Hard News:

T: The nature of moving into a divine gov't and a divine economy requires support; as we-cocreate this together, we make it all more powerful and the goodness of what comes back is increased. This is for all of us, not just for Tara and Rama. [Reference to the financial support we all give.]

- As long as we are still here and in this current situation, they still need support.
- Rama's work is important: **the only person on the planet with a direct line to Faction 3 WHO DOES NOT HAVE A GAG ORDER!** Others in gov't, Hollywood, media all have gag orders.
- The money that was sent recently was used for a bill and a little bit of food – question of priorities.

- Ed talked about these men who said things are not OK with the women going out and working
- Guest **Terry Nichols** from National Organization for Women: Lou Dobbs is tied in with Koch Bros and other who play with peoples money; the sooner they are arrested, the better
- Ed called out Eric Holder: Guest **Alice Walker** talked about the person in Cuba who is on America's Most Wanted List: Assata Shakur
 - The bounty has been raised to \$4 million: Eric H should be ashamed with himself
- Ed: what is happening in the fake war on Terror is just that – fake! All being done to keep the people separated and not able to create a unified field – however, it's not working
- Had on **Greg Adams, The Bear Whisperer** who also talks to Sasquatch and the Big Feet people;
 - Greg got a message from the Bear Clan – only 1600 grizzlies left on the planet, and they are fighting for their lives due to chemtrails – when the earth is rich and pure, the bears live in great abundance; at this moment, there is something seriously wrong.
 - As the bears are not aligned with nature and nature's god, humanity has a problem too. Greg Adams sings to the bears, too. [There is a fire about 40 miles from Santa Fe; smoke is throughout their home and everyone else's in the area]

The 7 Sacred Weeks begin on May 17 to July 4, 2012 A Mighty Window of Divine Intervention in our lives a time to receive great assistance and a time to Let Go with so much ease & grace!!!

Discover now how you can embrace,use and experience these 49 Days, 49 Ascended Masters & 49 Gifts to the fullest !!! If you are seeking for Miracles in your Life this is the time !!!

The Seven Sacred Weeks takes place twice a year, for 7 weeks each time. Beginning on the third Thursday of May and then beginning again on the 4th Thursday of November, on the American Thanksgiving Holiday, EVERY YEAR !

For seven weeks and 49 straight days, we are offered a glorious opportunity to come together to receive Divine Intervention

from the Ascended and Angelic Host during these greatest concentrated time periods of love and joyous celebration upon the Earth.

"7 Sacred Weeks" is a radiation governed by a mighty Divine Dispensation and granted to the Earth from the Ascended Master Realms and is overseen by the "Great Divine Director" who is the Great Cosmic Being who governs our System of Worlds. This Divine Intervention of the Great Divine Director is part of the intervening Cosmic Light Rays outpouring to the Earth at this time. This Mighty Cosmic Being has been an integral part of a Divine Plan for Humanity and the Earth and works very closely with Saint Germain to bring in the new Seventh Golden Age.

Divine Purpose: This intervention creates a window between the our dimension and the Ascended Master Realms. It is a portal in the fabric of time in which the great cosmic signature of some of the Ascended Host of our race, Angels and Great Cosmic Beings pour Their Light and Love and Hearts Flames deeply into our consciousness. Through the power of our attention, we may receive their gifts of support, activity of the Sacred Fire, the attainment of Their own ascension and Their all enveloping magnetic love.

They are here to teach us how to communicate with the greater aspect of our True Self 'I AM' and to expand the activity of the Sacred Fire of Purity and Divine Love in our lives. The Sacred Fire is used to liberate ourselves from the human duality consciousness and to pierce the veils of limited human perception, especially the false belief of good versus evil. This will continue to allow the consciousness of the Higher Mental Body, the illumined Christ Mind to integrate as part of our new divine blueprint of Intelligent Creator Beings.

For 49 days during the energy filled holiday season and our passage into 2011, may we acknowledge and receive this immense gift by placing daily focus upon the designated Ascended Being of the day. We are invoking their Divine Signature and Ascended Master Radiation to pour in, through and around ourselves, our loved ones, our groups, communities, cities, nations and world.

