**T:** Book Rainbird saw in a bookstore: **Voices of Our Ancestors: Cherokee Teachings from the Wisdom Fire** by [Dhyani Ywahoo](#) with whom Rama studied for a few years. She is the only female T knows of who has been given the title "Llama" - she is only 4 feet tall!

**R:** The Ides of March - as Uncle Ed said, he had on Mr Scott the bartender who talked of Black Magic Mittens who was at CPAC today: As Rev Al Sharpton said yesterday, "The GOP circus came to town." They have nothing; there is no deal.

- **Obama will not cave on the big 3**, even though there are other stories out there about Medicare, Medicaid and Social Security; the only thing to do is raise the taxes on the filthy rich and give the \$ back to the people of Planet Earth
- Someone called into the show: spoke of \$30 - 40 Trillion squirreled away off shore: Mc Connell, Cantor, Boehner, Romney, Ryan - he said it was time to bring things back, and Eric Holder has not done his job - he's a schill for Wall Street.
- It is all smoke and mirrors and Max Keiser keeps pulling his hair out! Jamie Diamon was called in front of a sub-committee today, did not show up - sent someone else, and the Senate Sub- committee not happy at all - will likely join Bernie Madoff.
- Why are we seeing images of a man called Mr Steele, a mystery man in Iraq, & orchestrated Mr rummy doing torture and abuse - so many pieces having to do with the downfall of things
- We are in the time of the 6<sup>th</sup> sun; T&R had trouble with phone and internet line and the VOIP protocol - the guy on the other end sounded a lot like Arandji Roy from India: said it's the sun flares, it's the time of the 6<sup>th</sup> sun, don't you know? Send love to the sun"
- The Pan Sars comet was seen over PA last night - Look to the west at sunset, you can see the comet - lots of things unravelling in this local section of the MW Galaxy / solar system that has to do with UP, this is about ascension in the physical, right here and right now. This is the greatest time to be alive, also the most challenging and the most intense
  - These are the final moments of the ancient empire of Mother's children; they were here before the gods were here. - like a conversation with your higher self or your Twin Flame: Self knows what is going on and you have to ask HS to come down and listen this is the time of the 6<sup>th</sup> sun and with it, all stories are changed. Things are unravelling and the banksters have nothing to hold the empire together - these ones have no strength left. St Germain gave them the formula and said they would keep it themselves and the rest of the world could go jump. Now it comes full circle and the time is now - What goes round, comes around - the market was really high 14,456+ - but it is **all fake**.

T: Ratzinger gave Pope JP II the disease for offering the Swiss Guard

- They are afraid to die because someone will kill the ?
- Hugo Chavez cannot be embalmed - he was dead for a week before the announcement was made; his body degraded to the point where he cannot be embalmed; an international team of forensic doctors can find out what happened - there is a gun that is used by the agencies - it shoots an invisible, hair-like thing that can penetrate the body and begin the cancer. This was done to Castro [stomach] - Hugo Chavez was given bone cancer.
- Another agent came along - the gun can also cause a massive heart attack - this forensic team will find out who did it - they already know: it was 2 agents in the US Embassy down there

**Back to Reading: EMPHASIS ON THE FOLLOWING:**

**March 7:** A Public Notice declares that the legal and political authority of the governments, courts and police of the Vatican, Canada, England and other Commonwealth nations is nullified and disestablished. ### **Our Goal, and The Next Steps**

For years, the aim of our movement has been to uproot the institutional and spiritual source of centuries of murderous crimes against the innocent by the corporate empire known as the Vatican, and its many offshoots. We have begun to do so now, lawfully and openly.

The mask has finally slipped, for those who can see and understand. The perpetrators of the worst Genocide in human history stand not only condemned and sentenced, but legally and morally disestablished.

As well, the aura of legitimacy and authority – what some call the Archon, or the overarching spiritual or “group mind” of the institutions we have judged – has been shattered, in the manner of a massive collective exorcism. A spell has been broken, the Angel and Archon of Rome has departed, and the ground has been prepared for a new seeding.

The collapse of Rome is sending an enormous shock wave across our planet, on many levels: for the authority of most governments and corporations that have dominated and ruined our world emanate from the legal and belief system established by the Vatican Empire.

### **CONFERENCE CALL**

T: reading / talking about an article from the ITCCS - a citizens international common law court and who was indicted: Windsor, Harper, the Pope [SEE BELOW]

Ratzinger did not comply

Feb 25 - they lose all property on the planet: Club of Rome says Church owns whole planet!

Mar 4 attempted arrests proceed -

- Rama called up the KOS and told him what happened & these guys are supposed to do citizens' arrests on the Pope - KOS started to giggle: "you and whose army are going to arrest him when there are 3 thick walls around him, and the Vatican Army is around him; and what army will help them arrest the queen and Harper - they have big armies too!"

**T:** This is well and good, but it's only a thimbleful of the story - need a bigger army than the 3 involved: it is called the Sovereign Militia forces - KOS is a Secret Service agent and a Navy Seal and he is at 38<sup>th</sup> level above the president and he shares membership in the ACIO Alien Contact Intelligence Organization which is the entire ascended masters and the Ashtar command so they are rubbing shoulders with KOS -

- there are 4 million ground crew members who joined the military, became navy seals and joined KOS; the other 16 million men are Ashtar Command members which means they are not from earth but they can shape shift or go inside computers & get the history of what has gone on
- She described the situation with Princess Sherula is because the Ashtar Command came to the surface from The New Jerusalem like she came to the surface from the inner earth - they all got themselves in the data base; AC has been a member of the military since 1945 as part of the ACIO; she came to the surface with the help of St Germain

**Caller1:** KOS laughed - yet the question is that the initiative has been taken by the citizens - so what are we waiting for?

