

A photograph of three children, two girls and one boy, looking intently at a computer screen. The girl on the left has blonde hair and is wearing red-rimmed glasses. The boy in the middle has dark hair. The girl on the right has dark hair. They are all leaning in, suggesting a collaborative learning environment.

TRY IT ON MONDAY

Saturday, April 26th, 2014, 8am - 2pm

Nishimachi International School

Tokyo Japan

Free Entrance

Free Lunch

Try IT On Monday is a one-day 'technology in education' event held each year. Classroom teachers offer one-hour workshops on practical classroom use of technology. The goal of each workshop is for participants to walk away with new ideas that they can "try on Monday."
