Hard News:

T/ R: going to go ahead and change the phone numbers; many people calling them to say the lines are not good: sounds like being under water

- company chosen is the same line as that used by Susan & Fran / Ashtar on the Road
- **Friday and Saturday NEW Phone # is: 1-209 – 647-1600; PIN 353 863#**
They will have the replay # permanently on the website – it becomes an MP3 file
REPLAY #: 209-647-1699 – don't need a PIN number

R: watching the final embers of Mordor go down in dust!

- Netanyahu gave a speech at AIPAC and in front of Congress
 - it is about false flag events they would love to pull off!
 - This is a full moon, BTW!
 - Mother's wayward children want to create a **FAKE ARMEGGEDON AND THEREFORE A FALSE ALIEN INVASION**

Natasha: NO NUKES!!!! Iran will not nuke Israel, but Israel wants to nuke Iran: their weapons won't work!

- the Mahdi is here and Lord Maitraya: no nukes, and they mean it
- How we get along with each other no matter what we look like – we have to learn how to do this.

T: we don't own the earth/ planet; are the stewards of the earth

Majority Report of Sam Seder

- Jeannine Giroffalo was on and they got Keith Olberman on
- Sam Sedier asked who was going to announce the presence of the galactics first?
- Keith said **Putin** – because the Americans have to clean up the liars' list [CIA, FBI, etc etc who are pushing it hard that Russia is involved in East Ukraine: NOT TRUE
 - Boris M, the opposition leader, was killed by the Black Ops; he was also promulgating the lie that Putin was involved in East Ukraine - a lie!
 - He is a billionaire; his girlfriend walking across the bridge with him when he was killed; a 23 year old Ukrainian! He was a 55 year old Russian!
- **Rama saw Natasha** today: said this thing will not be let up about the e-mails of Hillary
 - this will blow way up as there are things about Benghazi – like her getting away with 800 tonnes of gold into a plane and out of Tripoli somehow
 - It got beamed up onto an amythest ship of St Germain
 - Ghaddafi is not dead, a clone; she was laughing and saying Humpty Dumpty had a great fall and then he died – this is being played in various places!
 - All kinds of people reporting the scene as it was supposed to have happened – and that is not true either
- In 2006, Bush declared amnesty for himself and the others to the end of 2016 so they could take over the GOP party and the White House and create a real Fascist State.

Natasha: Obama has been helping the US beyond what anyone knows about because of the underbellies of the lies that are going on

R: he is a triple agent – he has handlers as every president always had; the republicans did too but they were OK with it, so it seemed easier when there was a republican president in office & there was the impression that they had more power.

- A combination of X-Men, MIB and Starwars: these people are playing for keeps; the blue helmeted from Nibiru are bird, lion and reptilian people

T: there is a group called the blue avians which are connected to the hawk headed gods of RA;

- the story is that RA was Mother's father, in the 3rd dimensional sense when she was incarnated as the lion-headed one; but this does not mean that he was her father
- She manifested as Osiris; Isis was born out of the Aboriginal people; Mother was here for 3000 years

- The blue avions represent the anchoring of the Law of One, the Mosaic Law – and Aknaton was the

Pharaoh king who brought in the idea of ONE god/goddess and the Law of One

- Tut was Tutankaton as being of the Amon priesthood; as he grew up where wars were going on for the last 13,000 years; the dark priests forced the change of the name: she has seen the inscription where he said he was Tutankaton of the One- [the dark priests changed the spelling to tutankaman] – this shift is what we are shifting back from and to
 - this goes back to 11,000 BC +/- around the time when the great crystal fractured; Egypt was a colony of Atlantis; things were very barbaric there for a time; the ice age was longer than people say – it butted right up to the 18th dynasty – it is why mother and other beings in the Pharonic Age did an intervention
 - the Law of One was anchored there, and for 13,000 years, we have been battling to make this so – it's been something to deal with!!!!
- Reports of more galactic interventionist friends being seen: when you get a sports reporter talking of that, and of Putin announcing it – that is something!

