Astrology: Annie Rose

- MR asks us to join in a healing for her: had a slight stroke 3 days ago, there have been no real physical effects except maybe a slight droop to one eyelid; taking it easy at the moment; we ask for the healing energies that assist her to bring her back to vibrant good health.
- Today has been such an interesting day: so much fluctuation and change – had a 2nd guest to replace Annie Rose and his phone is acting up, so he cannot come either.

Hard News

T&R: Greetings! Their fax machine has been sent back to CA for the 2nd time – need some volunteers to help, as the money they received went to the postage. R is low on gas, as well.

R: Things are so highly charged right now; the solstice happens 11:04 MDT tonight

R: as things unravel at the moment, it's touch and go: this is a private conversation and we love to lie!

- We are all being listened to no matter wherever we are, until Edward Snowden, Bradley Manning and Julian Assange can walk down Broadway Avenue without being arrested, none of us are free.
- Condolences to family of Michael Hastings: it was a hit, he was getting ready to talk to Julian Assange's lawyer in order to help Edward Snowden.
 - The real traitors are those who get millions of dollars on the MS Media
- Those speaking truth to power are . . .
 - R called up Ed Schultz today: what are the real issues here? More to come out about 9/11, Assange, Manning
 - Maybe Bernie Sanders is the only good member of Congress left: the only one who has taken no bribe money from anyone, ever!
 - What about Al Franken, Barbara Lee? Our Congress is bought and paid for, courtesy of the state of terrorism called Israel. Iran, Hezbollah; none of this is the real story, only Israel – all wrapped up in what is not being brought forward by the media

R: fit to be tied with what is happening; he called Ed out on this today – about Snowden, Hastings –

- Ed said it is an on-going investigation and I cannot comment.

- The actor who played Tony Soprano died yesterday at 51 – on vacation in Italy with his son
 - R suspicious about this: there are patterns going across this pattern: 51 yrs, had a heart attack
 - Randi Rhodes did a whole program about The Soprano
 - Chris Matthews did an interview with Jeff Daniels The Newsroom about the actor – too many coincidences having to do with the coup unravelling in front of us

T: putting in extras: want to increase the length of the fence & other things – no intentions to pass the Act

- The Dream Act is trashed in its current form – has to do with the obstruction going on:

T: who ever heard of waiting for 13 years and working for 365 days in a row with no break - no vacations or anything - and, if you take a day off, you lose your spot in the line for applying for citizenship

T: DREAM Act – supposed to allow 11+ million immigrants who did not come to US “lawfully” - yet among them are many kids who came as babies with their parents; some want them deported too -

Randi Rhodes: what is the difference between the wall that separates Israel and Ramallah, and the wall that separates the US and Mexico – NONE. Also want to put drones on these borders

T: All these roadblocks are about just want to get their way, that's all

R: the Sirian Commander and the Forces of Light – as Tom the RTCAT: At a certain point, a signal will be given and it will be interesting how the media will handle it

- What happens when Morning Joe gets called on his stuff, and his partner Minca Brezinski
- What R keeps getting told: Stand your ground in the right way

- **Rev Al said** today that Mr Zimmerman will have a tough time, as there is no question that the voice screaming of his life is that of Trayvon Martin

- the jury has been chosen

Tom the RT Cat: Bernanke is NOT in Charge of the FED – THE FED IS D.E.A.D.

The Fed has been absorbed into the Treasury under Geitner- also scary;
They are playing like Bernanke is still in charge WHICH IS A LIE!

- The market has fallen 300+ points – Max Keiser is a hoot today!
- Everywhere we turn – the stories are about our brothers and sisters, and revelation of information, and the unravelling of the matrix
- China closed their markets today – China is collapsing and as it goes down, WalMart goes too

Randi Rhodes: because of the issues going on here: are people going to want to pay \$30 for a salad?

- This has to do with people getting a good wage: \$22 / hour!

