

Hard News:

- T: Most important news is to realize that this is the plan we have been waiting for: they are exposing in exponential levels every single days; many people are in an overwhelm that many of us went through about 20 years ago & now those of us on the spiritual path have been benefitting by getting together with our brothers and sisters and celebrating!
- People are having experiences that are like a death and re-birth cycle as described by E Kubler-Ross
 - Sept 22, the Fall Equinox, is a very big day for another separation – those who chose at that point to take their leave – won't happen over night. Mother Sekhmet said in 2010 that she was extending for a couple of years to the middle of summer of 2012 – yet those of us working with more multi -dimensional frequency patterns knew that on Aug 18, 2010, we had already arrived at 2012!
 - tomorrow is Aug 18, 2013 and we arrive at 2015!
 - Even those who do not believe in 2012 – and a lot of us thought that in 2012 that the magic carpet would show up and we would see heaven on earth. At a higher level, it is so. R says he was one who wanted to see this and let's go yet it is about “tethering your camel in the right moment”
 - It requires a long term energy and the discipline of what you do with the energy is move the situation consciously with spiritual energy
 - The reason they are playing the next piece: when the North American Pueblo Indian took Braden to a portal to “pray rain” - nor pray for rain, but PRAY RAIN. [T: language, colour, symbols are tools to invoke through us is what we use every day. The NA did a mudra – putting together the fingers and the palms together over the heart – giving and receiving in balance. The Hindus do other mudras – move the energies through their bodies in that configuration and bring in another kind of energy.]

Audio: George Noory / Greg Braden as the guest: Discussion of Greg's latest book: **Secrets of the Lost Mode of Prayer: The Hidden Power of Beauty, Blessings, Wisdom, and Hurt**

“There are beautiful and wild forces within us.” With these words the mystic, St. Francis, described what ancient traditions believed was the most powerful force in the universe—the power of prayer. For more than 20 years, Gregg Braden, the best-selling author of *The God Code*, has searched for evidence of a forgotten form of prayer that was lost to the West following the Biblical edits of the early Christian Church. In the 1990s, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest.'

In *Secrets of the Lost Mode of Prayer*, Braden begins by describing this ancient form of prayer that has no words, or outward expressions. Then for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and his personal sharing, Braden explores the wisdom of these timeless secrets, and the power that awaits each of us, just beyond our deepest hurt!” **[Copied from Amazon.com]**

- The mudra is putting together of the fingers and the palms over the heart – lighting up the circuit
- The Indian deities do other mudras – a combination of fingers and thumbs which creates a circuit and so moves the energy – the human being is wired for selfless service
- Greg's Native American friend put his bare feet on the ground; literally felt the wet earth beneath his feet, literally smelt the ions of the rain – having the divine manifestation of praying rain
- George Noory asked did it work? Of course it did: and it rained as the native American depicted it – a gentle rain as there had been drought for a long time in Taos and Questa: a hard rain would not have been absorbed by the earth – **this is the preciseness of who we have inside of us**

Our Times with Craig Barnes who is a retired judge of State Supreme Court of New Mexico; a whistleblowers and a curmudgeon: – he is eloquent & also knows how to get in the face of the lizzies and give them a tongue lashing

- He did it today on the subject of Julian Assange, Bradley Manning and Edward Snowden – said all three of them need to share a Nobel Peace prize & that the whole story **goes back to 9 / 11**
- talked about the stories following on from these 3 and Obama, Putin and Xi, and the web of death has

covered the planet – started by Mr Schirff / Bush and Ronnie Reagan

- why is Bush confined to a wheel chair & not a cell like Bernie Madoff? These ones should be on death row.
- Recognizes that he could be gone by next week: the Gov of NM is part of the program / wants to see health care repealed
- Barnes knows about the Lavender Lad and that he is the change

Camp Loveway: talking about walking with death on your shoulder – all talked about NDEs

- Starman escaped from DARPA, as well as Los Alamos [Darpa is an organization created to make droids & other life forms – the idea is about war, not peace] – Starman gave them a run for their money – he was incarcerated because he knows about the warp drive fields, how to create the engines for the craft that run on crystal and ion and plasma energy – the ins and outs of warp drive fields – they are using this knowledge for war, not to help the people.
- The good people will be re-integrated into society with help from the galactics – it is about washing out the brain – de-programming. We have been played with since we came here – Rama remembers what it was like in the womb.
- Starman's near death experience: he was given leukaemia, spent a year with his mother, lying in bed and staring at the ceiling – he was eating but losing weight – always aware of craft following him wherever he was.
- His mother came in and found him not breathing – called 9-11; when they called back, she said she had no need of emergency services - he was gone for half an hour
- He saw the New Jerusalem – went into stasis as he saw the Cities of Light
 - Came back into the body – mother relieved; she told him she had called 9-11 and he barely got the words Thank you out –
 - Told her about the Cities of Light. The Tall whites came and took him to a biobed & the light frequency went up and down him, and scanned him – there were etheric doctors, tall whites etc around the biobed and they said “You're done. You can go back.” What? Am I dead? “No – you have a mission and you have to go back.”
 - “How do I do that?” “Think about grass” – something he had seen while he was out. When he came back, he told her he had to drink wheat grass juice – she made it for him: 3x a day, 5 oz a time.
- He said goodbye to his mother and told her he had to do the mission and he has not seen her in 4 years – she is somewhere in the US – he lives on the land in the mountains in New Mexico: no electricity, etc – went from wheat grass juice to vegan and now he is working on breatharianism. The tall whites are there all the time
- A very touching story
- He just knew when he was young that he would have to go to DARPA to connect with the next segment of his mission – he is 26, a Crystal and will live forever like the rest of us
- Played a song on the show – to this day, the scientists cannot figure out why the junk DNA is activating
 - Prof Hawkings is in a wheel chair – he knows about the galactics, yet has been threatened by MI5 and MI6 so now he says there are space beings and they are probably malevolent
 - He was in Star Trek with Data – they figured out how to overcome the Borg by using multi-phasing of the shielding of the Enterprise.

T: so much news – pulling all kinds of segments of items to tell us

- Jeff Cohen – www.rootsaction.org
 - all kinds of petitions –

 - the budget debate needs intervention
 - unacceptable that journalists are kept as political prisoners
- **Brother Bill in CA:** has to learn how to walk all over again, due to the heart attack
- Yolanda said being in the Circle of Support has turned her life around
- The energies of now: speed up our challenges as well as the positive stuff -
The deal is that we help each other

- The US is the 32nd in countries in terms of a free press! 31 countries have better press than we do
 - Also remember that the US has a greater responsibility than anyone else – which is why the secret gov't is trying to shut people down.
- Talks about Skype – corporation control has made it difficult to get independent word out – Thom Hartmann says this is a gift of Reagan
 - The Fairness Doctrine had not been enforced from 1987 – as you are going to broadcast over the public air waves, the fee is that you must broadcast in the public interest – meaning real news.

Gerald Celente on Detroit's 'No-town' and the new reserve currency

2 Aug 2013

As interest rates go up, go down, how are you going to get out of this tape worm?

- China has a huge debt problem and a much larger real estate program – will not be able to control hundreds of thousands of angry people
- Larry Summers – Yellin was just cheer leading on the real estate bubble; Summers tanked the Harvard Foundation Fund. Is this a media campaign to float other suggestions? Remember that Barack is pushing the criminal out there to get them in the public eye.
- They are going to take their monetary foot off the pedal – keep interest rates low until 2014, 2015
- What will drive interest rates up – a debasement of the currency!
- What is the alternative to the debasement of the currency? Answer: thinks gold as a basket of currency [KOS is talking of this all the time] – the Chinese currency, the US currency, the Euro currency – gold will always be there as well as other precious metals. He also sees a new world reserve currency – and rainbow bills {T: this won't take a long time: the shift we are in is moving us into multi-universal energies}
- GC is asked for last comments: Threat of war

T: in addition to the \$1.4 B from US, Saudi Arabia is giving \$4B; UAE \$4B; Kuwait \$4B – plus another \$4B from

other countries as well

- Talks of \$ given to Israel

- G. Celente: won't be a happy ending – war in Syria, Libya, Bahrain – civil wars; as long as the US, Russia, Lebanon, China & others get involved in countries this can lead to a regional war.

T: we can make such an ending by joining James Twyman and Children of the Sun – we need to learn how to delegate authority to help others – the nature of the human being is to serve others, this is how we were made originally – we are One.

- What would a regional war look like in the US?

T: reads this because this is the nature of the oligarchs – they start a war when it looks like they will get fingered for something.

[Current TV is done – will be starting with Al Jazeera on Aug 26th]

R: this is **a sequel from yesterday** – an investigative reporter from San Diego talking about Michael Hastings

- John Brennan is at the heart of this – murder one!
- Has to do with 9 / 11 – they have been killing journalists consistently – over 500- 600 – because they are pointing the finger about 9 / 11 and Iraq
- Rama was in Chicago in 1968 at Dem Convention and saw the police working people over in the park
- Stephanie Miller's father was one of the interrogators at the Nuremburg Trials & of the nightmares he had

T: as we become aware of these things, it is imperative that we widen the awareness of others.

Iraq war: 10 years on

A 15-month investigation by the Guardian and BBC Arabic reveals how retired US colonel James Steele, a veteran of American proxy wars in El Salvador and Nicaragua, played a key role in training and overseeing US-funded special police commandos who ran a network of torture centres in Iraq. Another special forces veteran, Colonel James Coffman, worked with Steele and reported directly to General David Petraeus, who had been sent into Iraq to organize the Iraqi security services

Tonight's chart: the grand Water Trine with Pluto making the kite is still there, as is the T square

Venus moved into Libra on Friday: getting ready to turn the T square into a Cardinal Cross – as the sun moves closer to Virgo, moves closer to opposition to Neptune – in about 11 days, sun and Neptune will be opposite in a Cardinal Cross, with the Grand Water Trine: fasten your seat belts! Do your emotional work

* The moon conjunct Pluto – today at 2:30 EDT

Sunday – moon in Capricorn, will get far enough in to be opposite Mars at 24*; could kick off some emotional stuff – energy a bit cleaner

Monday – moon will be in Aquarius; will square Saturn in am

Tues – moon will be opposite Mercury in the afternoon; Mercury is travelling behind the sun; full moon at 9:45 pm on east coast – 29* Aquarius

Wed: moon into Pisces just after midnight; Jupiter will exactly square Uranus – not such a big deal, as we have had this for a week or so. Moon will trine Jupiter at 9pm in Cancer

Thurs: sun goes into Virgo; moon will be in Pisces – Virgo and Pisces are opposite – potential for more emotional stuff! Virgo should help with some grounding

Fri: moon goes into Aries at 3:13 am – opposite Venus later in the day – Mercury is only 3* behind the sun and will catch up

Sat: Mercury will conjunct the sun on Sat as it catches up – By Sunday, Mercury will lead the sun through Virgo.

* Sun and moon swapping signs

* As we look at the chart and earth is in the centre of the chart: we are surrounded by the square now that Venus is going into Libra, and we are surrounded by the water trine – so Venus in Libra brings some balance for about 2 weeks.

Our addictions are so related to negative feelings stemming from past experiences that they can be addressed (and healed) through this same technique/mantra. As we agree to grow big and carry our past brethren with us despite not getting

the outcome we desired, so much of our grief and anguish can be resolved with love that we can also let go of the chemical (and other) addictions that destroy us!.... Best of all to you..... Kaypacha

On this episode of Breaking the Set, Abby Martin calls out Nestlé for its water resale in British Columbia while not paying a cent for its extraction. With a mounting death toll in Egypt, Abby talks to Brian Becker, national coordinator with the ANSWER Coalition about the roots of the violence, and how US tax dollars continue to fund the Egyptian military despite hollow condemnations from the White House. Abby then talks to Norman Solomon, co-founder of RootsAction.org, about the petition to award the Nobel Peace Prize to NSA whistleblower Bradley Manning. Abby wraps up the show with a heartfelt plea about Einstein's 'Circle of Compassion' by reflecting on how to balance personal stability with the plight of humanity by establishing a sense of global empathy.

Prayer Vigil for Egypt and Syria

James Twyman, The Peace Troubadour, has been invited to perform the peace concert in Syria and Egypt in the midst of a dramatic struggle for peace. He will be joined by Jewish, Christian and Muslim leaders from the Holy Land, each of whom will pray peace prayers from their traditions.

Join 100,000 people from around the world to learn an ancient, powerful prayer modality called “Quantum Prayer.” When James performs his concerts in Syria and Egypt the team will activate this energy and use it to heal the trauma in that region.

What is “Quantum Prayer”?

Quantum Prayer is the simultaneous activation of a person’s mind, emotions and soul for the purpose of healing and lasting peace. It begins with stating a particular prayer (eg. The Lord’s Prayer) in the present tense. For example: “Your Kingdom has come, your will is being done.” The second step is to break the prayer up into smaller pieces, then feel the “reality” of each section. When integrated together, this modality becomes a “living prayer,” activating an energy force that extends beyond the individual. When thousands of people join together in this activation, the effect is remarkable.

Here are several examples:

1. In 1998 Saddam Hussein invited James Twyman to Iraq to perform The Peace Concert the same week the US and its allies prepared to initiate a new bombing campaign. There didn’t seem to be any chance of avoiding a terrible confrontation, and yet word went out to “Pray Peace” the same moment the concert took place. Over one million people participated. Three days later a peace accord was signed.
2. In 1999 tensions flared in Iraq once again and James, along with Gregg Braden and Doreen Virtue, initiated another world prayer vigil. Once again millions of people responded. They learned later that President Clinton had given the order to begin bombing at the same time the vigil took place, and yet something very unexpected happened. After a good amount of confusion, the fighter jets were called back to their ships and no bombs fell that night.
3. In 2000 James invited millions of people to focus their prayers on the increasing violence between Israel and Palestine, and this time a scientific study was launched to measure the affect. During the vigil and for the next three days the entire region saw violent crime drop over 25%.

Could these all be coincidences?

If we had such powerful results with massive numbers of people praying at the same time, why are we

inviting a group of only 100,000 to participate now? Quite simply, we believe “Quantum Prayer,” which can be learned in a couple of short sessions, produces the same energy that was generated by millions of people in the examples listed above. The technique is so simple, and yet so effective, that a smaller group can have a profound influence on something as tragic as the situations in Syria and Egypt.