Ferguson Report: just out

- Racism in the police department & doing it for revenue: huge amounts of price fixing on tickets to people of colour and putting people in jail when they had no money at all & for no reason at all
- On the federal level, AG Holder has said that Mr Wilson – nothing to prove that what he thought was going on in his mind could be changed by the law
 - T thinks he knows he is guilty; as he gets this to happen, it is being set up so other people will get off!
 - Can see the obstinacy of all the police leaders who want racism and revenue & impunity – something the whole police force should be changed and have a new set-up - “New Rules”
 - those writing the report went to all kinds of places where there are same numbers of whites and people of colour: Chicago is 50/50 of whites & coloured people, yet police force is majority white.

China: having national congress March 1 – 15th; their economy is totally slowly down

- President XI calling it the new normal: let's target for 7% GDP growth this year; for the last 25 years, they were in double digits

NHK: talking about what is going on on the **internet in rural China:** have a huge online shopping system going on; a young man got an associate's degree in college, then learned carpentry, then went on line – was able to create a warehouse and 10 people to help him: he was making \$3000 a month which he could not have done in the way things are usually done in China

- the computer classes are taught live, on line, life class teaching in many areas: they are starting to do things that the free world has not overcome the plutocracy that is going on
- they are slowing down because of the slow down of business with Europe

Ben Fulford said the US, Chinese Japanese, EU markets were “rigged casino games for the rich at the expense of the poor.”

Netanyahu Consensus that now Net has hijacked the congress with his fake war “let's go nuke Iran” speech, and the ISIL group being faced with the Baghdad army which is Shia fighters backed by Iran – Mr McCain has his eyebrows up to his 3rd eye and saying who's running the ground war? We are not in there!!! But it IS the US

- DR KESHE WILL NEUTRALIZE ALL THE WEAPONS IF THERE IS ANY ENCROACHMENT

March 4th, 2015 - Coast to Coast AM, Nassim Harramein was guest for 2.5 hours: **Hypnosis and Space Time**

Part 1: back ground to hypnosis by Joseph Sansony

Japan: Shinzo Abe: should be ousted within the next 3 months; he is very frightened that someone will

take him out because all his alliances are very dark: Bushes; Richard Armitage & others

- Things are moving on a regular basis to make things happen
 - NESARA is already underway thanks to Obama

Guest: Craig Campobosso

MR: so happy to hear of the acceptance he is receiving – it's time for people to pay attention

T: did Chantarah go to the opening?

CC: he is not sure! It was a mind blur! Talked to people, take pictures and move on!

T: Are the illustrations of declassified starships in his book **Autobiography of an Extra Terrestrial Saga** of extraterrestrial beings, arch angels and others; some of the ships, some of the interiors of thought ships and how they work – there are deflector carousels

T: What is a deflector carousels?

CC: There are 12 saddles / carousels; the commanders sit there and wear goggles, in the middle is a holographic bubble that shows what is happening in real time. Can see attacks if they happen - can rescue people if they are in dangerous situations – it's in the book!

• His series is: • **I am Taron**

CC: Book 1 on Amazon gets 44 out of 49 reviews good reviews: most people read it in a night!

T: would like to have people feel that much more than they do now [feeling good about what is happening]

CC: No, he is not taking it to other festivals – too much work to do that

- concentrating on raising money for the big movie & finishing Book 3

T: talks about Clara Kemp and what she does – could help Craig – he has gone to his Chinese herbalist

T: tells Craig about the Montauk project and what Obama has seen and done since he was 18.

CC: Dr Frank talked about lots of people who had been chosen from all over the world to come on board Victory 1 and were taught about the universe, etc – they don't talk about what happened because they don't want to be pooh-poohed but they will come out of the woodwork once the announcements are made.

- Once you get past “Celebrity ghosts”, the next level is outer space and other beings.

