### Astrology: Annie Rose

- Mercury went retrograde on June 26<sup>th</sup>, goes direct on July ?? - means difficulty with communications  
Cancer is home; Aquarius is the public
- The US is considered to be Cancer – the Mercury retrograde will bring about instability  
Pluto and Uranus are squaring each other, not too good - Pluto is in Capricorn opposing America;
- Uranus is in Aries, squaring it – Aries is feisty and the one demanding accountability. The last time Pluto was in Capricorn , the coal industry was in power. Says that the Administration is thinking of taking control of the shale industry as it did the coal industry.
- Could also be tax increases – says it is the people who have money who open up the new industries, etc etc – hope they are not attacked too severely by the gov't – could be cutting off our nose to spite our face  
Saturn will turn direct soon, in Scorpio – things coming forth will be rectified or proven; there will be more work and responsibility for us when it turns direct
- Will have financial concerns, yet on the 12<sup>th</sup> – will spend more time with what we want to do, rather than what we should be doing. The US will seek more teamwork with other countries; Egypt is in the spot light at the moment, but other countries will also see their peoples stand up and row
- Found it disturbing that the major TV channels are showing the trial about the child in Florida – there is so much other stuff happening around the planet; unfortunate what happened, but they should be keeping people abreast of what is happening – so much potential for things to be said incorrectly or unhappily – the words must not be misconstrued and that is so possible!
- Have to be sure the US does not make the wrong decisions before July 20<sup>th</sup> – sending troops overseas where they would not be so welcome is not wise.

**MR:** sounds like we have to be careful what we say, especially to our family

**AR:** yes – when Mercury is in Cancer, the home is affected greatly, including our loved ones, our friends

**T:** hopes she is feeling better; AR did feel better especially after she heard about the prayers; has found the vitamins and minerals help

**T:** the earth bed would also help AR – would help with the weakness of muscles

**MR:** lists the next 3 weeks guests:

- asks about people being scheduled and having troubles with the phones – is this part of it?

**AR:** things pop up like about the 100 gallons of water on her basement floor!

**T:** there is a scene they get from their sources: there is the old order gov't / 13 families which control in the form of the Republicans; and the NESARA people which is Barack and spiritual ethics

- hoping that this split gov't will not do anything - they will do just what you don't want them to do! The 14 controllers of the Republican party committed treason on the day when Obama was inaugurated
- vis-à-vis cutting off your nose to spite your face: the wealthy people have been given a dead line - their intent is to become richer and get rid of the middle class; they have until the end of July and if they do not give away more than 50% of their wealth away, they will be arrested for economic treason – she asks AR to comment on this
- July 29<sup>th</sup> looks like the chance to make a big breakthrough – 7 different planets connected to the moon on that day – it is also the last quarter moon.

**AR:** after midnight, July 29<sup>th</sup> EST, the moon goes into Cancer – the moon is the 2<sup>nd</sup> most powerful light in the heavens and it will be favouring Cancerians, esp the US – definitely a break through

- Also have Mars in Virgo and Mercury mind/communication conjunct Virgo, and the sun will be in Virgo – all in the 3<sup>rd</sup> house of communication [Virgo] in a favourable manner.
- We may find out – in Egypt, many people blaming the USA for having President Morsi – she does not think the US put him in, though they did promise him help by giving \$ for arms and the training of soldiers – promised Egypt \$300 billion – people do not understand the benefits to the US helping other countries like access to air space, for example – these are the communications which are mixed up now, but after the 20<sup>th</sup> will be understood better
  - Syria and others are blaming the US too

**AR:** truly enjoyed the meditation tonight

**MR:** Angelsu asked for this one tonight as she could not be here!

#### **Hard News:**

**T:** in spite of it seeming slow, things are going faster than ever!

- Thom Hartmann: the demand for German exports is not happening; bad weather in central south Germany is costing huge amounts; 10% increase in filings for bankruptcy
  - China's market is contracting rapidly – at Christmas time, *60 Minutes* went to China and showed city after city with houses and apartments and no one in them: the cost is way too high, and American companies are putting factories there and keeping the workers in compounds.
  - The trade between Germany and China has fallen off the cliff
  - Before the floods, German companies were already struggling – it is not just about China – it is really the US who started this with Reaganomics: Nixon really started this – it was Bush Sr who committed treason because he was selling arms to the Iranians, an enemy of the state. Reagan was just a puppet of Mr Schirff from the beginning – the country has been at a facade level of being strong for the New World Order – which is really the old world order!

