Meditation: Angelsu

Spiritual Pathway Meditation for the Planet

Thursday through Sun: Card: of Violet Light

- I embrace the violet light; it permeates my being.

Mon through Thurs: Card: Star Child/Starseed

- I am here from the stars to birth a new planet into light.

Amped up Gift for the Week: Card of Peace and all's well

- My peace comes from knowing the world is changing, knowing that I am an angel, and knowing that everything is happening as it should.

Mayan Calendar: Rainbird

- **Go to Space2plaza.com** – to locate specific days & lots more information: on the home page, you can find out what your Mayan birthday is
- The link to www.lawovertime.org – more info on the calendar & how the 28 day/moon cycles work.

27th Thurs – 13 EB – yellow cosmic human day. Last Tues and Wed were portal days in case we felt the extra energy! Last day of the wave of Ahau which celebrated our connection with spirit; we are transcending with the 13 tone - EB is the healing aspect - we have the gift of our abundance, being human servant warriors; having contact with our higher selves.

- Affirmation: I endure in order to influence; I transcend wisdom; I seal the process of free will with the cosmic tone of the present; I am guided by the power of intelligence.

28th Fri – new wave of Ben the Skywalker: to be clear and follow through.

1 BEN – a warrior aspect our job is to focus on our journey – we have the gift of stability and the ability to bend dimensions

29th Sat – 2 IX – Wizard energy, the jaquar priestess – a magical energy, visionary aspect; shaman energy is our gift.

30th Sun – 3 MEN- eagle energy; also new moon. 3 is activation, activating the visionary aspect of Ben – about our commitment to service and moving consciousness to source – reconnecting with all Creation. Let go of feelings of despair.

31st Mon – 4 CIB – Hallowe'en – veils are thin; CIB is the self- existing warrior. Impeccability of the warrior; trusting in our journey; being aware of right action.

Nov 1st Tues – 5 CABAN – All Soul's Day, celebrated in the Mayan community everywhere. 5 is centred movement; Caban is the earth the healing aspect and awareness of Earth's energy – access to planetary energy,

2nd Wed – 6 ETZNAB – a portal day; 6 is rhythmic energy; Etnab is the mirror, a warrior aspect – working with our groundedness – seeing ourselves in those we meet and love

3rd Thurs – 7 CAUAC – storm energy, lighting human consciousness; 7 is the resonance, a channeling aspect

RB: this is a powerful week, as we are going from new moon, Hallow'en to All Souls Day

Omena: has been feeling the energy going in and going out and in and out – she did what Caroline suggested last week: surrounding herself with white light; has been doing

readings: grateful to anyone who sends her recommendations. She keeps in practice: everyone is "off" due to the energies coming in. She calls on God all the time to help her give help to others.

MR: someone else today confirmed: the amount of energy coming in these days can make us light-headed, or feeling off; ask for help to make the energies compatible and non-disruptive.

COR: agrees with other 2 – we are integrating so much; any issues we have not dealt with are coming up and that is helpful to us

- And the shock of finding out what is going on with all kinds of things is also having an impact.

TC [The Collective]: be aware that aspects of our consciousness are visiting the higher realms as we are integrating the work we are doing in the sleep state – we are attached by our various cords and we are moving in and out of dimensions; if we feel dizzy, or not quite present – not to worry – if we need to, seek out healers, reiki etc etc – our whole being is being upgraded and we need to release

O: if we don't release it, we will get sick – needs to be released, ask for help; breathe through it and then we are back to balance.

COR: we are all going through it!

Randy: concurs about the energies – drink lots and lots of water: IT HELPS!

QUESTION TO O: has she ever heard of someone having 82 lives on the same planet?

O: yes, it's possible!

HARD NEWS

T/R: Greetings!

R: we have to take things to the realm of non-reality: that's what is being played out in the mainstream media [MSM], focussing on the fake horse-race.