Once you sign up for the Group of 100,000 you will receive an email with Quantum Prayer instructions, as well as two audio recordings led by James that will tutor you in the process.

There is no financial investment or cost to be part of the Group of 10,000, only the willingness to participate.

Please fill out the information below and you will be registered. **This experiment could change the world, and you’ll be an important part of that change.**

When James is in the Middle East you’ll be alerted as soon as we know the day and time of each concert. You will be asked to stop whatever you are doing for a ten minute period and activate the prayer at that time. It’s that simple!

THANK YOU!

This is just the beginning. Once we’ve been successful with our Egypt and Syria vigil we will join together whenever international situations require our presence. You will be on the front line of a powerful prayer revolution. Welcome to the family!

Iraq war counter-insurgency activities

In 2004, during the [US occupation of Iraq](#), Steele was sent as a civilian adviser to train the Special Police Commandos; a paramilitary unit known as the Wolf Brigade that was later accused by a UN official of [torture](#) and murder, and which was also implicated in the use of [death squads](#).[\[4\]\[5\]\[6\]](#) The Wolf Brigade was created and supported by the US and it enabled the redeployment of [Saddam Hussein's Republican Guard](#) but with the new task of terrorising those connected with the Iraqi insurgency.[\[7\]](#) This was part of the US drive to use "dirty tactics" against insurgents in Iraq, a counterinsurgency doctrine known as "fighting terror with terror," and one that had previously been exercised by the US in other [theaters](#), including Vietnam and El Salvador.[\[8\]](#) Steele worked closely with [Colonel James Coffman](#), an American Army officer who advised Iraqi Special Police Commandos during [Multi-National Security Transition Command](#) operations, and who has also been implicated in human rights abuses of Iraqi detainees.[\[9\]\[10\]\[11\]](#) Coffman reported directly to [General David Petraeus](#) and worked alongside Steele in detention centers that were set up with US funding.[\[12\]](#)

Steele was mentioned by US Ambassador [Paul Wolfowitz](#), former Secretary of Defense [Donald Rumsfeld](#) and others, and was present in various high-profile meetings while keeping a secret role. In 2013, The Guardian and the BBC revealed Steele's connection to torture centres which sprang up after US led Shia groups joined the security forces.[\[13\]](#) According to that report, "Jim" Steele's first experience of war was in [Vietnam](#). Later, from 1984 to 1986, "Steele – a 'counterinsurgency specialist' – was head of the US MilGroup of US special forces advisers to front line battalions of the Salvadoran military, which developed a fearsome international reputation for its death-squad activities." He later "became involved in the [Iran-Contra affair](#), which saw the proceeds from covert arms sales by senior US officials to Iran used to fund the Contras". [The Guardian](#) writes, "Soon after the 2003 US-led invasion of Iraq, now retired Colonel James Steele was in Baghdad as one of the White House's most important agents, sending back reports to Donald Rumsfeld and acting as the US defense secretary's personal envoy to Iraq's Special Police Commandos, whose intelligence-gathering activities he oversaw."[\[14\]\[15\]](#)

General Muntadher al-Samari, Iraqi interior minister from 2003–05, revealed the US role in torture carried out by the Special Commandos' interrogation units, claiming that Steele and his colleague Col. [James H. Coffman, Jr.](#) knew exactly what was being done. Al-Samari described "the ugliest sorts of torture" he had ever seen, which included the severe beating and hanging of detainees, as well the pulling off of their fingernails. 2013, July 26 **President announces ‘Guaranteed Minimum Income’ for all citizens**

Anastasiades: reform of social policy

PRESIDENT Nicos Anastasiades on Friday announced the complete reform of social policy based on the principle of securing a Guaranteed Minimum Income for all citizens.

It should be fully in place by June 2014, he said.

“Beneficiaries will be all of our fellow citizens who have an income below that which can assure them a dignified living, irrespective of age, class or professional situation,” Anastasiades said in a statement.

He said the level of the Guaranteed Minimum Income would take into consideration the needs of every citizen and every household concerning nourishment, clothing, consumption of electricity and other indispensable items.

At the same time, it will guarantee the right for housing of the economically weaker groups of the population, he said. This will be done either through the subsidization of the rent if the beneficiaries don’t own their own residence, or through the subsidization of the interest on housing loans in the cases where people own a house but face problems in paying instalments.

“Also covered will be unforeseen expenses, which unfortunately come up in every household, such as, for example, absolutely necessary construction and repairs to houses, municipal taxes, etc,” he said.

“What I want to stress emphatically is that the Guaranteed Minimum Income will also be provided to thousands of our fellow citizens who, in spite of their needs, are not covered to this day by the existing system and they did not receive any substantial assistance from the state,” the president said.

He said these would include unemployed graduates of schools and universities, working people with particularly low earnings will have their income supplemented to reach the Guaranteed Minimum Income, and the self-employed, who have found themselves out of work and who, until now were not covered.

“Many of the pensioners with low pensions, without adequate contributions to the Social Insurance Fund, will

also receive higher payments than they receive today,” said Anastasiades.

He said the general principle of the plan was that there would not be any citizen who was “not guaranteed the minimum needs for a dignified living in a European Country”.

The Guaranteed Minimum Income will replace, but will also be financed by a large number of allowances have been until now not targeted and often arbitrarily, given by different ministries and different services of the state.

“The policy of non-targeted and scattered allowance is terminated,” Anastasiades said.

“ A policy which, in spite of burdening significantly the public finances and the taxpaying citizens, did not manage to reduce the inequalities and often ignored fellow citizens who are truly in need.”

The new policy of social welfare will from now would be concentrated under the same authority – in other words, there will be a merging of services that until today were giving subsidies, whether these refer to the Ministry of Labour and social Insurance or the Ministry of interior or the Ministry of Finance.

Allowance that concern students will remain under the Ministry of Education.

The president said the level of the Guaranteed Minimum Income would be determined in an objective and scientific way by the Statistical services, with the International Labour Office playing a catalytic advisory role.

At the same time, the new policy provides for the continuation of the unemployment allowance at the level and duration that applies today, in other words six months.

“For the first time, however, with the introduction of the new system, our fellow citizens who continue to be unemployed will be able to continue to live with dignity, since they will be receiving the Guaranteed Minimum Income,” Anastasiades added.

“The single but absolutely necessary precondition is that they don’t refuse to accept offers for employment and to participate in the policies of continuous employment that are determined by the state,” he said.

The policies of active employment will be financed mainly by the European Social Fund, and they will aim to encourage and to facilitate the unemployed in their effort to find employment. They will concern programs for education, practical training or subsidized employment.

Beyond the Guaranteed Minimum Income, the Unemployment Allowance, and the policies of active employment, the new social welfare policy of the state will be supplemented through separate allowances that concern other groups of the population which have certifiable needs, such as, for example, paraplegics and the children with special needs and a stack of other similar categories.

He said the troika had accepted the government’s proposal “for a modern conceptualization on the policy of social welfare and prosperity”.

He said dialogue would start immediately for implementation of the new system by June 2014.

2013, Aug 14 Pele Report, Astrology Forecast for August 14th, 2013 by Kaypacha

Aloha, this is Kaypacha with the weekly Pele Report. This one is for August 14th, 2013. I'm trying to get this done before 6 o'clock when the moon leaves Scorpio and goes into Sagittarius. We've got this first quarter moon happening. I don't know if you saw it last night, she's absolutely beautiful. She's going into Capricorn on Friday, and then on Sunday, she goes into Aquarius. Tuesday she moves into Pisces. We have our full moon next Tuesday. Just before she goes into Pisces at 28 degrees of Aquarius, that sun is still in Leo, we're going to have the full moon, next Tuesday, 28 degrees Leo/Aquarius. This report is spanning this whole first quarter to full. Scorpio through Sag, Capricorn, Aquarius. The moon is getting bigger all the time. These past couple of days, as she was passing over Saturn and the North Node of the Moon in Scorpio, it's been a watery time, an inward time

That Grand Trine is still going on with Jupiter, Saturn, the Node, Chiron, Neptune and Lilith. We've got all this stuff going on with this Grand Water Trine. I've talked about it in previous reports. The sun is still moving through Leo the Lion, and Mercury, right now, today, as I'm doing this report, is right in the middle, 11 degrees of Leo, squaring the Moon's Nodes. So we want to look at all of this astrology in this report. Last but not least, the big part is Venus moving out of Virgo.

She's at 29 degrees tomorrow, and on Friday she moves into Libra.

We want to talk about all these things right now but what's really striking me with this report is how Saturn/North Node of the Moon is coming closer and closer. Saturn is at 6 degrees; the Moon's Node is at 11. They are going to get squeezed until in September, they are going to join together. Today, right now as I speak, Mercury is square.

So it's time to talk about this nodal axis, Saturn conjoining the North Node, the Sun in Leo. Leo the Lion... I think of Pumas, the cat family ... there are a couple of baby cats here at the Ranch... we're getting ready for the festival. The one had this eye that was all inflamed. I think of these wounded animals, and I think of how nature is here to teach us things. I observe and watch wounded animals, there are some Yaks over here and one of them is limping. How these animals just carry with them the wounds.

I've got a few scars. We all have a few scars. Life is really bringing us a lot of challenges. There's a lot of pain. Life can be cruel. This Saturn/North Node in Scorpio, this last couple of days with the moon moving through Scorpio, this is about letting go. It's about dying. It's very often painful on an emotional level, on a physical level, on a mental level. This letting go is like... this is a challenge.

This goes with all of the astrology right now. The Jupiter opposite Pluto, Lilith coming into this opposition with Pluto. This is a time where a lot of us are facing the need. Jupiter squares Uranus this weekend, early next week. It's right now. This Jupiter squaring Uranus, look back to April of 2011, when Jupiter was conjunct Uranus. Time to break free, break out. I've talked about this letting go, moving on and breaking free. I just want to add a different twist. If I think of my heroes, my stars

I think of Amachi, Mother Teresa, Jesus Christ, Gandhi, Martin Luther King. I think of all these people, Gods, Goddesses; these elevated, amazing people. I think of how much they carry, and how much they are honored, and how much we call a hero or a heroine is someone who can carry the weight, the pain, the suffering of their neighbors, the past, of all of humanity. I think of this shutting down, letting go, cutting the cord, saying goodbye. Sometimes with a little anger, bitterness, resentment. I think of that as being separation. And here we are, 2013, the year of the end of separation, the beginning and the birthing of a new paradigm. It's about inclusion. It's not about exclusion.

I want to redefine letting go. Letting go is not always goodbye, screw you, it didn't work. A lot of this letting go can be done with sadness, grief, judgement. Judgement. I think of a past relationship. I let go of this past relationship because I wasn't enough or I couldn't handle it. So I can feel guilty or ashamed of myself.

I'm too small. I failed. Or.... I can judge the other person. She was shut down. She couldn't get over her past. She wasn't able to really open her heart and accept me. So it's her fault. We can make up stories...I've talked about this over and over again...explanations, judgements for why things don't work out, or why we need to move on or why we have to let go.

I want to turn this around and say maybe we don't. Maybe this letting go is letting go of the judgement. Maybe this letting go is letting go of an attitude. It's like embracing, continuing to love, continuing to include our past relationships, our past people, our past situations that maybe hurt, that maybe didn't work, but we let go of the judgement. We come into a place where we carry them with us in our hearts. It's like, I think of that movie *Sleeping With the Enemy*. It's like as we go forward, we embrace and include the people that give us a hard time, the people we don't like, the people we have the most challenging energy with. Because there's something to learn, grow...I talked about that last week. Now we can also move into this place, and this is the Lion, the King, the Queen. We can react with this Mars in Cancer,

Jupiter in Cancer, and we can retract into the womb of our safety and protect ourselves. We don't want to get hurt again. Or we can move to that Pluto in Capricorn or that Saturn conjunct the North Node of being the big King, Christ the Messiah, or Gandhi the leader, or Amachi the hugging saint. It's like I am big enough to carry you. It's maturity. It's growth. It's becoming the elder.

This is Saturn conjunct the North Node. We move through this moon moving through Capricorn, and this moon conjunct Pluto. That's why I'm talking about this now. It's time to let go of our old past ways of judging situations, people and ourselves. It's when we feel guilty or ashamed or we blame the other person, which is that they're guilty. This all creates sadness and grief. Saturn, Capricorn, we're dealing with grief now. This grief is very often the result of when things didn't go the way we wanted, the way we expected. We're hard on ourselves or on somebody else. We want to find a source for our disappointment, our disillusionment.

We say that with this Grand Trine, this Neptune in Chiron, healing the wound of separation, if we move into a space of trust, faith, belief in life, Source, God, Goddess, whatever you want to name it, there was an intelligent plan for us to experience what we did and for us to no longer experience what we are no longer experiencing. It's not bad, and it's not wrong. Let's go. It's the letting go of the judgement, which creates pain, grief and sorrow. And not necessarily letting go of the person, the relationship or the past. The mother, the childhood, the memory. We don't need to so much to let go of memories, so much as to purge them or purify them of the anger, the charge, the bitterness, the judgement that we labeled those memories with. Instead of letting go physically or emotionally, we can let go mentally, intellectually, judgmentally. We move into this spirit space, this spirit knowing. That's what I'm thinking this week. This is what can be happening. This is Mercury squaring those Nodes, illuminating this for us. This full moon coming around into Aquarius. Absolute non-attachment.

After that it will go into Pisces. So this Aquarius/Pisces, after this full moon, I want to encourage you, it's about community. We're here at this healing festival, a world community

Include everyone in your community, even the nuts and the quacks and whatever. That's the new paradigm. That's the end of separation. That's seeing a little bit of myself in everything and everybody around me. Becoming more one with all that is, which is our infinite spiritual self. Enough said. It's not about talking, it's about moving through the feelings and letting go of some of that stuff, but not necessarily in a bad way. The mantra for this week:

To let go I need not shut out and reject
Ignore, deny, shut down, and protect,
I can trust that Life had an intelligent plan
For me to experience all that I can.

It's like opening our hearts. Every relationship, every experience is where we learn something, grow something, expand into the elder, expand our character, expand our soul. Then maybe the purpose of that relationship or experience is done ...because you got it! You're bigger than you were before. So you don't have to carry all the stories, pain and sorrow around it. Everything fulfills its purpose, and then it moves on.