**T:** the people have to have this information on TV first!!! At 7pm Christ Hayes took the place of Rachel Maddow and said "The US may have poisoned Hugo Chavez" - the US or any country on earth do not do that until they get their orders from the Pope! So now the tracking is on TV.

**T:** go to [www.MSNBC.com](http://www.MSNBC.com) and you can watch all the shows

- They cannot embalm Chavez' body - a huge international team of doctors will determine what happened - and all who collaborated can be arrested.

**Caller:** mass of people do not watch MSNBC

**Caller:** Stephen Greer's wife was killed the same way, also his friend and him, but he survived. Brings up the story of remote viewing and how Greer was surrounded by 3 huge bodyguards the entire time of the workshops.

**T:** He is a big man; when T&R got out of the car in Baseville and went to the house to do the conference call, they walked to the end of the block - he pointed out that Greer lived down there - they saw him running; he runs about 5 miles every day

- Neither the Queen or the Prime Minister can do anything without calling the Pope; the Pope ordered the murder of Hugo Chavez and the doctors will find out who did it - 2 members of the US Embassy there - it might only take this to get the Pope arrested and then Harper and the Queen

**T:** the Sovereign Militia will do the arresting - this is how thousands are in ships' prisons

**Caller:** there is no evidence of this happening

**T:** these characters are arrested piece by piece; the people cannot be told who is arrested for that would give things away to the un arrested ones

- to talk about US, Canada, England, Australia - these 4 countries combined have so much power and arsenals of weapons - US has nuclear tipped bombs, every policeman has nuclear tipped bullets,

there are bombs that can blow up whole cities - enough people have to see it on screen, publicly - the arsenals have to be locked down, and the leaders of them have to be arrested - **ST GERMAIN IS IN CHARGE OF THIS AND NO ONE ELSE** - he told the original banksters 400 years ago that he would be back - original family was Bauer / Rothschilds.

- Just as we have militia forces that do not intend to do anything nice, so do England, Canada, Australia - these ones do not want
- Goes back to Manly P Hall - **The Teachings for All Ages** - he was killed for wanting to tell about the Illuminati

**Caller2:** these stories seem as a pittance in face of the chemtrails in the air and the pollution in the water and the soil

**T:** evil is evil is evil: racism is behind it all - the thought forms of racism create the things - the thought forms of hatred are held at the 4<sup>th</sup> dimension over our heads - Mother Earth is fine, and the bodies we are created out of and the damage we have done to them - none of us would be alive if it were not for the spiritual work we are doing -

the aging process has to do with the collective mind of consciousness - we volunteered to come in before all were awake so we could help

**Caller1:** an e-mail from Emilia Benz - addresses the chemtrails; has also watched an interview of Emilia Benz - Caller has sent it to Cheryl - Laila Machi

**Caller3:** from Wisconsin went to Wells Fargo bank - told her that the US dollar, Cdn and Mexican \$ are all at the same value - the bank was stunned too - what is going on???

[www.liloumace.com](http://www.liloumace.com) Raising the Vibrational Level of the Planet - a **You Tube** - about overcoming chemtrail activities and other things as well - have to claim it and put it in words - power of the spoken word 28:22 minutes long

Chemtrails are physical pollution and energetic pollution thrown at us to keep us asleep "It is not allowed in my field! I have a right to be in a state of joy, of light/love,

**Music:**

**Mother Sekhmet**

Greetings in the Light of the Most Radiant One; in the office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

**T:** it has been decreed that we are tired of this game and we are done and we take our power back: in the Office of the Christ, I call on you and all the AAs to let it be done that war is o'er and peace and love is all there is - in love/light!

**Mo:** and the Lion and the Lamb - it is time, and so it is!

- There is a lot going on with all that is unfolding at the moment; it is simply a matter of the mind. It has

everything to do with all of us, and the frequency of living light, living love coming to pass - already here. In this moment, we take our hats off to you.

**Caller1:** started talking about chemtrails and of Emila Benz directing the chemtrails and how we are dealing with the end of the paradigm of victim / aggressor, and how it is time to take our power back and that they are done to instill fear and keep us asleep, polluted energetically and physically.

- We have to make a statement that the poisons are not allowed in our field and that I have an inner knowing that I have a right to live in inner joy, love and light and create my own reality.
- Caller was told to shift her energy from anger to neutrality, and ask the angels to help with the clearing for the benefit and higher good of all humanity; once she changed her mind, she no longer gets sick with symptoms like flu - our energies help contribute with light and positive thoughts and make the chemtrails weaker and weaker.

**T:** addresses Mother and idea that there is technology that helps - from Dr Keshe. In terms of all the things that help create the aging process: won't there be chambers that reverse the aging process all over the planet?

**Mo:** yes, once the Light Cities are built - already coming into manifestation. There are many improvements and magical things unfolding; it is simply being in this moment now - it is just the matter of the mind - we are creator gods and we help create what we are experiencing now; as we change our thoughts, this affects living matter around us. The life forms that spray us like bugs - in the twinkle of an eye, this will be over when we change our thoughts and are in the moment, now.