When we put our body to sleep, we may also ask our Higher Mental Body to take us to the Temple of Light of the Ascended Master of the day, to receive Their great love and blessings and bring this gift back into our physical being to support us in every aspect of our daily lives. God bless you Precious Heart!

MOTHER SEKHMET

Mother:

Greetings in the Light of the Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

T asks that the power of the rose blooming in all of us prevail, and that we are compassionate, forgiving, loving and focussed only in the positive.

Greetings, Children of Ra:

These are great weeks! What is pouring forth: Every system has a Divine Director – how many systems are out there? We are in divine hands: it is of prime interest to know that we are already saved: it is the tiny bit of doubt that affects the minds of those in this Universe, the "what if?". What is unravelling at this moment is the fact that we have it in the bag!

All that we are discussing is the issues that are being affected by the streams of energy coming in; we know that the technology of the war machines and what we have on this planet that represent the shadow holds not a candle to the frequencies coming in – at this time, we are in the midst of the 7 Sacred Weeks as we approach the 7/10/13 – there is much unravelling

T: inaudible

Mo: what is happening from now until then, let us just say: Great Divine Director with all within the realm of his voice and influence is bringing forth the infinite joy and wisdom to raise the planet and its people to such a state of ecstasy in spite of the fake news stories which are based in lack, limitation and fear. Since we are not going there: "Delete from program". We change the tune!

- The Market lost 200 points today – the fantastical numbers of 14, 000 – 15,000 are not based in reality, but in the matrix - this is a BIG DEAL! The markets are teetering extremely leaning on the edge of absolute close it down,

T: Mercury, Venus and Moon - a triple trine on May 30th = great harmony and ease, something wonderful to walk forth – we won't see them again for another 13 years

Mo: Yes, it is good to walk with them. Pour forth all the violet frequencies for Oklahoma City and then St Louis – they are wanting to play with the ancient technologies. Yet work with the Sacred I AM, and

all of this is changing in the moment to Divine Grace in the midst of the chaos.

- Quite the challenge to be here at this time, watching all unfold in the moment. In spite of the fact that we are in this changeover of the moment, it has all to do with the Divine Sacred Frequencies we are pouring forth, combined with everything else coming on line in the moment.
- What we have just heard, speaking of the sacred lines of force: as these frequencies interact with what is being brought forth on the planet at the moment, there is great divine chaos in the atmosphere – this chaos represents their demise and our victory – this is the secret of the wisdom here, as we work with the elementals, All That Is, we send the frequencies of fear into utter chaos & they disappear. This is why we say: Now is the time to send these energies forth and it can change in the twinkling of an eye.

T: Annie Rose told us it looked like something had to change on the money transfer no later than June 7th,

Mo: There are many things unravelling by the 6/7/13 – it is about all the chaos based on limitation and lack – we need divine neutrality to go through these 7 Sacred Weeks – all we are witnessing in the District of Criminals is a part filled with a substance that is not based in the Office of the Christ. All we are experiencing in the moment is their last remnants of what they are experiencing in the depths of their souls.

- They know we are here; the time is night; the great Eye [of AN] is opened: the Dark Rift. Mother has spoken of this for many moons, and we are seeing the last vestiges of what that represents; they cannot hold a candle to the light coming in, yet if they accepted the light frequencies that are coming in, they could change in an instant if they wished
- They have already made their choice – we could shed oceans of tears [over the numbers killed – how many souls – the tears would flood us out of rooms and rooms, and then some! It is also about changing from one cycle to another – we have gone from Sat Yuga to this moment: 100,000 years it has taken to change this story and there is more than enough time, money, love and air to breathe – 100,000 years is just a blink!
 - We are experiencing this as we attain the golden Age in our Adom Kadmon templates of light.
 - The goddess has returned; she's black; she's beautiful and the divine couple which is holding the template of AA Michael / Office of the Christ in DC; 19.5* – no small feat! Just a day in the life of a planet ascending!