**T:** Last Saturday, a caller read a whole article that went back to Organic Columbia Act of 1871 **[SEE BELOW]**

- the original true constitution was in 1774; the country was founded under the Masonic law of the light and under the Moorish Banner
  - in 1776, Jefferson tried to end slavery; the south said no – so he took all this out:
- today is Declaration of Independence day - Morgan Freeman and other took excerpts from Howard Zinn and other people so T & R are presenting this to present the positive
- the news is horrendous – Syria, the drone strikes – yet don't be sad about Egypt
- because of the split in our country which is the 13 families wanting to hold on to the power in this country, having to do with the purse strings and pushing fossil fuels, Morsi got more money on the anniversary of his coming to office
  - a judge has taken Morsi's place –
  - doesn't know about Mohamed ElBaradei, [Diplomat who worked with Hans Blix; he was the Director General of the International Atomic Energy Agency] - he would set things straight; he knows 9/11 is an inside job – being blocked by the 13 families because he knows all

- Some things are getting a bad rap – **Gitmo Bay is not about Obama**
  - About 100 have lost anywhere from 40 – 60 lbs since Feb and the description of the violence with which they are force fed – the tubes are not cleaned, the men bleed from their noses; the “nurses” are groping them and sexually violating them
  - Our young men at the age of 20 are behaving in unspeakable ways!
- A couple of members have been there for a long time – they are being represented by people from the Constitutional Law Center, members of which are bringing forth the letters written by a couple of them
  - One man has been cleared for 3.5 years; his wife and 3 young children live in London – he was picked up when the US invaded Afghanistan – he has done nothing! He wrote the long letter and describes what happens – talks about the groping and the assault: he called out that it was not a search but sadism; this has also happened to others – the man from Kenya: why are they doing this? We had peace in the early days with Obama - this system is as it was under George Bush
  - Abdul Hadi Forash – a Syrian National also wrote – cleared for release on 2010; described the assault and then the force feeding process
  - The most positive thing: they are getting people who are aware of their plight and there is a sense of solidarity both between all the prisoners and with people outside the prison

**R:** talked to Katherine [works with KOS in his office – his girl Friday] for a bit: how is this going down?

**Her answer:** There are a lot of scenarios in play at the moment; has everything to do with the announcements and the arrests

**MR:** arrests are happening??

**R:** Katherine explained that the Axis of Evil countries [Korea, Iran and Syria] – now all of South America and Asian countries are being monitored by the US – all except the European countries – all are now considered friends of one or the other of the Axis of Evil countries – THIS IS NOT BARACK!

- She reminded that Obama was elected WITHIN NESARA LAW - this is Hillary, the Republicans, the 13 families

**T:** This is a hollow shell of a 4<sup>th</sup> of July – until announcements, the people are not really free. **1<sup>st</sup> has to be arrests.**

- Katherine confirmed that there is a global arrest warrant for Bush and Cheney who did 9/11 and started this wound that is getting worse:
- there has to be a public announcement of NESARA law
- things appear divided yet there were demonstrations across the country by the people ACROSS THE COUNTRY on abortion and all kinds of issues – people were on the streets, not watching football!!!

- The atmosphere is ripe for spiritual evolution: when the signal is given and the military grid is shut down –
  - since Dec 21/12 – the military grid can be shut down and not affect the civilian grid

**MR:** have we heard this before?

**T:** it started with Dr Keshe saying he has the technology to shut down the military grid;

- THIS IS THE FIRST TIME WE HAVE HEARD ANYONE FROM KOS' OFFICE SAY THIS
- THIS MEANS WE ARE READY TO DO THIS – IT CAN BE DONE WITHOUT CREATING HAVOC ACROSS THE COUNTRY.

**CL:** gets what is going on!

- Then the true whistleblowers can come forward; it will sound like an air raid when we had to get under desks! The galactics at the same time will be broadcasting the Solfeggio scales on the planetary grid! WOW!!!

**T:** It will bring calm as the same time – being given the happy camper pill!

- Who will be on stage: Obama, Bill Clinton, KOS, Valerie Plame, Amy Goodman, Naomi Klein, Naomi Wolf, JFK Sr and others

**CL:** was listening to mother/father god last night; St Germain was being channeled last night

- spoke of those who will surprise us as double agents – things going on behind the scenes
- no longer “soon” - it's happening right now!