- What we would say has everything to do with this time - the 6<sup>th</sup> Sun - and the frequencies that are unfolding; as you think, therefore you are: think with your High Heart! it is here that the magic unfolds in the moments, as we experiencing, witnessing the most tremendous times that we have chosen to be part of. It is a wondrous time to be in a body and experience all of what is unfolding - the best is yet to come, and it is about doing this together.
- It is a fact that these temples as we increase the magnitude and frequency of energy changes the physicality. It is simply a matter of the mind. How we do it is about the magic - meditation every day, working with the living light that is being poured to the earth; doing kind things asked of us at this moment, and that encompasses having to deal with the situation at hand.
- It seems we have been asked to serve it and so we shall serve it: the dinner - we ask about the ones sitting in the ivory towers made of paper; they are simply - like the story of Puff the Magic Dragon - they are paper tigers and the bark is louder than the bite - they are playing with technologies of the realm that is like infants playing with sidereal weapons - it is how we do this together to bring heaven on earth - in this moment, it is how we do this together to bring forth heaven on earth - it is the time of the 6<sup>th</sup> Sun
- Until we can land on the White House front lawn, it is about "the Other" - yet it is the greatest story never told - that we are not from where we think we are from: it is about the illusion of space/time quickly falling away and in the moment what is taking its place is the infinite bliss that we can feel at times;
- at the other times are the oceans of tears about what is happening & and how we all can bring a change here with the Huge Issue that is before us: Righting Our Ship of State - and the man in the seat Mr 19.5\* - has it on track. Yet it is also about the obstruction of justice & and the ramifications that go with this issue at the moment.

- All of what we have been talking about the new character called Francis 1<sup>st</sup> - it is about all souls coming back to love and that place where even Kissenger, Brezinski and the whole gambit - they are all souls , the ancient ancient beings about creator source - it's a bit of a challenge when we don't know how things work under the hood! Would be good to know how things function in this Temple of the Living God.

- We are divine creator gods and it is that spark of divinity that is changing the story - we might say the whole story is flying by the seat of its pants because it is about that, the narrowest of moments that changed the timeline: Dec 21/12 - we are already changed, and the cosmic visitors coming into the sphere of influence of Terra Nova has everything to do with ascension. And how we are co-creator source in the continuum - we are getting a crash course on how to be Q and as well as part of Star Fleet, and this is no easy path - we commend you for what you have done.

**T:** story going around about Kuthumi and St Germain who had a soul merge in the body of the life of St Francis - she understands that the Ascended masters do not violate free will choice, so that soul who has done some very unsavoury things that are crimes against humanity

**Mo:** equal with Darth Vader on the screen [ref to the documentary that is playing on Dick Cheney - the world according to Dick Cheney]

**T:** has an article "Washington's Pope?"

**Mo:** this is the greatest story that has never been told, about ancient magnificent beings that took a walk on the wild side & play with what Vader represents, knowing that the black hats would go on until the end of days - This is the end of days yet **IT IS NOT ABOUT EXTINCTION EVENTS, IT IS ABOUT ASCENSION.**

- The wayward children have met their match - the magnetic light, the number of beings here are equal to here that number with 40 zeroes, and then some - accountability, yes - with what army do you arrest this man Francis with the conventional reality we live in? Things are unfolding in such a magnificent way - as LM Elizabeth Warren said "days" and Mother concurs: it has to do with how many folks are asking why Bush and Cheney have not been hung out to dry?

- She talks about stew and accountability - 2 million children are completely mal nourished and dying and trapped inside Syria -

**Mo:** has to do with the fake war , Illusion, maya and the idea as we quarrel about weapons that rip bodies apart. Not easy for Rama to talk about these atrocities. Refers to letter written by Michael Moore asking "why?"

- It is a good thing we are moving forward with removing the assault weapons ban: why are we interested in the technology of death when we are moving towards Ascension - it is over and done with. Are they afraid of Her? Or Others?

- It is already over and done with - they are playing it out with very ancient "anklebiters" - archonic, ancient energy about using the quantum field or everything that encompasses you and works through you , called "the force" - how we work with it is the question: like Ramtha said, become the wind and merge with that energy and become One with it" - do the same with the force, as Neo did We are The One: it is called Humanity. The message given by Klatu in The Day the Earth Stood Still - earth will make it and so will we in this moment now; to do this, waken more folks to the fact that the greatest acts of kindness and compassion change the course of so many eons of time, other things profoundly - open a door for someone wherever you are

- The issues coming forth at the moment: send love to this one Darth Vader because it is about our children which is us; anyone of us could have made the choice to stand in his shoes and no one knows what his karma / circle cycle fits with us is: he is here to show us life out of balance at the moment. How you get life back into balance is to listen to the wise ones who are coming forth with the wisdom: the pale one who walked the land is here: Admiral Sananda Kumara who is here now - "Here is the way; I will show you how to do it - it's called Love." Let us begin with helping you to sit in the chair. If you are dead, I will raise him

- your beloved friend, Mr Bolivar / Hugo Chavez - there are miracles afoot!

**T:** wouldn't that be something - having him is on the ships!!!! He did say he did not want to die!

**Mo:** think about being creator gods - we are in the quantum field now as the critical mass has been reached -

The void is still the place of Living light/living love: the Dark Rift is not a dark ugly place - it is cosmic soup where new universes are created: it is part of reality, matter - anti-matter; what we understand as super science, quantum physics - it is understanding the nature of this temple, Adam Kadmon, Merkaba

**T:** "Washington's Pope?" is very indicting

**Mo:** they are clawing their way to the old world idea of the camps & the goons, android armies; yet they cannot come to terms with the understanding that Iran already has 12 nukes & has had them for a long time; it is not about nukes, it is about love and the Mahdi

**T:** Iran never intended to use them - it was a "fail safe" - when they sit in the Middle East

**Mo:** just today: more fear of the dark: Al Assaud might go visit Chad - if he leaves, is there grounds to arrest him? Stories about chemical weapons being used; Netanyahu is a rapid dog who does not understand the full power of the stargate of the Al aska mosque - this is the main stargate that a Mother came through and it is in her control - best to stand down!

