Astrology - Annie Rose

MR: we are glad to have you back!

- Virgos: tend to take constructive criticism as just criticism: never happy with their performance. They are very helpful, also wilful; – the Virgos which are trine Taurus in Capricorn
- Also Gemini and Sag in Pisces – will enliven them physically; Pisces will find things a bit chaotic
- We will all be affected by the new moon in Virgo, some more than others
- Will be a movement towards spiritual growth for society itself;
 - the thing in Syria has lots of emotion, but spiritual growth will follow – she does not see US invading there; could come close to an air war but won't do it;
 - Legislators in DC are befuddled – have been asked to take the heat for America being aggressive – there will be lots of hard feelings and upsetting news to the legislators.
 - Feels that this is a way to spread the responsibility by having the vote – does not feel the majority are in favour.
- Concerned that President needs some prayer, especially meeting with the G20 – a bit much to ask of him.
- We will see our energies going strongly until the 14th – 17th of Sept, the time we need to be cautious
 - The media is the cause of a lot of unrest, and people are starting to see this – she has been in radio & Tv for a long time, and knows what one program can do –
 - none of the commentators, hosts, have the intestinal fortitude to run for office, yet have their own opinion about what should be done – they are endangering the lives with our soldiers.
- Looked at Harry Truman and the atomic bomb: they did it and then told us
 - Desert Storm – was all set up and then people were told the US was at war
 - There is a need for privacy on matters affecting the country
- The moon in Virgo – will make things happen, and it will be very surprising – things will turn out well for common people. There will be surprising moves for political leaders – will be exciting for us and the betterment of the country
- The US is Cancer, and the new moon in in 3rd house, communication – every kind of media will talk about what is happening
- Financially, we will see better times! Sees an end to the journey, the roller coaster ride – end coming quickly – thinks we'll be celebrating by this time next week.

CL: Is she referring to RV [dinars] or programs or all of them?

AR: talking about all of them – feels certain of this; politicians will be surprised that average people will be so affected

Shes heard 1 million people – does not know

Does not think it's a million people in the US

CL: thinks she read that it's 300,000 – will be a big deal along with the prosperity program

AR: and a lot of financial good will come from it. A lot of people who did not have the intention of tithing and sharing have walked away from the program. They may have said I am going to tithe, but in their hearts they knew they would not be doing it – she saw that they walked away from that.

- During meditation, she keeps seeing – some very strong big name person who will pass away quite suddenly – sees a big black box. Normally a death is seen as a seal moving across the floor – this one is a male and she has never seen this before. Does not feel it is Nelson Mandela

CL: is there a kind of heart burden when you have such an experience?

AR: it's a blessing and also a burden – it will happen during the night: she's getting up every night at 2:15 and 3:30, CST.

- Feels strongly about the RV. She went to the bank to pick up some papers; went through drive through and the teller said she would be back, and then an Asian man, a VP came to speak to her.
 - Told her that she'd made a wise move; the currency she was picking up would be worth a lot more! So she told her friend and they are excited to see what happens.[She picked it up for the friend.]
- Leos will have some good news about money this week.

- The new moon in Virgo a good time to break bad habits and try a new diet, for example.
- T:** every time we go through a new season, it is a good time to do a cleanse. Also we have been through things emotionally, cosmically and so on – time to clean up the body. When we clean the body, we are able to access higher spiritual energies.
- AR:** Virgo looks after everything from below the stomach; an excellent time to cleanse self and eatfoods that will enhance the performance of the lower intestinal tract.
- T:** Ability to attract abundance is related to the cleanliness of the body; clean up the cogs in the emotional body and the attitudinal area as well.
- MR:** Lloyd Mear is coming out with new healing codes in the next month for releasing the physical, mental, emotional, spiritual so we can accept the abundance – **will be issuing The Master Keys.**
- This is Lloyd Mear – no interviews until he is finished the launch of these keys.
- T:** they have a block buster report tonight, and when you said that many would be doing much better financially – their report talks about this. **Before that happens, criminals have to be arrested!**

Hard News:

