## Hard News

**R:** all manner of things happening – sublime to goings on in hell's kitchen!

- It is about love – has not been easy for him, as he looks at all that is happening – he does the night work and sees all of us – the night work sometimes blends with the day work and is not pretty – the Middle East and Israel and how this has to change: question has always been Palestine
- Issue is bigger than the Palestinians and the Israelis – it is about the Cabals; R put up an article on 2013 Roundtable about a Congress woman who called up a lobbyist & asked where her bribe money was!!!
- As Thom Hartmann says, sometimes you think the story is correct and suddenly everything you thought you knew about the story it is so off the wall, you have to re-check – **Bradley Manning wants to be known as Chelsea Manning now** - a she, not a he
  - This story **goes back to 9/11** – why do our brave men and women have to go through all this?
  - Daniel Ellsberg is still free & Chelsea Manning may get out with time served and a pardon from the C-in-C – hold that vision! We are the final moments here.
- Frank Chille put out an article about the sun; Rama posted it: sun going down on the 20<sup>th</sup> and it was pink and looked on fire – has to do with Sol, Helios and Vesta, Alcyone & Mother and what is going on right now : Nibiru is right in the n'hood
- **KOS sent a text message after R sent the pictures:** yes, Mother is in the 'hood! She is here – underlines the outrageousness of Ted Cruz and Mitch McConnell
  - we have been watching this republic turn – the most difficult and the easiest moments about looking at people's faces with love
- Liz Cheney – this goes into gerry mandering & how districts are changed happens when enough pressure is put on those in chambers of Commerce – where is my bribe money, Mr Lobbyist - and why are lobbyists part of the story? Dr Stephen Bassett is the only good lobbyist there is in Congress.

**Ed Schultz** and Mike Papantonio: Ed Schultz will have a Town Hall Meeting in Birmingham, AL Friday, 23<sup>rd</sup>, at 6 pm ED: on Sirius XM radio and on MSNBC  
Politics Nation – 6-8 pm, EDT – Al Sharpton's show

**Katherine from BIS:** so many people in various alphabet agencies turning hats around behind the scenes and getting on board with NESARA - being done quietly

**T:** Rachel is in North Carolina tonight and talking about the changes there:

- in 1991 NC was # 47% in terms of how many people voted in US elections; in 2000, # was 34%; in 2012 they were #11 in terms of voting people across US.

**T:** Bernie Schector was on **Ring of Fire with Mike P** on Wed: talking of status of World Court;

- asking why to this day no one has gone to jail for 9/11.  
He did a documentary called **Plunder** about the economic crash of 2008, and of the banksters
- World Court has hundreds and thousands of sealed indictments against these banksters  
[same as
  - Also the Franklin Trials and the World Court Trials – hundreds and hundreds of them; they indicted and hundreds and thousands of these ready to go in the World Court – War Crimes and Crimes against Humanity [it is all people] - there are all kinds of people sitting in ship prisons off shore, and more are being added!
  - He said “in the following days, these things will come to light concerning these crimes” and their criminals
- Also brought up Bradley / Chelsea Manning – a hard call for Obama: if we thought there were problems with Republicans who are not so nice and also some Democrats who are also not nice: **Congress is trying to change the definition of journalist to an aider and abetter to terrorists**

**Dennis Kuchinich** was on Thom Hartmann Tues: wanted to see the NSA shut down ALL THE WAY – we can no longer trust them: tens of thousands of new crimes of all sorts: wiretapping; e-mails being read; so many lies -

- People have 2 files: all activists are in one group; the angels are in another set

**Mike P** said on Wed: **shut down all the alphabet boys and arrest every one of them**

**Katherine from BIS & works with KOS:** Wall Street is going down like a rock [R talked to her Wed]

**R:** watch **Max Keiser** – see the blog site on 2013 Rainbow Rose

**MR:** what is your feeling about what that means? [“coming days”]

**T:** talked to Chantara who talked to Alfred Webre, [www.Exopolitics.com](http://www.Exopolitics.com) – she was driving him; he is going to Malaysia – he is an acting judge and they are trying Israel for crimes against humanity!

