

THE BITCLUB SYSTEM

This is the BITCLUB System. A simple system that will help guide you toward success here with Bitclub Network and duplicate your team like never before. Follow this proven system, and we can ensure you that you will be on the right path to achieving your goals and dreams.

DUPLICATION IS THE KEY TO SUCCESS

THE CRYPTO BUILDING WORKSHOP

The Crypto Building Workshop is your roadmap to success and your foundation to building your Bitclub business. Every part of the workshop is equally important: from the set up, to the pre-workshop mingling, to the presentation, and all the way to the end when you enroll your new Bitclub Owners.

This outline will serve as the guide to hosting a great Crypto Building Workshop.

WHAT YOU NEED

- Laptop
- Powerpoint Presentation
- Television
- Finger Foods, Refreshments
- Members Applications, pens
- CLUBLAUNCH Worksheets
- Notes and Pens for guests
- Guests

SETTING UP

You only have one chance to make a first impression. You want to give your guests a love at first sight experience. So the setup is as important as the presentation. Make sure your house is clean, smells good, has great lighting, and a cool temperature. An overall and comfortable environment.

Set up is best in the living room. Set up your laptop to the television so you can show the powerpoint presentation to the guests. You would also want to prepare some easy to handle mingling food and refreshments to help your guests feel relaxed and comfortable before the workshop begins. Have music playing before the workshop to create a fun environment.

You have 2 goals with your Crypto Building Workshop:

1

Enroll new Bitclub Owners

2

Schedule more Crypto Building Workshop

Remember... people will do what you do. This is how you will duplicate and build an organization faster than ever before. Not just you but in your organization... you want to have as many Crypto Building Workshop happening in living rooms all across the country and around the world. So, set a good example at your own Crypto Building Workshop. And more importantly... have fun!