T: by way of follow-up:

- Last Sunday **R spoke to LM Nada** – told her he was tired of pulling his hair out – what's going on?
 - LMN: (1)** Reminded him that Pres XI, Putin, Obama are playing chess, and doing it very well; the others are Illuminati puppets
 - (2)** The three have in common: they know who Ashtar is, and what time it is, and they have their orders. The rest is a play; Obama knows what he is doing and is flushing out the criminals
 - (3) R asked:** how are you going to show people that it was chlorine gas, and that Netanyahu who did it?
- LMN:** It's classified and I would have to kill you, Rama – yet I know the outcome & all's well that ends well

R: talked to Rana Mu today: there is a lot of mix with the story; as AR said – don't trust the media any further than you can throw them – except maybe for Al Jazeera, Free Speech TV, World Link TV; Sam Seder

- Has to do with the great eye: it has seen us, and there is a tear in it as it knows its time is finished –
 - the **overall grand cycle is coming to an end**, like Davdi Wilcock, George Noory, William Henry, others are talking about:- the 26, 826 year grand cycle! Synchronicity is in the picture now.
 - The great eye is toast – all the other players are trying out all the old “stuff”
 - Up until today, it's been one story after another: you could put Mr Skull & Bones along side Colin Powell – there were no weapons in Iraq – **had only to do with Stargates.** Same as Syria. You go in through the door to the Great Central Sun, Alcyone/Mother, which is the only way through the door
 - Everything brought up here – **yes, chlorine gas was used** and Al Assad had nothing to do with it – yet he is in the thick of it through conventionally killing his own people
 - Rama heard an interview with one of Al Assad's friends who went to college with him in the 70s and saw 3 personality changes; in 1984, he got his degree as an ophthalmologist and was wise, beautiful, a not into politics guy. His father ran the country and was a murderer; in 1994, father in a car crash and never recovered. When that happened, . . . [his training began to take over the role of leader]
 - Alawites – a secretive group of Islam – believe the Mahdi comes out of them!

Stephanie Miller show, Hal Sparks as host: {Wed} Rick Outsen, Keith Olberman laid out some information

- the Alawites are a secret group in the Islamic tradition, pagans who follow a strict code of ethics;
- between 2013 – 2015, they expect the cosmic Christ to show up on a white horse with a sword.
- There is also the story in Revelations where 2 witnesses show up: one is the anti Christ, and the other is a messenger who works with the Office of the Christ, Sananda Kumara
- They are playing with this right now; what is playing out in the Middle East with Mr Putin – nothing short of the movie called *War Games*. This is where Ashtar steps in: he has said NO NUKES –
- This is a dangerous brinkmanship game with the loose cannons: Mr Skull and Bones, Panama John McCain and Lindsay Graham and the others

- There is a strange division in Congress: the tea party & hard core Republicans saying “No” to war
 - Ed telling folks all week to call their congress members, say if you want to keep your seat, vote NO!
 - He gives no leeway for anything other than staying out – would you want a bunker buster or a daisy cutter going into your back yard?
 - Only 64 good members will stand – there are murderers, paedophiles, world terrorists among the rest goes into the financiers & the war profiteers: Darth Vader Dick is happy because there is more work for Blackwater and other contractors
 - R finds it hard when he spends the nights picking up body parts and putting them in the particle beam and seeing a whole person showing up, yet we are living in a police state and law enforcement in the US has become terminators
- **Al Jazeera** tonight - on the borders between AZ and NM, one of the stories is that the kids were throwing rocks at the fence, and the border guards shot the kids until the one kid in a pool of blood – what is happening is the US law enforcement has become terminators.
 - Ed told another whole story: about DARPA and creating life forms that take the place of the soldiers and they cannot be killed: the cyber borg has already been created, and they think they can create a soul matrix for it – but they cannot.
 - There is a story about the Transhumanist agenda: the 13 families ideas thinking they can carry on.
- A lady with the IAVA [Iran and Afghanistan Vets Ass'n] – playing her banjo in a park in FL; it was hot and during the protest, she went to sit in the shade; the park rangers told her she had had her rest; move along. She said she had a right to be there as it was a public park; without warning they threw her down, started beating her almost to death
 - She is now suing them – said she could have turned around and killed them all in 5 minutes as she is a former soldier but respects the country. She also said something needs to be done in this country with war criminals who are committing random acts of genocide.