T: there is a sister in town: **Teal Scott**

Mo: She is a Dr of great import from Arcturus system; she works extensively on LM Athena's ship called The Dove; the unique abilities of this one is to help us understand the straight talk about some of the things we have experienced we have learned on this planet about the fake religions and the fake gods that have been played with to separate the mind and the heart: she has gone through the eye of the needle & come out the other side

- In 2012 Teal founded Teall LLC; will encompass programs, centres, companies, products in the areas of Justice, Reform, Education, End of Life Care, Self-help; healing, parenting, self-care, spirituality
- To inspire others - to explore the incorporeal, the eternal nature of their true selves so they become aware of who they are: that we are all energy at the most fundamental level – the truth of Oneness
- her mission – how to find bliss in the most extreme of circumstances
 - Born in Santa Fe in 1984 – born with extra sensory abilities; parents were park rangers
 - Word of her abilities got out in where they lived [Utah] and they were feared!
 - She was inducted into a cult and ritually tortured for 13 years and escaped at 19
 - part of first 1980s Indigo Crystal children
 - Sent by a group called Adonai to be a eucharist for the rest of us
 - Teal is a Myers-Briggs personality type I N S J
 - As a young child, wrote the unknown language Solex Mal
 - a life-long vegan: firmly believes that psychic abilities are not a power, but inherent to everyone – we gain access to them by raising our consciousness
 - In the summers, Teal and brother raised in a 2 room guard stationcabin in the wilderness with no electricity or indoor plumbing
 - Became a competitive professional telemark skier & competitive speedskater – in an attempt to

stay in her body!!!

Mo: This is a galactic doctor in the physical, in our midst! And they want to kill Obama and obama care? And she is offering in the magic of her heart the wisdom – never need to pay another dime for health care and we do not have to pay for anything, anymore – when we get this in tune, why do we need to go to the death house to get poisoned?

T: Information on the topic: "The body economic and why austerity kills" - David Stuckler at Oxford, and an epidemiologist at Stanford

- talk about long term effects of budgets that have destroyed European economies
- Today, there were thousands and thousands in Frankfurt, downtown – livid about Germany – people suffering there; another big sign as Germany has always played as if they were fine; went ahead and bailed out others and their own people are starving – this means we are at the end of the line for Angela Merkel
- A major public health thing: Greece for the first time since the 70s have a malaria epidemic since cuts to the mosquito spraying program!
 - 200% increase in HIV in last 2 years
- Losses of problems with health care in US: ending Meals on Wheels – **only source of food** for shut-ins and disabled ones -first cut since 1972; ending support for cancer cares;
- health care: has been a cash cow for pharmaceutical companies; no such thing a non-profit hospital – top people paid millions
- **LACK OF EMPATHY by these ones to people across the board:**
 - and we have to remember that the children of the Illuminati have been tortured, molested, caged as children since birth; programmed; killed & eaten for dinner; the cortisol [referred to by the epidemiologist above] was created in high doses in the mothers of those children which is one of the reasons the children have no feelings / empathy
- yet, now we have children who will never get sick any more [ref to the kids with changing DNA]

Mo: this may look like the most dire and tense of times and that there is no salvation; yet this is the place where, in the still quiet moments, in our own soul matrix as we pour love across this local matrix, it does make a difference. We would not be having this little chat if we were not as well equipped as we are to handle the frequencies that are coming in! Hats off to us!

T: have sarin gas going on in Syria – blaming Hezbollah but it is Netanyahu – saying that Iran and Hezbollah aligned with Al Assaude THIS IS A LIE!

Mo: Al Assaud is a CIA asset – this part of the Middle East is rich in oil and minerals and other kinds of energies inherent to that part of the planet which is part of the ongoing technologies of the stargates which are part of the living frequencies that make up that part of the world.

- They cannot control the Stargates as they have an intelligence in and of themselves;
- it would be in the best interests of the dark ones to stand down while they can still stand, due to the frequencies coming in from Creator Source

T: Grover norquist's wife is a Palestinian!!!! Did Mo know that?