- MSM is paid millions to play with peoples' hearts, minds by twisting words and hearts, to use word magic & technology to take us to the realm that is quickly disappearing.
- Evil of itself cannot exist within a frequency of living light and living love. The sun is reflecting this as much is happening to it, as well as to the planets and to the Milky Way Galaxy - an upliftment of energy that as the small rebel band who think they can buy and control the planet are mistaken and being exposed so radically
- None of the MSM has spoken of this today

R: was up on the mtn calling in the energies

- Today Darth Vader's goons and the ND police are defending the oil company and moved in by bringing in tanks and armed folks –it's one step away from Darth Vader's goons taking on the Water Protectors who are drumming, praying, meditating
- It was their land first; there are 2 treaties that gov't has violated
- Called up **Mr X:** said Mr 19.5* has been appraised of the situation and will be taking the proper action
- Different states are taking matters into their own hands whether it is Republican or Democratic governors – not listening to the will of the people –
- **Mr X:** heads are going to roll at a certain point, as things escalate in ND or elsewhere
- Also a fire was started in ND there by the police on purpose – black smoke – none of the MSM discussed this

- **Candy Misette**, a Standing Rock native american
there were blue helicopters, yellow ones, planes over head – they got pushed of the west side land and the contractors are digging in the sacred ground with huge bulldozers. The police are protecting the contractors, and the people are being tased.
 - She called into Thom Hartmann's show; was scared & concerned; they were surrounded, by those in with riot gear
 - The old order is trying to keep it in place
 - they could have gotten hurt worse – this is so unbelievable: the people are only protectors, have been maintaining peace – no retaliation to the policemen
 - Last Tues, talked to **Natasha and the Popply Lady**
 - more about the e-mail links – more coming out; leads to the Bush/Clinton crime family and all that has gone on, leading to the various protracted wars that Congress has never declared! And land grabs to take the resources
 - the real story is about the stargates in Afghanistan; exotic minerals in Africa and other places to make computer programs and the secret space tecgnologies and mining everywhere since the 40s
 - Everything is coming out about
 - they said the frequencies continue to go up; all 13 families have come to twilight time.
 - Whistleblowers are coming forward all over the place
 - Said very strongly: WRITE IN BERNIE SANDERS NAME when people vote
 - last night, during Ashtar on the Road, young lady from Ohio wrote in; checked with her local office to find out what was said - in order to write in someone's name the candidates had to send in certain document - and Bernie Sanders was not supposed to have done this
- Mr X – ABSOLUTELY, BERNIE SANDERS WROTE A DECLARATION OF INTENT SO THAT PEOPLE COULD WRITE HIS NAME IN – FILED THE PAPER WORK IN EVERY STATE.**
- IN SPITE OF THIS, BOTH Democrats and Republican **SENATORS HAVE PUT PRESSURE ON THE LOCAL LEGISLATUREs in the state and to CHANGE THIS!!!**
 - Rama went to his local place and could write in Bernie's name – not many places where this can be done – only 64 good members who are behaving!
- To know if it is OK in their stage: HAVE TO CALL THE LOCAL COUNTY ELECTION OFFICE and even at that, when you write in the name, it might get ignored – but **THIS PUTS OUT THE VIBRATIONS of truth [from the White Knights]**
 - Trump is pushing the incitement of violence by saying he is having his goons at various voting stations – what is going to happen is intervention, though R does not know how this will look.
 - These folks will be stopped: cannot challenge the rising energies and not expect a back hand!
- O:** the fed gov't also investigating this, as of today – what Trump seems to be advocating for – it's all over the internet – having people watching over the voting.
- T:** This is not a nice bunch – and the energies are bringing up everyone's staff: the biggest test is to stay calm, Don't personalize anything – send love
- T:** Ashtar on the Road question: Ben Fulford made a strong statement, & **KOS said it has been true for years;** Ben said it out loud – there is serious fighting going on as 43 different national militaries begin a coordinated take down of the Khazarian mafia
- all fund blockages being experienced in the US are due to the Bush/Clinton crime family Rothschild/Rockefeller families we are told that these families issued a firm threat that the families of anyone who receives or releases any of the RVs, currency bonds, etc – **KOS CONFIRMS THAT THIS IS TRUE.**