MR: someone has said some prosperity packages are being received in the NE

T: **KOS said any packages coming out before NESARA will be based in old dollar system, will not be valid**

R: it could be a test to find out how many they can lure out and kill you. **If you get instructions to go somewhere, DON'T GO THERE!**

- how can money and prosperity happen when Cheney and others are still planning the next war?
- It is insane that people would be getting money and another set of cabals is being set up
- Not one person has been jailed for the banking fiasco which is financial and economic treason; nor for 9/11
 - 78,000+ were killed on 9/11, and people still getting killed for finding out about 9/11

T: Christine Lagarde has taken over the Dinar, she is an archon, she is very, very evil - a male lizard who has shape-shifted to look like she does - very ugly!

Note Well:

- **THERE WILL BE NO PAYOUT OF DINARS IN THE CHUTE [process] THEY HAVE BEEN SET UP TO PAID OUT IN** – this is showing you the intervention of the controllers
- **THE DINARS WILL BE PAID OUT IN PART 2 OF THE PROSPERITY PROGRAM:**
 - \$10 million to every man, woman and child who has been completely vetted by the Ashtar Command who have been members of the US military since 1945
- **KOS IS IN CHARGE AS A FACTION 3 REP OF THE ASHTAR COMMAND;** he is the 7th incarnation & initiation of the soul of Sananda Kumara on the planet; **TWIN FLAME IS LM NADA,** a special lawyer at the World Court; head of the Solar Tribunal on Saturn; in charge of the US since 2007
 - These 2 are in charge of the financial part of the prosperity programs across the planet, and the accountability of the crimes committed against humanity and those who did them.
 - **LM Nada:** the last of the war crime tribunals were completed in Kuala Lumpur and have to do with all the war crimes carried out by Israel since 1949 when they became the 51st state of the US. The US has been controlled by ISRAEL ever since; no one has had control over what happens in the US; their minions who took money through AIPAC to commit crimes against humanity will be held accountable.

- Christine Lagarde is head of IMF, took the place with Dominique Strauss-Kahn – he was up for some other crimes in France – not sure if he's in jail yet.
- How soon till they are in jail?

R: leading up to this constitutional crisis: they are coming back from vacation and it's not looking pretty!

- Alan Greyson [D – FL] has gone ballistic: “No vote for War: stand with me and stand for justice!”
- As we strike Syria, Mr Putin steps into the picture and there are no forewarnings: Dr Keshe and Iran have their technology which they will use.

Rana Mu: is a Wingmaker, she and the other WingMakers have come from 175 million years in our future [Mother's past] and brought this whole hologram we've been living for the last 13,000 years – the Dark Priesthood of Atlantis & their descendents & the cabal who have been carrying out the last 33 years

- this Oct 1 will be the first day of the fiscal year 2014 – Sept 30th is the last of the 4th quarter of the last year: why would the prosperity not start fresh on Oct 1?

T: the Wing Makers came back to this time frame because one third of this entire Milky Way Galaxy was missing 175 million years in the future – this is the timeline these criminals are in - they are 5th dimensional lizards who have usurped their power on this planet: they had no business coming here they had no permission and they slapped Mother across the face, so she is here to collect her children.

In what follows, Tara's commentary is in italics, Rana Mu's is the opposite.

