Hard News:

T: more disinformation than true information on the Net

- Drake has posted from McCaffrey: Obama no longer president & Boehner was; Ron Paul as VP
- there was a revised code of the laws of Virginia dated to 1890, and that original constitution was stolen, not burnt
- original Constitution AND original Declaration of Independence is in Bruton Vault
- if the information is not passed on through KOS, it is likely disinformation
 - This appears to be sounds of desperation
 - They don't want the 2nd inauguration: Obama represents their death to them

Current tv: John Fugelsein - head of NRA opposed universal background check

- as against 92% of US population wants this - most people thought we already had this
- 89% of Republicans; 93% of independents; 85% of members of NRA - all are for this
- As Bernie Sanders says: NRA is a domestic and international terrorist organization & needs to be dissolved immediately
- NRA has kept **Alcohol, Tobacco and Firearms [ATF]** Dept emasculated since 2006 - have prevented ATA from inspecting fire agencies for more than once a year; have kept the ATF from appointing a Director
- Hillary C put people in the ATF to kill 86 at Waco work which is why she is gone
- **Faction 2 is the US military and Congress:** at this moment, Congress has only 8% of people approval rating - ie, they don't represent the people
 - in terms of the regular military, things have improved but in the Pentagon -there are still 2% left who don't go along with F 3; they are running things for the old order which includes corruption in the military - a very mixed bag is F2 which is not aligned with what it is supposed to be aligned with
- **Faction 3** is 38 levels above the President; inside these levels is the **ACIO - Alien Contact Intelligence Organization**; the entire Ashtar Command are members of this which means (1) Ashtar Command is part of the US military at that level (2) White Knights, F3, are there.
 - this includes Ascended Master St. Germain; Sananda Kumara and, in this case, on the ground, the 7th initiation and incarnation of the vibration and body of wisdom and knowledge that represents the soul of Sananda Kumara in this time period: **the KING OF SWORDS.**
 - this means for the 7th time, there has been an initiatory period with an individual soul representing guidance for that period where the consciousness of the entire planet has the opportunity to take the energy of the Office of the Christ and lift it up to the Office of the Cosmic Christ because Ascended master Sananda Kumara or Jesus the Christ [I AM teachings] has been graduated to the Cosmic Christhoodship & shares the office of the Cosmic Christ with Kalki Maitreya, the Mahdi : co-shared position [Islam = called the Mahdi; western = the Maitreya]
 - This is the 10th initiation and incarnation of that Cosmic Christ energy called Kalki Maitreya which comes in on a white horse. These are symbolic energies: the white horse is the energy of the swiftness of the white fire core of being of the cosmic Christ energy moving into our field of energy, not to mention that the energy we are in is being elevated by the portals, the galactic instrumentation like the Zero Point modules; the creatures like the cetaceans, the divas, the fairies, the angels - all the energies who are bringing us the opportunity - including the increasing consciousness of humanity - to involve ourselves in the energies which came in on Dec 3, Dec 12th and Dec 21st which is million of years in advance of our civilization
- At the same time this is happening, there is panic among the old order controllers who want to hang on,

and continue their contro; yet the people have already decided - in Sept, Oct, 2012, the 144,000 threshold has been passed from the old order controllers into the light - talking stick was passed

- How do we describe the energies of millions of years that we have not seen since millions of years ago in this present day and age against all the things that look like we are in a pickle and we ARE in a pickle!

[**ADDITIONAL NOTE: Faction 1** - the Illuminati families and those who control the media, the religious organizations and governments: policies, activities that seek to eliminate the voice of the people who "elected" them into office - Jan 22/13]

Thom Hartmann - guest was Dr Michael Greger who wrote **Bird Flu: a virus of our own hatching**

- It hatched in factory farms.
- There are different countries where the bird flu was more prolific: - in Cambodia, 80% died if they got the bird flu; Nigeria, Laos - 100% died; Indonesia, & Egypt 83%; China - 65%
- In all the countries which have had outbreaks of the bird flu, a minimum of 60% of those affected have died
- The only solution to ending the proliferation of this flu: **shut down factory farming.**

Thom H: Does this mean we have to go vegan?

- Dr Greger referred to the **19 year study that said flesh foods cause death:** the new energies that are in here are forcing people to face their mortality - because the whole human race will go extinct from proximity to bird flu and not shutting down the factory farms
- #2. Takes so much more to feed the animals which feed the people; over 50% of the pollution in the atmosphere is caused by factory farming - not even the oil industry
- #3. Can't have 100,000 animals on any kind in the conditions we put them in without all the meat being diseased

Cathy: what is she saying about what this means; why are you actually saying about this meat?

T: seeing more and more of this showing up in western countries & getting the point of alarm: no matter what people are being given to cure them, they are not getting better - but the medical establishment is not telling the true story

- the other piece: Frank Chille said that the integraton is ready to go: the pieces need to complete it are there, as Valiant Thor provided the info to complete it: needed \$1M to complete it and it was raised and completed
 - If you don't do drugs, alcohol and tobacco after you have had a treatment, your age reversal stays in place.
- All of these things said and done, without the knowledge of the truth things are moot unless we live in Unity with the energy that we have not seen for millions of years

Al Jazeera Hillary was on again: a hostage taking in Algeria - at least 35 hostages are dead, 15 of incarcerated hostages are dead because the Algerian army bombed the place; it was horrible - they mention that Hillary was in Algeria before she went to hospital

T: thinks this could lead to nailing Hillary - they are getting bolder about talking about her and more and more suspicious about her. There is a policy that

- In central Africa: all kinds of little scuffles that are due to US policies - we need to stand strong as the energies are so very, very strong
- The airliners - 787 Dreamliners - all grounded; electrical system malfunctioning; batteries leaking
 - Boeing a big organization and they are part of the military - industrial complex