Mo: the members of Congress lay out their prayer mats in the direction of Grover Norquist, with their money in hand! Is G N a secret Muslim? A cosmic joke! It is about our mighty I AM

T: conversation about General Be tray Us – about murder

Mo: yes, Murder 1 – civilized murder called war

T: in Germany, thousands of police in the street

Mo: Merkel will have to come before the people and say I am sorry; please forgive me I love you

T: Russia has banned smoking in public places! This is to protect the rights of non-smokers: 40% of people smoke, over 400,000 deaths / year due to smoking! Of those who smoke, 70% are men, 30% are women

T: 200 people in Kusayer enroute from Damascus: the opposition fought to keep it – seems Al Assaud got it back

- Jordan is one of 5 of the world's most racist countries: US must be #1
- Jordan's peoples' lives have been ruined: places to live along the border have risen in prices by 400% and many Jordanians are living in the streets.

T: asks about June 7th

Mo: with what is being poured forth by Great Divine Director and unravelling & with no dates, no nukes, no flukes – yet things are looking good for magic to happen: this is the time, this is the place – next step is they have to be rounded up.

- The ones who do know how it will be done are already in place; the next step will be the round-up

T: today is the 4th anni of death of Dr Tiller

Mo: whole issue is that when you are in right relationship with god/goddess/ all that is, there are no issues about the Divine Feminine and the creation story – a group of men have no idea of the goddess and should not be getting in the way!

T: 2 American Muslim women got killed today ; they were in Syria

Mo: They were from Michigan; we are all one people – let it begin with us.

Closing: Greetings in the light of the Most Radiant One! Kadosh, kadosh, kadosh!

R: He was walking in an arboreatum on The Dove, talking with blue jays and they are saying that now is the time as we are moving with the frequencies approaching the summer solstice; things are going to get more magical and wild as all the kingdoms come out to play! This is coming from the blue jays on the ships – they are living masters in the forms of blue jays

- The News Room is coming back on June 14th [TV program]

Bill Maher Compares George W. Bush to Ariel Castro

Posted by [Sam Allard](#) on Sat, Jun 1, 2013 at 11:15 AM

On Friday's edition of Bill Maher's HBO show "Real Time," the comedian and political talk show host likened George W. Bush to Ariel Castro.

Bush held a 100-K bike event for Iraqi veterans who had lost limbs in combat. Mauer called it "nauseating."

"First he sends them off to war to get their limbs blown off and then he has them over for a barbeque," Maher said. "This is like the Cleveland guy having a pizza party for those girls he had in his basement."

That's about the only Cleveland reference in an otherwise insignificant conversation about the post-presidential image of Gdubs, but it exemplifies just how pervasively Castro and "that basement in Cleveland" have become cultural catchphrases or signposts for sadism and misbehavior.

Every week Max Keiser looks at all the scandal behind the financial news headlines.

Max Keiser and Stacy Herbert observe that spankings are trading at an all-time high in London while on international markets the enduring love for gold sees record volumes of physical metal trading hands. In the second half, Max talks to Mitch Feierstein, author of Planet Ponzi, about VIX

volumes surging as old dummies are replaced with new dummies in the global central bank-operated Ponzi scheme. They discuss the optimism bias that provides a ripe environment into which UK Chancellor George Osborne can introduce the biggest Ponzi of them all with his 'Help to Buy' scheme.

Miscellaneous Deaths and NEAR MISSES:

Stanley Heard, Chairman, National Chiropractic Health Care Advisory Committee

Steve Dickson, – Counsel to Mr. Heard

died: 9/10/93 Both died in a plane crash outside Dulles airport, after their aircraft, rented after Heard's personal craft developed troubles, crashed while attempting an emergency landing after reporting a fire on board. Let's repeat that. They took off in a plane. It developed problems. They got it back to the airport. They rented a new plane. They took off in the new rented plane and IT developed a problem. On the way back to the airport it crashed. – Heard, in addition to serving on Clinton's advisory council, also personally treated Clinton's mother, stepfather, and brother.