MR: questions from everyone: when will NESARA come – yet she realizes no answer can be definite

- It's about the global re-set of the currency; the information is that all is moving forward: all happens with NESARA

T: Those at the high end receiving \$ will have it completely cancelled if they receive it before NESARA is announced

- these ones receiving will be arrested and going to jail – they will lose the money, too.
- This will not be paid through this organization.
- The only thing that is happening: the \$10 million is for each person provided each person has been thoroughly vetted and has the wisdom to delegate authority and get things done
 - when the value of everything is re-indexed [one month after the announcement], that \$10 M will be worth \$100 million – a big deal. So there will be no re-indexing of those dinars
 - So it is like those who put their money into the programs – receipts were given out but will not get that back as well as the \$10 M
 - The money is for helping others – the spiritual guideline is to lead a peaceful, simple loving life - Read Matthew 25 to understand where we are going: it's about spiritual economics – beyond organized religion
- As a result of Dr Keshe's inventions: No phone bill, gas bill, computer bill, utility bill and we will still have the \$10 Million worth \$100 M - there is still in place that for people who are not quite prepared to handle this: they will be removed to other planetary systems – there are 80 billion other planets in this system so lots of places to go depending on level of development
 - There will be those taken by Mother to Dracos to be tried for intergalactic war crimes & crimes against humanity
 - Others to Herculobos
 - **No other programs will be paid out in any way, including the Freedom Club and others**
 - **Only paid out by Faction 3 White Knights across the board** – in no other way!!!

CL: how often do you talk to KOS each week?

R: depends – can often talk to his representatives: Heidi, Rana Mu, LM Nada, Mr X

- lately, KOS is Obama's shadow given the intensity going on & the hatred towards this family in the White House

CL: the ones you talk to know the sacrifices you & T are going through, and it must be hard for them to see this

R: yes, they understand the intensity of what is going on – a daily life and death situation on the planet, and they see the life and death situations on the planet, in Aleppo, Kabul, Babylon, Mogadishu – when he said to Ed, “When are they going to come for me for asking the question why was Michael Hastings killed?” - Ed said I cannot answer that “ - very scary!

- He recalls the story of Rana Mu taking him to walk across a valley and told him “Don't look down; look only at the back of my head” - he can only focus on one step at the time: keep eyes on the prize – these ones are in the death throes and there are races/beings here already who have committed to help
 - Who will talk about total full disclosure: Canada, China, US? It is neck and neck at the moment! This is the saving grace of what is happening at this moment. He can only go on a wing and a prayer: R has no money to hire a gaggle of lawyers to protect himself

T: they killed Erin Schwartz, Michael Hastings – these are millenials

CL: they recognize that it is trauma and drama; we have been listening to these calls for over 8 years and it is ongoing trauma and drama, for T & R, the world; we are halfway through 2013 and are going through

adjustments to our own expectations re Dec 21/12; these adjustments help develop character and growth – and we are not living like T & R! And they cannot help you!

MR: she gets calls re help for T & R; her help for the Thursday night calls is sparse and she can no longer able to keep up the expense of supporting the radio program for Thursday night – she does need help

T: Tom the Cat said something will happen when the White Knights take the media stations down; the aligned US troops will challenge the media stations and use force fields to prevent them from doing anything

MR: will this happen before N?

T: will happen all at once: have been told this from the very beginning

- she watches 14 -16 hours a day for the last 7 years, TV and radio;
- is watching with a fine tooth comb – she knows what Thom Hartman won't say, & what Mike Papantonio will say when presented with a situation; Randi Rhodes will give Obama a complete go
- To find out what is really going on first, **watch RT TV first – Russian TV!!!** Not even Amy or link TV

Al Jazeera English: she did hear that Saudi Arabia has created a centre to receive the ones from Gitmo, and can find homes for them in SA – 86 are free to go yet are not being let go because they will talk.

R: Khalid Sheik Mohammed has done nothing: This is inside **BLACK OPS**.

- So many people are asking why Dick Cheney is still alive & getting \$ to go on Fox News & lie publicly

T: give them love now! Their money system is gone

T asked Tom the RT Cat about keeping media people from MSNBC, Free Speech and a few others on the air: he said Yes; what is going on is that the CEOs of the corps are telling the media ones what to say;

R: And the CEOs can call on the contractors to get certain things done, as they wish

- Refers to the movie **Avatar** where we saw what happened to the corps there; the contractors were tossed off the planet
- We will make it; Mother's children can too but it depends on Mother about how she does it

T: there are a lot of people not in the news much: Randi Rhodes talks about them and to them

R: She is a unique whistle blower: her show is produced by Premier Radio Networks: she has ways to get things on the radio no one else can

T: Tells the story of Clarissa who was on the show; her parents were killed in the late 60s as members of the Peace and Freedom Party; her parents were killed in 1965, the same year as Malcolm X – she was only 7 when the murder happened.