RM: We are in uncharted territory as we are now moving across the Galactic Plane which is called the Dark Rift, Mother's Yoni [a spiritual galactic term for the birthing chamber]

- as we move closer the to the Galactic Centre, the sun and all the planets are spiralling
 - *[T refers to the video of last week – where the planets are not going around the sun, but each planet has its own spiral, they are following the energy the creation chamber and going towards GC]*
 - our planets are following the sun which is crossing the Dark Rift and heading toward Galactic Centre, at 27* Sag *[Lord Salvington is the president of GC]*
- *GC is following Super Galactic Centre which is where 27 known galaxies are converging; & Super Galactic Centre is following Vega, a star, in the constellation of Lyra*
- *About This star, Vega: when we came into this universe from the Pleiades after the fall – the fortunate fall and the divine leila of Lucifera who decided to play Darth Vader games & who is a master of doing this: he was equal to us [as creators] and HE DID FALL FROM GRACE, AND he took actions which were not of the light, they were ACTIONS OUT OF HIS TIME SPACE CONTINUUM – which is the definition of evil.*
- *We came through to the Lyra constellation when we entered the Universe of Nebadon from anti matter; after we co-created the entire Universe of Nebadon with Mother [that is who we are – creators equal to Mother], then we went through and the first star they played havoc with was Vega, so we are re-tracing our steps back home – we are going back to the Pleiades and we are going to see 9 suns in our physical heaven as we arrive; the energies from those suns are already influencing us*
 - *we have 4 suns now in the Sirius constellation – Sirius A, B, Sol and Jupiter, which started igniting into a sun in 1976; there will be 5 more suns in our skies and the influences thereof.*
 - *the sun is cold, not hot: we are burning because of the crap in our atmosphere, and they blew holes in the ionosphere due to the blowing up of the Atlantean crystal. The problem is not the sun – it's us*

RM: As we move closer, the sun and all the planets are spiralling in to this direction with us; this is increasing the energies for everything and everyone to the 100th density, we are all becoming physical suns

- yet each one of us, in order to use of these new uncharted energies, must choose, in this free will universe, we must engage to take advantage of must chose to
 - as all of these energies come in, it creates the opportunity for every thing unlike love to be faced, and by our free will actions, we can clear our fields of excess baggage and choose love in the highest form, Divine Love
- the people of America do not know the mind of Al Assad; to assume that we know his mind is to

create, to manipulate, the truth and to assume – to do a military strike out of FEAR takes the world to the brink of disaster

- things have sped up so very much as we are ending, for good, the last remnant of the Kali Yuga cycle
- Barack is a master of the chess game going on at the Illuminati level; he is creating for everyone the opportunity to wake up and face the false evidence appearing real [FEAR] and call it out; a very serious game of chess indeed.
 - Ashtar and Sananda are sitting on the edge of the brinkmanship game
- A lot of members of Congress hate Obama so much they will say NO for that reason only
- Others will think that by going full bore to a strike, they will re-direct the focus from their crimes and say YES
- There is a third option – peace and peaceful solutions.
- Mr Boehner holds no power in the house as his entire caucus is not backing him; don't put it past Cantor to dose his drink and grab the speaker's gavel
- She expects more NO votes than Yes votes in Congress; I could be wrong, but I know the outcome of this:
 - NESARA GETS ANNOUNCED, and we get our abundance.
- The next step is arrests; right now Barack is at a sit down dinner, a late night dinner [RM spoke at noon in NM] it's 9 pm in St Petersburg; he may give some casual words to Putin, and Putin may go aside to talk with him – they [Obama, Putin Xi] are playing the Illuminati like a well-tuned violin.
 - whether the 24 characters at the G20, minus 3, realize it, they are being observed by all of the galactics and all of the Ascended Masters
 - the truth about the Saudi Arabian relationship – meaning King Abdul and Bandar Bush with Israel - will come out: She refers to the shells of the chlorine rockets found in the tunnels which say “Made in Saudi Arabia” - this means King Abdul & Prince Bandar Bush getting together with Netanyahu – truth will come out; they are also in bed with the Illuminati in the US meaning the Mossad – Hillary and Rahm Emmanuel!
- One of our CIA covert agents defected to Saudi Arabia recently; gave up his citizenship in the US and is in the process of becoming a SA citizen. He knew the plans for war and genocide and defected; has been given asylum & has applied with permission of a royal Saudi member with authority to grant the same.
 - He found out and released to RT tv & to France 24 hour news that the gas used in Syria was chlorine gas issued by Netanyahu through his Mossad agents, along with the CIA who work with Mossad in the US who, under cover of being fighters “Syrian / Al Queda” [now called El Mistra – the name of the extended branch of all CIA-du in Syria]

RM: John McCain went to Syria, said he was going to arrange for arms to go to the opposition and the Free Syrian army; instead, he was arranging with Mossad undercover agents with the CIA to get arms there

- while he was playing games in Syria - so-called helping the opposition forces, he smuggled the chlorine gas into Syria.

