anything else; only need them when we get off the ship. **CC** tells of a man who married someone from Venus and stopped aging.

**Caller1:** can you explain the statement about the star seeding program from Melchizedek?

Melchizedek is the universe's university, the outer space city of 490 cities; Mel is the school

the created being Unia is one of the master teachers who comes out of melchizedek and is on Victor 1

The star seeding program – there was a calling out to the universe about getting the earth back into its full consciousness; the earth is a living being, and she wants to be fully conscious again – she gives us all we need, and if we do nothing for her, she will die. So the calling went out everywhere and fully conscious beings said I will go to sleep and let my soul be incarnated on the earth as a star seed and because I have been fully conscious and am going back into a dualistic state, I can handle it more easily and help the planet raise up – so when lots of people do this, the consciousness of the earth raises – and since the 70s, the amount of spiritual material has grown enormously.

**Caller1:** is a neo-natal nurse has seen so many changes with the kind of beings coming in – had never heard the star seed program explained in such a way, and knows it is so.

**CC:** there are different classes of star seed messengers: some only come for a short time and leave and come again as every race, creed and religion on the planet; then they come in as a mighty messenger and have a much bigger mission.

**Caller2:** how can we get an autographed copy, etc

**CC:** [www.autobiographyofanet.com](http://www.autobiographyofanet.com) Softcover is \$21 with S & H, Hardcover is \$25 with S&H;

- email him: [Craigcampobasso@gmail.com](mailto:Craigcampobasso@gmail.com) and tell him you want it

- **for a donation of \$25** for the **Stranger at the Pentagon** short film, and various things –  
[www.strangeratthepentagon.com](http://www.strangeratthepentagon.com) [www.autobiographyofanet.com](http://www.autobiographyofanet.com)

or email him as well.

**T:** how close to being done? **CC** at the end of this year, beginning of next; from there, they will go into full length feature film – the short one is about drumming up interest – also wants to hear from anyone who has met Valiant Thor.

**Cathy:** why did he choose to take this on – coming back from Venus to do this?

**CC:** Valiant Thor told Dr Frank that he knew this commission was coming when he came in 1957 and he waited a long time to get this job on earth! He wants to be here and to help! Only in our wildest dreams do we think of angels etc – not a part of our everyday life as they are in the fully conscious world. People think we are automatons on this planet – just to have the knowledge that they are there to help us and to connect

- all we have to do is meditate & if we don't know how to meditate, go to Jonathan Goldman's website and download the **7 minute chakra exercise**, listen to the music and then call forth the angel you want to see and you will feel it.

- The message in closing is to work on ourselves spiritually; we came here to work on ourselves spiritually and to grow and not to get in other people's dramas.

**MR:** was going to ask what was Val Thor's message tonight & we just got it!

**CC:** it is up to us who are incarnated to do the work – we are all a community of souls no matter what planet we come from; we are all part of the One.

**MR:** thanks Craig and invites him back whenever.

**CC:** to make a donation to help with the Stranger at the Pentagon program, go to the website. The books he is offering are new as well as one of a kind cool stuff!!!

**MR:** thanks to Cathy, Craig, Frank Chille and George Filer

**Rama:** has been listening, so heartening to hear all that has been said. Has been going on to the ships since 1966 in the physical – have you ever sat with Captain Ashtar? **CC** – he has seen Ashtar who came to him a couple of years ago in a dream – he was looking up and a golden light was bathing him and he turned so Craig so could see every aspect of him. Craig went back to sleep and asked Ashtar to do it again – and he did! George van Tassel was the very first one to channel Ashtar!

**R:** his parents took him to the Giant Rock Conventions and they sat for days and days!

**T:** all Rama's contacts say we are right in the birth canal: everything is leading up to this that we are going to sit with these folks, just as Barack Obama does

- Yes, on the 3D level it is getting intense, but we are being told to get ourselves up higher so we will be fed, and then we can assist the others. As Rainbird says, the different guides being brought together are to help us get together and help others. As Craig says we have taken so much from Earth Mother and if we don't give back, we will let her die. In spite of the fact that she is getting help, we cannot sit back and let them do it [galactics] – as we ask them to help, they will.

**MR:** it is why she feels so passionate about getting the farmers to work the land well – to get the land back to being healthy

**T:** we are our own way showers; the smallest thing of thinking about not being worthy: transmute it as the awesomeness of who we are, we are just beginning to grasp! When she and Rama met at a friend's house in Santa Fe, Rama and his sister were channeling and Ashtar came through the sister and said hats off to you folks, as you volunteered to be the ground crew as this is where the work is needed. The best is yet to come and yes, they are kicking up like crazy – eg the thing in North Carolina: the house Republicans voted to slash by 34% the environmental protection agency both in the Federal Repubs and Congress, and the Repubs in North Carolina.

**She reads from Rachel:** they want to ban women exposing their nipples in public for any reason whatever = 30 days in jail! A proposal also wants NC to declare an official religion in violation of the Federal Bill of Rights. And teachers to tell children in Grade 7 that if you have an abortion, you will not be able to have children later – potential for miscarriages or not being able to have children at all. This is not considered a risk by the Centre for Disease control or Ob/gyn doctors. NC House approves restrictions on abortion clinics in NC. **THIS HAS BEEN PASSED IN NC!!**. And take \$90 million out of public schools and give it to private schools. Reorganize the fiscal structure of the state so they can give the millionaires in the state a cheque for \$10,000/tax cut! Plus limited guns in playgrounds & other public recreation areas plus in bars! They have a veto-proof congress and

Senate if the governor would wish to veto a bill – but why would he when your ideas are so good! Especially the nipple one! [T: these bills passed in both houses.]

As your agenda is nipple banning, and giving millionaires \$10,000 you should be worrying about what people think of you - yet the Federal Supreme Court gutting the Voting Rights Laws means NC . . . remembers to tell us that Eric Holder intervened on July 25, using Section 3C of the Voting Rights Act – and he said this is not going to be the last time. The states all across the country are not going to get away with this!

**MR:** asks Rainbird what she is experiencing in NC – what is the backlash?

**Rainbird:** her rep is a tea party one; given a lot of money by the Koch Bros to do what she is doing. She does not like what is happening.

**MR:** when is this all going to be over?

**T:** Sept 1 – these ones can be arrested according to the Divine province thing; yet NESARA has been in place since 2008 when the Heidi thing happened and the Bank of International Law zeroed out the world economies and we have been inside NESARA law since then; the White Knights/Faction 3 have been way ahead of the game, and watching people like Bernanke or Napolitano bail – these ones will not get away with anything! What we did today was great and thanks to Cathy – find some more goodies like this: the sooner the people catch on that this is a galactic operation and that they are part of it, the sooner things happen.