CC: there are 15,000 + proposals to be seen at Sundance; his film was never intended to be a festival film

MR: she saw him there when he talked to her: it can be effortless

Hard News

Audio: Michelle Alexander – her book **The New Jim Crow** – says it like it is!
From Amy Goodman on **Democracy Now**

2015-03-04 **Michelle Alexander: Ferguson Shows Why Criminal Justice System of "Racial Control" Should Be Undone**

The U.S. Justice Department has concluded that the police and city courts in Ferguson, Missouri, routinely engaged in a pattern and practice of discrimination against African Americans. Despite comprising about 66 percent of the local population, African Americans accounted for 93 percent of arrests, 88 percent of incidents where force was used, 90 percent of citations and 85 percent of traffic stops. The Justice Department, which launched its report after the police killing of Michael Brown, also uncovered at least three municipal Ferguson emails containing racist language or images. "The report does not give me hope. What gives me hope is that people across America are finally waking up," says Michelle Alexander, author of the best-selling book, **The New Jim Crow: Mass Incarceration in the Age of Colorblindness**. "There is a system of racial and social control in communities of color across America. ... What we see now is that we do have the power to make things change. The question is are we going to transition from protest politics to long-term, strategic movement building?"

T: what Alexander has done is capture the moment in time where change is possible.

Closing: Mother / Alcyone

Greetings in the light of the Most Radiant One! In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germaine and the Violet Flame

- There is a lot going on that has to do with them showing up, along with all of us who have said “now is the time! This is the place!”
 - We are all here, and it is in our best interests to learn how to get along with each other.
 - This is one of the reasons they are here; they are our neighbours in the 'hood. The Commander-in-Chief has not yet spoken about their immigration issues; yet, he is getting to it!
- T:** Keith Olberman was saying that Putin was going to make the announcement about their presence first
- eagle and bear: bear energy is feminine, Mother's energy: the shamanism of Siberia is amazing!
 - That would be a good place because there is a balance point where the energy can break the “Let's throw the kitchen sink at russia and blame them for everything” kind of thinking
 - the consciousness of humanity is saying that it's time for solutions: no more war.
 - The wars in the middle east have all failed: Afghanistan, Iraq, Syria, Libya – ALL FAILED.
- **Full disclosure** is in the mix now – being discussed more often now

AI: only that as things steadily progress at quantum light speed, they are our neighbours and how we do this together is the greatest gift we can give each other.

- They come in peace: all they are saying is give peace a chance.
- This is the order of business, and as that is the nature of what's happening, we can go to the next step. And introduce us to ourselves – which is the real magic!
- We asked to do this, not them: show me how to create! Well, here you go – it has come full circle now: it is beyond $E = MC^2$

- **WE ARE THE Merkaba Vehicles** – as we all get this and really get it in the cells: we are the small dot Nassim was speaking about in the circle

T: it is all happening in the dot!

AI: it is the nature of what they represent; the energy of a black hole! It is the nature of black holes – they are cleaning house all the way.

- It is at this time, they can say the announcements of their arrival are in divine right timing; the ones we call the blue Avians, the sons and daughters of Ra, we are all here:
 - let us learn how we must set aside the ancient games of conquest by the sword; we do this with the 4 leaf clover now - Happy St Patrick's day coming up!

T: March 15 – election day in Israel – we ask for the highest good of all to happen there.

Greetings in the light of the most radiant one. Kadoish Kadoish

R: has been to Ashtar's ship, the New Jerusalem: Ashtar has said let us do this with peace now; it is the most important - this is the message he got.

- now we are doing this with an over whelming sense of peace as Patti CD Robles said in her reading.

2015 Is Our Year of Initiation Into A Higher Order of Being

by Patricia Cota-Robles

The outer World is beginning to reflect Humanity's return to Christ Consciousness. I know some people resist that term because they feel it is based in Christianity. That is not true. Christ Consciousness is the level of enlightenment we were invested with at our inception, when we were first Breathed forth from the Core of Creation by our Father-Mother God.

As Sons and Daughters of God, Christ Consciousness is the level of enlightenment we must ALL return to if we are going to continue our evolutionary process. Our return to Christ Consciousness will be accomplished by healing the adverse affects of our fall from Grace, so that we can Ascend up the Spiral of Evolution to the next level of our learning experiences.