Carlos Ghigliotti, Thermal Imaging Expert

Carlos Ghigliotti: 42, was found dead in his home just outside of Washington D.C. on April 28, 2000. There was no sign of a break-in or struggle at the firm of Infrared Technology where the badly decomposed body of Ghigliotti was found. Ghigliotti had not been seen for several weeks. Ghigliotti, a thermal imaging analyst hired by the House Government Reform Committee to review tape of the siege, said he determined the FBI fired shots on April 19, 1993. The FBI has explained the light bursts on infrared footage as reflections of sun rays on shards of glass or other debris that littered the scene.

Don Adams

Died Jan 7 1997 Long before Whitewater's land flips made the Clinton's circle of friends rich, many of the same players had been involved in a similar land swindle in Branson. Betty's brother had also been beaten shortly before Betty testified in a previous matter.

At least one, and possibly both of his wrists were cut 10 times. All of his research materials were missing and have never been recovered.

Ian Spiro

Spiro had supporting documentation for grand jury proceedings on the INSLAW case. His wife and 3 children were found murdered on November 1, 1992 in their home. They all died of gunshot wounds to the head. Ian's body was found several days later in a parked car in the Borego Desert. Cause of death? The ingestion of cyanide. Declared a murder/suicide.

Wounded or attempted murder:

Gary Johnson

Not dead, but beaten near death and left for dead. Had videotapes of Clinton entering Jennifer Flowers' apartment. His tapes were taken.

Dennis Patrick

Court clerk. Had millions of dollars laundered through his account at Lassater & Co without his knowledge. Four attempts on his life.

L.J. Davis

Reporter investigating Clinton scandals. Attacked at his hotel room in Little Rock. His notes were stolen.

Larry Nichols

Former official at ADFA and author of "The Clinton Chronicles." The man who broke many of the Clinton scandal stories. Several attempts on his life.

Russel Welch

Infected with military grade anthrax.

Charles Wilbourne Miller

Died 1/12/99. Vice President and Board Member for Alltel, the computer company that wrote the White House "Big Brother" computer system. Found shot to death with two guns. Multiple shots had been fired. Declared a suicide.

Gordon Matteson

Died 5/15/97. Clinton associate. Shot in the head. Declared a suicide.

David Drye

Died 8/1999. Pat Matrisciana, owner of "Jeremiah Films" (which produces such videos as The Clinton Chronicles), and David Drye planned a trip to Washington DC by Private plane. At the last second, Pat had to cancel and David left without him, dying when the plane crashed.

Sadly, the list goes on.....

Quite an impressive list! Let the public become aware of what happens to friends of the Clintons!

If the voting morons liked Obama, they'll love Hillary! She will do a much better job of turning America into a garbage dump than the Halfrican mystery man! Hillary is the personification of evil, but what do the homosexuals, lesbians, communists and progressives care about evil?

She may resurrect her Igor, Craig Livingston who apparently went on a picnic at Marcy Park with Vince Foster.

She is a true Dragon Lady and her long-nosed occasional escort is an evil rapist, womanizer and cowardly draft dodger. Together they made the decision to bomb Yugoslavia in order to ease the pressure on that country's Muslim populace.

It's okay for Muslims to bomb churches and synagogues, but stay away from their mosques.

Then ask: "How many did Hillary know personally?"

The list came up in sworn testimony that White House employee Linda Tripp gave to Judicial Watch chairman Larry Klayman in December, 1998. Trip testified that a hand-written list of people who were involved with Clinton and who had suffered mysterious deaths ended up on her office chair in the White House. Tripp said that the list was accompanied by a note that said, "Linda, just thought you'd find this of interest."

The Box Under Bill & Hillary's Bed

When Bill and Hillary first got married Bill said, "I am putting a box under the bed. You must promise never to look in it." In all their 30 years of marriage, Hillary never looked.

On the afternoon of their 30th anniversary, curiosity got the best of her and she lifted the lid and peeked inside. In the box were 3 empty beer cans and \$81,874.25 in cash. She closed the box and put it back under the bed. Now that she knew what was in the box, she was doubly curious as to why there even was such a box with such contents.