**T:** another stargate in Aleppo; today on Al Jazeera - a film of 2 mothers and a baby trying to cross the border because the baby was sick; and there was cross fire - if they stayed, the baby was gone; if they went, he could be killed

**Mo:** illogical odds so you have to make a decision; it could be an illogical decision - it's about going into the Nauqual & trusting the unseen friends - who are being seen more and more

**T:** when you do that, there is the power of Mother - yet that power can change history!

**Mo:** and this is the place where, along with Michael and Metatron, they make sure the protocols of the universe of Nebadon are adhered to

**T:** now that Chavez is on the other side; he has that power too!

**Mo:** he's getting a download from Metatron!

- What he means to the people of Venezuela - Eva Morales has been talking of him: now is the time we cross this moment of Dec 21/12; we are in the time of the 6<sup>th</sup> sun, not in the time of Gitmo Bay - people there are refusing to eat - the Neo cons/obstructing Obama's desire to close the place - the life and times of Darth Vader Dick

**T:** if the ones in gitmo got out, they would tell what happened that 9/aa was an inside job

**Mo:** Osama was a fall guy, sitting in a brig, and will tell the truth; Hitler, and others are there, too

## **Suspected criminal Jorge Bergoglio elected Pope Francis**

A suspected criminal has been rapidly elected as the new Pontiff of the Church of Rome in a record two day conclave, being the first Jesuit in history to head the papacy.

Former Cardinal and Pope-elect “Francis I”, Jorge Mario Bergoglio, is accused of helping kidnap opponents of Argentina’s military junta during the 1970’s “Dirty War”, and of baby trafficking, by lawyers and members of the Plaza de Mayo human rights group. (Los Angeles Times, April 17, 2005, “Argentine Cardinal Named in Kidnapping Lawsuit”, <http://articles.latimes.com/2005/apr/17/world/fg-cardinal17>)

Besides his personal alleged criminality, Bergoglio – as a Jesuit – represents the group most responsible for the centuries-old Crimes against Humanity and Genocide for which the Jesuit Superior General was found guilty on February 25, along with Joseph Ratzinger and other Vatican officials.

The Jesuit Order established the murderous Indian residential school system in North America during the mid 19th century, and has led the destruction and killing of millions of non-Catholics around the world since its inception in the mid 16th century.

Under a secret oath administered to every member, the Jesuits are authorized and encouraged to kill, torture or overthrow any opponent of the Vatican and the Pope. (<http://www.biblebelievers.org.au/jesuits.htm>)

These facts, the Argentine allegations, and his complicity in the global conspiracy against children enunciated in the canon law Crimen Sollicitationas, makes the new Pope particularly liable for immediate arrest and sentencing under international law and the Common Law Court verdict of February 25, 2013.

The ITCCS understands that Jorge Mario Bergoglio’s election was a quick and uncontested arrangement, as evident in its rapidity: in less than two days, a record for papal elections.

Bergoglio’s election makes the guilt of the Vatican and its highest officials for Crimes against Humanity all that more severe. The new Pope, as the head fiduciary officer of the Vatican, Inc., assumes that guilt and liability.

Bergoglio is therefore subject to immediate arrest under the terms of the Common Law Court ORDER of March 5, 2013, issued by the International Common Law Court of Justice under the authority of jus gentium, the Law of Nations, and the Rome Statute of the International Criminal Court.

Accordingly, an application has been made by our Tribunal to these courts for an International Citizens Arrest Warrant, to be issued against the new Roman Pontiff, Jorge Mario Bergoglio – Pope Francis I, for Crimes against Humanity and involvement in a global criminal conspiracy based in Rome.

The ITCCS will soon be issuing more background evidence on the genocidal purpose and actions of the Jesuit Order in relation to the ongoing crimes we have documented; and of the evidence of Bergoglio’s suspected crimes in Argentina.

## 2013, Mar 13 **How The Mighty Have Fallen: The Next Steps in Reclaiming our World and Ourselves ~ ITCCS**

Posted by [Allen Atkinson](#) in [ITCCS](#) ■

In just over one month, history has been made.

One Pope has fallen, the Vatican is in disarray, and heads of state are evading arrest warrants after being publicly tried and sentenced for Crimes against Humanity.

And thanks to the February 25 verdict of our Common Law Court, the legitimate authority of the Vatican and the British Crown has been disestablished by the fact that their heads of state are now wanted criminals.

As at the Nuremberg Trials, not only criminal actors but the system they represent have been lawfully judged and sentenced before the world. Our Common Law Court verdict has given all of us a rare historical opportunity to reclaim power from those who have for so long usurped it.

The question now faces us: Will we do so?

To grasp the momentous nature of what has happened and the glowing chance humanity has been given to free itself of its oldest tyranny, let's remember a few key events: ~

**January 30, 2013:** The International Common Law Court's Prosecution concludes its case against Thirty officials accused of Genocide in Canada, including the Pope and four top Vatican officers. The Accused do not respond to or deny the charges. The Jury of thirty three sworn citizens then judges [the evidence](#).