**T:** she took a chance: the RT folks get their labels mixed up – she ended up seeing Larry King and he had on 3 persons on – 2 were at the citizens hearing, 1 was the sceptic: very powerful program.

- One of the ex -C-A officers told his story: this is real; I am an insider and this is a cover-up – I am not a crazy sceptic it is real and shut that guy up [the middle one] [the cover-up refers to the galactic story!]

**Audio:** Morgan Freeman introduces the background to the Declaration of Independence; says it was written to be read out loud and the reading begins [Hollywood actors read the Declaration of Independence](http://www.youtube.com/watch?v=dgMblHUhwK0)

A group of Hollywood actors read the Declaration of Independence. In order of appearance: Morgan Freeman, Mel Gibson, Michael Douglas, Kathy Bates, Kevin Spacey, Whoopi Goldberg, Edward Norton, Renee Zellweger, Lucy Liu, Ming Na, Winona Ryder, Benicio del Toro, Graham Greene.

**T:** refers back to the article: **Two Constitutions in the United States. 1<sup>st</sup> was suspended in favour of a Vatican Corporation in 1871**

- We are now in a position to declare real freedom and bring up the constitution in the Bruton Vault – the south would only sign the constitution if it was for white men and so on; the original Constitution puts the rights of women first, then of the natural world, of animals,

### Upcoming Guest List

July 11<sup>th</sup> - Dr Olry

July 18<sup>th</sup> - Frank Chille

July 25<sup>th</sup> - Director Craig Campobono the movie was written by Frank Sranges about Valiant Thor who lived under the white House for 3 years

**Caller1:** with all that is happening, how are the people with no clue going to handle all this?

**CL:** the reason we have had these roundtables for all these years; we will have the concern for those folks

- there will be energy offered to all these people – it is our job for these on these calls to hold the place of balance

**T:** have to be living under a rock not to notice what is being on main stream TV: everyone on earth should know what is going on with the banksters – anyone who has lost their home or their land can get it back, free and clear; the people who lost their lives in 9/11 have the right to come back in their bodies – they have the right to decide if they want to do this

- this will be done in a way that everyone should feel so much better, except the ones at the top

**Caller1:** lots of TV does not show this kind of stuff

**T:** MSNBC is now considered main stream given the number of viewers

- there are radio programs talking some real true stuff; NPR is coming back
- Tells the story of Michael Moore breaking in on Wolf Blitzer on CNN and going after him for 30 minutes for not telling the truth

- There are 80 Million people in Egypt, and 33 Million are on the streets! **This is a HUGE DEAL!**

**Caller 2:** what's happening with Snowden and Putin?

**T:** they are working on getting him help with the galactics – the rest of the world is way ahead of the US;

- all of Russia long ago accepted galactic presence – would not be a problem to have Snowden beamed up and dropped off in Bolivia or Venezuela –
- all of South America has gone into solidarity over what happened to Eva Morales – they are kicking out all the European ambassadors in response to the insult!

**Caller3:** asking if the ones doing arrests having guts or backbone?

**T:** the White Knights have been doing this for 33 years – large numbers of these ones are already in ship prisons around the country; the biggest concern is the people in the US who insist on staying asleep!!!

**Caller3:** wants them to raise hell!

**T:** This is a stage we go through; we now have to have the consciousness for radical forgiveness – stretch beyond the place of how mad you are and get to that forgiveness; we do not want to repeat history

- Has not been long: 33 years for 13,000 years is long enough, and we have to wrap our heads around 7.4

billion people. This country [US] is the empire, has had the most and even though Britain has colonized the US and the Vatican owns Britain – that is the reality – and now people are not listening and taking the power into their own hands

- In Egypt, don't forget the pyramid at Giza and the energies from there

**R:** Also there is an increasing serendipity that asks do you really want an adventure?

**T:** there is a global ground crew now – people in the streets in Hong Kong – control in China has been so severe; yet good things are happening - this has been the first time a Chinese president has come to the US to talk about getting NESARA enacted –

- None of us can forget what has been happening behind the scenes – it has been 24/7, 365 days a year endeavour for the White Knights
- there has been splintering in the Light worker core – since 1999, lots of events behind the scenes that reveal who can be trusted or not – on both sides of the fence – so the republicans and the democrats got together to do immigration reform, and someone said we will put up a berlin wall here, and the rest of the world is asking why you do that when the Mexicans have gone through hell because of US drug wars?