Step into that place of completeness.

To let go I need not shut out and reject,
Ignore, deny, shut down, and protect,
I can trust that Life had an intelligent plan
For me to experience all that I can

You see the covered bridge behind me . I love bridges, I love rivers. We're in this bridging time from the past to the future, from the self to the other. A covered bridge ... wow! That cover is like we are protected. There are angels, light beings, ETs, or whoever. There is a cover. It could be the night sky, the starry celestial realm. It could be an umbrella. We are covered. It's covered!

Chill out, relax, take it easy.

Namaste. Aloha. So Much Love.

~ The Sacred Cosmic Fire of Divine Love and Universal Peace ~

The Unified Heart Merkaba Activation and 08-08 Gateway of Light

Mp3 download <http://pleiadianlight.net/free-downloads>

On July 29th, 2013, we experience a Unified Heart Merkaba activation through the configuration of the Star of David in a Grand Sextile formation. As this formation further expands into the star tetrahedral shape, surrounding Mother Earth and all Life in the Divine Blueprints of Creation, it amplifies the Unity Grid of Divine Love in new encodings of Light.

In this holy trinity of configurations, two Grand Trines, one of water, one of earth, a Stargate Portal of Light activates through the Sun and Solar System, assisting all Life to complete old karmic lessons and to experience Divine Love and Universal Peace in this Golden Age of Light.

We are further offered an opportunity to truly surrender our individual will to the Divine Will of Mother/Father God. In doing so, we clear our lower triad, which is the three-fold personality of the physical, emotional and mental bodies, and begin to manifest our reality as a co-creator to the Company of Heaven on Earth through the upper triad of intuition, Spiritual Will and Higher Mind. Furthermore, the Patterns of Perfection through our original Divine eight-cell blueprint are cleared of the earthly ego allurements and karmic patterns no longer necessary to be re-experienced as the star tetrahedron activates within our original Divine-Eight Cell Blueprint Overlighted by Lord Michael, Lord Metatron and Lord Melchizedek.

In this Golden Age of Light, as the karmic and Christed Timelines merge, many Light Workers have experienced deeper levels of initiations and perceived challenges. For we have been clearing the karmic energies on Mother Earth for not only ourselves, but for all Life, so together we may truly experience the Cosmic Heart of All Creation.

As we experience this Unified Heart Merkaba activation, we activate our Light Body/Merkaba fields, and as One Heart, One Unified of Light, we clear the karmic timelines by bringing a focus to those countries most needing to experience the Christed Timelines through the sacred *Cosmic Fire of Divine Love and Universal Peace*. Our Light Body/Merkaba is a living, organic Divine Intelligence, powered by our Beloved I Am Presence working in alignment with Mother/Father God. As we receive the amplified Light frequencies through this Stargate Activation, we convert this Light energy into electrons and spin the sub-atomic particles within our bodies in increased Light frequencies. Lord Melchizedek further gifts us with the Melchizedek Platinum Healing Flame, which spins off the density frequencies and can be used in the healing of ourselves and others.

As we enter into the month of August, surrounded in the Copper-Gold and Pink-Gold Flames of the *sacred Cosmic Fire of Divine Love and Universal Peace*, and Overlighted by Helios and Vesta, and the Sirian Archangel League of the Light, we experience the 08-08 Lion's Gateway as Melchizedek Initiates of Light.

Through the Lion's Gateway, the Divine Feminine energy amplifies in its full magnificence. We further bring a focus to the Golden Flower of Life and the Golden Solar Sun Disc of Light within our hearts. We receive and transmit the energy of Self Mastery through the streams of Christ Consciousness accessed through parallel realities as the timelines merge and take us ever deeper into the Christed Timelines with the knowing that we are already these sacred transfiguring Flames of Divine Love.

The energy of the Unified Heart Merkaba activation further amplifies through the Full Moon on August 21st, culminating in a second Star of David configuration on August 25th. And in this Now moment, we are given the opportunity to integrate the new Solar Crystalline keycodes of Light and to balance the energies of the Divine Masculine and Feminine Principles of Light in Divine Love, Peace and Harmony.

Together we are co-creating our Heaven on Earth and over this next month, we are offered an opportunity to deepen our service work, to clear old discordant energies and karmic ties for ourselves, all countries and all Life. And we do so through our collective Light, as the Group I Am Avatar Race, and as these sacred transfiguring Flames of Divine Love. And so it is.

~ Invocation to the Sacred Cosmic Fire of Divine Love and Universal Peace ~

I call upon the Overlighting of Mother/Father God,
the Pleadians, the Sirians, the Andromedans and the Arcturians, all of the Light,
the Archangels and Angels, the Trinity Lords of Light, Lord Michael, Lord Metatron and Lord
Melchizedek,
the Chohans of the Rays: El Morya, Kuthumi, Serapis Bey, Paul the Venetian, Hilarion, Sananda, St.
Germain, Lady Nada, Mother Mary, Allah Gobi, Quan Yin and Pallas Athena,
the Mighty Elohim,
the Melchizedek Brotherhood of the Light,
Lord Buddha, Sanat Kumara, Helios and Vesta and Lord Melchior,
the Mahatma, the Cosmic Avatar of Synthesis,
and all other Beings of Light I personally acknowledge,
as I now merge with my Beloved I Am Presence, the Highest Light that I Am within the Cosmic Heart
of Mother/Father God.

Surrounded in the sacred Pink-Gold and Copper-Gold Flames of Divine Love and Universe Peace,

I now find my Self on the Unity Grid of Divine Love,
connected to the Light Workers, Starseeded One, and all the Beings of Light from On High assisting in this
Golden Age of Light.

I now connect to the Group I Am Avatar Consciousness of Light.
experiencing the Unified Heart Merkaba activation through the Overlighting of Lord Michael, Lord Metatron
and Lord Melchizedek.

As the star tetrahedron activates within my original Divine Eight-Cell Blueprint,

I clear the karmic timelines no longer necessary to experience in this Golden Age of Light, rescinding and
breaking any and all vows and contracts created in this lifetime or any other lifetime/parallel realities, and all
incarnations for all time, space and dimensions that no longer serves our Highest Good.

I now declare these contracts null and void, understanding these lessons in Love and forgiveness.

As I align my will to the Divine Will of Mother/Father God,
I bring a focus to the Golden Flower of Life that expands from within my heart,
to a beautiful Golden Flower of Life sphere 54 feet in diameter around me.

And now within this, I create a beautiful silver-gold sphere 10.8 feet in diameter around my Self.

I now visualize three super-imposed star tetrahedrons within this silver-gold sphere of Light,
all the exact same size, superimposed over one another.

I now spin my emotional body star tetrahedron in a clockwise direction within this Golden Flower of Life,
at the same time spinning the mental body star tetrahedron in a counter clockwise direction,
as I now recite the following Fibonacci ratios and God speeds of Light:

8/5, 11 times God speed to infinity,

13/8, 22 times God speed to infinity,

21/13, 33 times God speed to infinity.

And now, my Light Body/Merkaba field is activated to the speed of the fifth dimension, to the new Earth
Templates of Divine Love.

And now, Lord Melchizedek offers to us this sacred Melchizedek Platinum Flame of Healing.

As I surround my Self in the sacred Melchizedek Platinum Flame of Healing,
lower density vibrations and frequencies are lifted, transmuted and embraced with the Cosmic Heart of
Mother/Father God.

And now, as I bring a focus to the star tetrahedron within the Light Body of Mother Earth,
I wrap Mother Earth and all her Life in this beautiful Melchizedek Platinum Flame of Healing,
and now the sacred Copper-Gold and Pink-Gold Flames of Divine Love and Peace.

I assist in clearing each country I am drawn too of karmic energies no longer necessary to be experienced or re-
experienced.

(Pause)

I now project this star tetrahedral shape through the hearts and minds of all Humanity and the Overlighting of
their Beloved I Am Presence.

And now, as I experience the Lion's Gateway,

I bring a focus to the Golden Flower of Life and the Golden Solar Sun Disc of Light within my heart.

As I align into the inner Earth Sun, the Sun, the Central Sun and now the Great Central Sun,

I call upon the Overlighting of the Sirian Archangelic League of the Light.

I now ask to receive the streams of Christed Consciousness activated through all Christed Timelines of my
Highest Potential as an Initiate of Light.

I ask that these gifts from my multidimensional Selves experienced in all dimensions of Light now activate
through my Solar Crystalline Sun DNA Templates of Light,

so that I may fully remember and re-experience my magnificence and Light,

as this sacred transfiguring Flame of Divine Love.

And now, as I experience the Full Moon energies and the new geometric formation of the star tetrahedron on
August 25th,

I bring a focus to the balancing of the Divine Masculine and Divine Feminine aspects within my Self.

As the kundalini energy gently rises through my chakras,
I focus on lifting the star tetrahedron through each of my chakras,
and experience now a deeper sense of Divine Love, Peace and Harmony,
and the integration of the new Solar Crystalline keycodes of Light.

I now find my Self back in my sacred space,
Grounding into the Crystal Heart of Mother Earth,
and the Cosmic Heart of Mother/Father God.

I now bring a focus to this beautiful Golden Flower of Life, 54 feet in diameter around me,
holding all the new Earth Templates, keycodes, fire letter and geometries of Light.

I am a sacred transfiguring Flame of Divine Love,
A volunteer Soul to Mother Earth and all her Life.

I choose the Pathway of Divine Love
trusting and surrendering to Mother Father God.

I experience and feel my Self through the Center of Creation,
in Divine Love, In Peace and One Unity Consciousness.

I Am All That I Am.

2013, Aug 16 The Lion's Gate.... And The Body Electric

a message from [Celia Fenn](#)

I am in the middle of intensive preparations for my trip to the Middle East/Turkey Region, but I needed to share this with you, as I felt it was so exciting. It has to do with being PRESENT in your own life and noticing the Miracles of Right Now.

So...my story is about the Physical Body and the incredible energies and changes.....

In the last month I have been through an incredible healing transformation. I did not notice it at first since I was so busy and I wasn't feeling very good with all the energy symptoms. Then I noticed that things were happening in my body. I had been having constant pain and discomfort in my left leg for almost 18 months, and also pain in the hip joint area and in my hands.

Arthritis and inflammation maybe. So, at the beginning of the year something said to me that I needed to change the way I was eating, and so I switched to a Vegan/Plant based diet after 30 years of being Vegetarian. I also started seeing a Thai Massage therapist, and upped my Yoga practice to two intensive sessions of Vinyasa Flow Yoga a week.

Just before the Lion's Gate I started to feel not so good and depressed and emotional. Ok....just symptoms. As the Gate opened I felt really bad and my body suddenly felt very very Electrical. I had been waking up to these currents of coolish energy in the morning, but as we moved into the gate it went crazy and I felt like I was being electrocuted. And my brain was being fried.

But as the gate closed I noticed the changes in my body. The pain was gone, I was walking and even running with ease, like I was 20. Oh yes....something happened. My body activated a Self-healing mechanism that was very powerful. I had not been able to shift this before, but now it was gone!

I have to say that in the last two months I have been working intensively also with the New Galactic Human Template and the Elohim Energies. The Elohim were our Designer/Creators and they work with a Blue Fire Energy. I believe that this was what I felt in my body. Intense waves of Elohim Blue Fire that either came in with the Lion's Gate, or was something already in my Light Body system that was activated by the Lion's Gate influx!

I also feel that this was only possible because I had worked through this Activation and was open to allowing this powerful Healing Energy in my body. Also, I think the Yoga, which had been focussing on opening up the hip area, allowed the energy to flow into those places where it was most needed to heal. I also believe that the plant diet eliminated toxins and stagnant "sludge" in the body also allowing the energies to flow and be activated in the body.

This was the way our body was designed to work. I have always considered it strange that we were designed by such a High Intelligence, why did they include disease and sickness. Well, they didn't. We just have not been using the body the way it was designed. It is an Electrical/Energy mechanism with a powerful self-healing ability.

It is also true that once we take this step into the New Energies, we become responsible for our own healing, no one can do it to and for us.

I have to say too, that it was not a "pleasant" experience as I did not understand what was happening until I started to notice how I felt and people started to say that I was looking good, even though I didn't feel that good. But now I understand that my body needed that space to heal. Maybe in ancient times I could have gone to a healing Temple to just receive the energies and integrate them peacefully!

But...now I understand the Body Electric and I am ready to work with these small and beautiful miracles that are a part of the New Galactic Human.

THE ROTHSCHILD BLOODLINE

13 BLOODLINES OF THE ILLUMINATI

THE ROTHSCHILDS

A CONTINUATION OF ARTICLES ON THE TOP 13 ILLUMINATI FAMILIES

INTRODUCTION

by Fritz Springmeier

The Rothschilds are one of the most well-known of the thirteen families. David J. Smith of Portland was asked to prepare an article on the Rothschilds for this newsletter. His article follows this introduction. Satan's selective breeding program has been continuing down through the ages hidden from the eyes of the public. One of the most powerful Rothschild bloodline families in America are the Springs. The Springs were originally the Springsteins when they came to America in the mid-1700s and settled in NY and NJ. They later changed their name from Springstein to Springs to hide their identity. Leroy Springs was hired by L.C. Payseur. Now most American's have to ask, who is L.C. Payseur? One of the most secret and most powerful families in North America has been the Payseurs. They have been so powerful that they could hide their wealth and power, and use other Satanic families as proxies.

The Payseurs are part of the 13 top Illuminati family. The first Payseur to come to America was the former crown prince of France Daniel Payseur (1785-1860). He came over about 1805 to the U.S. and married Susannah Kiser c. 1814. They had two boys Adam and Jonas (1819-1884). Jonas married Harrietta Smith and they had Lewis Cass Payseur (1850-1939). It was this Lewis Cass Payseur who hired the Rothschild bloodline of the Springs to run a number of the Payseur's companies. The Payseurs were one of the original big railroad families along with Issac Croom and William H. Beatty. Isaac Croom's wife was a sister of William Beatty's, so the reader can see how all these elite bloodlines intertwine. Remember that L.C. Payseur hired Leroy Springs to operate a host of his companies. Leroy Springs father was A.A. Springs and A.A. Springs was the secret father of Abraham Lincoln.