**February 4:** A diplomatic note is issued to the Vatican Secretariat by a European government working with our Common Law Court, concerning its impending Arrest Warrant against one of the accused, Joseph Ratzinger (aka Pope Benedict)

**February 11:** Joseph Ratzinger resigns as Pope

**February 15:** Ratzinger is given sanctuary and "legal immunity" by the Vatican

**February 25:** The Common Law Court Jury unanimously finds Ratzinger, Elizabeth Windsor and 28 others guilty as charged of Crimes against Humanity and Criminal Conspiracy, and sentences them to 25 years imprisonment and loss of property and authority. The guilty are given one week to comply.

**March 3:** The occupation and seizure of church property begins in Canada, England, the United States and Italy.

**March 4:** The guilty do not comply. Common Law Citizen Arrest Warrants are then issued by the Court for the detainment of Ratzinger, Windsor and others. Attempted arrests proceed.

**March 7:** A Public Notice declares that the legal and political authority of the governments, courts and police of the Vatican, Canada, England and other Commonwealth nations is nullified and disestablished. The Notice calls for new Constitutional Republics in these countries and for Civil Constitutions which nationalize church property and governance. (see <http://www.itccs.org>, March 7)

### **Our Goal, and The Next Steps**

For years, the aim of our movement has been to uproot the institutional and spiritual source of centuries of murderous crimes against the innocent by the corporate empire known as the Vatican, and its many offshoots. We have begun to do so now, lawfully and openly.

The mask has finally slipped, for those who can see and understand. The perpetrators of the worst Genocide in human history stand not only condemned and sentenced, but legally and morally disestablished.

As well, the aura of legitimacy and authority – what some call the Archon, or the overarching spiritual or "group mind" of the institutions we have judged – has been shattered, in the manner of a massive collective exorcism. A

spell has been broken, the Angel and Archon of Rome has departed, and the ground has been prepared for a new seeding.

The collapse of Rome is sending an enormous shock wave across our planet, on many levels: for the authority of most governments and corporations that have dominated and ruined our world emanate from the legal and belief system established by the Vatican Empire.

Equally powerful has been our resurrection of the Common Law as a practical weapon to restore justice and sovereignty to the people.

Everything, in short, is in transition; and the cowering of supposed “rulers” in evasion of our Arrest Warrants is a clear sign that the “mighty” are indeed fallen, and falling.

Taking back the power from these criminals is up to every one of us now. But how will we assert this new freedom and identity, and reclaim the world?

We’re already beginning. In eight countries, twenty one local action groups have formed to reclaim the property and lands of the criminal churches named in our Verdict. And in Canada, England, the United States and Italy, the Citizens’ Arrests of the guilty “Dirty Thirty” is commencing.

### **About Citizens’ Arrests**

Consider the word. “Arrest” means “to stop” in French: and our aim is to not simply detain but forever stop the guilty and the systems they represent, of fraud, conquest and murder. And that won’t happen simply by locking away a few figureheads, even though that’s what the law requires.

In truth, it’s easier than you realize to stop people in power – especially when they know they’re guilty of a crime.

You have the upper hand, first of all, because the guilty have everything to lose, and you have much less at stake. And so it’s terribly easy for you to expose, mock and embarrass them, loudly and publicly.

By naming, shaming and banishing them, you puncture the tenuous balloon of their moral authority. And you can even achieve what we have done to the former Pope and the British Queen and the Canadian Prime Minister, which is to cause them to either resign or hide out of public view to evade the small but deadly weapon that we hold: the truth of what they are.

If we can’t detain such officials after trying, that too helps us, since then they’re exposed as the cowards they are, and the police and authorities as their accomplices in crime.

*The truth is that a convicted criminal has no authority any more, under the law: including monarchs, popes and prime ministers. We just need to press that point home now.*

Besides, most of the people we’re arresting aren’t heads of state and have no real protection around them. They’re mostly low level clergymen, church officials, RCMP officers, and even a fat CEO of an American eco-terrorist corporation called Weyerhaeuser. Who’s going to rush to defend these jokers, especially now that their complicity in genocide, child rape and murder is exposed to the world?

Think of those slaughtered children whenever you doubt what we must and can do next.

### **Reclaiming church property and land**

This is the easy part. Churches are already open, public spaces since they’re maintained by your taxes.

Our occupation and seizure of Catholic and Protestant churches is an act of responsible citizenry, for we’ll be opening them to the homeless and all the victims of church torture. And so no cop or priest can legally evict you from any church if you’re being peaceful – especially if a few dozen of you show up with all your kids.

So make your seizure of churches a permanent and ongoing thing; you’re not protesting, you’re reclaiming. Set

up soup kitchens and beds in the sanctuary. Quote Jesus while you're doing it: he has plenty to say about religious hypocrites and the blessedness of children, and the poor.

Trust us: our experience proves that when anyone threatens the property and money of these fraudulent churches, they fold. That is their Achilles' heel.

Besides, taking back the wealth stolen from us all is justice in action. These churches have never paid a dime of taxes. Now we're taxing them, by reclaiming them with a sort of direct peoples' levy.

### **The Bigger Picture: Spiritual Reclamation**

But fun church seizures and arrests of fat clerics aside, the startling truth is that these institutions have already been disestablished, legally, morally and spiritually. Once you and only about 2% of humanity awaken to that reality, it will become a fact of everyday life.

We've always known that our work is ultimately a spiritual battle: a fight for the mind and soul of humanity in the face of a force that has enslaved our people for millenia. We are engaged in a literal, mass exorcism.

