Membership Drive

The Membership drive has been successful at motivating renewals. It is the intention of the membership committee to repeat these efforts in the future.

Bag Reunion

The 2009 BAG Reunion was a BLAST! It was larger than the 2007 reunion and may have been the largest one yet. There were new events added (the Wine Tour, Thursday Night After Party) and fun was had by all. The Reunion Committee has already begun planning for the next reunion in 2011. Stay tuned.

Words from the President

If you have not already paid your 2009 dues, please do so. Your memberships dues help provide scholarships to SIU students. Nubian Connection is a 501C3 organization and all contributions are tax deductible.