T: That is the story we are going to be watching the outcome of: McCain is the guilty person for having 1429 people gassed!

AR: where are George Soros and the Bilderbergers in this?

- T:** George has been killed and cloned twice; 2nd time was in 1997 when he turned over a new leaf
- in 1987, he won billions with the foot option thing crash; he knew what was going to happen. Then he was killed and cloned because he was going to talk; Rama talked to him and said he knew he had been cloned – he became a philanthropist who started various groups like Moveon.org - then he got compromised the 2nd time – not in a good place now.
- The Bilderbergs are the culprits for all this: Christine Lagarde is the overlord of them: a male lizard archon and they don't play – if you don't play with them when you make some money, you pay.
 - Bill Gates, Bill Clinton, Hillary, Warren Buffet, are all Bilderbergers – all of them were told a long time ago to give away over 50% of your wealth and we'll consider some kind of deal. They did not do it!
 - Bill Gates put his money into Melissa's accounts and other a/cs – all of them are murderers.
 - Bill Clinton will have to pay the piper too; the jury is out – he did one good thing: he handed over his

signature on Oct 10, 2000, shortly before he left office: he signed the NESARA bill into law.

- This gave full authority to the Sovereign World Militia forces, 20 million of them -
 - 16M are Ashtar Command members, 4 million are on earth and were born here – because there must be humans agreeing to and collaborating with what is happening on the planet.
 - The Ashtar Command has been a member of US military since 1945 after the 2 nuclear bombs, the only country on earth to dare do it.

- Also, in 1945, a nuke was placed on the fault line on the floor of the ocean near Fukushima by the Bilderbergers and they told Japan to do what they were told, or else we will detonate the bomb at a time we think is appropriate: this is what caused Fukushima. And every day 400 million tons of nuclear waste have been leaking into the air and the water since then. And the entire north hemisphere of the Pacific Ocean is radioactive –

- There are NO MORE MACKERAL LEFT.; SEA LIONS ARE BEACHING THEMSELVES dead for about a year now, AND THEY ARE BEING PICKED UP SO PEOPLE SO NOT SEE THEM.

- Couldn't be better news than what Annie Rose said: It is coming and it will be a big deal!
Carl gave the best report about the energies of September

AR: was in meditation to see what was happening world wide: has a question about the new Pope Francis –

- she had read that he was getting rid of the immunity power for judges, politicians, etc – all she could see was cell doors opening, and being filled with those people because of the removal of the diplomatic immunity

T: this is true, yet they [papacy, Illuminati] still consider themselves immune from this and above all law

- Pope Francis is a war criminal – a record a mile long - and people are not aware
- So is Benedict 16th
- James McBride is also a criminal: **he does not represent St Germain**

The reason for doing this [issuing the letter]:

- The Vatican is totally broke, nor do they want to admit that every hedge fund [high treason] was laundered through the Vatican bank and also the New Madrid bank in Spain
- The Jesuits all take an oath to eradicate anyone -president, ordinary person- who will not become catholic, esp. Protestants; any president, leader of a country on the planet has to go through the Jesuit General, the Black Pope who is the head of the Jesuits: they are the military arm of the Vatican. Those in Jesuits are from Opus Dei – remember the film, The Da Vinci Code, and the girl who found out she was the descendant of the line of Magdalene and Jeshu
- Lady Di was Sarah, the first born of Jeshu and Magdalene, and why it is called the NEW SARA law
 - male and female are co-regent together – equal in all ways
 - Vatican is the culprit because they wiped the feminine from the map, and slapped Mother Sekhmet in the face – GOD IS MOTHER!