And so despite the initial emphasis of our campaign on the legal front, we have been accompanied and protected from the beginning by spiritual elders, shamanic workers and people of many faiths. The conscience and prayers of countless men and women have been a great shield around those of us on the front line of this battle, and has brought the malevolent spirit that we face to a standstill.

During Easter Week, from March 24 to 31, a focused Spiritual Reclamation will commence that will culminate in a fasting and public exorcism between Good Friday and Easter Sunday, outside and inside these churches. This exorcism will complete the cycle begun by Kevin Annett and others outside the Vatican in October, 2009.

More of this will be shared with you in the coming week.

Clearly, we are using the ITCCS-Common Law Court as a springboard to launch this broader Spiritual and Community Reclamation Movement to alter our societies and ourselves from the grassroots.

Liberated hearts and minds always usher forth new ways of living and governing ourselves. But to develop new systems of cooperative Common Law government, we need a trained cadre of leaders to lead this revolution from below.

And so in the coming days, all of our Action Groups will begin to hold leadership training workshops to plan the details and strategy of this Reclamation Movement, and create the political and spiritual and will for it to endure. A Training Manual is forthcoming, concerning the ITCCS and its history, the Common Law, the Reclamation Vision and Spirituality, and the rules of spiritual and political engagement.

### **Finally ...**

To further this entire campaign, Kevin Annett will be commencing a six month global speaking and organizing tour on behalf of the ITCCS and this new spiritual-political reclamation movement, from April through to October, 2013. He'll be visiting twelve countries in North America, Europe and Asia.

Kevin has been one of the few ITCCS officers mentioned publicly until now, primarily for security and the safety of its officials, some of whom are sensitively placed in governments or legal bodies. Six members of the ITCCS have died from clear foul play since 2009 after being publicly vocal about crimes of church and state.

However, more ITCCS members are going public since the Common Law Court verdict, including Jury members Lisa Shannon and Melanie Spencer, and ITCCS organizers Gerry O'Donovan, Dave O'Brien and John Deegan in Ireland, Thierry David in France and Rev. Joshua Lemmens in Canada.

Thanks for staying part of our movement. Carry it on! We have a world to win back!

2013, March 14 **“Washington’s Pope”? Who is Pope Francis I? Cardinal Jorge Mario Bergoglio and Argentina’s “Dirty War”**

By [Prof Michel Chossudovsky](#)

The Vatican conclave has elected Cardinal Jorge Mario Bergoglio as Pope Francis I

**Who is Jorge Mario Bergoglio?**

In 1973, he had been appointed “Provincial” of Argentina for the Society of Jesus.

In this capacity, Bergoglio was the highest ranking Jesuit in Argentina during the military dictatorship led by General Jorge Videla (1976-1983).

He later became bishop and archbishop of Buenos Aires. Pope John Paul II elevated him to the title of cardinal in 2001

When the military junta relinquished power in 1983, the duly elected president Raúl Alfonsín set up a Truth Commission pertaining to the crimes underlying the “Dirty War” (*La Guerra Sucia*).

The military junta had been supported covertly by Washington.

US. Secretary of State Henry Kissinger played a behind the scenes role in the 1976 military coup.

Kissinger’s top deputy on Latin America, William Rogers, told him two days after the coup that [“we’ve got to expect a fair amount of repression, probably a good deal of blood, in Argentina before too long.”](#) ... ([National Security Archive](#), March 23, 2006)

