

**Memorandum of Partnership  
with the  
Comprehensive Emergency Management Research Network**

The Comprehensive Emergency Management Research (CEMR) Network is a voluntary association of practitioners, researchers, and organizations seeking to link the multiple disciplinary perspectives of emergency management research, and to ultimately bridge the theoretical and practical applications of the profession through the shared contributions of its membership, and to provide a forum and catalyst that advances and improves comprehensive emergency management.

The undersigned has reviewed the Mission, Objectives, and Guiding Principles of the CEMR Network, and sharing the values of the CEMR Network, wishes to associate through Partnership.

**Partner agrees to:**

1. Hereby designate a point of contact (POC), and maintain current contact information in the future.
2. Provide a link from Partner's Website to the CEMR Network site as appropriate. (Click on the logo above to access a copy for your site.)
3. Help circulate program announcements to members of Partner's organization and encourage them to participate with the CEMR Network.
4. Promote research on issues related to comprehensive emergency management
5. Provide feedback and suggestions for CEMR Network activities.

**The CEMR Network agrees to:**

1. Link to Partner's Website.
2. Subscribe the Partner POC to the CEMR Network.
3. Provide the CEMR Network for Partner's for its purposes related to emergency management.
4. Consider Partner's needs and priorities relating to information to enhance knowledge and understanding of emergency management issues.