In 1808, Nancy Hanks, of the lineage of the McAdden Scottish family visited some of her family at Lincolnton, N.C. Nancy Hawks visited the Springs family and that is when A.A. Springs impregnated her, and her child when born was named Abraham Lincoln. Abraham Lincoln's Rothschild blood was kept very secret, but he did grow up to be a famous lawyer, a secret leader of the Rosicrucians, and President of the United States. It is believed from the evidence that the establishment conspiracy concocted the person of Thomas Lincoln out of thin air. The actual early history of Abraham Lincoln is shrouded in myth and mystery, and as one encyclopedia puts it, "We know little about the family of his mother, Nancy Hanks Lincoln." While a lawyer, Abraham Lincoln had a sexual liaison with Elizabeth who was the illegitimate daughter of German King Leopold, who is also of elite blood lineage.

Abraham Lincoln and Elizabeth had two twin daughters Ella and Emily in 1856 who were adopted out. Lincoln in fact had a fairly large number of illegitimate children. Now A. A. Springs, who was both the biological father of Leroy Springs and Abraham Lincoln left an enormous amount of land in what is now Huntsville, AL to his son Abraham Lincoln. Huntsville, AL by the way has become a hotbed of NWO activity. Some of the mind-control research the intelligence community has been conducting has been done at Huntsville. The Rothschilds even

named one of their boys after Abraham Lincoln, his name was Lincoln Rothschild. Although Abraham Lincoln secretly had powerful occult blood, he was a great man in his own right.

And just like JFK, he had the strength of personality to refuse to bow to the Illuminati's instructions. Lincoln refused to go the path that his distant European International Banking Rothschild relatives wanted for the United States. The Illuminati goal had been to split the U.S. into two easier to control nations. And just as with JFK, who also came from a top 13 family, a large scale conspiracy involving many government officials including the Secretary of Defense was put into place to assassinate Lincoln. There are numerous indications that show that the Rothschilds were in part behind the assassination of Lincoln. Some of the men who worked for the Payseurs of the 13th top family were Andrew Carnegie, J.P. Morgan, the Vanderbilts, Gifford Pinchot, and John D Rockefeller. These men were selected to run Payseur companies because they belonged to the satanic elite.

The Leroy Springs family got Payseur family companies in the early 1920s. It was Leroy that managed to get the Rothschild's involved with the Federal Reserve. Two companies that have come out of the Payseur's old Lancaster Manufacturing Co. ins Weyerhaeuser and Crown-Zellerbach. I have long know these were companies tied to the elite, but it wasn't until i found the secret Payseur family at the very top of these companies that I really understood the full story. The Payseurs have gone to extreme lengths to corrupt government documents, such as courthouse records. They have hidden the births of many of their descendants, and have covered over with extreme secrecy most of their monetary holdings.

Remember the Beatty family was an early railroad family with business ties to the Payseur family. Bartholomew F. Moore, who was the private attorney for years to President Abraham Lincoln, was a blood relative of the Beatty family. It was Bart Fingers Moore who co-authored the 14th amendment for the conspiracy. The Beatty family continually resurfaces when doing research on the conspiracy. Shirley MacLaine, the famous New Age leader/author is from the Beatty family. She credits her start to Edgar Cayce by the way, who in turn was interested in Blavatsky. Blavatsky was a student of the Mason Anton Mesmer, who introduced the world to hypnotism. Hypnotism had been secretly practiced by the Mystery Religions for thousands of years before Mesmer taught Blavatsky and others about it. Charles Beatty Alexander, who is an Illuminati "prince"/Pilgrim Society member is an example of a Beatty in recent times who was within the elite. Quantrill, who was a famous Confederate colonel and guerilla leader, whose band of raiders evolved into the Jessie James gang was married into the Springs (Rothschild) family

The recent lala Madelyn Payseur Gatling Fulghum (1876-1972) was the late head of the Payseur family. The documentation on the above families is extensive, but much of the evidence that has been photocopied out of the few documents left intact have been destroyed since the documents were photocopied. The amount of tampering with official documents is incredible, and further illustrates the enormous power the Rothschilds and the Payseurs (the 13th family--the Holy Blood line) have. The researchers who wrote Holy Blood, Holy Grail got a taste of the power of the 13th blood line to manipulate documents held by libraries and governments in Europe. The same type of thing has been happening in the United States. The researcher into the Satanic elite has a hard row to hoe because the Satanic families have tried to cover their tracks through history. They have also tried very hard to cover up what their financial assets are. Those Rothschilds who have carried on the Rothschild name have had a higher visibility. It is this group of Rothschilds which have gained the public's attention, even though they too are very secretive.

The origins of the Masonic and Rosicrucian movements lie with the medieval alchemists. Manly P. Hall, Freemasonry's greatest philosopher writes, „During the Middle Ages, alchemy was not only a philosophy and a science but also a religion. Those who rebelled against the religious limitations of their day concealed their philosophic teachings under the allegory of gold-making. In this way they preserved their personal liberty and were ridiculed rather than persecuted. Alchemy is a threefold art, its mystery well symbolized by a triangle." (The Secret Teachings of All Ages, pg CLIV-ul) -- Manly P Hall also states in his book on magic entitled Magic, "... [the] pentagram. This was known to medieval alchemy as the sign of the cloven hoof (Hall.. Magic, Los Angeles, CA: Philosophical Research Soc., pg. 46) Quicksilver (which was one of the things the early Astor family traded in) was one of the primary items employed in the alchemical transmutations.

The oxide produced using quicksilver was considered magical and mystically identified with the god Osiris. As the reader may have already figured out, alchemy practiced Hermetic magic from ancient Egypt. Alchemy was really a front for the mystery religion of Satanic witchcraft. The leading alchemist was a german Richard Bauer who was alive sometime in the 14 or 15 hundreds. Richard Bauer is said to have been the only alchemist who was successful in transforming lead to gold. Whether that report is meant in an allegorical way, or some other

way I do not know What I am trying to communicate is that the Bauer family was a leading alchemical family which secretly practiced Hermetic magic during the late Middle Ages. David's article on the Rothschilds is meant to be an extension of what I have already put out on the Rothschilds. for instance my chapter 3.3 in the Be Wise As Serpents book.

Chapter 3.3 is entirely devoted to the Rothschilds. I chose them to write about in the book, because the family is the most renown of the Satanic families and the easiest to expose to people just becoming acquainted with what is going on. The other family which has a chapter devoted to it is the Russell family, which is described in chapter 1. 6. The Russell family has yet to be covered in this series, but was covered in the Be Wise As Serpents book because of their importance to the Watchtower Bible & Tract Society. I am aware of intense secret meetings that have been going on in Frankfurt and Moscow between World Bank officials. These secret meetings have been going on now for two months which gives some of the scope of their importance. Undoubtedly the Rothschilds are playing a role in these secret meetings, even while I write this.

There has been a great deal of misinformation put out that the Rothschilds and the Rockefellers are fighting for control of the world. It is true that they are in intense competition in some areas. It has also been true that they have been in intense cooperation in many areas. One of the difficulties for people to sort out what is going on, is that they don't know about the Satanic spiritual dimension of the Rothschilds and the Rockefellers. For instance, to make an analogy, if I am a minister and one of my brothers-in-Christ is my up line on a multi-level marketing distributorship, then he is my business head, but I could be the spiritual leadership that he looks up to.

The point is that essentially all researchers trying to expose the NWO are drawing conclusions about occult power on the basis of business relationships, and it doesn't always work. Sometimes the business boss may be in a secret satanic leadership position over someone else, but it may also be that both men are on equal footing when it comes to occult power and status within the Illuminati. So far I have seen only one book advertised (and I haven't read it) which claims to expose the conflict between the Rothschilds and the Rockefellers as a sham. If It really does show this, then the book has contributed greatly toward helping people tear down their misunderstandings about the Illuminati power structure.

Part I

THE HOUSE OF ROTHSCHILD

If one looked on the backstage of history, he would find the House of Rothschild. They have indebted Kings, manipulated kingdoms, created wars and molded the very shape of the international world. Among the hierarchy of the Illuminati they are revered as a powerful satanic bloodline. They are "living legends."

Said one biographer: "In America a boy wants to become President. In Europe he would rather be a Rothschild.... To be 'a Rothschild' is to be a modern Croesus, a twentieth-century Midas." They are a dynasty of enduring power; a "magic" bloodline In Satan's Empire. We will probably never know exactly when occultism was introduced to the Rothschilds. Several of their ancestors have been rabbis, so the occultism probably came in the form of Jewish Cabalism, Sabbatism, or Frankism. The House of Rothschild practices gnostic-satanism (the Rothschilds would probably not call themselves satanists, but by our standards they are, considering the sacrificial and spiritual worship involved). The truth is sometimes hard to tell. The stories the family weave are hard to distinguish from the truth. Myths are one of their best weapons, and a researcher must be wary. The family began in Frankfort, Germany (the city where paper money was popularized). The oldest known Rothschild went by the name of Uri Feibesch who lived in the early 16th century. His descendants lived in the House of Red Shield. His great, great, great, great Grandson was Moses Bauer, who lived in the early 18th century. The family was mostly made-up of Jewish retail traders, and lived in the Judengasse, or Jew's Alley in Frankfort. Jew's Alley was the product of the anti-semitic bent in Europe, and did not have very good living conditions.

Most Ashkenazim Jews of that time did not use sir-names, instead they preferred the Chinese custom of using a symbol as the family identity. These symbols were sometimes used on signs outside Jewish houses as an address. Some Jews had taken on sir-names, to fit in, but the use of symbols was more popular. The early Rothschilds chose the sir-name Bauer (meaning farmer in German. Why would a family of retail traders call themselves Bauer? Perhaps to remain un-noticed). The Bauer line continues today, but in the 1700's one man re-named his branch of the family after its symbol and address - the Red Shield or the Seal of Solomon.

Mayer Amschel Bauer was a well-off coin trader in Frankfort. In front of his house hung a sign with the family's symbol, which was a red hexagram. The hexagram (also known as the Seal of Solomon, the Magden David, or

the Star of David) is very occultic. It is used today as the symbol of Israel, but It is not „Jewish.“ In his excellent book THE SIX-POINTED STAR, O.J. Graham explains that the hexagram was used in the ancient mystery religions. It was the symbol of Moloch, Ashtoreth, and others. In fact, the hexagram was used to represent Saturn, which earlier newsletters have discussed. The six-pointed star is considered the equivalent of the Oriental Yin-and-Yang symbol, which is the Luciferian concept of balancing good and evil.

The symbol appears to have been used by King Solomon when he apostasized, and was thereafter called the Seal of Solomon. Later on, Jewish Cabalism (or Occultism - different name, same game) picked it up as a magic symbol. Through the promotion of the Cabalists and the Zionists it has become the symbol of Jewish identity, although the occult circles know better. The Bauer's use of a hexagram as their family sign points to their involvement in Jewish Cabalism. In fact, the six-pointed star was so significant to them that Mayer Amschel Bauer decided to adopt it as his new name - Mayer Amschel Rothschild (Rot-schildt = Red Shield). I believe this was done to identify his family with occultism and the likes of Saturn or Ashtoreth (whom the Astors are named after). Mayer was sent to be a rabbi when he was 10, in 1753. A year and a half later his parents died. Mayer was brilliant and was encouraged by relatives to continue his studies but coin trading was his love. He left the school and when 13 was sent to Hanover to be an apprentice at the Illuminati Oppenheimer bank.

He worked there for 7 years, learning the ins and out of money. The big question is why he left the Oppenheimer bank. It was a good situation, both financially and socially (Hanover was less antagonistic towards the Jews than Frankfurt). Why leave this security and head back home to an uncertain future? Because the future wasn't all that uncertain. While in Hanover Mayer made the acquaintance of General von Estorff, a numismatist who was impressed by Mayer's knowledge of the subject. In 1763 General von Estorff left Hanover and joined the Court of Prince William IX of Hesse-Hanau, whose territory included Frankfurt. Mayer knew that through his connections he would be able to get some business with the Prince. It appears Mayer's stay at the Oppenheimer bank was used to establish himself in Illuminati circles and to find a way to get close to the Illuminati royalty. General von Estorff was his key.

Prince William of Hesse-Hanau was tied into the Illuminati. He was the son of Landgrave Frederick or Hesse-Cassel, of the royal family of Hesse. Prince William was a Freemason, and his younger brother Karl, was according to JEWS AND FREEMASONS IN EUROPE, 1723-1939, 'accepted as the head of all German Freemasons.' Members of the Hesse dynasty have been described as the leaders of the Strict Observance (in 1782 a Masonic Congress in Wilhelmsbad, a city in the Hesse province, dropped the name 'Strict Observance' and changed it to "Beneficent Knights of the Holy City"). The Hesse dynasty is totally connected to the Illuminati. Prince William was the grandson of King George II of England.

The Hesse-Cassel's were one of the richest royal houses in Europe. Their income came mainly from the loaning-out of Hessian soldiers to foreign countries. (The elite loves to makes profit off of "peacekeeping" troops, which is exactly what the Hessians were called. This "peacekeeping" always adds up to imperialism. The Hessian troops were used by England in the American Revolution, in fact the colonial armies fought more Hessian soldiers than English. The House of Hesse-Cassel made a lot of money off the American Revolution.) Another example of the Hesse-

Cassel's ties to the Illuminati is the enigmatic figure St. Germain, who is hailed as a New Age Messiah-figure. Many researchers believe that St. Germain was the son of Francis II of Transylvania. Francis II's second wife was Charlotte Amalie of the House of Hesse, he married her in 1694. St. Germain was either her son, or the prior wife's, this point is debated. His name was Leopold-George and they staged his death in 1700 to save him from the deadly collapse of the Transylvanian dynasty. Prince Karl of Hesse, Masonic leader of Germany, wrote that St. Germain had been sent down to Italy to be raised by the Medici family. Later on St. Germain appeared out of nowhere to work with the elite.

There were questions as to his identity and Napoleon III had a dossier gathered on him, but the house holding the dossier was mysteriously destroyed in a fire. St. Germain was an alchemist and he claimed to have the alchemical Elixir of Life, the secret formula of immortality (which the Rosicrucians also claimed to have). He was a guest of William and Karl of Hesse in 1774, and in 1779 returned to Karl to spend the last years of his known life. Helena Blavatsky, cofounder of the Theosophical Society claimed that St. Germain was one of the Hidden Masters of Tibet who secretly controlled the world's destiny. In 1930 Guy Ballard claimed that he met St. Germain on Mount Shasta. This supposed meeting led to the creation of the 'I AM' movement.