- If you can, return the RVs, dongs, Zimbabwes to where you purchased them; trade them in, even though you may not get the full value for them. Can also go to any airport and trade them in
 - If they are from e-bay and you cannot return them, **KOS suggested doing a** sacred ceremony as the creation of these currencies was an evil act by Hillary, Phil and Wendy Gram, to separate people from their money, and to distract the light workers from NESARA. By burning the currency, the energy created by it is dissolved and returned to its source.
 - Someone else suggested going to Viet Nam, purchase tickets using those dongs, and turning them in, or going to Iraq, or to Zimbabwe and turning the respective currencies in.
 - **Burning them gets rid of the energy and the evil intent. Completely disengage from the energies as they have evil intent.**
- HRC went into a massive meltdown after the Oct 7th debate; Matt Lauer asked a question of HRC that she had not wanted to hear- about the e-mails
 - she got to boiling point; was so angry, she started to shape shift! She started screaming in front of her staff and the whole station staff - went kind of manic – how do these people work with this woman?

Guest: Scott BEUTLICH from the US Psychotronics Association –

SEE BELOW: THERE IS A YOU TUBE WHICH IS AN INTERVIEW INCLUDING SCOTT.
Those involved discuss what PSYCHOTRONICS is about.

For more information, go to www.psychotronics.org

Scott is stepping into the position as President of the organization; taught 34 years of High School physics – understands much about the physical energies, also of the more subtle energies.

SB: begins with discussing the meaning of psychotronics

- presentation of the history of the organization, and the involvement of Marietta and her husband Robert. Began in 1975.
- Group started as US Radionics Congress; name changed in 1977.
 - Gives something of the history of radionics; about Dr Abrams and of the way he handled the need to tune in to patients' conditions without touching them.
 - There is an issue in the public with understanding the term, and what is involved in the field of practice
- Have much material available on their website on how to use the "black boxes"
 - 1100 talks and about 700 video talks – talks of the various people

- MR:**
- teaches people how to ask themselves questions – adding things to see if you can make that person better
 - also, can measure the energy of the seed and the soil you want to put it in – look for the highest vitality and what nutrients to add to increase that vitality
 - can do the same thing with animals – can use instruments and then add nutrients and see how the vitality is raised or not.

SB: homeopathy is a similar protocol – 1 drop of a mixture after it's been energized, and that mixture can energize an animal or a crop

MR: can also measure the field around an animal – can check that and find the problem before it gets into the physical body [auric]

- Scott describes how he introduced the concept of subtle energies to his physics students
 - taught the fundamental building blocks of physics – the basis of the physical world but this is only 4% of the physical world –
 - there is 96% that is unknown – need a new paradigm: where the mind is and the ability of the mind to interact with space/time – consciousness and intention as ways to interact with physical matter.
 - in the past, only priests were considered able to use divining rods – yet we can all do this!
- Set things up by talking of Tesla etc, and bringing in his dad for Strange Physics Days
- The process introduces ideas sequentially so students were able to follow along
 - taught them how to use dousing rods
 - then videos with auras / energy fields
 - ghosts and such like
 - about scalar energy that just “is”

MR: talks of Bill Tiller and the consciousness project, being done with Deepak Chopra and working with childrens who may not speak, due to autism – were using a Faraday cage and shielding some of the frequencies that might interfere

COR: being born with incredible abilities – the abilities are already there; feeling vibrations like the aboriginal people; tuned into what their bodies are telling them – we as adults have to learn this.

SB: all the EMF is an overload of things – the faraday cage blocks out the interference, and then they can hear their parents and those who are trying to help them; then their intelligence kicks in and they are born with higher levels of this too.

COR: hopefully with NESARA law and other changes, we will be able to allow the children to grow naturally

SB: DNA being changed by programming / energies that interfere with the healing process

O: what we are talking about is the side-effects of a 1st world country; in Ireland, had natural healers, dousing was natural, and done before ploughing and sowing; the spirit world was real – if they showed any abilities in that area, it was not shut off/scoffed at.