- The Black Ops abducted her and took her to Fort Wauca, outside Tucson – an underground place that is 20 miles under, she has seen white albino dragons with a 40 ' wingspan.
 - From 1965 – 2011, Clarissa lived in an antigravity cage and was fed some black goo intravenously that included depleted uranium, was 53 when she got out; is now 55. She does not look a day over 20.
- The substance she was fed altered her body chemistry – at nighttime when the guards were gone, the fairies fed her manna – she can bench press 1000 lbs. She is immortal now – there were all kinds of creatures there, including a 6 legged horse.
- The angels, fairies, devas surrounded everyone in that space with magnetic light – as fast as they were feeding her this goo, the fairies and devas via the magnetic light translated that goo into clean, clear magnetic light so as fast as they fed her that stuff, she did not turn into a super soldier/orc as her handlers expected
- What Clarissa did with the help of the fairies and the Pleiadians was open up a path of living love, living light which bypassed all the security – she opened her cage and all the other cages so she and all the hostages went out via the inter-dimensional doorway which led to a shuttle craft stationed beside the underground location; the captain and the crew were Andromedans Rex Star ship fleet – they were beamed out and taken via a cloaking device to in an underground tunnel to Uluru – from there, she was taken to the surface via a mag lev
 - ended up in Sydney, Australia - figured out with shamans help how to live and take care of herself
- Her message was that as, a super soldier, they forced her to bring back children with special powers
 - she had to bide her time for 46 years until she learned how to transmute her machine DNA
 - she saw children hooked up to black tubes and electronic devices; as the children outgrew the borg maturation chambers, they were outfitted as the next generation of super soldiers
 - she prayed and prayed and prayed to the forces of light to help her out of there, and so did others – the 4th Reich plans have been cancelled
- when this iceberg of disclosure about NSA is done – there will be very few members of Congress left

- What is happening to T & R – Clarissa is one of untold numbers of people abducted and used in this way

MR: Do we have any really uplifting news? This from those writing in – thinks people are upset due to no speaker -

T: this is **A SUPER UPLIFTING STORY!!!!**

- the most uplifting thing we can see is that this lady got help and we have to know what is going on and learn from people who have overcome amazing conditions with the help of fairies, angels, and the Pleiadians
- The other thing that is uplifting is that they y are going to get arrested; also, the Fed is DEAD - this is ecstatic news!!!

MR: yes, we have heard all of this and it is going to happen: MR thinks it is impatience, and the frustration and challenges people are facing

T: it is not “going to happen” - **IT IS HAPPENING!** We need to see that all that is going on is part of the happening.

Angelsu: to stay positive is getting harder and harder; none of this is really lifting her; She hears what is being said – yet we are so wounded, very little lifts us anymore. She can understand why these kinds of e-mails are coming in. There are times when happiness and bliss will be felt, and many times when it is not. Can understand what people are saying: can we focus in a slightly different way and bring in some joy?

MR: she too is getting frustrated. She is wondering if this is a sign to not do StarGate round table any more? Is it done? People are asking if she will continue with SG Round Table after the announcements; she has to ask the questions when she has such technical challenges, and then scramble to get guests - sometimes things flow, other times it makes her wonder!

- She also understands what Tara is saying - if she does not hear from someone in the next 10 minutes, she will close the program!!!!

Caller1: No speaker; fine. The Clarissa story is fine! Everything is good: depends on the attitude: loves the stories – can't hear these stories anywhere else else.

Caller2: we are supposed to be working with Jesus Christ and the galactic beings; why are there complaints about information that we have not heard about before; why are we not praying for these folks?

- We are supposed to be learning to love everyone, and helping T & R, and praying for all?

T: thanks to Caller 2!

Caller3: appreciates what T & R have been doing over the years; has heard AA Michael and others saying it's coming, it's coming – has been waiting for 20 years; has lost his family over his positions - it is true something is happening but nobody knows when – nobody!