**MR:** timing of this info to come out?

**T:** he said he would be done and back in Canada before 9 / 11!!!! [He has been there for a while!]

& that congress vacation is 6 weeks long - has T thinking something big will break

**Katherine:** said that corrupt republicans are being brought to their knees by the White Knights and Obama **calling Constitutional Crisis is in the works** – a special session of Congress and everyone has to come back from vacations, etc – leading her to think that Webre being back by 9/11 – these ones are on a 6 week vacation because they are being rounded up

• Barack will throw them out on their ears & the White knights will arrest them as they go out the door!

**T: If they are trying Israel for high treason, who runs our Congress?**

**Israel is the one who runs Congress since 1949 when it became the 51<sup>st</sup> State**

• In 1948, still Harry Truman: this is the nastiest thing we have ever seen: they can commit any crimes they like – and AIPAC is right in the middle bribing every body

• The last Max Keiser – reading the riot act of financial high treason across this planet!

• The drug enforcement agency – SOD - on the new Al Jazeera program – using Chicago as the place to show the crimes of the drug enforcement agency to make the documentary:

• Rahm Emmanuel was BO's Chief of Staff; he is part of the US Mossad – in fact, he is the head!!! A dual citizenship means he is serving Mother Israel, not the US. [Hank Paulsen is the same]

**MR:** what could they have done to twist Obama's arm to get him in?

**T:** this is hard for people to get. This has been a double agency from the start.

• Hillary has been wearing the pants for the dark side. Obama works inside both dark and inside the Light and gives the dark side enough rope to hang themselves! Let this energy hang out and be seen

• His achievements in spite of the Republicans:

1<sup>st</sup> - he got Obama Care: NO ONE has been able to get to Universal Payer for over 100 years

2<sup>nd</sup> – Women's Rights – equal pay for women; this is the law though it is not enforced – give them enough rope to hang themselves

• As for Rahm: Obama had no choice at the time but to let it happen.

• The deals going on behind the scenes – the next one is in Pennsylvania – the fracking thing!

**Katherine** also spoke up about needing martial law for the big push: when people are traitors, the President has to call them out – the things that are ready in the World Court and what is going on in Malaysia are preparations for this.

• Abby Martin [**Breaking the Set**] had on Dennis K; Tuesday Dennis was on Thom H; on Wed, Mike P agreed with Dennis and upped the ante, saying all the alphabet ones should be arrested.

**Katherine:** not sure how it would look like: but there will be arrests

**T:** there are absolutely racists energies going on – a lady called Thom Hartmann yesterday: her sister and friends went on a vacation to a tourist area towards the coast: they were going to little shops – in the window of each shop a sign “Kill Obama” - this is the seriousness of the shit we are in in this country.

**T** got a **call from Grand Goddess Lillie & told GG Lillie about this:** GGL said that it is all over South Carolina and Alabama & Mississippi – THIS IS GOING ON RIGHT NOW

**T:** we are in 3 major portal days [Aug 22, 23, 24]

• **Katherine** said about the 2<sup>nd</sup> Grand Sextile & these portal days: – these energies separate those in Service to the One from those in Service to stealth, greed & selfishness – and the sea change is that

the majority of people want to see peace and Service to Others as the way to do things.

**CL:** today is the day is when the dark entities hiding in people are to be gone – info from Katherine May - who lives in the Hudson Bay area of NYC

**T:** THIS IS A GALACTIC OPERATION AND TAKES ALL OF US & HIS GRANNY TO DO IT.

- THIS PLANET IS SURROUNDED BY TRILLIONS AND TRILLIONS OF LIGHT SHIPS; WE ARE ON RED ALERT; THESE ONES ARE DREAMING SOMETHING UP THAT IS SO DASTARDLY, SHE DOES NOT WANT TO TALK ABOUT IT - and the ships are here to help the people.

**Caller from MN:** Who is Lady Master Nada?

**T:** she was born on the planet in this lifetime, and is a special lawyer at the World Court who has been in charge of the US since 2007 when Hillary was arrested, put in solitary confinement for 18 months The Hague

- Then 10,000 of top treasonous bankers were arrested – on Oct 31 when Rainbird's friend called and told her to watch TV – these ones were rounded up from various military bases where they had been held from June to Oct 2007 and put on CFA black military transport planes in shackles & flown to The Hague and put in solitary confinement [have huge jail with lots of spaces - underground]
- she is also in charge of the Solar Tribunal on Saturn for the whole solar system

**Caller:** wants to know about Lady Master NESARA

**T:** LM Nesara is not in the physical; she is a ray of energy; she is an etheric physical being of light that has manifested with this ray of energy and as we learn more and more about NESARA, we learn about the ray which is about galactic divine government and spiritual economics.

