Hard News:

T: this portion of the show is sponsored by KOS and Mother

- our new endeavour to bring in divine government
- mandate of all of us is to do all we can to complete ourselves with any banking in big banks.
- In California, people getting letters: we know you have \$ in your bank accounts and you can't get it out -
 - they are taking your money, putting it in hedge funds and using the results to kill people.

- A police man in CA was released last year; shot his daughter today - 20 years old
- There was an "indict Bush" protest in front of the Brennan hearing - inside, 5 people got up in the hearing and said they killed my nieces and nephews in Pakistan - the lady had a doll.

R: Ed Schultz Radio show: Mike Papantonio has been talking of all kinds of stories that link the 13 families with the fiasco of the fake money story

- talked of the ancient story of Babylon & annuaki empire, and the sons and daughters of man; he went into the Orion Wars and how it leads to what is happening now: in Syria, Lebanon, Somali - about the series of stargates from the Dome of the Rome.
- Recommended that people listen to Max Keiser and Stacy Herbert on RT.tv
- Ariel Sharon revived out of a comma - not sure what to make of it.
- he listed 54 countries that were coerced into doing extra ordinary renditions by the US

R: all has to do with the fiasco of petro dollars and the change over to a wisdom-based economy that is coming into reality: peace will be declared.

- Rama read the message that Cathy read: just waiting for his orders from Ashtar!

T: Mike P said that Obama was going to give a message about full disclosure soon - not sure if it's connected to what Captain Zorra is talking about

- Mike P spoke of the Winds of Moriah that came in with Ramtha when he tried to take down the Orion warlords of Atlantis: they have arrived now and will erase the whole dog and pony show -
- which goes with Max K's report last night [MK is a white knight, knows the KOS; used to be involved with the hedge funds] - just like Mike P spoke of the galactic story and the invasion of the reptiles on the planet (Star Wars)

R: Now we have the story coming out about drones: in the movies of **Star Wars: the Empire Strikes Back** - there was a drone flying around that 2 of them had to take out; this is getting really sophisticated. He saw on RT today that Russia invaded Japanese air space with Russian MIGs and Japan is not happy. North Korea squawking about nukes - Ashtar has said no dates, no nukes, no flukes and there will be no debt nations

T: Ann Rice at the hearing, and another with a list of 4,000+ people killed by drones; only one person was jailed for 90 days yet there were 4,000 killed with the drones

CL: even if Mike P's words have nothing to do with Billy Faye etc, still bold stuff to be talking out loud - **a good sign that he is speaking up**

T: Mike P: these are NOT bed time stories - **everything that George Lucas put in the Star Wars movies is true** - he called them Sci Fi movies in order to get the truth out

- the inter-galactic gladiator ones we are fighting now - the soldiers are only pawns on economic war games that these reptilians are playing - the inter national war game
- **THIS IS ALL HILLARY, EVERY LAST BIT!**
- **All the appointees etc are inside the reptilian secret agenda** - and Obama is not: he is IN NESARA

- After he won Nov 4, 2008, he was briefed by good CIA members and then he ordered the execution of Hillary and the 10,000 bankers. King of Egypt confirmed this on Nov 8, 2008
We are seeing the clones right now.

- after the **Mike P show, T & R talked to him and asked about the fwg:**

- the real name of **Truth Warrior is Sherry Shriner**, a murderer and a war criminal; woman barrister from England who spends all her time in Jersey connected with the Big O - got hooked up with Ted Gunderson / **Poofness is the SAME PERSON!!!** Poofness is playing like he is a spiritual person and that he is a "he".

- These guys and gals have everything covered; Tara spoke to the Truth Warrior back in 1999 around time of funeral of Mike Kadowski, the fake clone person, in Illinois;
- Clyde Hood was killed and cloned; the clone is in prison and Mike P brought that up today.
- Also said that Mike K is dead as a door nail
- Ted Gunderson is dead because Bush Sr was done with him and got rid of him:
Behind the scenes, inside Faction 1 people are getting rid of each other so no one will squeal - there are all kinds of holograms out there

Cathy: she has also read that they are spending money like no tomorrow

T: The Bushes are out of that stuff - Fulford can provide some insight, but what he says still has to be viewed very carefully

Cathy: Fulford spoke of different Illuminati groups: the old world order ones

- the new world order - all imploding from within

T: **Max K on RT.tv - also on YouTube - all of his reports are archived on YouTube**

- Today **Ed Show** was talking about Max Keiser, Ashtar on the Road, Rainbow Round Table being **the only good websites out there** [Ed said this on the radio]
- **Randi Rhodes** had Yoko Ono on: Yoko said Hillary Clinton is the criminal,
 - **the only places to go are Max Keiser, Ashtar on the Road and 2013 Rainbow Rose roundtable** - all the rest is smoke and mirrors!!

Magic Mary: I call forth my new Aquarian energy - a prayer she read.