The Hesse Dynasty has lasted clear up to the 20th century. During WWII they were on Hitler's side. Prince Philip of Hesse was a messenger between Hitler and Mussolini. He was still alive in 1973 and was reported to be the

richest prince in Europe. The House of Hesse is still a powerful force in Germany. In 1763 Mayer left Hanover to build his fortune in Frankfurt. His main objective was to become a financial agent of Prince William of Hesse-Hanau. Prince William was an intelligent man who loved to make money. (His passions went beyond money. His wife did not please him so he became an adulterer and almost every woman he slept with became pregnant. He fathered between 70 to 21 illegitimate children. His main mistress, Frau von Lindenthal, bore him 8 children and ran his household.) William loved to loan money at high interest rates. He was the perfect man to aid Mayer's quest for riches. Mayer began bribing Prince William's servants to become informants.

At that time he was an antique dealer, trader, coin collector, and exchanger (the country was divided and as a result the separate currencies made money exchanging very profitable). General von Estorff convinced Prince William of the value of a rare coin collection and then recommended Rothschild. Thus began the relationship between the Prince and the Rothschilds. Mayer would sell rare coins, precious stones, and antiques to the Prince at ridiculously low prices. Then, in 1769, after a significant amount of sales, he wrote the Prince asking for and receiving the designation 'Crown Agent to the Prince of Hesse-Hanau' (a great commercial advertiser.

Titles and honors were important in that day, they opened doors). Mayer then married Gutle Schnapper, daughter of a respected merchant, Wolf Salomon Schnapper, in 1770. He then set up a money exchange bureau. His two brothers worked in this bureau with him until 1785 when Kalmann died and Moses quite. Some researchers contend that Adam Wieshaupt of the Bavarian Illuminati was financially supported by the Rothschilds. The Bavarian Illuminati was founded in 1776, and the Rothschilds were not necessarily a financial power at that time. I may be wrong, but I do not believe Mayer was in a financial position to support Wieshaupt. It is possible, though, that when, in 1782, the headquarters of the Illuminati moved to Frankfurt, that it began to be controlled by the Rothschilds.

In 1785 Prince William's father, Landgrave Frederick of Hesse-Cassel, died and William became the new Landgrave. This made him the richest prince in Germany and possibly Europe. He left the small province of Hesse-Hanau to become ruler in Hesse-Cassel. Around this time Wolf Schnapper, Mayer's father-in-law, introduced Rothschild to Carl Buderus who was the Prince's chief financial advisor. Through either coercion, friendship, or occultic ties Mayer was able to convince Buderus to become an agent for him. This was a big mover for Mayer. The Landgrave William of Hesse-Cassel was to be the 'steppingstone' to power.

Until then Mayer had only done meager business with William, but by 1789 Buderus managed to get some royal bills for Rothschild to discount. This wasn't much, but it was a start. Carl received a cut of the profits when he did William's business through Rothschild. This was the beginning of a long financial relationship that would benefit both parties.

Mayer Amschel Bauer-Rothschild was a shrewd man, but his quick rise in social status shows the power of money, for Mayer was not cultured. He could never master the German language and so he and his family spoke a strange Yiddish German mixture (which benefitted their secret network). He enjoyed

discussing the medieval world and coin collecting. When it came to business he was ruthless and naturally adept. His occult side was well hidden. He was most likely a Cabalistic Jew. Although it is not known if he was a Freemason, he did accompany the Landgrave on several trips to Masonic lodges (after the two had become better friends). He had 5 daughters and 5 sons, plus several children that died young. He moved from his old house, the „Haus zur Hinterpfann", to a new one, Green Shield, when he started making more money. Green Shield was a dual residency and the other half was occupied by the Schiff family who were to play an important role later on as agents of the Rothschilds.

Every passage of Green Shield held hidden shelves and cupboards, and the backyard counting house's walls had a number of secret shelves and a secret underground room which was connected to a neighbor's house for a quick getaway if necessary (the house was built to protect Jews from the dangerous pogroms that would sweep Germany, it was a great place to secretly practice their gnostic-satanic rituals, if they were yet involved in that form of worship). His five sons have been called the Mayer brothers because they all shared that middle name: Amschel Mayer, Salomon Mayer, Nathan Mayer, Kalmann (Carl) Mayer, and Jacob (James) Mayer. Each son entered the family business at the age of 12. The humorous side of studying an elite Illuminati family is the biographer's insistence on owing the family's ability to profit from circumstances as "luck.' They never seem to put two and two together. Many of these circumstances happened by design. They always say things like '... the infant opportunity seemed to be the child of coincidence." They never attribute a family's wealth to well planned extortion, cheating, or thievery, which is exactly how families like the Rothschilds attain their riches. The French

Revolution is an example.

The Illuminati fueled French Revolution got under way in the 1790's, and Prince William began to get nervous. He was afraid the revolutionary riots would reach Germany and he would lose his gold. So he invested his money in a magnificent new palace called Wilhelmshoe, which was built from 1791 to 1798. Although the French Revolution frightened William it was a delight for Mayer. The war helped his sales. When the French ended up pitted against the Holy Roman Empire, the prices of imported goods skyrocketed, and importing goods from England was a Rothschild specialty. In fact Mayer's English trade helped him secure a deal with the Landgrave (through Buderus, of course) in which he became a middleman in England's payments for the hire of Hessian soldiers. "...every ill wind of the 1790's seemed to blow good to the Rothschilds." The winds were so good that by the end of the decade they were established as a rich and independent family.

In 1800 they were the 11th richest family in Frankfort's Jew Alley (not counting the wealth in proxy). Around the turn of the century Mayer decided to send his most clever son, Nathan to England to establish another Rothschild House. The family tells a silly story about Nathan leaving for England to best an annoying English cotton trader, but I believe that Nathan was sent by Mayer with a specific purpose - to establish power with the Rothschild network in that country. Nathan arrived in England with no knowledge of the language but a great amount of money. He would soon be the most powerful man in Europe. Many more profitable events occurred at the turn of the century. Many of these events revolve around the Rothschild infiltration of the Thurn and Taxis postal system. The House of Thurn and Taxis was of the Black Nobility. In 1516 Holy Roman Emperor Maximilian I (of [the Merovingian](#) bloodline and husband of a member of the Black Nobility) commissioned the House to create a mounted postal service between Vienna and Brussels. The service eventually included all of Central Europe.

The head office of the system was in Frankfort, which was rather convenient for Mayer who proceeded to do business with them. His relationship with Thurn and Taxis became so close that the service began to inform him of any pertinent information found among the letters (that they had a habit of covertly reading). This mail fraud system was also used by the Emperor Francis to keep abreast of his enemies. While Mayer was receiving stolen news from Thurn and Taxis he was busy setting up his own postal service so that no-one could secretly discover his dealings. This system was eventually so effective that the Rothschilds became the best and fastest informed individuals in the world.

The system was so good that many prominent men began to send their letters through the Rothschilds, who of course, always snuck a peak at the contents. The business with Thurn and Taxis helped Mayer receive the title "Imperial Crown Agent" in 1800. This title served as a passport that allowed him to travel throughout the Holy Roman Empire. It also provided the right to bear arms, and it freed him from having to pay the taxes and obligations upon the Jews of that period. Mayer began to get even more titles, including one from the German Order of St. John. His sons Amschel and Salomon were also busy getting various titles. In 1801 they became crown agents of the Landgrave William of Hesse-Cassel. All these titles were wonderful, but most important was the Landgrave's. The Landgrave was the richest Prince in Europe and the Rothschilds were determined to take advantage of his wealth.

The relationship with the Landgrave improved greatly in 1803. A Danish King, and cousin of William, asked the Prince for loans but William declined because he did not want anyone to know how rich he had become. Rothschild learned about it and through Buderus, proposed lending the money anonymously. William thought the idea was splendid. The loan was sent through Mayer and a Hamburg Jew. The interests were paid to Rothschild who, after taking commission, forwarded the money to the Landgrave. The event was a great triumph, after 36 years, Mayer had finally done a significant job for the Prince. Six more Landgrave loans to Denmark were negotiated by Rothschild. Many more loans ensued (although they required some teeth pulling on Buderus' part), including loans to the Order of St. John.

This negotiating of the Landgrave's loans greatly increased the reputation of the House of Rothschild. By this time Napoleon had come to power in France. This caused a distress in Europe, but brought great profits to the House of Rothschild. As one biographer put it "Napoleon seemed bent on improving the Rothschild's lot in life." Even though Napoleon was not purposely doing it, the conditions he created were of great benefit. Napoleon tried to get the Landgrave as his ally, but Prince William squirmed and politely as possible refused. William's goal was to wait until the winning side in the Napoleonic conflict was clear so that he could join without any risks. The pressure of the situation gave the Landgrave a very bad temper. By this time half the crown heads of Europe were in his debt. Napoleon grew tired of the Landgrave's games. His troops invaded Germany and the province

of Hesse to "remove the House of Hesse-Cassel from rulership and to strike it out of the list of powers." Wilhelmshoe became frantic as William attempted to hide his riches.

After the scramble to conceal his wealth he fled the province and went to live in exile in Denmark. The French immediately found most of his treasures. Buderus and Mayer had to act fast to preserve the wealth of the Landgrave. Some of the valuables had already been sold. They quickly bribed a French General, Lagrange, who turned over 42 trunks to Hessian officials and lied to Napoleon about the Prince's true wealth. Lagrange's deceptive act was eventually discovered and he was dismissed, but much of the wealth was preserved. During the frantic moments before Hesse-Cassel's invasion, the Landgrave gave Buderus the right to collect the interest payments due from Holy Roman Emperor Francis. Buderus eventually transferred this right to the Rothschilds. Mayer began doing the Landgrave's business behind Napoleon's back. These secret dealings were greatly boosted by the man Napoleon appointed to rule the area -Karl von Dalberg. Dalberg was a friend of Mayer and Buderns and had done business with them (his connection to them may have also been occult).

Napoleon made Dalberg Primate of the new Confederation of the Rhine, which included Frankfurt. As ruler of the region Dalberg protected the Rothschilds from being exposed as traders of contraband and as agents of the House of Hesse-Cassel. When the French cut off trade with England prices on imports soared. The Rothschilds smuggled goods in and made large profits, with Dalberg keeping guard. "It was certainly most remarkable," said one biographer. "That the Archbishop and Lord of the Confederation of the Rhine, who ruled over sixteen German princes, and stood so high in Napoleon's favor, should have shown so much good-will to the Jewish Mayer Amschel Rothschild at Frankfurt, who, although now a rich man, had no dame to move in high and influential circles." Despite Dalberg's protection Mayer kept two sets of books, one inspectable and the other secret.

By 1807 Buderus, as proxy for the Landgrave, was almost exclusively using the Rothschilds for Hesse-Cassel business. Mayer himself would visit the Prince in exile, but since he was getting old he soon had to give up these trips and sent his sons on the journeys. The House of Rothschild was collecting the income of the wealthiest prince in Europe less than half a century after Mayer had begun building his fortune! The satanic House of Rothschild's Illuminati dealings at this time are well exemplified by their involvement with the second Tugendbund League. The first Tugendbund League (or Virtue League) was formed in 1786 as a kind of sex society. The group would meet at Henrietta Herz's home (her husband was an Illuminati Jew who was the disciple of the powerful occultist Moses Mendelssohn). Many Illuminists attended this "Virtue" League.

A number of young Jewish women whose husbands were always away on business would come to the Herz's house to participate in the immorality (two members were daughters of Moses Mendelssohn). Frequenters of this 'salon' included revolutionary Freemason Mirabeau, William von Humbolt, and Frederick von Gentz who was to become an important Rothschild agent. Later on, I will discuss Gentz in further detail. In 1807 the second Tugendbund League was formed. This League pursued 'moral-scientific' and political aims. The main aim being the deliverance of Germany from French occupation. The League was formed by Baron von Stein who was its principle "protector."

Thomas Frost wrote in SECRET SOCIETIES OF THE EUROPEAN REVOLUTION that 'The Initiations [into the second Tugendbund] multiplied rapidly, and the League soon numbered in its ranks most of the Councilors of State, many officers of the army, and a considerable number of the professors of literature and science.... A central directorate at Berlin, presided over by Stein, had the supreme control of the movement, and exercised, through provincial committees, an authority all the more potent from emanating from an unknown source, and which was obeyed as implicitly as the decrees of Emperor or King.' The Landgrave William of Hesse-Cassel held an important position in the second Tugendbund. Buderus was also involved. It appears the Rothschilds were members and they were 'go-betweens' for the [Landgrave's] correspondence on this matter, and made payments in favor of the Tugendbund." This put Mayer Rothschild at the head of the propaganda system against Napoleon.

Napoleon tried to suppress Tugendbund but it went underground, concealing itself under the protection of the English Masonic Lodge at Hanover. It assisted many anti-Napoleon causes physically and financially. Tugendbund was eventually dissolved, but many of its members moved on to other Masonic societies such as the 'Black Knights,' 'The Knights of the Queen of Prussia,' and 'The Concordists.' In 1818 the second Tugendbund was revived as the Burschenschaft (Association of Boys or Fellows). The Burschenschaft was a revolutionary group of students who introduced martial exercises into the universities. The Burschenschaft eventually fell apart. After a few years the exiled Landgrave came to totally trust the Rothschilds. '[Prince

William] got more and more accustomed to following [Mayer] Rothschild's advice, and scarcely took any important financial step without consulting him.'

This princely steppingstone was working out perfectly. It was paving the way towards Rothschild financial freedom. Mayer wanted to become a creditor, and his goal was soon achieved. In 1810 the Rothschild's firm became 'Mayer Amschel Rothschild and Sons' (Nathan was not a public partner of this firm). That same year Mayer loaned his own money to Denmark and when Dalberg took out a big loan to go to the baptism of Napoleon's son, the financial security of the Frankfurt bank was set in stone.

The House of Rothschild needed a new steppingstone. The old one, the Landgrave, would not be discarded, but they needed a younger, more political man who could be their key to controlling Europe. That man was Prince Clemens Metternich who in 1809 became the Austrian Minister for Foreign Affairs. He became the leading opposer of Napoleon, and the Landgrave moved in his exile to Austria, hoping the powerful up-start would get Hesse back. So the Rothschild network increased its operations in Austria - the land of the Hapsburgs.