T has a painting of what she looks like, but will not show us until after the announcements

**Caller:** Is NESARA is a prophecy?

**T:** no it is a law signed into Oct 10, 2000

- it is a prophecy in the sense is that it is what has come into being over the last 30 years of hard work to make it match up with the times we are in
- the prophecy we talk about is the Mayan Prophecy, the Hopi Prophecy fulfilled! They are really one.
- Oct 1, is when the prophecy started in the fiscal sense – needed a new financial system to replace what is here now
- we are currently living in a full-blown Nazi 4<sup>th</sup> Reich and their ideas of a black market heist to reduce the human population to under 2%

**Caller:** another name would be the CIA ? **T:** Yes, and all their other agencies.

**CL: Reading:** what was channelled by Katherine May last night – [www.whoneedslight.com](http://www.whoneedslight.com)

- A momentous event taking place on Aug 21 – today is the day that the entities hiding with human hosts must leave now – either go back to the light or be dissolved. Any who refuse to leave will be dissolved slowly inside the human host. Those who go to the light will be forgiven and restored by AA Michael and Lucifer. As we write this, Lady Portia [Katherine May] is feeling the intense energy
- This evening, there will be an event - a turning point – all dark entities hiding on the planet will be called

- To hear the full presentation, go to BBS Radio archives for this evening.

**T:** some feedback on what she heard:

- T has been a student of Mother for 20-23 years, as well as a student of esoteric teachings since she was 13 years [ie, 55 years]
1. At the time of the beginning, 450 billion years ago, there is the unmanifest – where god as mother, not father - this is not about gender: **Mother is Source** – there is no such thing as a Father Source – at the time of the unmanifest world, creation emerges from here without the need of a father – and everyone has that ability.
    - At the unmanifest – **Mother is the source – this concept is not clear throughout the presentation**
  2. Out of Mother, in the physical world, we talk of **Black Holes**, and the most powerful one is THE DARK RIFT – if we were in it, we would see magnetic light is what you will see there – that type of light travels 10 billion X faster than the speed of light : difference is between the 5D [Mother] and the 3D[Father]
  - Mother created everything; In the 1<sup>st</sup> creation, Lucifer was first born of Jehovah – Jehovah was the shadow of

Alcyone [Mother's Twin Flame] that was cast on polarity in order to create it – and Alcyone drew the energy from Mother to create that polarity to act on that universe

- the Universe of Nebadon is a polar universe – the other 6 super universes are non-polar; etheric, unmanifest: non-physical is feminine energy; everything that is manifest, physical is masculine
- this is like putting a plug, the masculine part, in the wall, and the energy of source is the electric current which is in the wall. The light will not go on unless the plug [penis/male] is plugged into the female/ Source
- this concept has to be understood; if it is not, what we are still hearing is the Vatican stuff which is not true
- Lucifer was the first born son of Jehovah, the shadow side of Alcyone; the source of that shadow came from Mother – that is, Alcyone needed her to create that shadow
  - AND Mother says every yuga she trades places with Alcyone
  - AND Mother says I am the Light AND the Dark Mother.
- Lucifera is the concept of the First Born son of Jehovah
  - when we go to the concept of Lucifer, we are talking about the old law, the old Testament, the old way WHICH IS DISSOLVING RIGHT NOW, ENDING POLARITY
  - we've taken the polar concepts of light and dark and instead of creating 99% of diversity WITHIN THE LIGHT in the original concept of creation, we created 99% of diversity & polarity WITHIN THE DARK.
- There is nothing wrong with either the light or the dark **yet there is a 3<sup>rd</sup> thing: actions taken out of their time-space continuum – those actions are called EVIL.**
  - That is what the concept of Lucifera turned to Lucifer became: Lucifer is pure evil in terms of concept and use on this planet. Lucifera is the Bringer of the Dawn – it is crucial that we don't use words that are used for evil and use them to stand for the light.

**CL:** did not Lucifer return to the light?

**T:** only after eons and eons and eons and eons – **this is a recent event**

**CL:** reminds everyone to use discernment

**T:** and there is literally math and music, and music comes from math; there is discordance, there is harmony: and yes, there is discernment: the way the ascended masters work is that they work within the capability of the personality ego through which the higher energy is being channelled – and no matter how high the energy coming through is, it will down step to the ego of the person who is channelling This is a law.