T: Mike P: Koch Bros are pushing the XL pipeline again:if we engage with this, the planet is over and so are we!!! **Our role here is not about money** about being who we came here to be

- will be another showdown with the Bavarian Illuminati - they will try and come out on TV and say they are of the light They still have access to death star technology - we need to call on our brothers and sisters from the stars to come and intervene - we
- Beyoncé put up the Illuminati sign at half time; if she did not, she would be killed like Whitney was last year - she is giving every dime she made at the half time program and give it to NGOs all round the world
- **Leon Panetta** - Aug 2011 when Romney made a fool of himself after London; he met up with Panetta in Israel & Netanyahu to plan the death of the ambassador - **on the order of Hillary**
 - when Panetta said that the US was not the world's police force, Mike P said LP is lying through his teeth; we cannot walk around looking for money when we are facing so many critical issues
- **Mike P** also said that Obama may be doing a special press conf about X files and bring in the missing history between his story and her story and the real story of the 13 tribes

Caller: this weekend an unusual weather pattern: unusual snow is going to hit certain parts of the country - part of the plan for everyone to stay home and hear an announcement

T: they are **doing it from the ISS** - the snow coming through the NE - affects power lines, etc

R: BO would not give a major speech when people are upset

CL: the football game that shut down after half time

R: a ship was seen over the dome!

Caller2: watching the skies a lot last week: the veil is thin: could almost see beings: body felt different - there has been a lot going on in the skies - feels compelled to go out and look: is what she's seeing real? Feels pretty profound.

R: what's happening: we are becoming more inter dimensional beings and our bodies are becoming

crystallized and we are feeling the uptick of the increased vibration on the planet

T: if you have a heightened ability - write down what you hear and see -

Mike P told R that Anonymous, in response to murder of Aaron Schwartz, hacked into Federal Reserve network and deleted thousands of files and accounts = no more money and nothing to be accessed! This is playing hardball!

Guest: Michael King **THERE IS A GREAT DEAL OF DETAIL IN MICHAEL'S DISCUSSION.**

- When he was deciding about his second profession, he decided to do what he loved: wasn't making lots with the first one, wouldn't be much different.
 - But once he made a certain kind of tea, people liked it so much they urged him to make it for others. This was the beginning: joining forces with nature
 - Tea was called **Suma Raj** - it has been revised a second time [Suma a South American herb used for all thing] detoxifying, energizing, nourishing,
 - As for strong: he drank 3-4 pots / day for 12 years: quite a lot! Will never have a gall stone as it cleaned out the liver! He's going to trim down the number of products in it as he now has a product line of 40+ items helps people balance sugar levels; helps digest a meal - safe before bed and first thing in the morning.
 - Environment has a long way to go to be cleaned up so it can support us
 - Abundance of heavy metals that we breathe in is taking its toll: why we have clay bath, take clay internally etc - due to chemtrails, water, cell phones, wireless computers, cordless phones that are disrupters to our hormones
 - To do this need to strengthen the human bio field: sea weeds, bio feeds; Ormalites, sacred clay, meditation, yoga, chi gong so we can with stand the electronic, etc radiation
 - Diet a major food for all of us: **health food diet can be loaded with food combining traps**
 - Go to his website: **to find out "What can I eat" - about food combining**
- Website: www.Vitalityherbsandclay.com 541-482-9633- to talk to customer service reps
- for medical intuitive calls: \$100 / hour and ask to talk to Michael
 - Thyroid: in the centre of Vital Health news Archives; will get a beginning list of audio files; at middle to bottom of page will find thyroid articles, or hormone replacement in general.
 - We are on the verge of the best years that we have yet experienced! Delighted that this group will be going forward; the more optimistic we are the better we
 - **Great things are happening! Keep positive!**

Re: Angelsu and Harriet: the bank modified their mortgage and didn't tell them so they missed their first payment and their home is sold!

MI: we will pray for them - ask permission first and only in accordance with the permission of Angelsu and Harriet - that if they are to move, that the right move happen - she thinks that it's a scam; that there a couple of people who will pop and investigate for them - they are overwhelmed and then it is hard for them to be clear-thinking; if anyone has any expertise, to call and help - thinks someone will show up before Tuesday

Mereline, Cathy Lauren - they address the question of nature, trees, the roots in the chakras of our feet

Caller from Indiana: a heavy feeling that can't seem to shake, also unemployed - not normal for her to go so long with this heavy feeling

MI: wants her to think about her childhood was like, her parent's relationship, what people did; look at the patterns of working - yes, the caller lost a job twice; MI does not get that she did anything wrong - part of what's happening: she is exhausted, adrenal exhausted, conflicted within self as to what they want to do - Spirit is saying you need to be doing what you really want to do.

- Part of her wants to be self-employed: but very confused at the moment and not sure what she wants to do. Ask spirit to guide you to the most fulfilling

Jeff: could already feel the results of her assistance: energy starting to flow

MI will continue to send him energy - he will call her

Closing: Cathy
