

PCSR Open Forum & AGM

Saturday 8th November 2014: 10am-4pm

NCVO, London: <http://www.ncvo.org.uk/>

10am–1pm PCSR Open Forum

facilitated by Andrew Samuels

2pm–4pm PCSR AGM:

Find out about PCSR, what's been happening in the last year. Join the steering group. Help plan priorities for next year.

We want to create a space where members and others can share with each other what they are currently doing and what they would like to do in bringing the political and therapeutic together in their lives. Our ideal is that anyone who wants to can briefly take the floor and talk about their work and ideas in dialogue with others. We may divide into small themed groups depending on numbers. The kinds of things we are hoping to engage with might include:

1. National politics/social and economic justice/refugees, asylum and immigration.
2. Ecopsychology, climate change, and other global and international issues.
3. Therapy issues such as diversity and equalities, low cost or free therapy, ethics and conduct, regulation.
4. Deep culture change, spirituality, and the role of therapy therein.