That evening, they were out for a special anniversary dinner. After dinner, Hillary could no longer contain her curiosity and she confessed, saying, "I am so sorry, Bill. For all these years, I kept my promise and never looked into the box under our bed. However, today the temptation was too much and I gave in. But now I need to know, why do you keep the 3 beer cans in the box?"

Bill thought for a while and said, "I guess after all these years you deserve to know the truth. Whenever I was unfaithful to you, I put an empty beer can in the box under the bed to remind myself not to do it again.

Hillary was shocked, but said, "Hmm, Jennifer, Paula and Monica. I am very disappointed and saddened by your

behavior. However, since you are addicted to sex I guess it does happen and I guess 3 times is not that bad considering your problem.

Bill thanked her for being so understanding. They hugged and made their peace. A little while later Hillary asked Bill, "So why do you have all that money in the box?"

Bill answered: "Well, whenever the box filled up with empty cans, I took them to the recycling center and redeemed them for cash."

Her husband thingy, having sat in the oval orifice for eight grueling years would be part and parcel of an evil regime headed by Hitler. Consider his credentials as CIC:

Clinton's Military Career

What? You didn't know he had a military career?

Bill & Hillary got about \$12 million for their to-be written memoirs.

Here's some help for them since their memories are getting old.

BILL CLINTONS MILITARY CAREER

Bill Clinton registers for the draft on September 08, 1964,

accepting all contractual conditions of registering for the draft.

Selective Service Number is 326 46 228.

Bill Clinton classified 2-S on November 17, 1964.

Bill Clinton reclassified 1-A on March 20, 1968.

Bill Clinton ordered to report for induction on July 28, 1969.

Bill Clinton refuses to report and is not inducted into the military.

Bill Clinton reclassified 1-D after enlisting in the United States

Army Reserves on August 07, 1969, under authority of COL. E. Holmes.

Clinton signs enlistment papers and takes oath of enlistment.

Bill Clinton fails to report to his duty station at the University of Arkansas ROTC, September 1969.

Bill Clinton reclassified 1-A on October 30, 1969, as enlistment with Army Reserves is revoked by Colonel E. Holmes and Clinton now AWOL and subject to arrest under Public Law 90-40 (2) (a) -

registrant who has failed to report...remain liable for induction.

Bill Clinton's birth date lottery number is 311, drawn December 1, 1969, but anyone who has already been ordered to report for induction is INELIGIBLE!

Bill Clinton runs for Congress (1974), while a fugitive from justice under Public Law 90-40.

Bill Clinton runs for Arkansas Attorney General (1976), while a fugitive from justice.

Bill Clinton receives pardon on January 21, 1977, from President Carter.

Bill Clinton becomes the FIRST PARDONED FEDERAL FELON ever to serve as President of the United States.

All these facts come from Freedom of Information requests,

public laws, and various books that have been published, and have not been refuted by Clinton .

After the 1993 World Trade Center bombing, President Clinton promised that those responsible would be hunted down and punished.

After the 1995 bombing in Saudi Arabia ,which killed five U.S.military personnel,Clinton promised that those responsible would be hunted down and punished.

After the 1996 Khobar Towers bombing in Saudi Arabia , which killed 19 and injured 200 U.S. military personnel, Clinton promised that those responsible would be hunted down and punished.

After the 1998 bombing of U.S. embassies in Africa ,which killed 224 and injured 5,000,Clinton promised that those responsible would be hunted down and punished.

After the 2000 bombing of the USS Cole,which killed 17 and injured 39 U.S. sailors, Clinton promised that those responsible be hunted down and punished.

Maybe if Clinton had kept those promises, an estimated 3,000 people in New York and Washington , DC , who are now dead would be alive today.

THINK ABOUT IT!

It is a strange turn of events.

Hillary gets \$8 Million for her forthcoming memoir.

Bill gets about \$12 Million for his memoir yet to be written.

This from two people who spent 8 years being unable to recall anything about past events while under oath.
