Jewish woman spontaneously baptized in the Holy Spirit

When Pastor Tommy, the last week of January, visited Israel, he also preached in some Messianic Congregations, and met several leaders of the Messianic movement. "It's obvious that we are closing up to the decisive moment, when the Spirit of Grace and prayer, the prophet Zechariah spoke about, will be poured on Israel. In a matter of fact, it could already be here", says Tommy.

Pastor Tommy and Carina Lilja, who where in Israel to welcome the 10 000th Jew, PTL Ministries branch Operation Great Exodus, had brought home to Israel. Wednesday evening Pastor Tommy preached in the Messianic congregation in Ashdod, close to the border of Gaza. A number a Jews, not believing in Jesus were invited and the power of God came upon the meeting and many of the attendants got a meeting with God. A good number reached their hands as a confirmation that Jesus had healed their bodies.

"The most remarkable thing that happened was about a Jewish woman who left the meeting because she couldn't believe", tells us Pastor Tommy. "She was disappointed and took the decision not to set her foot in the Church any more. Even if she wanted to, she couldn't believe in Jesus. On the afternoon the day thereafter, when she sat down in her TV-sofa and was just to put on the TV, a voice, out of the room, spoke to her and said: 'Start to pray!' With stumbling words she started to pray and after a moment something took over and she prayed to the Jesus she couldn't believe in. But it didn't end there. She prayed even more and she started to pray in a language and with words she didn't know of. She was spontaneously baptized in the Holy Spirit.

The woman from Asdod couldn't believe. But the Lord, poured on her the Spirit of grace and prayer. Her eyes were opened and she could receive Jesus as Messiah. And this is remarkable because it's what the prophet Zechariah prophesied should happen at the end of time, just before Jesus is coming back.

"And I will pour on the house of David and on the inhabitants of Jerusalem the Spirit of grace and supplication; then they will look on Me whom they pierced. Yes, they will mourn for Him as one mourns for his only son, and grieve for Him as one grieves for a firstborn."
Zech 12:10

For sure, we can know one thing: When the Jews in Israel are starting to get saved, because the Holy Spirit is spontaneously poured out on them, we are closer than ever to the second coming of Christ.
