If Artworks are unframed, please ensure that canvas edges are painted and neat. Please mark all artworks on the back with your name and the title of the work

Or

2. **Rolled in a tube** so that we may stretch. We will provide this at no additional cost. Please only use this option if you are sure that your work can roll easily so as not to be damaged. *This is a very good option to keep delivery costs at a low price and we are happy to assist you with this.*