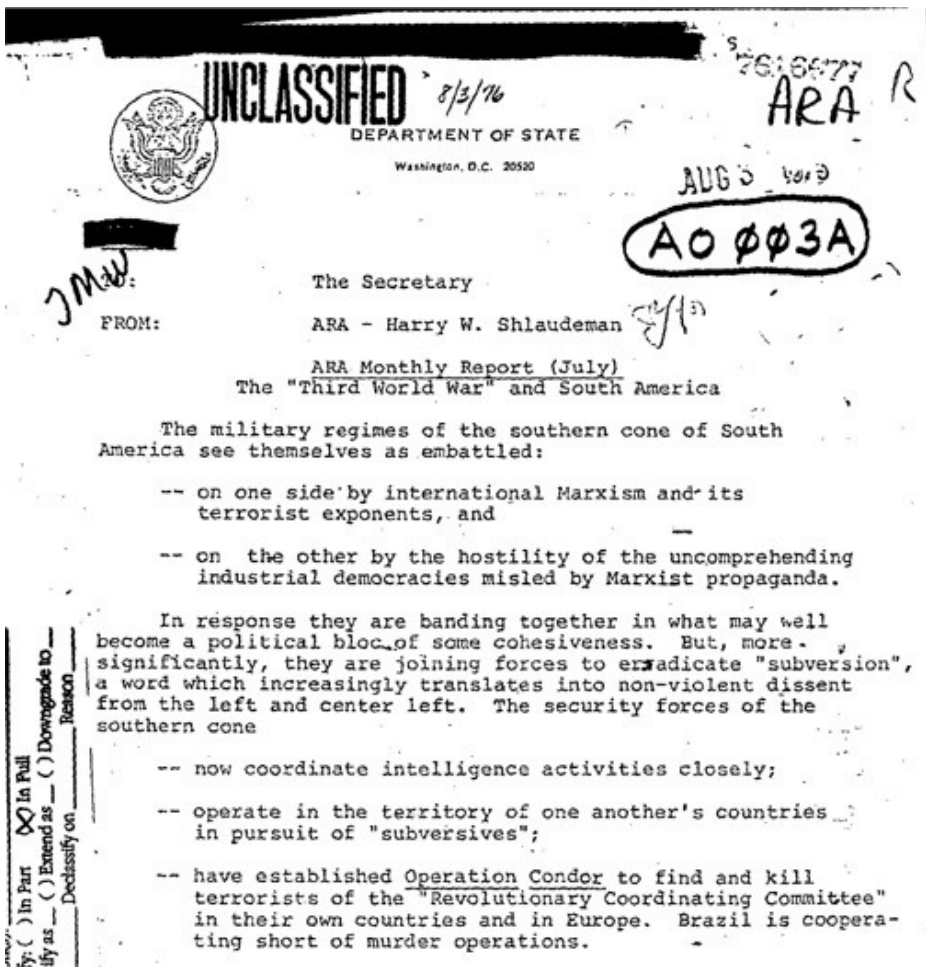

**“Operation Condor”**

Ironically, a major trial opened up in Buenos Aires on March 5, 2013 a week prior to Cardinal Bergoglio’s investiture as Pontiff. The ongoing trial in Buenos Aires is: *“to consider the totality of crimes carried out under Operation Condor; a coordinated campaign by various US-backed Latin American dictatorships in the 1970s and 1980s to hunt down, torture and murder tens of thousands of opponents of those regimes.”*

For further details, see [Operation Condor: Trial On Latin American Rendition And Assassination Program](#) By [Carlos Osorio](#) and [Peter Kornbluh](#), March 10, 2013

The military junta led by General Jorge Videla (left) was responsible for countless assassinations, including priests and nuns who opposed military rule following the CIA sponsored March 24, 1976 coup which overthrew the government of Isabel Peron:

"Videla was among the generals convicted of human rights crimes, including "disappearances", torture, murders and kidnappings. In 1985, Videla was sentenced to life imprisonment at the military prison of Magdalena."

### Wall Street and the Neoliberal Economic Agenda

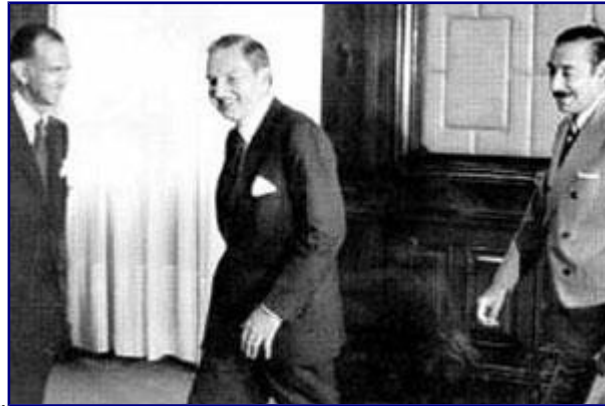

One of the key appointments of the military junta (on the instructions of Wall Street) was the Minister of Economy, **Jose Alfredo Martinez de Hoz**, a member of Argentina's business establishment and a close friend of

David Rockefeller. (See **Image below:** *From left to right: Jose Alfredo Martinez de Hoz, David Rockefeller and General Jorge Videla*)

The neoliberal macro-economic policy package adopted under Martinez de Hoz was a “carbon copy” of that imposed in October 1973 in Chile by the Pinochet dictatorship under advice from the “Chicago Boys”, following the September 11, 1973 coup d’Etat and the assassination of president Salvador Allende.

Wages were immediately frozen by decree. Real purchasing power collapsed by more than 30 percent in the 3 months following the March 24, 1976 military coup. (Author’s estimates, Cordoba, Argentina, July 1976). The

Argentinean population was impoverished.

Under the helm of Minister of Economy Jose Alfredo Martinez de Hoz, central bank monetary policy was largely determined by Wall Street and the IMF. The currency market was manipulated. The Peso was deliberately overvalued leading to an insurmountable external debt. The entire national economy was precipitated into bankruptcy.

### **Wall Street and the Catholic Church Hierarchy**

Wall Street was firmly behind the military Junta which waged “The Dirty War” on its behalf. In turn, the Catholic Church hierarchy played a central role in sustaining the legitimacy of the military Junta.

The Order of Jesus –which represented the Conservative yet most influential faction within the Catholic Church, closely associated with Argentina’s economic elites– was firmly behind the military Junta, against so-called “Leftists” in the Peronista movement.

### **“The Dirty War”: Allegations directed Against Cardinal Jorge Mario Bergoglio**

**Image Left:** *Jorge Mario Bergoglio and General Jorge Videla*

In 2005, human rights lawyer Myriam Bregman filed a criminal suit against Cardinal Jorge Bergoglio, accusing him of conspiring with the military junta in the 1976 kidnapping of two Jesuit priests.

Bergoglio, who at the time was “Provincial” for the Society of Jesus, had ordered two “Leftist” Jesuit priests “to leave their pastoral work” (i.e. they were fired) following divisions within the Society of Jesus regarding the role of the Catholic Church and its relations to the military Junta.

Condemning the military dictatorship (including human rights violations) was a taboo within the Catholic Church. While the upper echelons of the Church were supportive of the military Junta, the grassroots of the Church was firmly opposed to the imposition of military rule.