- cannot believe how many years that T & R have been putting up with this
- pray for him, he prays for everyone

MR: has received 10 e-mails since she said she would close the call if no one responded; BBS has been asked to check& see if all is working as it should be; several people say they cannot get in on Star 6

Caller4: (1) gives a special prayer received from Hawaiian healers/kahuna – need to do it now

I come forth from the Void into Light

I am the breath that nurtures life

I am the emptiness, the hollowness, beyond all consciousness,

The ID, the I and the All

I paint my bow of rainbows across the waters

A continuum of mind and matter

I am the incoming and the outgoing of breath,

That unreachable, untouchable atom of creation

I am the I

Every time she says it, she feels in incredible blast of energy

(2) to help all across the planet by focusing on the prayer that she reads

<http://franhorvath.hubpages.com/hub/How-To-Practice-Hooponopono>

The prayer is here, also info on Ho'oponopono

Caller3: we are supposed to be learning from and helping T & R

A great discussion on the purpose of the call and the role of the listeners.

MR: thanks to all – has gotten the participation that RoundTable used to get

- She has also to pay attention to the criticism and the unhappiness of people
- Round Table means we contribute our talents and abilities and interests

Caller4: there are so many on the call, need to bring all the energies together – important to have people using this prayer, could do it every week on the program

MR: like Angelsu's beginning meditation – brings people together to set the tone

Caller3: wants to have Magic Mary say this prayer every week – Mohnah Simiona

Caller5: asks about the connection between St Germain and Count Dracula: Dracula is associated with negative things; where does this information come from?

T: Refers to the book **The Secret Teachings of all Ages** by Manly P Hall.

- To begin: Count Rakozi was Count Dracula
- St Germain was alive at the same time as Count Rakozi – he was both at the same time: working with the royals and with Napoleon. St G would appear to everyone; appeared to Napoleon on the night of his loss to the Russians and said tonight your star will fall
 - Vladimir the Impaler: during the Crusades, used to impale people; same as now – thinking to win by killing people.
- The First Crusade was Mordred, son of Morgan le Fey of the Court of King Arthur who shape-shifted to look like Guinevere; Arthur made love to her, thinking it was his wife and Morgan got her way and had the heir yet it was an abomination that was created in that moment; the first Crusade occurred during the time of Mordred, her son - Rama was Merlin at the time
- St Germain came back as Vlad to challenge the dark side. The church which condoned this kind of behaviour was involved in a big land grab
- The children of the land at the time were those of Jeshu and Magdalene; it was Magdalene who wrote the Templars' oath – when he came back as Vlad the Impaler, he vowed to Christ he would avenge all the deaths and the evil of the oaths that the church made to the Black Pope to kill the children & all others who did not follow the way of the church and who wanted to follow the ways of the Mother
 - He was working on bringing back the energy of Mother – he gutted the bowels of the church where they were doing the obscene rite: this began with Ignatius Loyala who created the order of monks called The Society of Jesus/ Jesuits who wrested control over the catholic church
- St G made a 500 year commitment – left it in 1979 –
 - this walk to getting NESARA done began in 1979 - Osha Rasnish in 1976 & the Bi-Centennial - said that there are no more gurus – you're on your own; your own divine Higher Self is your guru
 - The founding fathers of the church [country?] were deists; St Germain appeared to them and got them to sign the documents – they knew they would be killed one way or another thanks to the English king; they also knew immortality was the goal; they knew it was possible
 - St G said sign it, posterity will make it happen
- St G left the Vatican in 1979; we picked up the gauntlet on Oct 1, 1979 and KOS told them then – Rama knew KOS even before that
 - Tara was anchored into the NESARA operation through The World Symposium on Humanity, the

foundational beginning of the gurus coming from the east to the west to help the light workers get past materialism, and St G was Vlad for 500 years to fight Lucifer embodied – The church is Satan embodied; this is what the Black Pope represented

- The true teachings, and the true interpretations came through the Mother, not the Father
 - Madam Blavatsky – her job was to move us past materialism - born in Russia, went to India and created the Theosophical Society there and then came to the US after living in England and channelling St Germain, Djwal Khul, El Morya, Kuthumi, Sananda, etc
 - She channelled to the banksters – The Bauer Family – Amschel Bauer changed his name to Rothschild in 1743 – St G/ Sir Francis Bacon taught them merchant banking; they did not like it as they wanted to do hedge funds as we call it now; they have been doing it for 400 years
- He spent 500 years battling Lucifer in the church, behind the scenes; there are teachings that are so deep, it goes over most peoples' heads – the Secret Teachings is very deep and involved; the masters are giving us pieces – every time we do the astronomy
- This is not about money, but about bringing in a spiritual economy – it has taken 33 years to turn this around which is a drop in the bucket – this is 13,000 year of not happening that we are changing in 33 years
 - a very short time to unify an entire planet where things have changes so rapidly: how do we change 7.4 billion population when it took so long to create [the mess we are in]
- When the dark side has used the religions over the last 13,000 years to lead us astray & to change them and to create fundamentalist religions; we are not going to change things unless we adopt the divine virtues: the First Law of Love is be calm – we are being asked to be in group service & teach each other and sharing what we have learned – it is about people getting together and bringing things to the table and sharing what they have learned
- There was to be a Round Table in the time of Arthur – instead, we went out and killed people.