COR: to this day the Irish have held on to their connection with the fairy realm in spite of the straight jacket training of the catholic church; the Irish are very stubborn – will make out that they are agreeing but aren't really – it's a survival technique.

O: they knew they were safe in spite of what the church said.
The lack of distractions allowed her to develop her abilities

MR: her neighbours' grandson talks of the beings in his room

O: her own grandson did it – had a whole army; could not understand why O did not know them so she had him introduce her to them

- Her grandson, according to him, is going to Harvard on a full scholarship – O told him to hold on to the vision, and not worry about the money. Yale is his second choice.

SB: has a student come up to him and tell him she was glad to hear all this information – she thought she was in a strange place – knows she can connect with the other worlds and it's real and OK.

- Understanding where illnesses come from – the higher levels – we can manage them much better when we know how they are created.

O: loves kids movies – a big kid herself; "Inside Out" – shows how the emotions play on us a great movie

T: can't remember which of the San Juan Islands – there is a school for little ones, and they do the whole school outside all year round, even with the autism the kids are changed

2. She worked with colour, sound and Vibration on autistic kids in a formal setting as part of her graduate work; the kids had amazing breakthroughs
3. Watched RT 2 nights ago: China is the first country to deal with computer addiction from the ages of 10 years and up to teens

SB: in Japan, have an name for it

T: in China, only have 1 child – so there is a lack of socialization

- 6 month therapy program - have to learn to work in groups; no cell phone; no computers; write daily in a journal; have to learn an instrument; do some military things like marching together; have therapies
- Parents also realizing that because both of them are forced to work, they are isolated as is the kid!
- it's starting to work: the kids going deeper, as are the parents who realize they didn't have what they needed to become good parents.

O: happens in the US too – TV & computers were the baby sitter; lots of kids addicted to TV and don't interact with the families – a huge problem in US

SB: talks about baby boomers being inoculated with mindless soaps

- talks of a chiropractor Dr Whitehouse, one of their members, who treated children using radionics and colour therapy; the AMA stepped in and put a stop to it, as they could not understand how colour therapy or radionics worked – could no longer practice in South Carolina –
- could not put him in jail as a military man spoke in his favour about him teaching the navy how to use a radionics machine to track submarines on the other side of the world, using a radionics machine and they didn't know how it worked, just THAT it worked!
- Haven't progressed much since that time! 1977 – in terms of alternative therapies that connect to consciousness

MR: and parents can be put in jail for not using conventional means

SB: the US uses 75% of pharmaceuticals with 5% of the population

SB's closing statement: there are people working on different scenarios where we can gain access to various realms; look at the website and see all the topics that are covered – including free energy devices until they were told it was not such a good idea!

Facebook: United States Psychotronics Association -

Website: psychotronics.org

Membership: \$35 / year – used to promote the idea of including this science as part of main stream science.

- **Unusual Energies** is the name of Gerry's book, Gerry being one of the original founders.

SB: Thanks to all !

T: Omena spoke of how well we learn from stories: at one book store in Santa Fe, one person tells a story every day and this has been going on for months!

O: wants to see all people on the board to tell a story!

SB: his dad always closed **Strange Physics** with a ghost story; he tells it.

O: if you can't see auras, just check out the eyes: if the life force is gone, ignore that being!

2016-10-17 SR#1271 NBC Crew - Crooked Hillary's MASSIVE MELTDOWN at Commander-in-Chief Forum

Published on 17 Oct 2016

Visit our website now: <http://www.billstill.com> - considered by informed insiders' as THE ultimate resource for fixing the National Debt problem and surviving Economic or Financial Collapse/Crash and attaining the unvarnished truth about Washington and today's United States Political Climate.

Good afternoon, I'm still reporting on NBC Crew - Crooked Hillary's Massive Meltdown at Sept. 7th Forum. Remember the Sept. 7 Commander-in-Chief Forum where Donald Trump and Hillary Clinton appeared separately but back-to-back for 30 minutes each?