MR: a question received by e-mail for R –

- Is Obama's DOJ protecting the Bush administration? Comments from Rama as he saw something about getting this decision reversed.

T: they think they are immune from being indicted until 2017 when they figure they'll be in charge & no worries

R: there are stories about Obama granting immunity to Bush, Cheney et al – **this is coming from Hillary!**

T: Kenya wants to leave the International Court of Justice:

- makes no difference – their VP is being tried now for war crimes; Pres being tried in November – matters not if they are members or not!
- The US has not signed on to the ICJ – DOES NOT MATTER! Already LM Nada has hundreds and thousands of signed indictments for the war criminals

- Hungary has kicked out the Rothschilds; have an arrest warrant out for Jacob Rothschild – they are “going Icelandic” on the Rothschilds!

MR: asking about Iceland & having the republic restored; they now have their gov't cleaned – anything more?

T: first thing they did was throw the banksters out! And the people all voted for this.

- Same thing happened in Hungary – and they are functioning quite well

R: Iceland's economy is doing well

T: they are learning more about bit coin.

- Karen Hudes was chief counsel for the Bank of International Settlements: she has 190 countries backing her, and they are taking down the banks – until we get our blessings, use bit coin and barter.
- With bit coin, you can pay your bills anonymously so you are not giving money to dirt balls. They are approaching 2 billion \$ worth of business. Going to be one in the basket of currencies.

T: another humdinger! **Henry Kissenger Implicated in 9~11 attacks.**

[SEE BELOW]

- There were 78,000+ disintegrated due to the nukes.
- Congress gave no money to the First Responders

MR: tells of a video done by a young man – slow it down & the weapons are visible

T: There is a new video out but it still does not talk about the nukes in the basement

T: Hiillary had killed all 6 members of the Navy Seal Team who took out the clone of Bin Laden!

• Discussion about Hollywood wannabes and newscasters:

- there are some good people in Hollywood and newscasters – and they are told where the bear goes in the woods: Rachel has tweeted Rama that she has a gun at both sides of her head, and is doing the best she can in the circumstances.
- Keith Olberman quit because he would not lie! He got up and said “Hillary, how come you won't step down? Are you waiting for someone to put a bullet in your opponent's head so you can step in?” He said that publically on MSNBC!

T: referring to the Apostolic letter: they are not in charge!

- There are human beings involved and the humans on the planet have to participate! The light workers keep saying when are THEY going to do something? The answer is they won't – unless there is nuclear or psychic holocaust! **It is up to us.**

Caller: asking about Architects and Engineers for 9/11 Truth – what has happened about the efforts of this group? This is a human effort that is tremendous!

T: (1) they still will not cover the nuke story: only saw the story in detail from Finland in 2005

- Caller says the A & E for 9/11 did talk about what was at the base of the towers

T: yes, but they did not say it was a tritium based nuke in each building: they were warned not to say anything – they know, but they cannot say if they want to stay alive!

T: (2) they did not talk about the magnetic particle beam weapon that caused the Hutchison effect

R: Dr Judy Woods – a youtube called “Where did the towers go?” – she described this effect and that the result was the complete disintegration of most of the material evidence.

T: the people jumping from the buildings were naked, as they ripped off all their clothes as they were burning up from the inside – there were star ships there, picking them up when they jumped.

- www.cyberspaceorbit.com – the site that showed the people jumping and being beamed up to the ships; it was taken from CNN at the time and caption was “What is this?”
- the guy who ran the site is dead now, killed for telling the truth – the main stuff that used to be on it is gone

- there's a story on there: Dan Rather supposed to have an interview with an Islamic man; he was to be a guest on 60 Minutes and talk about the Jinn & the Adu Jihad, who are beings floating in space, in orbit around the planet; encased in a kind of force field; they can only break out of it via a nuclear detonation. And the 13 families have been playing around and trying to break them out of the force field so they could descend on the planet – but since that time, the Jinn, Lucifer & the fallen angels have come back to love; those in the force field [Adu Jihad] are still in it and will remain there.