**Caller:** more about Katherine May: said she was instructed by father/mother god to give it away for free except for postage and handling.

- when T was talking to Bill, she talked of Lady Nada: caller thought Ann De Hart was LM Nada.

**CL:** yes, that has been shared – yet we heard Tara say that LM Nada is head of the World Court – so she wonders if LM Nada is having several incarnations

**T:** responds: answer is the same – there are many many beings who call themselves Nada, St Germain & they will downstep to the level of the personality / ego that is channelling them – when the student is ready, the teacher arrives – all is in certain levels.

- There is also a place when this story will unfold fully, and each chela on the path will see more clearly – we are having quite a learning curve with the NESARA rays in our face, and yes we feel that we want to burst
  - As we do round table like this, we are doing a group mastery here

- About LM Portia: Mother corrects this – **LM Cassiopia is St Germain's twin flame;** Mother has confirmed this

**CL:** we go with the energy that is offered – finds it is a pure energy that comes from her

**Caller:** her question was answered.

**MR:** says thanks to all who have helped with financial support

Also, she and Angelsu were talking, but could not hear the call

**Reading:** T reads material from Chris Hayes program of yesterday – about the sarin gas - with comments

## **All In agenda: Reports of massive chemical weapons attack in Syria**

<http://www.nbcnews.com/id/49263362#52814274>

Watch *All In with Chris Hayes* Wednesday night for the latest on reports from Syria that chemical weapons were used in a massive attack on civilians. A spokesman for the Free Syria Army put the death toll at over 1,200, including many women and children. According to the rebels, poisonous chemicals were disseminated via missiles fired into areas around Damascus in the early morning hours. The White House was quick to condemn the reported attack and called for an immediate U.N. investigation. The U.N. Security Council did convene an emergency session Wednesday afternoon to assess the reports **Rula Jebreal**, MSNBC contributor, author, and journalist, will join **Chris Hayes** to discuss the situation.

**T:** all kinds of Israel Mossad agents on the ground in Syria – and also in Egypt which is a failed state

- the chemical weapons being used which Chris said were like Saddam Hussein used on the Kurds – he got them from Dick Cheney and Donald Rumsfeld

**T:** Al Assad / Netanyahu – is playing the dark card and is winning and his allies [Israel] are helping him –

- NOT IRAN OR HEZBOLLAH - when you hear “Iran” it is the “CIA in Iran” and the recent info about bombings by Hezbollah – it was ISRAEL!

**Rula:** Tells what was said clearly by an Egyptian reporter: what happened was NOT A COUP – IT WAS THE EGYPTIAN PEOPLE SAYING THIS IT NOT RIGHT: THE ISLAMIST BROTHERHOOD MADE A DEAL THAT DID NOT INCLUDE THE PEOPLE.

- The Islamist Brotherhood believe in stocking arms and believe in autocracy; they have been burning Coptic churches too

**T:** • Up to 1700 dead in Egypt

- aid has not been cut – this is being discussed

- Also, the arms are coming from the US, not from the EU – over 40% of the people in Egypt live in DIRE POVERTY! The kind of poverty makes India look like a palace.

- Assad is the most Machiavellian leader in the region: he is looking around and seeing that no one protested the use of chemical weapons in Jan and Feb, so now he / Netanyahu increased the amount and the

**Chris:** now this is a war crime

**Rula:** yes, a war crime

**Chris:** what is the response – we have talked about various possibilities. So what does US punishment look like?

**Rula:** what is the least worst option we have today? The real option is to push and not quit – push on the Russians or the Israelis who will not stand up to push back – this threatens the Golan Heights and other areas.

**Chris:** worries most about the sequence of testing and how much he will try

**Rula:** As it stands now, this war will carry on for years: there will be retaliation and a failed state with an Islamist

element – the Syrians and others have to align together: Sunni, Shia, women, Kurds – and this has to be done

**Chris:** we are very, very, very far from this

**T: WE ARE NOT VERY, VERY, VERY FROM THIS – WE ARE VERY, VERY, VERY CLOSE TO SOMETHING REAL**

**CL:** leads a guided meditation – [www.carolynannoriley.com](http://www.carolynannoriley.com) she has challenged AA Michael.

**Closing:**