According to an email forwarded to us late last night, which originated from a Comcast email address, the technical crew for NBC which produced the event is now speaking out about what took place moments after Clinton walked off the set - a massive profanity-laced tirade aimed at NBC's host, Matt Lauer.

It turned out that Clinton had been fed all the questions for approval in advance of the forum. But then, after the approval, Matt Lauer had had a change of heart and he started his questioning with an unapproved line concerning Clinton's use of an illegal private server for her sometimes classified, work-related emails.

According to a Comcast official (the parent company of NBC Universal) who apparently was quoting those on the set:

"When Matt posed the one legitimate question about the FBI investigation concerning her homemade server and the unsecured emails, we could see she was beginning to boil."

According to an NBC Associate Producer of the Forum, as soon as Clinton got off the set, she exploded.

"Hillary proceeded to pick up a full glass of water and throw it at the face of her assistant, and the screaming started."

"She was in a full meltdown and no one on her staff dared speak with her - she went kind of manic and didn't have any control over herself at that point."

"How these people work with this woman is amazing to me. She really didn't seem to care who heard any of it."

"You really had to see this to believe it. She came apart - literally unglued; she is the most foul-mouthed woman I've ever heard ... and that voice at screech level ... awful!"

"She screamed she'd get that f.....ing Lauer fired for this."

Referring to Donald Trump, Clinton said:

"If that f - - - ing bastard wins, we all hang from nooses! Lauer's finished...and if I lose it's all on your heads for screwing this up."

So, Crooked Hillary fears the gallows, eh? Interesting.

Her dozen or more aides were visibly disturbed and tried to calm her down when she started shaking uncontrollably, as she screamed to get an executive at Comcast the parent company of NBC Universal, on the phone. Then, two rather large aides grabbed her and helped her walk to her car.

Matt Lauer was massively criticized for the rest of the week on air by the Clinton campaign and the rest of the MSM as having conducted "an unfair and partisan attack on Clinton."

According to the email, calls were made to the New York Times, the Washington Post, Huffington Post and Twitter executives with orders to crush Matt Lauer.

One staffer on the Clinton campaign told the NBC staff that they all fear Clinton's wrath and uncontrollable outbursts, and one described Hillary as "an egotistical psychopath."

Since Hillary does not allow any staff to have cell phones when she is in their presence, no footage is available.

Interim DNC chairman Donna Brazile, the first black woman to hold the position, was singled out by Hillary during the rant. She screamed at Donna: "I'm so sick of your face. You stare at the wall like a brain dead buffalo, while letting that f - - - ing Lauer get away with this. What are you good for, really? Get the f - - - to work janitorialing this mess - do I make myself clear?"

A female NBC executive said that Donna Brazile looked at Mrs. Clinton and never flinched, which seemed to enrage Hillary all the more. The executive continued:

"It was the most awful and terrible...and racist display - such a profane meltdown I have ever witnessed from anyone, and I will never forget it.

"That woman should never see the inside of the oval office I can tell you that. She was unhinged and just continued to verbally abuse everyone - she was out of control."

Why did Lauer ask his rogue question? According to sources close to Lauer, because:

"... the American people deserve an answer from the former Secretary of State."

I'm still reporting from Washington. Good Day.

2012-11-07 40 Outrageous Facts Most People Don't Know

<http://in5d.com/40-outrageous-facts-most-people-dont-know/>

Once you go down the rabbit hole, you will discover things that most people don't know. Here are 40 outrageous facts that most people are clueless about.

1. **The IRS is not a U.S. Government Agency.** It is an Agency of the IMF. (Diversified Metal Products v. IRS et al. CV-93-405E-EJE U.S.D.C.D.I., Public Law 94-564, Senate Report 94-1148 pg. 5967, Reorganization Plan No. 26, Public Law 102-391.)