**R:** Mt Popocatepetl in Mexico – flights suspended to and from Mexico City

**T:** The next place to be concerned after Mexico would be New York City – Edgar Cayce talked of it, too, being concerned about that area going under water – brings up the idea of the money to be set aside to build a wall along that coast to keep out the water! May be a bit late.

**CL:** She is only an hour from NYC, close to Delaware River

## 2013, July 4 **6 US airlines cancel flights into Mexico City due to volcanic eruption**

By Associated Press, Updated: Thursday, July 4, 6:44 PM

MEXICO CITY — At least six U.S. airlines cancelled 47 flights into and out of the Mexico City and Toluca airports Thursday after the Popocatepetl volcano spewed ash, steam and glowing rocks, airport officials said.

Mexico City airport spokesman Jorge Gomez said U.S. Airways, Delta, United, American and Alaska Airlines cancelled the flights as a precaution. But he said the airport otherwise continues to operate normally and that by Thursday afternoon no ash had reached the area, about 40 miles (70 kilometers) northwest from the volcano.

**T:** last time this happened, millions of people died and there was so much lying about how many died

**T:** D'yanna told them about something going on across the nation: a volunteer group of farmers is boxing organic food and other items, and giving it to people like D'Yanna's buddhist friends in Idaho city for \$25 a box, enough for 3-4 weeks: [www.Bountifulbaskets.org](http://www.Bountifulbaskets.org)

2013, June 20      **Two Constitutions in the United States. 1st was suspended in favor of a Vatican Corporation in 1871**

Since 1871 the [United States president](#) and the United States Congress has been playing politics under a different set of rules and policies. The American people do not know that there are two Constitutions in the United States. The first penned by the leaders of the newly independent states of the United States in 1776. On July 4, 1776, the people claimed their *independence* from Britain and Democracy was born. And for 95 years the United States people were free and independent. That freedom ended in 1871 when the original "Constitution for the united states for America" was changed to the "THE [CONSTITUTION OF THE UNITED STATES OF AMERICA](#)".

Pope meeting with the board of directors of The Vatican Bank

The Congress realized that the country was in dire financial straits, so they made a financial deal with the devil – international bankers — (in those days, the Rothschilds of London ) thereby incurring a DEBT to said bankers. The conniving international bankers were not about to lend the floundering nation any money without some serious stipulations. So, they devised a way of taking back control of the United States and thus, the Act of 1871 was passed. With no constitutional authority to do so, Congress created a separate form of government for the [District of Columbia](#).

With the passage of "the Act of 1871" a city state (a state within a state) called the [District of Columbia](#) located on 10 sq miles of land in the heart of Washington was formed with its own flag and its own independent constitution – the United States' secret second constitution.

The flag of Washington's District of Columbia has 3 red stars, each symbolizing a city state within the three city

empire. The three city empire consists of Washington D.C., London, and Vatican City. London is the corporate center of the three city states and controls the world economically. Washington's District of Columbia city state is in charge of the military, and the Vatican controls it all under the guise of spiritual guidance. *Although geographically separate, the city states of London, the Vatican and the District of Columbia are one interlocking empire called "Empire of the City"*

The constitution for the District of Columbia operates under tyrannical Vatican law known as "Lex Fori" (local law). When congress passed the act of 1871 it created a separate corporation known as THE UNITED STATES and corporate government for the District of Columbia. This treasonous act has unlawfully allowed the District of Columbia to operate as a corporation outside the original [constitution of the United States](#) and in total disregard of the best interests of the American citizens.

(POTUS Obama at the Vatican Corporate

headquarters)

POTUS is the Chief Executive (president) of the Corporation of the United States operating as any other CEO of the corporation — governs w/a Board of Directors (cabinet officials) and managers (Senators/Congress) Obama as others before him is POTUS — operating as "vassal king" taking orders once again from "The City of London" through the RIIA (Royal Institute of Intl Affairs). The Illuminati (founded by the The Society of Jesus or Jesuits, the largest *Roman* Catholic Religious Military Order headed by the Black Pope) created the [Royal Institute of International Affairs](#) (RIIA) in 1919. The American equivalent to the RIIA is the [Council of Foreign Relations](#) (CFR). The RIIA and CFR set up Round Table Groups (based on the King Arthur myths).

What did the Act of 1871 achieve? The ACT of 1871 put the United States back under British rule (which is under Vatican rule). The United States people lost their independence in 1871.

