## **There are so many reasons you are special**

There is no one else like you

No one acts the same as you

No one smiles the same as you

No one shows love just as you do

No one can take your place

That is why you are special!

There is no one who looks like you

Tall or short

Big or small

Skinny or fat

There is no one else exactly like you

That is why you are special!

Everyone has feelings

Everyone has favorite things they like to do

Everyone has special talents they can use

But no one does it the same way as you

You are not special because of whom

your father or mother is

You are not special Because

of where you were born

or where you live.

You are special because God made you in

His image and in His likeness.

You are special because Jesus gave His life to save  
your life so you can live with Him forever!

You are special because God called you to do a very  
special work that only you can do.

You are special because God made  
you to be a king and priest.

You are special because God personally adopted you  
into His own family  
and making you His sons and daughters.

You are special because you are an heir  
and joint-heir with your brother – Jesus!

You are special because you have been given  
authority “over the fish of the sea, the birds of the  
air, over every living thing that moves on the earth.”

You are special because you rule and reign together  
with the Lord Jesus Christ, the Anointed One!

You are special because Christ is in you,  
the hope of glory.

You are special because you have been set free from  
the bondage of sin and death.

You are special because God chose you and appointed you to bear His fruit that your fruit would remain. You are special because Almighty God dwells in you richly in all wisdom and spiritual understanding

You are not special because of the way someone makes you feel or what you can and cannot do. You are not special because someone buys or gives you "things" or because you have money and possessions.

The truth of the matter is you are special because God says so! Everything God says is so! So, celebrate your special, unique self, for truly there is no one like you and that makes you very special!

Don't waste your time trying to be someone else.

Embrace the person inside of you,

for in God's eyes

You Are Special!

## About Me

I graduated from Oral Roberts University with a Master of Divinity degree (M.Div. 2006) and Master of Arts in Christian Counseling - Marriage and Family Therapy (2008). Bishop Gary McIntosh of Greenwood Christian Center in Tulsa, OK licensed me as a minister. I worked with Domestic Violence Intervention Services for about a year as an intern where I counseled domestic violence and sexual assault survivors. I also had the opportunity to observe group counseling sessions with the perpetrators.

My passion is women's ministry, personal development, counseling, training, educating, mentoring, teaching, coaching, listening and helping people. I also have a passion for writing e-books, inspiration cards, blogs, devotionals and anything that inspires and educates. I have a side of me that really has an entrepreneurial side. I am also involved in Affiliate Marketing, Internet Marketing and developing my own e-book products.

I am the founder and CEO of Woman-To-Woman Empowerment Academy, an online community. This community was developed to encourage, mentor, educate and train women not only in the United States but also around the world through using the Internet. This service is currently provided online using e-courses, video, home study, teleseminars and teleconferences. Additional services include group e-coaching, e-counseling, private coaching and Christian counseling via email and by telephone for those who want and need more personalized help.

Carson Christian Publications is another blessing that God has given me as a vehicle to minister to hurting women and people around the world through the printed word. I have written four e-books: ***"The Courage to Change: Confronting Emotional Wounds That Bind You, An Interactive Workbook for Healing and***

***Restoration," "Wisdom and Life Lessons from the True Vine,"  
"Whatever You Seed You Will Receive: 50 Power-Packed  
Personalized Faith Confessions," "Kelly the Teddy Bear."***

There are three other writing projects underway. These books can be purchased at <http://www.payloadz.com> or <http://yvonnecarson.ning.com>.

I pray and hope that this book has been a blessing to you and that the Lord has given you revelation of His Word. Please feel free to write your comments about the book and any prayer requests you may have. I will answer your letters personally and will pray for you. If you have a testimony as a result of reading this book, please email me and let me know about it. May God continue to bless and keep you in His loving care and protection.

In His service and love,

Yvonne Carson