2. **The IMF is an Agency of the UN.** (Blacks Law Dictionary 6th Ed. Pg. 816)

3. **The U.S. Has not had a Treasury since 1921.** (41 Stat. Ch.214 pg. 654)

4. **The U.S. Treasury is now the IMF.** (Presidential Documents Volume 29-No.4 pg. 113, 22 U.S.C. 285-288)

5. **The United States does not have any employees because there is no longer a United States.** No more reorganizations. After over 200 years of operating under bankruptcy its finally

6. **The FCC, CIA, FBI, NASA and all of the other alphabet gangs were**

never part of the United States government. Even though the "US Government" held shares of stock in the various Agencies. (U.S. V. Strang , 254 US 491, Lewis v. US, 680 F.2d, 1239)

7. **Social Security Numbers are issued by the UN through the IMF.** The Application for a Social Security Number is the SS5 form. The Department of the Treasury (IMF) issues the SS5 not the Social Security Administration. The new SS5 forms do not state who or what publishes them, the earlier SS5 forms state that they are Department of the Treasury forms. You can get a copy of the SS5 you filled out by sending form SSA-L996 to the SS Administration. (20 CFR chapter 111, subpart B 42 2.103 (b) (2) (2) Read the cites above)

8. **There are no Judicial courts in America and there has not been since 1789.** Judges do not enforce Statutes and Codes. Executive Administrators enforce Statutes and Codes. (FRC v. GE 281 US 464, Keller v. PE 261 US 428, 1 Stat. 138-178)

9. **There have not been any Judges in America since 1789. There have just been Administrators.** (FRC v. GE 281 US 464, Keller v. PE 261 US 428 1Stat. 138-178)

10. **According to the GATT you must have a Social Security number.** House Report (103-826)

11. **We have One World Government, One World Law and a One World Monetary System.**

12. **The UN is a One World Super Government.**

13. **No one on this planet has ever been free. This planet is a Slave Colony.** There has always been a One World Government. It is just that now it is much better organized and has changed its name as of 1945 to the United Nations.

14. **New York City is defined in the Federal Regulations as the United Nations.** Rudolph Gulliani stated on C-Span that "New York City was

the capital of the World" and he was correct. (20 CFR chapter 111, subpart B 422.103 (b) (2) (2)

15. **Social Security is not insurance or a contract, nor is there a Trust Fund.** (Helvering v. Davis 301 US 619, Steward Co. V. Davis 301 US 548.)

16. **Your Social Security check comes directly from the IMF which is an Agency of the UN.** (Look at it if you receive one. It should have written on the top left United States Treasury.)

17. **You own no property, slaves can't own property.** Read the Deed to the property that you think is yours. You are listed as a Tenant. (Senate Document 43, 73rd Congress 1st Session)

18. **The most powerful court in America is not the United States Supreme Court but, the Supreme Court of Pennsylvania.** (42 Pa.C.S.A. 502)

19. **The Revolutionary War was a fraud.** See (22, 23 and 24)

20. **The King of England financially backed both sides of the Revolutionary war.** (Treaty at Versailles July 16, 1782, Treaty of Peace 8 Stat 80)

...and as history repeats itself, **Prescott Bush**, father of George HW Bush and grandfather of George W. Bush, **funded both sides of World War II.** The Bush family have been traitors to the American citizens for decades.

...the Union Banking Corporation, an investment company incorporated and licensed under New York state laws in August, 1924. Money for its \$400,000 capital stock came from Thyssen's bank Voor Handel En Scheepvaart in Rotterdam. Among members of its board of directors are E. B. Harriman, Ray Morris and Prescott S. Bush, partners in the firm of Brown Brothers Harriman and company, of which W. Averell Harriman is now American minister plenipotentiary to England. Also a director is H. D. Pennington, Brown Brothers Harriman and Co. manager. On Jan. 14, 1941, Knight Wooley, another partner in the Harriman company, wrote to State Banking Superintendent William R. White

2016-10-24 Mass arrests and extrajudicial killings going on as part of cabal takedown

Posted by benjamin, October 24, 2016

There is serious fighting going on as 43 different national militaries begin a coordinated take-down of the Khazarian mafia, Pentagon sources say. Meanwhile, a source in one of the families that owns the Federal Reserve Board says that all fund "blockages we are experiencing in the USA are due to the Bush/Clinton & Rothchilds & Rockefeller crime families. We were told that they issued a firm threat that the 'entire family' would be killed of ANYONE who releases or receives any of the RV, redemption bonds or currency exchanges funds."