Around this time Mayer Amschel Bauer-Rothschild got sick. Before his death he wrote a Will that would dictate the structure of the Rothschilds. Although the exact content's of Mayer's Will have been kept secret, one edict is clear. It completely excluded the daughters and their husbands and heirs from the business, and all knowledge of it. The Will totally exalted the importance of the family circle. On Sept. 19, 1812 Mayer died. A bogus legend about his death maintains that his five sons gathered around his deathbed and he split Europe between them. Only Amschel and Carl were in Frankfurt when he died. Nathan was in England, and Salomon and James were on the road (the brothers were constantly traveling).

THE "FIVE WIZARDS'

When Mayer died, headship over the family fell on Nathan Rothschild of England. Even though Nathan was not the oldest, the 5 brothers had voted unanimously that he was the most capable to lead them. Nathan was an intelligent, uneducated, self-absorbed jerk. Though he was an impolite, foul-mouthed man ('...he could swear like a trooper.') his money got him into the high society of England. His cold view on life and power is seen in his response to an English Major who was being sentimental about the horrible deaths of the large number of soldiers that had died in the war. 'Well,' said Rothschild. 'If they had not all died, Major, you presumably would still be a drummer.' There is a story that says one of Nathan's sons asked him how many nations there were in the world and Nathan replied: 'There are only two you need to bother about. There is the mishpoche [Yiddish for family] and there are the others.' This story may be false, but the attitude is real.

Nathan first settled in Manchester, England, the center of cloth manufacturing. In 1804 he moved to London. As his wealth and his reputation began to grow he was able to marry Hannah Cohen. The Cohens were a wealthy Jewish family from Amsterdam, and Hannah's father, Salomon Cohen was a respected merchant in London. Nathan served with him as Warden of the Great Synagogue (the Rothschilds relationship to the Jews will be discussed later on in this article). Hannah's sister, Judith, married the powerful Jewish Freemason Moses Montefiore (the Montefiore's were of "ancient" and extremely 'aristocratic Jewish stock', probably another Cabalistic family), who was friends with Nathan (Nathan's sister Henrietta married a Montefiore, so did his second son, Anthony, and his brother, Salomon's great grandson, Aiphonse married a Sebag-Montefiore in 1911).

Nathan's social life revolved around the Cohens. Nathan was a Freemason. He was a member of London's Lodge of Emulation. Nathan's accumulation of wealth was incredible. His money-making exploits were unbelievable. He was smuggling English goods past the French blockade during the Napoleonic conflict, and making great profits. This smuggling required an agent in Paris, so Mayer, through his Dalberg connections, got his son James a passport and James went to live in Paris. A large amount of the Landgrave's money was sent to Nathan in England, on the advice of Buderus, for the purpose of buying stock. But Nathan, as he and Buderus had planned, used the money as capitol for other ventures. When the exiled Landgrave began asking for a proof-of-purchase, Buderus and the Rothschild brothers had to come up with all sorts of excuses to protect Nathan's thievery.

Eventually the Landgrave demanded to see receipts, so Nathan quickly bought some stock (the Landgrave had told him to buy the stocks at 72, but their price when he ended up buying them was 62, Nathan pocketed the savings) and they snuck the receipts through the French blockade to the exiled Prince. The Landgrave was satisfied, he had no idea what had really been done with his money. Nathan began making connections in the British government. Probably his greatest early connection was to the Treasury official John Herries. Herries

aided Nathan's rise to power in every way possible. He became an intimate friend of Nathan's and eventually a proxy for Rothschild in the British government. Their dealings were kept secret and the public had no idea as to the enormity of Nathan's power. The most incredible example of

Nathan's devious schemes is a job he would later describe as the best business he had ever done. Through Nathan's connections in the treasury he learned of the plight of the English army in Spain. The Duke of Wellington (soon to become Nathan's friend) had British troops in Spain ready to attack France, only they lacked one thing - hard cash (the army's financiers would not take paper money), but the government was very short on gold at the time. Nathan knew how to profit from this situation. The East India Company was trying to sell gold that, of course, the government wanted to buy, but the price was so high that officials decided to wait until it dropped.

Nathan stepped in and bought up the gold (using some of the Landgraves money as well as his own). He then proceeded to raise the price. When the officials realized the price wouldn't drop they bought the gold and Nathan made a great profit. But the deal didn't stop there. Nathan offered to deliver the gold to Wellington (this was a heavy responsibility because of the French blockade). Hemes went to bat and got Rothschild the job. Nathan's plan was incredible, one biographer said his scheme was 'comparable to burglary in broad daylight.' Nathan's brother, James went to Napoleon's government and told them that Nathan would be importing gold into France and that the British government was upset at the move because it would financially hurt England. Napoleon's government believed his lie and any French police who might have uncovered the plot were bribed. So Nathan was able to ship the gold to Paris with the approval of both the English and French governments.

In Paris the gold was exchanged in French banking firms for cash Wellington could use, and then the Rothschild network carried the money into Spain as France allowed Nathan to fund the war against itself. Eventually some French officials grew suspicious, but Napoleon ignored their reports (why?). The plan went smoothly even though the same officials secretly watched James Rothschild and his brother Carl (who was in on the plot). Wellington eventually defeated Napoleon at Waterloo. The Wellington smuggle was one of the greatest scams in history! In order to better understand the Rothschild's involvement in the defeat of Napoleon we must look at the role played by the Rothschild's second steppingstone - Metternich. Metternich was the Austrian Minister of Foreign Affairs and he led the opposition against Napoleon.

Metternich was a fierce enemy of the revolutionary fires that were spreading through Europe. The Rothschild's got to him through a member of the first Tugendbund (the sexual one), Frederick von Gentz. Gentz was Metternich's right-hand man. Metternich was not financially minded and he relied on Gentz's advice concerning economics (Gentz's ability to handle his private finances was terrible, but he had a knack for political economy). John Herries brought Gentz and the Rothschilds together. The family proceeded to bribe the man into their service. Gentz is an interesting character. He was a Freemason so he was probably occultic. His involvement in the first Tugendbund League points to Immorality. Another interesting fact is that I found most of his visits to the Rothschilds occurred on occultic

holidays, such as Winter Solstice. This may be a coincidence, but it is interesting non-the-less. Gentz called the Rothschilds 'a special species plantarum with its own characteristics.' Gentz steadily brought Metternich into the Rothschild's web. By at least 1814 Metternich was an ally of the House of Rothschild. His goal was to protect the power of the old aristocracy. His plan was simply to extinguish revolution, and he began with Napoleon. Austria declared war on France and allied itself with Russia. England joined them to form a powerful coalition against Napoleon. The battle of Waterloo in 1815 decided the war. Metternich had led Europe to victory with the help of Nathan's delivery network which funded the overthrow. The victory made Metternich the most powerful man in Europe. Due to his speedy courier system, Nathan knew of the outcome of the Waterloo battle before the news reached any other Englander.

A persistent myth is that he made the bulk of his fortune by manipulating the stock exchange with this knowledge. First of all, he did manipulate the market, but he already had a fortune, this only added to it. Second of all, he might not have even made a significant profit (the issue is complicated and debatable. I will not go into it). Two years before his defeat, Napoleon had pulled out of Germany. In 1813 the Landgrave William of Hesse-Cassel returned to his province. Said one biographer: 'Earlier it had been the Rothschilds who had asked for favors, now it was the (Landgrave] and Buderus who tried to maintain a close connection.' In 1818 Buderus died. By 1815 Nathan controlled England's finance. He did a large amount of direct business with the English treasury. John Hemes was allowing deals that would hurt England but fill the pockets of the House of

Rothschild. The following quote by one of Nathan's contemporaries describes his eerie countenance: 'Eyes are

usually called windows of the soul. But in Rothschild's case you would conclude that the windows are false ones, or that there was no soul to look out them. There comes not one pencil of light from the interior, neither is there any gleam of that which comes from without reflected in any direction. The whole puts you in mind of an empty skin, and you wonder why it stands upright without at least something in it. By and by another figure comes up to it. It then steps two paces aside, and the most inquisitive glance that you ever saw, and a glance more inquisitive than you would have thought of, is drawn out of the fixed and leaden eyes, as if one were drawing a sword from a scabbard...'

This description is disturbingly similar to either MPD or demonic possession. A Prussian official said that Rothschild had 'an incredible influence upon all financial affairs here in London. It is widely stated ... that he entirely regulates the rate of exchange in the City. His power as a banker is enormous.' 'When Nathan ... (made) a fuss, the Bank of England trembled.' Once he tried to cash a check from his brother Amschel at the Bank, but the Bank refused saying it cashed only its own notes. Nathan's volcano-like temper exploded. The next morning he and nine of his clerks arrived at the Bank and began exchanging bank notes for gold. In one day he had reduced the Bank's gold reserves by a substantial amount. The next day he and his clerks arrived with more bank notes.

A Bank executive nervously asked how long he intended to keep this up. Nathan replied something to the effect of 'The Bank of England refused to take by bills, so I will not keep theirs.' A meeting was quickly called and they decided that from then on the Bank of England would be pleased to cash any Rothschild check Nathan's firm was named N.M. Rothschild and Sons. The firm met in the New Court building and for the sake of brevity will be referred to as New Court. New Court was so powerful that it even became a gold broker for the Bank of England (whose price I believe they still fix at will, though I may be wrong). He also founded the Alliance Insurance Company in England. The Illuminati has the Luciferian belief system that one's evil acts must be balanced by one's good acts. This belief system has led to the philanthropy of the truly evil elite (although much of this „charity" money goes to fund their objectives). Nathan hated the common masses but his duty called. 'Almoners, particularly those acting on behalf of the poor Jews of London, reported that they got thousands, even hundreds of thousands, of pounds out of Rothschild, but hardly a word and never a courtesy.' Nathan did not enjoy charity.

He was good friends with Thomas Buxton, the anti-slavery leader. The famous musicians Mendelssohn and Rossini taught his daughter to play the harp. When Mayer died in 1812, his oldest son Amschel took over the Frankfort firm. Although Amschel was not the head of the family, he was its spokesman to the aristocracy. He was the one who would apply for the honors and titles for his brothers. He has been described as a crotchety worrier who clung to the past. He was socially odd, yet held great dinners that were the talk of the elite. Religion was a big part of his life, to the point of being called „monkish." Even though he lived on a grand scale Amschel had no joy. Much of this distress came from the fact that he had failed to have any children. After Napoleon exited Germany a German Confederation was set up, of which Amschel became the treasurer. In a sense this made him the first finance minister of the Prussian Empire which was created by the Confederation. Amschel's sorrow over his lack of children led him to pick prominent young men to treat as his sons. One such man was Otto von Bismark, who would later become the Iron Chancellor of Germany. Amschel was the protector of his mother Gutle, who was the Matriarch of the family. No one could receive full admission into the House of Rothschild by marriage unless she approved. Gutie smiled little and had a harsh tongue. One legend has it that a neighbor asked her whether there was to be peace or war. "War?" Gutle replied. "Nonsense. My boys won't let them."

Saloman was the second oldest son of Mayer. Along with the other brothers he was constantly travelling through Europe. What separated him from his brothers was his gift of diplomacy. He was more stately and complimentary than the others. Said one banker of Salomon: "Nobody leaves him without being comforted." in other words he knew how to kiss up. It was this fact that led the brothers to send him to Vienna, Austria to establish a relationship with the painfully aristocratic Hapsburgs and with vain Metternich. Although the Rothschilds had attempted to enter a close business relationship with the Hapsburgs and Austria, the Austrian royalty kept putting them off. Then Salomon came along. He rode in on a wave of new found Rothschild power. Their name had become famous. One person described it as the "two magic syllables."

The brothers had become, as one biographer put it, "the Archdemons of Progress." Salomon began to vie for Austrian ties through Gentz and Metternich. Eventually Salomon's diplomacy, Metternich's lobbying, and the below-cost method earlier used on the Landgrave broke down the wall between the House of Rothschild and the Illuminati Hapsburgs. Austria began to employ the Rothschilds on a regular basis. Salomon moved into Vienna and bought a Hotel and a house. Salomon knew how to play Metternich like a piano. He knew the right thing to

say at the right time. He knew Metternich's quirks and prejudices, such as his vanity which Salomon easily manipulated. Pretty soon Metternich and Salomon became close friends. The same goes for Metternich's right-hand man, Gentz. Gentz and Salomon were "inseparable." Salomon was also a Freemason. It came to the point where Austria became so controlled by the Rothschilds that the government did not want to refuse the brothers anything. In 1816 Amschel, Salomon, Carl, and James received a title of nobility from the Hapsburgs.

In 1818 the Aix-la-Chapelle Congress met to discuss the future of Europe. Salomon, Carl, Metternich, and Gentz all attended this Congress. It was here that Metternich first met the Rothschilds. Gentz kept the minutes of the Congress, he was called the "Secretary of Europe." A Rothschild scheme at this Congress totally shook the financial institutions of Europe, there was no denying the power of the Rothschilds. "The divine right of kings had been overthrown by the divine right of money.." At Aix-la-Chapelle the Rothschilds widened their circle of influence in the Illuminati. Salomon set up a new firm in Vienna. He financially supported Metternich's fight against revolution. Metternich had established the "Vienna System" which controlled Europe after Napoleon's defeat. The Austrian leader began doing what the elite love to do - sending "peacekeeping" troops into conflicts. 1814-1848 has been described as "The Age of Metternich", but since the Rothschilds financed and controlled him it would be more accurate to call it "The Age of the House of Rothschild."

The Order of Vladimir was conferred upon Salomon for his work with Russia. Gioacchino Rossini, the Italian opera composer who wrote Cinderella and the William Tell overture became a good friend of both Salomon and his brother James. In 1822, he, Metternich, Gentz, James, and Cari attended the Verona Congress. This Congress was totally manipulated by the Rothschilds. They profited Immensely by its outcome. Salomon financed the first important Central European railways. The Austrians began saying that they had an Emperor Ferdinand and a King Salomon. When it came to Austrian finances Salomon got the last word. The people would show up at his office and beg for a royal "laying on of hands." He only had to touch a bond or a stock, and its owner went away certain of its rise. Uke the other Rothschilds he gave immense charity donations. He bought the huge coal and iron works of Vitkovitz. In 1843 he received permission to purchase inheritable agricultural real estate (many people were against Jews buying private property), and he proceeded to buy up large amounts of land. He obtained the lease of Austria's mercury mines. This and the only other mercury deposit in Spain were controlled by the Rothschilds, creating a world monopoly on a key metal. Salomon was incredibly powerful.