If, however, the term Christ Consciousness prevents you from hearing the message being given to Humanity by the Company of Heaven, then by all means change that term to whatever resonates for you as the name of your true God Reality. For instance, your God Self, Higher Self, Super Conscious Mind, the Divinity Within, Universal Consciousness, the Mind of God or whatever else you can relate to, but please do not miss this Cosmic Opportunity to add to the Light of the World because of semantics.

In 2012, we God Victoriously Birthed the New Earth in the 5th-Dimensional Realms of CAUSE. In 2013, we expanded the patterns of perfection for the New Earth and birthed a Renaissance of Divine Love. In 2014, Humanity en masse experienced the initial impulse of our return to Christ Consciousness through the Divine Intervention of our I AM Presence. Now, in 2015, we have collectively reached a critical mass of energy, vibration, and consciousness that will allow Humanity's I AM Presence to Initiate us into A HIGHER ORDER OF BEING. This is the moment we have been longing for since our fall into the fragmented and fear-based consciousness of separation and duality.

Several outer World events have begun to reveal the shift of consciousness that is gradually taking place within the masses of Humanity. Over the past several months we have witnessed massive demonstrations in several places around the World that indicate that people everywhere are reaching the conclusion that violence and aggression are not acceptable ways of solving problems.

This realization will gradually inspire people to seek viable solutions that will solve the World's problems through cooperation, mutual respect, caring, and a deep commitment to finding answers that result in the highest good for all concerned.

The next phase of the unfolding Divine Plan for Planet Earth is being revealed to us now by the Company of Heaven. That plan involves creating a global wave of Christ Consciousness that WILL amplify a thousandfold Humanity's Initiation into A HIGHER ORDER OF BEING. The Company of Heaven said this facet of the Divine Plan will cocreate a quantum shift that will exponentially move Humanity and this Planet forward in the Light in 2015.

The success of this Activity of Light will catapult every person on Earth into the next phase of Christ Consciousness, which will greatly intensify the remembrance of the ONENESS OF ALL LIFE within the hearts and minds of people everywhere. When this inner knowing begins to reverberate once again within the Divinity of every person's Heart Flame, the thought of harming any part of Life in any way will be unconscionable. When the concept of violence and aggression are no longer an option within the recesses of our heart, we will easily tap into the viable solutions in the Causal Body of God that will result in actions that genuinely take into consideration the Oneness of Life and the highest good for ALL concerned.

Many powerful Activities of Light are being orchestrated in 2015 through the unified efforts of the Lightworkers embodied on this Planet and the entire Company of Heaven. These events will pave the way for Humanity's collective shift into A HIGHER ORDER OF BEING which is destined to take place through the Divine Intervention of each person's I AM Presence during the global event known as the 29th Annual World Congress on

Illumination. This Activity of Light will take place August 15-20, 2015, in Tucson, Arizona, but it will involve every person on Earth.

Every Lightworker will be in his or her right and perfect place. No facet of this Divine Plan is any more important than another. What IS important, is that we respond to whatever our I AM Presence is guiding us to do. We must Trust and KNOW that if we are being guided to be physically present within the Portal of Light in Tucson, then our I AM Presence and the Company of Heaven will assist us in paving the way. This is true whether we need assistance with time, energy, or money to accomplish this facet of our Divine Mission.

Our Father-Mother God and the Beings of Light in the Realms of Illumined Truth are sending forth a Clarion Call to all embodied Lightworkers, this includes YOU. We are being asked to gather within the Portal of Light in Tucson, Arizona, which is the most powerful frequency of Healing Through the Power of God's Infinite Transmutation and Transfiguring Divine Love available on Planet Earth.

Listen to your heart and know that it is critical that Lightworkers from around the world be physically present for this facet of the unfolding Divine Plan. Together we will form the transformer that will allow the I AM Presence of every person on Earth to INITIATE HIM OR HER INTO A HIGHER ORDER OF BEING. All of the Lightworkers who have been prepared to serve in this wondrous way on behalf of Humanity and all Life on this sweet Earth will know who they are through the inner promptings of their heart. Listen to your heart, and Trust your inner guidance. Your Light is needed now!