The Optimal Use of Powerful Energies!
This Solstice Can Be Managed Brilliantly

The Incredible June 20-21, 2013 Super-Solstice

Article - J Tyberonn

www.earthkeeper.com Cosmic Crosshairs: The Incredible Solstice+ Remaining Key Astro Dates June-Dec 2013

2013 is absolutely an enthralling year astrologically. Events in this beginning phase of the New Earth are meant to be so. Occurrences that occur annually, such as eclipses, solstices, equinoxes, trines, planetary alignments, comets and meteor events began taking on crystalline geometric coding from the initiation of the 2009 Cosmic Trigger, and these embellishments are gaining momentum in Year One!

Thus far this year, we have experienced a close quadrangle of solar and lunar eclipses, culminating on the WESAK Full Moon Eclipse in late May. These were effectively sandwiched by the March Equinox and this week's June Solstice. These are by no means ordinary; by no stretch of the imagination are they mundane. And these are further greatly amplified by the massive injections of radiation via Solar Winds, prompting the Aquarian shift.

Metatron tells us the vibrational 'bar' is being raised exponentially in terms of the planetary frequency through these astro episodes. They are adverts of enormous downloads. As the Sun rides into apexial apogee, and a heavy downpour of astrological zingers rain in, most empaths feel the waves of intensities beginning to crest at high tide. The Solstice on its own would be sufficient but, in 2013, it is embellished to the tipping point. So hang on to your hats and keep the floatation devices secured! Yes, there are plenty of squares and untoward alignments, but there are also some brilliant Trines in play. There is no need to crash over the edge; quite the contrary- with a little focus, this can be brilliantly navigated. So keep dry & keep cool! This solstice is chock full of yin-yang, a perfect reflection of duality. But there are many tools to work with and the planet is receiving support from all the Cosmic Forces.

The Sun is bathing us with new rays of benevolence, and these triggers are awakening the dreamer within. Just as the full moon Wesak eclipse thinned the veil, this solstice tosses the dimensional drapery further aside. The sparks of crystalline cognition are beckoning in brilliance in the Midsummer night's dream; wipe the dross from sleepy eyes, awaken & hear the song of Truth, it is the Music of the Spheres! Earth is teeming with new codes, new energies and flexing its expanded dimensional influx. Of course it is intense - use it wisely! It is cosmic adrenaline.

The month of June 2013 has 4 planetary trines and a Mega Moon taking place in the energy of the Super Solstice. And this is a Super Solstice! The intensity on the planetary is at an all time high. It is absolutely imperative that each of us maintain an intact Auric sheath to avoid the pitfalls of energetic short circuitry. There are four planets currently in retrograde, (Saturn, Neptune, Pluto & Chiron) and Mercury joins the quartet beginning its very tangible back-track on June 26th. Mercury retros have a preliminary aspect and that is being felt now.

A brief over view of June Energies:

- **** May 30-June 9: Mercury-Saturn-Neptune Grand Trine**
- **** June 1-13: Ceres-Saturn-Neptune Grand Trine**
- **** June 3-14: Mercury-Uranus-Pluto T-Square**
- **** June 6-17: Venus-Uranus-Pluto T-Square**
- **** June 7: Neptune Retrograde**
- **** June 8: Gemini New Moon**
- **** June 11: Saturn Trine Neptune**
- **** June 16: Chiron Retrograde**
- **** June 18-July 4: Sun-Saturn-Neptune Grand Trine**
- **** June 18-August 16: Jupiter-Saturn-Neptune Grand Trine**
- **** June 19: Mars Squares Chiron**
- **** June 21: Sun Enters Cancer (UT-Summer Solstice)**
- **** June 23: Capricorn Super-Full Moon (Closest of the Year)**
- **** June 25: Jupiter enters Cancer**
- **** June 25-July11: Sun-Uranus-Pluto T-Square**
- **** June 26: Mercury Retrograde**

Add in the inertia flow of the March equinox, 4 eclipses & solar maximum (solar winds). It is an incredible frequency, some may feel that this week's Solstice is like being in the "Cosmic Crosshairs", it is that intense! But the truth is that there are some incredible possibilities for positive utilization, and that this crystoelectro-magnetic 'cocktail' is doing exactly what it is meant to do. The key is staying balanced, and staying focused on equilibrium.