The next son, Carl was the family's chief courier. He was the least intelligent of all the brothers. He was awkward when he spoke and he had a nasty temper. One biographer described him as "punchy". In 1821 Carl was sent to Naples, Italy to oversee loans there that were meant to finance Metternich's forces who had arrived to quell a rebellion. While in Italy the Rothschild "mantle" came upon Carl and he made a series of ingenious deals with the Italian government that forced Naples to pay for its own occupation. He also helped Luigi de Medici of the Black Nobility to re-gain his position as finance minister of Naples, and later did business with the powerful man. Due to his success it was decided that he would stay in Naples and set up his own bank. He became financier to the court, the "financial overlord of Italy." Carl "...wound the Italian peninsula around his hand." He did business with the Vatican, and when Pope Gregory XVI received him by giving him his hand rather than the customary toe to kiss, people realized the extent of his power. The Pope conferred upon him the Order of St. George.

It appears that in Italy Carl became a leader of Carbonarism. After the Bavarian Illuminati was exposed, Carbonarism (or the Alta Vendita) became the major European occult power. Carl's leadership in this group is very significant. In 1818 a secret Alta Vendita document, that Cari had participated in preparing, was sent to the headquarters of Masonry. A copy of this document was lost, and the Masons got very upset, and offered rewards for the return of this copy. The title of the document translates "Permanent Instructions, or Practical Code of Rules; Guide for the Heads of the Highest Grades of Freemasonry. "

Last, but absolutely not least, was the youngest son, James. During the Napoleonic conflict James had spent his time between London and Paris, supporting the Rothschild's network of illegal trade with England. After the Wellington smuggle and the defeat of Napoleon, James became an established figure in France. He founded a bank there and began the French branch of the Rothschild family. James was a 33 degree Scottish Rite Mason. At this time the French House was the center of operations for the Rothschilds. Even though successive revolutions would de-throne ruler after ruler, Rothschild power kept the family in control. James was good friends with the leading minister of the Bourbon court, Count de Villele, and he "owned" King Louis Philippe. He also secretly funded Spanish revolutionaries (his agent in Madrid was Monsieur Belin). James yearned for social status.

The pursuit of which was second only to money. He had gown so powerful that the French exchange was deeply

affected by all his decisions. Like his brother, Salomon, he pioneered the railroad business in France. He also bought the great Lafite vineyards. His bank, de Rothschild Freres was in a league all its own. No one in France could even wish to be as powerful as James. As Salomon had, James received the Order of Vladimir for his work with the Russian dynasty. He also became a member of the Societe de Antiquites. In the Rothschild tradition (as constituted by Mayer's Will) of trying to keep everything within the family James married his niece, Betty Rothschild, the daughter of Salomon. The Rothschilds main advantage was their incredible courier system.

It kept the 5 Houses connected. In fact, the Hapsburgs used this system quite often. All evidence points to the Rothschild brothers being very powerful within Freemasonry. They were one of the leading families in occultism at that time in Europe. Many prominent Masons of their day praised the brothers. In 1820, due to Metternich's lobbying, Nathan was made Austrian consul in London, and two years later he was made consul-general. James was also made an Austrian consul in Paris. Metternich's promptings also provided something else very important to the family; in 1822 all the brothers and their descendants of either sex were made Barons. This established social position for the Rothschilds. The Gentz-Metternich team was very beneficial to the House of Rothschild. By this time a few papers had run some upsetting articles about the family.

Salomon asked Gentz to censure any more unkind reports and he also commissioned the Illuminist to write a bogus biography on the family that would portray them in a good light. Gentz, now called the "Pen of Europe", proceeded to write legends for the Rothschilds, and the family fully encouraged the propaganda in their social circles. The brothers had a system (based on Mayer's Will) where only family members were partners or owners of the banks. This system is still in use today. The Rothschild banks bought everything up, from mining corporations to national debts. For instance, New Court has been controlling Brazil's debts since 1824. In 1836 Nathan Rothschild, head of the House of Rothschild, died (he may have been poisoned).

The headship was passed on to his younger brother, James, by a vote of all the brothers. In 1830 the signs of masonic-fueled revolution began to appear again. Metternich's "peace of the world" (they always call imperialism "peace") was being threatened. A new king was set up in France, the House of Orange was dethroned in the Netherlands. The fires of revolution were spreading through the masonic network and Metternich began to lose his grip on Europe.

The Revolution of 1848 in France dethroned yet another royal house. James went along with the masonic agenda and financed this revolution, even though he was a friend of the court. The revolution marked the end of Metternich's "Age" and that same year insurrectors chased him and Salomon out of Austria. Neither returned, but a Vienna House had already been established, others would carry it on, under the direction of Salomon's son, Anselm. Metternich's descendants are still close to the House of Rothschild. After this the power of the Rothschilds weakened. By 1855 all five brothers were dead except James. Napoleon III was now in power in France and his advisors were the enemies of James. But Rothschild ingenuity came through again when James got Napoleon III to marry a Rothschild agent. James died in 1868 and the family headship went to Alphonse, his son.

"THE NEW TRINITY"

Three cousins now ran the show - Alphonse of the French House, Uonel of the English House and Anselm of the Vienna House - "the new trinity". The three banded together to destroy an enemy bank, French Credit Mobilier. Anselm set up a new firm, Creditanstalt in Vienna to combat the French bank. With the help of Lionel and Alphonse he attacked Credit Mobilier until it collapsed. The new head of the House of Rothschild was Baron Alphonse de Rothschild. Alphonse was a suave, socially elite man. After the rail of France's Credit Mobilier Napoleon III stepped onto the Rothschild bandwagon. Alphonse was powerful, he had "access" to men like Napoleon III and Bismark of Prussia. The Illuminati decided to get rid of Napoleon III, so English Prime Minister Gladstone (friend of the Rothschilds) set things up so that Prussia and France would go to war. Napoleon III proceeded to attack Prussia and Bismark responded in a hurry, defeating France and banishing Napoleon III from the throne. The war indemnities were paid to Bismark (who had a dislike for Alphonse, despite his connections to the family) through the Rothschilds. Alphonse's brother, Edmond, was the one who helped create Israel (this will be discussed further on in the article). Alphonse married another

Rothschild, but his love for her was not very strong. The Comtesse de Castiglione was a beautiful woman who was a Marilyn Monroe of her day. She was the mistress of Alphonse, his brother Gustave Rothschild (whose daughter married a Sassoon), and Napoleon III. Anselm Rothschild of the Vienna House was a shrewd playboy. He destroyed Credit Mobilier with Creditanstalt, and in 1861 he became a member of the Austrian Imperial House of Lords. Anselm had many mistresses and his wife left him because of his adultery. He died in 1874.

Lionel Rothschild of the English House inherited New Court. He financed England's Crimean War, Cecil Rhodes' South African kingdom, vast copper and nitrate mines, and the purchase of the Suez Canal. Lionel's younger brother, Anthony was knighted by the Queen. Another brother, Nathaniel, bought the renowned Mouton vineyards near Bordeaux. Lionel was a good friend of Prime Ministers Disraeli (who was controlled by Rothschild money) and Gladstone.

He also probably paid for Lord John Russell's election as Prime Minister. Lord Tennyson (whose poems are used in programming) attended his house parties. Lionel has been described as "grouchy" and "crotchety." In 1858, Lionel became the first Jew in House of Commons. After eleven tries, the British Parliament gave in and allowed Rothschild to take his seat. Not a single significant political move by Lionel was recorded during his stay in Parliament. He was a member for 15 years. In 1879 he died. After Amschel of the House of Frankfurt died without an heir, two of Carl of Italy's sons came to take over the business. But they also remained heirless, bearing only daughters. When the last brother died in 1901, the Frankfurt bank was liquidated (I believe they did not try to continue the original bank because they knew that Germany was about to be caught up in the turmoil of the world wars, they eventually set up another Frankfurt bank after Germany's turmoil).

The House of Italy ended the same way. The one son of Carl who had stayed in Naples produced only daughters, and when Geribaldi's Red Shirts unified Italy this remaining son (out of character for a Rothschild) chose not to accommodate the new powers and moved to France. Thus ended the Italian branch.

ROTHSCHILD INFLUENCE IN AMERICA

This subject is so massive that it will only be touched on. In 1837 August Belmont came to the U.S., during the Panic of 1837. August Belmont appears to have been a Rothschild proxy. Belmont bought up government bonds in this Panic and his success eventually led him to the White House where he became the "financial advisor to the President of the United States". His policies helped pit the North against the South for the Civil War. Judah P. Benjamin, who according to A. Ralph Epperson was the Civil War campaign strategist for the House of Rothschild held many key positions in the Confederacy. He was apparently connected to John Wilkes Booth. J.P. Morgan has been called a Rothschild agent. His father was one of the many elite who made their fortunes by shipping supplies past the North's blockade and into the Confederacy. J.P. was a major supporter of an American central bank (Interestingly enough, he is reported to be related to Alexander Hamilton). In 1869, J.P. Morgan went to the House of England and formed Northern Securities as an agent for New Court in the U.S. Then, in 1907 J.P. Morgan

shuttled back and forth between London and Paris, presumably getting orders from the Rothschilds. He returned to America and instigated the Panic of 1907, which led to the „need" for a central bank. Another man who appears to be connected to the Rothschilds was Thomas House, who also made his fortune slipping supplies past the North and into the South. His son, Colonel Edward M. House was one of the main Illuminati figures to control America during the early 20th Century.

Some of the Bauer line of the Rothschild family moved to America and took up important positions in the hierarchy's network.

THE HOUSE OF ROTHSCHILD AND ISRAEL

The Rothschild relationship to the Jews is deceiving. The family stance is publicized as "pro-Jewish", and they have given abundant charity to Jewish causes. But their support of the Jewish race has, in most cases, been used for the sole purpose of controlling the direction and profiting from the Jews. The Rothschilds have been described as the royal family of the Jews. Many leading Rothschilds have been dubbed "King of the Jews". But what kind of Judaism do the Rothschilds support? Do they support the orthodox Jews who believe in the Old Testament and are waiting for the return of the messiah? No. Do they support Messianic Jews who believe Jesus Christ was the messiah who came to save all men? No. The Rothschilds support those Jews who have fallen prey to the deceptive gnostic and occultic teachings of Cabalism, and in turn support the Illuminati controlled Zionist movement. Not all Zionists are part of the conspiracy, but their leaders are, and the ultimate leaders of the Zionists have been the Rothschilds. I am disappointed by some researchers, who automatically coin the conspiracy a "Jewish" one.

This unfortunate stumbling block has polluted their work, making it just as misleading as the information put out by the popular media. These researchers seem blinded by the fact that the conspiracy has abused and manipulated the Jewish race more than any other group in the history of the world. The hierarchy of the Jews

has sat back and allowed the attack on, and control of the Jewish masses for the furtherance of Satan's agenda. I am saying this to let you see that I am not anti-semitic. I believe that there are people who call themselves "Christians" who are part of the conspiracy, at the same token there are people who call themselves "Jews" who are part of the conspiracy. To call the conspiracy "Jewish" is ignorant. I believe the Rothschilds to have been involved in Cabalism, Jewish Sabbatism, or Frankism, all of which

are involved in witchcraft. This belief is strengthened by the Rothschild's use of the occultic Seal of Solomon as a family symbol. The city in which the Rothschilds originated, Frankfort, was deeply anti-Semitic. The Rothschilds were constantly striving to overcome the boundaries put on them because of their culture. It is very likely this berthed a bitterness in their hearts towards "Christian" society. This bitterness, and the need to facilitate more profit and power were most likely the reasons why they excepted the idea of a Jewish state. (I will assume that the readers understand that the Zionism / restoration of Israel concept is an unbiblical sham.)

The following quote will help you understand the Rothschild attitude towards the Jews. the first principle of the House of Rothschild was to amass wealth, [and] the liberation of the [Jewish] race from oppressive restrictions contributed Indirectly to this end, since it would facilitate intercourse with the rest of the world, and thereby increase the possibility of financial gain, which in turn would serve to increase its power." (The Rise of The House of Rothschild by Count Egon Corti, p. 124-125) Amschel of the Frankfort House was constantly harassed by anti-semites. As a result "He became the grand almoner and grand protector to the German Jews; he helped sweep away the chains of Jew Street; he pressed, in the end successfully, for the Jews' enfranchisement as free citizens of Frankfort." One of the main Rothschild agents used to promote the emancipation of the Jews in Frankfort was Frederick von Gentz, the evil "Pen of Europe". At this point I must clarify something for the reader. There are 3 Baron Edmond Rothschilds, and all 3 have been involved with the nation of Israel. To avoid confusion I will number them:

- ❑ 1 Baron Edmond de Rothschild -(1845-1934) House of France. Son of James and brother of Alphonse.
- ❑ 2 Baron Edmund "Eddie" L de Rothschild - (1916-) House of England. Son of Uonei Nathan and great, great grandson of the infamous Nathan Rothschild.
- ❑ 3 Baron Edmond de Rothschild -(1926.) House of France. Son of Maurice and grandson of #1 Edmond.

The story begins with #1 Edmond, the "Father of Israel". During the Crimean War (which was funded by the Rothschilds) the small Jewish community in Jerusalem became cut off from all outside support. This resulted in "semi-starvation". #1 Edmond's father, James, set up the James Mayer de Rothschild Hospital in Jerusalem in response to this problem. #1 Edmond picked up his fathers interest in Palestine. When the Russian Jews fled the Czar's pogroms in the 1880's Edmond began to finance the Russian Jew's attempts to establish colonies in Palestine, It is clear that #1 Edmond was a fan of Zionism, his charities were not only aiding the persecuted but were promoting the concept of a return the "homeland". "The Baron's money drained swamps, dug wells and built houses. It founded industries ranging from scent factories to glass works, form wine cellars to bottle manufacturers.