THE CONSTITUTION OF THE [UNITED STATES OF AMERICA](#) is the constitution of the incorporated [UNITED STATES OF AMERICA](#). It operates in an economic capacity and has been used to fool the People into thinking it governs the Republic. It does not! Capitalization is NOT insignificant when one is referring to a legal document. This seemingly "minor" alteration has had a major impact on every subsequent generation of Americans. What Congress did by passing the Act of 1871 was create an entirely new document, a constitution for the government of the District of Columbia, an INCORPORATED government.

Instead of having absolute and unalienable rights guaranteed under the organic Constitution, we the people now have "relative" rights or privileges. One example is the Sovereign's right to travel, which has now been transformed (under corporate government policy) into a "privilege" that requires citizens to be licensed – driver's licenses and Passports. By passing the Act of 1871, Congress committed TREASON against the People who were Sovereign under the grants and decrees of the [Declaration of Independence](#) and the organic Constitution. The Act of 1871 became the FOUNDATION of all the treason since committed by government officials.

As of 1871 the United States isn't a Country; It's a Corporation! In preparation for stealing America, the puppets of Britain's banking cabal had already created a second government, a Shadow Government designed to manage what "the people" believed was a democracy, but what really was an incorporated UNITED STATES. Together this chimera, this two-headed monster, disallowed "the people" all rights of sui juris. [you, in your sovereignty]

The U.S.A. is a Crown Colony. The U.S. has always been and remains a British Crown colony. King James I, is not just famous for translating the Bible into “The King James Version”, but for signing the “[First Charter of Virginia](#)” in 1606 — which granted America’s British forefathers license to settle and colonize America. The charter guaranteed future Kings/Queens of England would have sovereign authority over all citizens and colonized land in America.

After America declared independence from Great Britain, the *Treaty of Paris*, signed on September 3, 1783 was signed. That treaty identifies the King of England as prince of U.S. “*Prince George the Third, by the grace of God, king of Great Britain, France, and Ireland, defender of the faith, duke of Brunswick and Lunebourg, arch-treasurer and prince elector of the Holy Roman Empire etc., and of the United States of America*”— completely contradicting premise that America won The War of Independence.

Article 5 of that treaty gave all British estates, rights and properties back to Britain.

*It is agreed that Congress shall earnestly recommend it to the legislatures of the respective states to provide for the restitution of all estates, rights, and properties, which have been confiscated belonging to real British subjects; and also of the estates, rights, and properties of persons resident in districts in the possession on his Majesty’s arms and who have not borne arms against the said United States. And that persons of any other description shall have free liberty to go to any part or parts of any of the thirteen United States and therein to remain twelve months unmolested in their endeavors to obtain the restitution of such of their estates, rights, and properties as may have been confiscated; and that Congress shall also earnestly recommend to the several states a reconsideration and revision of all acts or laws regarding the premises, so as to render the said laws or acts perfectly consistent not only with justice and equity but with that spirit of conciliation which on the return of the blessings of peace should universally prevail. And that Congress shall also earnestly recommend to the several states that the estates, rights, and properties, of such last mentioned persons shall be restored to them, they refunding to any persons who may be now in possession the bona fide price (where any has been given) which such persons may have paid on purchasing any of the said lands, rights, or properties since the confiscation.*

*And it is agreed that all persons who have any interest in confiscated lands, either by debts, marriage settlements, or otherwise, shall meet with no lawful impediment in the prosecution of their just rights.*

It is becoming increasingly apparent to American citizens that government is no longer being conducted in accordance with [the U.S. Constitution](#), or, within states, according to state constitutions. While people have recognized for more than 150 years that the rich and powerful often corrupt individual officials, or exert undue influence to get legislation passed that favors their interests, most Americans still cling to the naive belief that such corruption is exceptional, and that most of the institutions of society, the courts, the press, and [law enforcement agencies](#), still largely comply with the Constitution and the law in important matters. They expect that these corrupting forces are disunited and in competition with one another, so that they tend to balance one another.

Mounting evidence makes it clear that the situation is far worse than most people think, that during the last several decades [the U.S. Constitution](#) has been effectively overthrown, and that it is now observed only as a façade to deceive and placate the masses. What has replaced it is what many call the *Shadow Government* – created with the illegal passing of the Act of 1871. It still, for the most part, operates in secret, because its control is not secure. The exposure of this regime and its operations must now become a primary duty of citizens who still believe in the Rule of Law and in the freedoms which this country is supposed to represent.