In addition to those who are inspired to be physically present, there will be Lightworkers who will join in consciousness from points of Light around the World. These Lightworkers will project the Light flowing through their Heart Flames into the Portal of Light where the Lightworkers are physically gathered in Tucson, Arizona. Thus our unified efforts will expand a thousand times a thousandfold.

The 29th Annual World Congress on Illumination will take place August 15-20, 2015. We will gather at the beautiful Loews Ventana Canyon Resort in Tucson, Arizona. To access all of the information you will need to participate in this wondrous opportunity please click on this link: <http://www.eraofpeace.org/world-congress-on-illumination-event-2015#info-tab>

(If this link does not work please copy and paste in your browser.)

God Bless YOU, for your willingness to be the Open Door for the Light of God that will allow the I AM Presence of every man, woman, and child on Earth to INITIATE HIM OR HER INTO A HIGHER ORDER OF BEING. This will lift every person into the next phase of Christ Consciousness which will greatly accelerate Humanity's Awakening and our remembrance of the Oneness of ALL Life.

The World Congress will begin with the **Opening Ceremonies** on

Saturday, August 15th at 7:00 p.m. and conclude with

the **Closing Ceremonies on Thursday, August 20th** by 2:00 p.m.

This sacred conclave will be a celestial experience for everyone involved. Each day, as we successfully fulfill one phase of the Divine Plan, the Company of Heaven will reveal the next phase of the plan to us. As we sojourn through the various activities of Light, under the Divine Guidance of our Father-Mother God and the Company of Heaven, our mission will be victoriously accomplished.

This event will take place at Loews Ventana Canyon Resort, which is nestled in the unique beauty and the nurturing, healing environment of the southwestern desert in Tucson, Arizona. The resort is surrounded by lush desert vegetation and towering two to three-hundred-year-old saguaro cacti. These expressions of the Elemental Kingdom stand as mighty sentinels while anchoring the Light of God into the Earth.

When you enter this portal of Light, you will experience the awesome radiance of the Flame of Healing Through the Power of Infinite Transmutation and the Flame of Transfiguring Divine Love. As this Sacred Fire bathes your

Being, you will be blessed with the familiar feeling of coming home.

The World Congress on Illumination is truly a life-transforming event that will provide you with the opportunity to meet old friends from around the world with whom you have been serving for aeons of time. Fellow Lightworkers will join hearts with you and support you in your monumental service to the Light.

The Divine Plan we are being called to fulfill will be accomplished through myriad activities of Light. We will be joined at inner levels by the Solar Logos from Suns beyond Suns, the entire Company of Heaven, the I AM Presence of ALL Humanity, the Divine Intelligence that is associated with the Elemental Kingdom, the Mighty Elohim, and the Legions of Angels throughout Infinity.

The entire Universe is supporting us in this wondrous endeavor. The Beings of Light have been given permission to assist us in miraculous ways, but the Lightworkers on Earth are the predominant force bringing this Divine Plan into physical manifestation.

Our responsibility is enormous, but as we join our hearts together, we have the absolute ability to succeed God Victoriously.

Just for a moment, go within to the Divinity of your Heart Flame, and experience the overwhelming Gratitude and Love pouring forth from the Legions of Light in the Heavenly Realms. Feel the deep appreciation they are sending to you for your willingness to serve Humanity during this critical moment in the evolution of this sweet Earth. We are blessed beyond measure to be able to assist all Life evolving on Earth in this wondrous way.

#27 Yi Nourishment/the Tiger's Mouth

Above Gen Quiet mountain; unshakable, steady
firm and still

Below Zhen Shake, arouse, thunder, inspiration;
receiving power from the center of the Earth

The Wisdom:

Recalling your memory of divine reception

Nourishment is to be received

The ritual meal is prepared

Share and nourish the tribe

The ritual table of initiation is set and is waiting for you to be the guest as well as the host. As you nourish yourself, so are you to nourish all around you. That is the magic. The architecture of this hexagram is an open mouth. It is symbolic of your hunger for knowledge of the self. This is a time of receiving, that is certain, but just what to receive and how much is the question answered in this hexagram.