In 2010, the survivors of the “Dirty War” accused Cardinal Jorge Bergoglio of complicity in the kidnapping of two members of the Society of Jesus Francisco Jalics y Orlando Yorio, ([El Mundo, 8 November 2010](#))

In the course of the trial initiated in 2005, “Bergoglio twice invoked his right under Argentine law to refuse to appear in open court, and when he eventually did testify in 2010, his answers were evasive”:

“At least two cases directly involved Bergoglio. One examined the torture of two of his Jesuit priests — Orlando Yorio and Francisco Jalics — who were kidnapped in 1976 from the slums where they advocated liberation theology. Yorio accused Bergoglio of effectively handing them over to the death squads... by declining to tell the regime that he endorsed their work. Jalics refused to discuss it after moving into seclusion in a German monastery.” ([Los Angeles Times, April 1, 2005](#))

**Holy Communion for the Dictators** (*image right:*

*General Jorge Videla takes communion from priest Jorge Mario Bergoglio*)

The accusations directed against Bergoglio regarding the two kidnapped Jesuit priests are but the tip of the iceberg. The entire Catholic hierarchy was behind the Military Junta. According to lawyer Myriam Bregman: “Bergoglio’s own statements proved **church officials knew from early on that the junta was torturing and killing its citizens, and yet publicly endorsed the dictators.** “**The dictatorship could not have operated this way without this key support,**” ([Los Angeles Times, April 1, 2005 emphasis added](#))

The Catholic hierarchy was tacitly complicit in torture and mass killings, an estimated “[22,000 dead and disappeared, from 1976 to 1978](#)... Thousands of additional victims were killed between 1978 and 1983 when the military was forced from power.” ([National Security Archive, March 23, 2006](#))

### **The Catholic Church: Chile versus Argentina**

It is worth noting that in the wake of the military coup in Chile on September 11, 1973, the Cardinal of Santiago de Chile, Raul Silva Henriquez openly condemned the military junta led by General Augusto Pinochet. In marked contrast to Argentina, this stance of the Catholic hierarchy in Chile was instrumental in curbing the tide of political assassinations and human rights violations directed against supporters of Salvador Allende and opponents of the military regime.

Had Jorge Mario Bergoglio taken a similar stance to that of Cardinal Raul Silva Henriquez, thousands of lives

would have been saved.

### **“Operation Condor” and the Catholic Church**

The election of Cardinal Bergoglio by the Vatican conclave to serve as Pope Francis I will have immediate repercussions regarding the ongoing “Operation Condor” Trial in Buenos Aires.

The Church was involved in supporting the military Junta. This is something which will emerge in course of the trial proceedings. No doubt, there will be attempts to obfuscate the role of the Catholic hierarchy and the newly appointed pope Francis I, who served as head of Argentina’s Jesuit order during the military dictatorship.

### **Jorge Mario Bergoglio: “Washington’s Pope in the Vatican”?**

The election of Pope Francis I has broad geopolitical implications for the entire Latin American region.

In the 1970s, Jorge Mario Bergoglio was supportive of a US sponsored military dictatorship.

The Catholic hierarchy in Argentina supported the military government.

Wall Street’s interests were sustained through Jose Alfredo Martinez de Hoz’ office at the Ministry of Economy.

The Catholic Church in Latin America is politically influential. It also has a grip on public opinion. This is known and understood by the architects of US foreign policy.

In Latin America, where a number of governments are now challenging US hegemony, one would expect –given Bergoglio’s track record– that the new Pontiff Francis I as leader of the Catholic Church, will play *de facto*, a discrete “undercover” political role on behalf of Washington.

With Jorge Bergoglio, Pope Francis I in the Vatican (who faithfully served US interests in the heyday of General Jorge Videla) the hierarchy of the Catholic Church in Latin America can once again be effectively manipulated to undermine “progressive” (Leftist) governments, not only in Argentina (in relation to the government of Cristina Kirschner) but throughout the entire region, including Venezuela, Ecuador and Bolivia.

The instatement of “a pro-US pope” occurred a week following the death of president Hugo Chavez.

### **Washington and Wall Street’s Pope in the Vatican?**

The US State Department routinely pressures members of the United Security Council with a view to influencing the vote pertaining to Security Council resolutions.

US covert operations and propaganda campaigns are routinely applied with a view to influencing national elections in different countries around the World.

Did the US government attempt to influence the election of the new pontiff? Jorge Mario Bergoglio was Washington’s preferred candidate.

Were undercover pressures discretely exerted by Washington, within the Catholic Church, directly or indirectly, on the 115 cardinals who are members of the Vatican conclave, leading to the election of a pontiff who will faithfully serve US foreign policy interests in Latin America?

### **Author’s Note**

*From the outset of the military regime in 1976, I was Visiting Professor at the Social Policy Institute of the Universidad Nacional de Cordoba, Argentina. My major research focus at the time was to investigate the social impacts of the deadly macroeconomic reforms adopted by the military Junta.*

*I was teaching at the University of Cordoba during the initial wave of assassinations which also targeted progressive grassroots members of the Catholic clergy.*

*The Northern industrial city of Cordoba was the center of the resistance movement. I witnessed how the Catholic hierarchy actively and routinely supported the military junta, creating an atmosphere of intimidation and fear throughout the country. The general feeling at the time was that Argentinians had been betrayed by the upper echelons of the Catholic Church.*

*Three years earlier, at the time of Chile's September 11, 1973 military coup, leading to the overthrow of the Popular Unity government of Salvador Allende, I was Visiting Professor at the Institute of Economics, Catholic University of Chile, Santiago de Chile.*

*In the immediate wake of the coup in Chile, I witnessed how the Cardinal of Santiago, Raul Silva Henriquez – acting on behalf of the Catholic Church– confronted the military dictatorship.*