Caller: wondering why these ones would do this – would they not be affected by any nuclear detonation?

T: **no, they are lizards and can eat radioactive waste “until the cows come home” and not be affected!**

R: **a different genetic life form that can absorb nuclear energy & live off it, plus any kind of poison on the planet – they are immune to this kind of thing [chemtrails]**

MR: so this is why the genetic modifications will not affect them – correct! – which also answers the question about them destroying themselves if they continued on this path –

T: they won't, as they have thought of everything

Caller: talks about her initial reactions to the chemtrails – anger, which made her sick afterwards.

Once she learned to use love, she could handle them much better.

T: the main source for creating the chemicals is the air force base near T & R

Caller: thought they were to be destroyed

T: only when these ones are arrested; they can see the planes criss-crossing the sky, and then see the star ships following them and eating them up.

Caller: want to know what is happening – late to call

T: listen to the call via the archives: too much to tell about

- talks about Annie Rose's intuitions – that the whole world will get a financial update next week.
- Long story short: McCain with help of CIA and Mossad smuggled in the chlorine gas – an operation by Bandar Bush of Saudi Arabia, King Abdullah, McCain, CIA etc – found the shells that the gas was in, saying “Made in Saudi Arabia” - made there, passed on to Netanyahu

Caller: didn't Israel bring it in?

T: explains the logistics – and McCain was in the channel of the smuggling

- Also, Henry Kissinger is implicated with the planning and execution of 9/11 – first time this info is out on the intel wires.

Caller: the take out of Allende was a trial run in the 70s – **YES** – and Kissinger planned it too. YES

- Brings up the idea that 9/11 is the significant number used by the dark ones for all of their activities
- taking land from Palestinians on a 9/11 day
- taking out Allende – 9/11, 1970; Kissinger's trial – 9/11 is a significant #, a portal they use

T: 11 is the “as above, so below” master # ; # 9 is the # of completion of love; they just reversed them and used black magic to do that.

CL: so much information tonight

T: **It is really huge now!**

- Let's pray solutions, preparation, forgiveness, unconditional divine grace, joy, calm,
- All those who have suffered and died since 9/11 have the choice to come with their full bodies, completely healed and enlightened.

CL: this is what we should see on TV!

T: those who don't like Barack, think they have him in a corner – HA!

Caller: a friend does not like or trust Obama; caller cannot always give reasons for what Obama does, though she defends BO – brings up the news item that Obama is giving immunity to people who committed 9/11 and this happened before Sept 1st

T: during the Bush administration, the DOJ granted immunity to 2017 – it looks like Obama did it, but it is Hillary doing it before Sept 1st – like the NDAA and when the people lost their Habeus Corpus

- **Hillary did it** – yes, this last week, and tried to nail Obama

At the same time, on Fox News they put out information on Obama & Bush as pals and saying that they should both be arrested for high treason

Caller: it did not come out of Obama's mouth?

T: even if it did, he has to do what he has to do to stay alive – like Rachel knows better, but has a gun at both sides of her head!

AR: whenever a plane crashes, there is always a list of those on the plane who passed.

- Did you notice that the planes which hit the buildings did not publish a list?

T: Yes, there was a list – Kerry and Hillary made those lists, including the 19 so-called hijackers with box cutter.