The fight is also getting personal for this writer. This morning 9 goons from the Tokyo Tax office burst into my home and began seizing property. They work for Yuriko Koike, the Tokyo Governor and Khazarian mafia stooge who was fraudulently elected recently. All the money in my bank accounts, including that earned from this blog, has also been seized. Anybody with even a remote connection to me is being subjected to similar harassment including whistleblowing lawyers having their law licenses revoked. Gangsters from both factions of the Yamaguchi Gumi yakuza syndicate have also informed me that Rothschild Japan agent Michael Greenberg is trying to hire hitmen to have me killed. My webmaster has also been hit with a cancer causing poison by these same murderous gangsters.

The reason for this is because this blog has exposed the Khazarian mafia's crimes, especially their privately owned central bank fraud scheme.

There have also been at least 3 honey traps (beautiful women who unnaturally try to make themselves available to me) sent my way in the past week. Other honest journalists and whistleblowers are experiencing similar things and the best advice is to avoid regular hang outs and new friends until this all blows over, presumably by November 8th.

The battle is expected to intensify over the coming two weeks as the US Presidential election approaches. Here NSA and other agency whistleblowers have revealed that Hillary Clinton (or whatever look-alike or clone who is pretending to be her) reports to Evelyn de Rothschild. Donald Trump, for his part, reports to Israeli gangster Roy Cohen, according to CIA and NSA sources. "I would rather have the Israeli Mafia in power than the Bush/Clinton/Rockefeller crime family," was how one (Jewish) CIA source described the Presidential election battle.

In either case, the fact the US government is threatening to arrest Russian diplomats if they try to verify the upcoming election is free and fair is a clear indication the whole election campaign is a giant fraud.

<http://www.dailymail.co.uk/news/article-3861504/U-S-government-denies-Russia-s-request-monitor-American-polling-places-Election-Day-Oklahoma-Louisiana-Texas.html>

In any case, Pentagon sources keep saying it will be none of the above. Head of US Joint Chiefs of Staff General Joseph Dunford met with Korean and Japanese top military brass on October 14th and the military chiefs of 43 nations on October 17th to discuss "the final takedown of the cabal on all continents," Pentagon sources says. This is how Pentagon sources describe the situation:

"The Cabal sealed their fate with multiple assassination attempts on Dunford, which in turn sped up mass arrests, extrajudicials, GCR [Global Currency Reset] and a new financial system based on...

...gold priced in Shanghai."

Now that the Chinese Yuan is in the IMF's Special Drawing Rights (SDR) currency basket, the next step will be to incorporate the Iran Rial as a part of the SDR and as currency for the Middle-East while the Zimbabwe Dollar will join the SDR as a currency for Africa, the Pentagon sources say.

Once the Khazarian mafia loses their magic money machine, the last of the mercenary armies and assassins still in their employ will have no choice [but] to surrender or retire.

There are now moves afoot as well to take away the Khazarian mafia's control of the corporate media, especially in the United States. That is why AT&T is being allowed to buy Time Warner after Comcast was blocked from buying it, the Pentagon sources say. The US Khazarian mafia is using both Democratic Vice-Presidential candidate Tim Kaine and Republican Presidential candidate Donald Trump to try to block the merger, the sources say. However, "The merger might still get approved because what is not good for the Jewish mafia is good for America," the Pentagon source said. Certainly the corporate media in the United States is now so degenerate and full of lies that new ownership, and anti-trust action, is definitely needed if people are to once again hear the truth on so-called mainstream media.

