Annie Rose:

Greetings to all; thanks for the prayers; much has been accomplished because of prayer! Her eyesight is getting better; the doctors believe it will be restored to almost same level as before.

Thinks Nelson Mandelal will work for world peace from the other side; hoping that the media goes back to being reporters and not being movie-stars.

Her readings are purely psychic at the moment; cannot read the ephemeris / books on the positions of the stars.

Concerned that America may be sending troops abroad to reduce the unemployment levels; hopes not!!!

Stranger at the Pentagon – 1967 book, by Dr Frank Stranges.

- Dec 1959 Dr Frank lectured in DC for 2 weeks on UFOS and the bible,
 - the photos he showed were taken by a ret AF photographer and UFO buff, August Roberts, was at the farm of Howard & Connie Menger -
 - August Roberts told Dr Frank that this man is not from here:
- Dr Frank pinned up the photos of Valiant Thor on his board & said this is an alleged photo of a man from another world.
- At the end of one lecture, a woman from the Pentagon pointed at the picture and said she wanted to speak to him privately: said the man wanted to meet Dr Frank, and that she would pick him up in the morning and take Dr Frank to meet Valiant Thor. And this happened.