- The two planes had a full load, went to Canada, and are now in a witness protection program.
 - Tells the story of Mahar Arar, a Canadian citizen of 15 years who passed through an American airport and was taken to Syria, his country of origin; was tortured & electrocuted for 9 months; in a cell where he could only crouch
 - this was Assad in collaboration with the US;
 - they picked on him because he was working underground for the Canadian gov't with ground penetrating radar, [Harper was Prime Minister at the time, also did 9/11] – he took film footage of the 2 planes crossing into Quebec, Canada at the very same moment Kissinger sent in the holograms of look alikes of those 2 planes seemingly going into the towers – he had living proof that those planes were in another country, with the people alive and well.
- There was never a plane that crashed in Pennsylvania – it landed in Cleveland; the people are alive and in witness protection programs; the planes were re-painted and put with to new airlines and are still flying. It was a cover up; the CIA threw out the body parts, the airplane parts, etc - there was no one dead.
- Also, the Pentagon was not hit by a plane, but a missile!
- All the names of the passengers were recorded by Hillary and John Kerry: they covered the bill
 - All the **evidence is with the White Knights / Faction 3** – and it has already been presented to
 - the Fitzgerald Grand Jury trials which began in 2003
 - the Franklin Grand Jury trials began in 2005
 - International Criminal Court trials in late 2006
 - Kuala Lumpur trials began in 2007, have just ended on August 23, 2013
- Alfred Lambremont Webre was one of the judges in Kuala Lumpur and told their friend who was driving him around that they would be over before 9/11 – and he is back in Canada now.

MR: thanks to those who are faithful and help with paying the BBS radio bill; invites others to join and help too.

MR has a 23 minute segment about banking and other issues [Karen Hudes, a former counsel to the International Bank of Settlements – a highly placed whistle blower] – this will be played in the future.

Closing: Cathy

Read Elias Davidsson's "Hijacking America's Mind on 9/11" by [Kevin Barrett](#)

Christopher Bollyn has pointed out that Ehud Barak, chief of the Israeli military's special operations force, apparently spent several months in the US in 2001 helping organize the 9/11 attacks. Barak was in the BBC's London studios just minutes after the World Trade Center was struck, blaming "al-Qaeda" and calling on the US to invade Afghanistan and Iraq. Barak's foreknowledge of 9/11, and his scripting the desired global response, makes him a prime suspect in the attacks.

But Ehud Barak wasn't the only one with that kind of foreknowledge. Henry Kissinger also popped up on TV before the World Trade Center dust had settled, reading from exactly the same script.

Elias Davidsson's brief article below nails Kissinger as another high-level 9/11 suspect. Davidsson, a German-Jewish musician and human rights expert, is the author of the new book [Hijacking America's Mind on 9/11](#)

Henry Kissinger and the events of 9/11

by Elias Davidsson, 28 August 2013

On September 11, 2001 at 12:58, CNN conducted an interview with Henry Kissinger, who was in Germany at the time.

Within three hours of the attacks Kissinger blamed “foreign terrorists” for the attacks and called for an “American integrated response” against the countries who support these “terrorists”. At the time Kissinger made these statements, no US official was supposed to know who committed the attacks. There was no foreign element known to be involved in the attacks: The four aircraft which were allegedly hijacked were domestic flights. No foreign armed forces attacked the United States. And no foreign organisation claimed authorship.

The US elite, including George W. Bush, Henry Kissinger, and others, immediately decided to blame the attacks of Al Qaeda, Afghanistan and Osama bin Laden, without waiting for evidence. On September 12, 2001, twenty-four hours after the events, the U.S. Congress adopted a resolution repeating these claims. The Congress had no factual basis. Until today (2013), the US Government has not produced any evidence linking Al Qaeda, Afghanistan or Bin Laden to the attacks of 9/11. European governments have failed to demand such evidence in order not to embarrass the U.S. government

The speed with which Kissinger claimed to know who was behind the attacks is extraordinary. A person of his stature does not jump to conclusions. This speed indicates that he knew in advance about the plans for the attacks and had already discussed with U.S. officials whom to blame when the attacks have been accomplished and what to say to mass media.

Kissinger’s connection to 9/11 can also be gauged by the fact that George W. Bush attempted to nominate him to head the 9/11 Commission. George W. Bush trusted that war criminal to manage a perfect cover-up effort. But Kissinger had to give up heading the 9/11 Commission after he revealed that among his clients was the family of Osama bin Laden.

There are reasonable grounds to suspect that Henry Kissinger was one of the main architects for the mass-murder of 9/11. For that reason it is imperative that his connection to the events of 9/11 be mentioned in any action to reveal the criminality of that person. Failing to do so would be deceptive.