There is also a huge information war raging around Wikileaks and Julian Assange these days that is probably part of a sophisticated take-down of Khazarian cabal disinformation. Wikileaks and Assange have always been part of a Khazarian mob disinformation scam as can be seen by their shady track record and widespread positive coverage in corporate media propaganda rags like Time Magazine. For a good background on this, please read the article at this link:

<http://beforeitsnews.com/opinion-liberal/2016/10/what-is-going-on-with-wikileaks-assange-mia-macfadyen-dead-and-the-cia-honeypot-trying-to-tank-the-clinton-campaign-what-gives-2539955.html?currentSplittedPage=0Q>

What is very clear though is that the recent data dumps blamed on Wikileaks are now appear the real deal but they are not coming from either Assange or Wikileaks but instead from insiders at the NSA and the agencies. Now the "death" of Julian Assange (real or fake) and of Wikileaks Director Gaven MacFaden is being linked to the Hillary Clinton campaign. This seems to be a clever two birds with one stone strategy to get rid of fake whistleblowers and place the blame on the Bush/Clinton mob at the same time.

There are also continued moves being made against the Khazarian mafia occupied state of Israel. This is how the Pentagon describes the situation: "Israel has lost so many submarines since 2013 it is trying to buy 3 more from Germany, but it is being put back into its sandbox with Russian bases not just in Syria but Cyprus and Egypt." The source continues by saying "Israeli subs make good anti-sub warfare (asw) training and no matter how many it buys they will not be allowed to launch nukes."

In Khazarian mafia occupied Japan too, a takedown is continuing. One source close to Prime Minister Shinzo Abe said that 300 Khazarian mobsters in Japan have been rounded up and taken to a US military base. This may be disinformation but we can confirm that Mark Schwartz,

Chairman of Goldman Sachs' Asia Pacific region, announced his resignation last week. Goldman Sachs has led the looting of Japan's government pension funds, postal savings, agricultural bank etc. under the regime of their slave Shinzo Abe.

Japanese rightwing sources, for their part say that Abe's Liberal Democratic Party is now "waving the surrender flag," and has given up resistance. They say Tokyo Governor Koike is actually one of the good guys and that the raid on my house took place without her knowledge or consent.

However, it is clear there are still many bad guys who need to be rounded up in Japan. CIA sources in Asia say:

"The Japanese government is illegally detaining 15 US Military operatives who were stationed in Afghanistan and, are now being held in prison in Japan. They are not on a US military base, but at a black site. This was done at the request of the cabal, because these 15 soldiers were going to tell the world about the US government's involvement and control of the opium trade In Afghanistan for the past 13 plus years."

For Japan to do this violates the Geneva Convention as well as UN rules. The UN of course, is still a Khazarian mafia tool but, hopefully, not for much longer.

The latest Afghan opium crop is up 43% from a year ago, according to the United Nations Office on Drugs and Crime so clearly the Bush drug dealing branch of the Khazarian mafia is trying hard to make up for lost oil revenue and lost cocaine and marijuana (thanks to legalization) revenue by selling more opium and heroin.

<https://www.unodc.org/unodc/en/frontpage/2016/October/afghan-opium-production-up-43-percent-survey.html?ref=fs1>

It is also clear from the information about the arrests of US military officers that some of that money is going into pay-offs to elements of the Japanese government. Presumably this is the Abe-linked North Korean Unification Church faction that has long been supplying the Bush mob with amphetamines.

In Thailand meanwhile, the playboy Crown Prince Maha Vajiralongkorn is "too close to Bush agent Thaksin [Shinawatra], too distant from the people, and may be honey trapped by the Chinese, so even if he ascends, lese majeste may not be enforced and he would be living in a gilded cage and could be terminated at any time with blood transfusions." In other words, the Khazarians are not going to get their hands on the Thai royal gold via the Crown Prince.

In closing this week, we ask anybody who is in a position to take action against the Khazarian mafia cabal to do so. This will be especially important during the next two weeks as they try to impose yet another fake government on the American people and continue their efforts to start World War 3. On that front the White Dragon Society has given Abe and his henchmen until October 31st to resign if they wish to avoid life-long prison sentences.