The vital food in this moment is Spirit, the amorphous, unseen component of your life force. As you consider what metaphorically goes into the open mouth, be equally aware of what goes out of and is operating the mouth. The words you think and the words you speak have great power at this time. In truth what you are receiving and giving is love. Giving of love through words and action is necessary in the matrix to aid you to find happiness and peace of mind.

It is in the stillness achieved by your personal process that love will find you, and be the healing salve for the wounding that is experienced in reaching for the grail.

At this time in your process you may be experiencing a time of not being heard. So be it. By sitting quietly at the ritual table and sharing the initiatory "meal," what you say will be heard and will be what sets the tonal frequency on your quest for understanding, enlightenment, abundance and love. This process will be realized by creating an actual or virtual altar. It is at the altar you will find a comfort zone within that will bring clarity to what you desire and make way and show you how to get there. Construct this altar either in simplicity in a place you feel is safe and sacred or build it in your meditation, preserved in the inner plane of your consciousness.

This time is that of initiatory creative transformation. As you transform yourself through your thoughts, words and actions, you also have the ability and responsibility to be of service in the transformation of others who will walk beside you. It will be of great benefit at this time to recognize your tribal brothers and sisters and actively embrace them and keep them close.

At this time, embrace the idea of being a part of a great and cosmic whole, for these are tribal times, the gathering of the clans. There is a great primal knowing that is being revealed and released as we join with our companions of destiny, be they near or far, as distance has no bearing on tribal associations in this new emerging paradigm.

By nourishing the beings in your field you recognize as your fellows, you will be activating a great chain of events, as they in turn will nourish others. In this way you are in service to Gaia, and to all sentient beings incarnate at this very special and powerful moment in time.

The feeling of longing that is with you now can no longer be ignored. Identify, honor and dissect it. If you refuse this it most likely will take you off track and lose access to your spiritual nourishment, which is the

ritual meal that is before you. Ask what is it you are longing for, what is this hunger that keeps you from focusing and completing tasks both great and small? Finding the answer will not come from outside yourself in the form of a sage, priest, shaman or wise person; it can only come from you, and will require perseverance into deep and pointed consideration as to how you have been thinking, and what spin you are putting on things to make your present actions and decisions feel like they're right or "enough." Don't be fooled at this point; it is not the time to take the easy way, it is your time of bravely moving into a brutal honesty to uncover the lies you have believed and the lies you have been telling yourself for years and that your ancestors have believed for many generations.

When an initiatory process, such as this one comes toward you, you will be tested – tested by the ego, which will present situations or persons that look too good to be true. These are the ego's obstacles, the final tests before glory. Do not fool yourself and be clouded by desires of the senses just because what is coming toward you now looks so good, or seems so perfect. This is a familiar old trick of the ego using temptation that would have you miss the opening to initiation that is right in front of you.

With your diligence and mind-bending work, you have brought much to the table – for yourself, your family, and your community and tribe. This is good – it is proper to grace your fellow pilgrims with your bounty. You too, should partake of what is beneficial. But do not become enraptured with the table you have prepared. This can be known by no other name than pride. Pride, as presented by the ego, would stop you in your tracks. Stop now and feed here at the ritual table, consume what you need, then leave the table, for your journey has just begun.

This time of nourishment is a necessary component in this global initiatory process of which we all are active participants. As great societal changes are spreading across the world at this time, it is incumbent on all of us who are working for the greater good to bring this awareness into our daily lives. By acting with dignity, integrity, compassion, and kindness, while you reject the shadowy negativity that will surely be placed on your path as a test of your commitment to the light, you will hear your inner voice of wisdom, your intuition that will keep you on track. This is the teaching of Yi. This voice will be your guide towards the greater good for you, and all around you. Remember and believe that you are in the right place at the right time. Take in the good and actively reject the negative as you step into the light as you have been made strong by trusting and waling in then out of the fire of initiation .