This energy is all about the Aquarian Shift, the ability of co creating the planet in theta group & individual mediation. Mediation for creation of the New Earth. The four Grand Trines in June are all about coherent theta visualization & focal intent manifest into reality. Each of these four Grand Trines is anchored with Saturn and Neptune. That is a key! These are about focal manifestation, the 'Law of Belief' brought into reality. Neptune is the creative flow and Saturn solidifies it! The solar radiation opens the pineal to kick start the manifestation into theta wave.

What happens flows perfectly into the other mega events of Year One. The Saturn-Jupiter-Neptune Trine (June 18-August 16) leads directly to the activation of the Earth-Kingdoms, with emphasis on the support of the Plant Kingdom & associated Deities, as well as the opening of the energy of Trees in support of Humanity & the Master Beings of the Sequoia, Redwood & other majestic arboreal capacitors!

This occurs between 15-21 August, and is embellished by the Perseids Meteor Shower and the full moon. (The Crystal Activation & Mineral Kingdom upshift took place on the 12-12-12).

(The August 'Sequoias Portal' flows into the September Equinox, which contains an incredible aperture for the Renaissance of Enlightened 'Golden-Ages' to align in Harmonic Oscillation with the rebirth of Humanity into the Ascension matrix of the New Earth. It is a holographic-time epoch function of 'Time-Gates' & occurs thru the umbilical portals of Delphi & Rapa Nui- Navals of the Earth.)

There are ebbs and flows the remainder of the year, and June comes into a vibrational array that requires close attention. You must keep careful control of your emotional extremes; avoid anger and untoward aggressive tendencies at this Solstice. And keep in mind the Solstice window is a 14 day spread, 7 days prior and 7 days after the zenith.

Emotion is highly amplified, and there is an undercurrent of tension that may allow for the unfortunate excessive expression of skewed impression into a crisis of inappropriate offensive action. It is easy to misinterpret another's intent or to over react, making mountains of molehills. In kind, do not seek refuge in the intensity and under react in apathy or inactivity. Being aware of the gravitated influences at hand can allow you to manage them optimally, and prevent an uncomfortable emotional confrontation that can better be avoided. Don't allow when old resentments to resurface. Manage your thoughts, direct your mental focus - instead of harboring negativity, focus on creating a better life and better world; that is absolutely the better way to use this energy.

This solstice is teeming with a new influx of 'life force' and you can use it wisely, or you can amplify scenarios that should not receive your focus. Do not fall into self-condemnation as the retrogrades project their opposing wave-flow; rather, use this to go inward and recalibrate into the great and greater you!

June 21 - June Solstice. The June solstice occurs at 05:04 UTC. The North Pole of the earth will be tilted toward the Sun, which will have reached its northernmost position in the sky and will be directly over the Tropic of Cancer at 23.44 degrees north latitude. This is the first day of summer (summer solstice) in the northern hemisphere and the first day of winter (winter solstice) in the southern hemisphere.

The Super-Moon, Sun & Jupiter

This awesome Mega-Full Moon Moon, is a super powerful one! It happens on the 23rd, just a few days after the solar zenith...and so merges into the larger window of the Solstice aperture. It is then a really major amplifier of the Solstice energy, and gives an added 'push'.

The Super-Moon at the 2013 June solstice is not only aligned with the sun exactly, but is the closest Moon to earth for 2013 - this amplifies normal solar-lunar gravitational effects and will have an even greater effect on our emotions and auric stability. On the other hand, it also affects our ability to more effectively & create within the Law of Attraction & Belief. Jupiter comes into huge play, being very close to the sun and opposite the Moon at the June Solstice and this always has a powerful effect & influence on ocean tides, wind, air and all the elements.