The Baron established his own administration in Palestine and his overseers dictated to the farmers exactly what crops were to be grown and where." The man who set up the first Zionist Congress was Theodor Herzl. He attempted to get the support for his plans to "restore the Jewish state" from the Rothschilds but many members of the family were opposed to Zionism (the Rothschilds supported those causes which they could profit from and the Integration of Jews into the European culture was profitable for them. One Rothschild told Herzl he was an Englishman and proposed to remain one. #1 Edmond on the other hand. was leading a Rothschild plan similar to Herzl's that slowly created a Jewish state controlled by the family). #1 Edmond did not oppose Zionism, in fact he supported Herzl's cause, yet he felt Herzl's plans should not be implemented so soon (they were "to be accomplished quietly, stealthily, not by shouting from the roof-tops"), plus he was concerned that Herzl would take away too much Rothschild power over the slowly forming Jewish state.

The Baron continued to support his own colonies and though Herzl was socially supported, because his Ideas facilitated Rothschild power in Palestine, he was not allowed to implement his plans. #1 Edmond did not want Herzl in control. Later, after Herzl had died and was no longer a threat, #1 Edmond "admitted" that Herzl had been right, and went right on pouring money into the Jewish "Homeland". #1 Edmond had a tight-fisted control of the colonies. the Baron was a dictator who expected the colonists to obey him unquestionably." In 1901 the Jews in Palestine sent a delegation to the Baron who told him if you wish to save the Yishuv [the -83 Jewish

settlement] first take your hands from It, and ... for once permit the colonists to have the possibility of correcting for themselves whatever needs correcting ..." This upset the Baron. He replied: "I created the Yishuv, I alone. Therefore no men, neither colonists nor organizations, have the right to interfere in my plans."

Herzl was succeeded as President of World Zionism by David Wolffsohn. Wolffsohn got the full support of the Baron. Wolffsohn's successor was Otto Warburg. Another prominent leader of the Zionists was Chalm Weizmann. Weizmann was on better terms with #1 Edmond than his predecessor, Herzl. He made this observation of the Baron after their first visit. "In manner he could be both gracious and brutal; and this was the reflex of his split personality; for on the one hand he was conscious of his power and arrogant in the possession of it; on the other hand he was rather frightened by it, and this gave him a touch of furtiveness." The Baron Rothschild told Weizmann he would finance a Hebrew University in Palestine. With Weizmann's appearance on the scene the Baron became closer to Zionism.

In 1914 #1 Edmond traveled to Palestine. "Edmond could scarcely believe his eyes. Tel Aviv had become a city and his miserable windswept colonies had been transformed into lush gardens..." His journey to Palestine was hailed as the "prince returning to his people". Later the Baron Rothschild told Weizmann: "Without me Zionism would not have succeeded, but without Zionism my work would have been struck to death." Another Rothschild embraced Zionism through Weizmann - Lionel Walter, the second Lord Rothschild (apparently this upset some relations). The Balfour declaration, which declared England's support of the creation of a Jewish homeland, was addressed to Lord Rothschild II. Lord Rothschild also received the documents of support from the League of Nations. Charles T. Russell sent a letter to Lord Rothschild that praised him for his work towards a Jewish homeland.

After World War I Britain ruled Palestine, and the Rothschilds ruled Britain. Also, a bulk of unpaid debts to the Rothschilds by the failed Ottoman Empire gave the family more control over Palestine. Then came Hitler. According to Walter Langer, a psychoanalyst who wrote the book THE MIND OF ADOLF HITLER, the demonic German leader was a grandson of a Rothschild. „Adolf's father, Ails Hitler, was the illegitimate son of Maria Anna Schicklgruber. It was generally supposed that the father of Alois Hitler was Johann Georg Hiedler....

"There are some people who seriously doubt that Johann Georg Hiedler was the father of Alois.... [an Austrian document was supposedly] prepared that proved Maria Anna Schicklgruber was living in Vienna at the time she conceived. "

At that time she was employed as a servant in the home of [a] Baron Rothschild. As soon as the family discovered her pregnancy she was sent back to her home ... where Alois was born."

It is believed that Hitler (who was totally created by Satan's Empire) attacked Austria first, in order to destroy the Austrian records that proved his Jewish ancestry. As Hitler's demonic attack on the Jews progressed, one would imagine that the Zionists would come to the rescue and offer Palestine as a safe haven. Not so. Many European countries shut their doors to the Jews, including the Palestine colonies.

The Zionist controlled immigration laws in Palestine were very strict and it was near impossible to escape to the Jewish homeland. In fact, the Zionists refused to admit there was a Holocaust going on although evidence points to them knowing! I suppose in their minds it was ok to sacrifice a great number of Jewish lives in order to promote the idea of a Jewish state. To the elite the Holocaust was like shooting dead a herd of cattle to receive the insurance payment. Said Michael Seizer in his book. ZIONISM RECONSIDERED:

"Not even the events of 1933 aroused their [Zionism's] political interest. They were naive enough to see them as a God-sent opportunity for an undreamt of wave of immigration to Palestine. When the Zionist Organization against the natural impulses of the whole Jewish people, decided to do business with Hider, to trade German goods against the wealth of German Jewry, to flood the Palestine market with German products and thus make a mockery of the boycott against German-made articles, they found little opposition in the Jewish National Homeland, and least of all among its aristocracy - the so-called Kibbutniks."

Hitler forced the Jews to wear the six-pointed star as a sign of shame. It was this same symbol that the Rothschilds were named after and the same symbol that the Zionists promoted as a symbol of Jewish national identity. Do you see the contradiction? Said Jewish author OJ. Graham in THE SIX-POINTED STAR:

"Not all the concentration camp victims were Jewish people. Many were Christians. Spiritually, a parallel can be seen in the rituals to Ashteroth and Moloch, where the victims were burned as sacrifices to these false gods. Were the victims of the Nazis someone's sacrificial offerings?"

I believe they were. Remember the six-pointed star was the symbol of Moloch and Ashteroth.

Unfortunately, few Jews will tolerate a discussion of this subject. After World War II, the U.N., spurred on by the Illuminati created horrors against the Jews, panted Israel its statehood. Weizmann was the first president of Israel's Knesset (which was built with Rothschild money). The occultic hexagram is on the Knesset, and is also displayed on the Jewish flag.

"...the six-pointed star [had] made its way from Egyptian pagan rituals of worship, to the goddess Ashteroth and Moloch, to King Solomon when he went into idolatry," say, Graham. "Then it progressed through the magic arts, witchcraft [including Arab magicians, Druids, witches and Satanists], astrology (in which it was no new thing), through the Cabala to Isaac Luria, a Cabalist, in the 16th century, to Mayer Amschel Bauer, who changed his name to this symbol, to Zionism, to the Knesset of the new State of Israel, to the flag of Israel and its medical organization equivalent to the Red Cross."

What is the ultimate goal of Zionism?

David Ben-Gurion, a Zionist leader, tells us:

"With the exception of the U.S.S.R. as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an International police force. All armies will be abolished, and there will be no more wars. In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents."

Simply stated, Zionism (with Rothschild support) promotes a New World Order. The Rothschild control of Israel is immense. #1 Edmond established Trusts that make massive donations to Israel. Biographer Virginia Cowles explains:

"Originally the principle Trust was known as Pica - Palestine Jewish Colonization Association - but when it became clear, after the establishment of the State of Israel, that colonization would be handled by the Government, its functions were changed. Edmond's son, James, renamed it 'Hanadiv' the Hebrew word for 'benefactor' by which his father was known throughout Palestine; and at the same time rechannelled the Trust's funds to the promotion of education, science and culture.

When James died in 1957 his widow, Dollie, assumed the presidency which she still holds. For many years she has been powerfully assisted by Lord [Victor] Rothschild, and recently she has enlisted the help of the latter's son, [Lord] Jacob. The Trust knows no boundaries. In the 1960s it carried out James' wishes by providing money for the Knesset, the new Parliament building in Jerusalem. Today its beneficiaries range from universities, hospitals and public libraries to archaeological digs; from the board of the Weizmann Scientific Institute to the organizers of Instructional Television."

#2 Edmund is the most "race-conscious" of all the Rothschilds. He is on the board of many Jewish philanthropies - including president of the Association of Jewish Ex-Servicemen and Women, joint treasurer of the Council of Christians and Jews and treasurer of the Friends of the Hebrew University of Jerusalem. In 1967 he sent a letter to THE TIMES magazine suggesting Great Britain, Russia, and the U.S. all chip in and build desalinization plants for Israel so that the desert could be turned into a lush garden, with plenty of food and nothing to fight over (I have found that #2 Edmund loves to come up with cock-a-maime scientific suggestions towards the solution of world problems. For example, in an address to the organizers of the U.N.'s Earth Summit, he suggested building massive dry-ice machines on the polar capes to prevent their melting in the face of global warming).

#2 Edmund is also a warden of the Great Synagogue in London. He is the senior member of New Court in

London and is a member of the Illuminati's Pilgrim Society. #3 Edmond is an entrepreneur. He is very involved in tourism, and has funded many luxury resorts in Israel. He controls Compagnie Financiere, which is his holding company in France. He owns Banque Privee in Switzerland, and a merchant bank in Paris. He controls the largest toy company and the largest frozen food company in France. He is a director of Belgium's Banque Lambert, and of DeBeers Consolidated Mines in South Africa. He is on the Steering Committee of the Bilderbergers. And his interests extend into Israel, where he is the chairman of Tri-Continental Pipelines. Chairman of the Israel Corporation, and chairman of Isrop, which controls the Israel General Bank. The list continues.

#3 Edmond is on the board of the Hebrew University of Jerusalem. He directs the Middle East Peace Institute, which he founded in 1967. He regularly donates money to the Biological-Physio-Chemical Institute, which was founded by his grandfather, #1 Edmond. Hesits on the boards of a dozen or so hospitals and scientific institutes. #3 Edmond is considered the richest Rothschild. He has massive power, and this includes control of much of Israel. The Rothschilds have even had a street named in their honor. The First International Bank of Israel is located at 39 Rothschild Boulevard in Tel Aviv. Bank Hapoalim, "Israel's fastest growing bank", is next door at 50 Rothschild Boulevard. The satanic Rothschilds simply dominate Israel.

Apparently Israel has served as the meeting grounds for the French and English Rothschilds. The French and English Houses contributed over \$1 million to Israel around the time of the Six-Day War. It is reported that when Baron Alain of the French House visited Israel he "burst into tears" at the sight of the walling wall. Baroness Alix of the French House is the World President of Youth Aliyah, which deals with the emigration of Jewish children to Israel. Evelyn of the English House is chairman of the Board of Governors of the Technion, Israel's Institute of Technology. The satanic Rothschilds simply dominate Israel. The Rothschilds help Satan's Empire control the world's resources, the world's nations and the world's religions. They are an institution in the conspiracy and, if one looks carefully, the path of their destructive reign can be followed through the history of the past 3 centuries.

This article will be continued in the next newsletter, where It will discuss the House of Rothschild in the 20th century.

Project Pegasus, Time Travel & Chronovision

Attorney Andrew D. Basiago shared an update on his truth campaign involving time travel technologies. In discussing a recent news story about DARPA's advancement in video surveillance that could end public anonymity, he declared that "DARPA had far surpassed the performance of this kind of technology 40 years ago when I was serving on Project Pegasus" (as a child). He believes we're being prepared for the eventual truth about chronovision (technology to view past or future events), as well as teleportation into different times. The chronovisor, he explained, "generates a hologram of a past or future event...by driving an electromagnetic signal through an octagonal, an eight-sided array of bismuth crystals."

Basiago admitted that he hasn't seen the technologies since 1972 (when he left the program), and they may have been shelved, but, he added we do have some clues that chronovision persisted and was implemented by the US intelligence community.

Biography:

The team leader of Project Pegasus, Andrew D. Basiago, is a lawyer, writer, and 21st century visionary. He is an emerging figure in the Disclosure Movement, who is leading a campaign to lobby the United States government to disclose such controversial truths as the fact that Mars harbors life and that the United States has achieved "quantum access" to past and future events.

He has been identified as the first of two major planetary whistle blowers predicted by ALTA, the Web Bot project that analyzes the content of the World Wide Web to discern future trends.

Wikipedia

Time travel is the concept of moving between different points in time in a manner analogous to moving between different points in space. Time travel could hypothetically involve moving backward in time to a moment earlier than the starting point, or forward to the future of that point without the need for the traveler to experience the intervening period (at least not at the normal rate). Any technological device -- whether fictional or hypothetical -- that would be used to achieve time travel is commonly known as a time machine.

Theory

Some theories, most notably special and general relativity, suggest that suitable geometries of spacetime, or specific types of motion in space, might allow time travel into the past and future if these geometries or motions are possible.[18] In technical papers, physicists generally avoid the commonplace language of "moving" or "traveling" through time, and instead discuss the possibility of closed timelike curves, which are worldlines that form closed loops in spacetime, allowing objects to return to their own past.

Relativity predicts that if one were to move away from the Earth at relativistic velocities and return, more time would have passed on Earth than for the traveler, so in this sense it is accepted that relativity allows "travel into the future" (according to relativity there is no single objective answer to how much time has really passed between the departure and the return, but there is an objective answer to how much proper time has been experienced by both the Earth and the traveler, i.e., how much each has aged; see twin paradox). On the other hand, many in the scientific community believe that backwards time travel is highly unlikely. Any theory that would allow time travel would introduce potential problems of causality. The classic example of a problem involving causality is the "grandfather paradox": what if one were to go back in time

and kill one's own grandfather before one's father was conceived? But some scientists believe that paradoxes can be avoided, by appealing either to the Novikov self-consistency principle or to the notion of branching parallel universes (see the 'Paradoxes' section below).

Wormholes are a hypothetical warped spacetime which are also permitted by the Einstein field equations of general relativity,[31] although it would be impossible to travel through a wormhole unless it were what is known as a traversable wormhole.

A proposed time-travel machine using a traversable wormhole would (hypothetically) work in the following way: One end of the wormhole is accelerated to some significant fraction of the speed of light, perhaps with some advanced propulsion system, and then brought back to the point of origin. Alternatively, another way is to take one entrance of the wormhole and move it to within the gravitational field of an object that has higher gravity than the other entrance, and then return it to a position near the other entrance. For both of these methods, time dilation causes the end of the wormhole that has been moved to have aged less than the stationary end, as seen by an external observer; however, time connects differently through the wormhole than outside it, so that synchronized clocks at either end of the wormhole will always remain synchronized as seen by an observer passing through the wormhole, no matter how the two ends move around.
