

Carolina Hickory Golf Association

The Hickory Haggis Cup

Thirteenth Annual Hickory Match Play Championship

October 27 & 28, 2018

Southern Pines Country Club, NC

A 1906 Donald Ross Course

Tournament Information

- This tournament is open to all members of the Carolina Hickory Golf Association; if you are not yet a member, you may join CHGA for a one-time fee of \$100.00.
- All clubs must be hickory shafted and appropriate to the hickory golf era and meet the SoHG (www.hickorygolfers.com) equipment standards
- Modern balls (any USGA conforming ball is allowed), tees, gloves, bags, carts are OK. No rangefinders allowed.
- The wearing of attire appropriate to the hickory era (i.e. knickers, flat hats, dress shirts, ties, et. al) is encouraged, but not demanded.
- This is a match play tournament based upon points won. There will be four 9-hole matches over the 2-day period. Each match is worth 10 points; one point per hole and one point per 9-hole match. Therefore, maximum possible score is 40 points. Each person will play four matches. Sat. pairings are by handicap; Sun. pairings based upon Sat. points. Halved holes and halved matches are worth ½ point each. The match play champion will be the one with the maximum number of points after 4 rounds. We'll cook up a play-off scheme in the event of a tie or ties.
- This is a NET tournament. Each player must have a current valid and accessible handicap account so that we can verify your handicap. SoHG hickory handicaps are preferred. Other players will play off a verifiable USGA index. We will use the instant index as of October 15, 2018. Course handicaps will be based upon 100% of current index. All male players will play off gold tees (67.6/120). Ladies shall play off the red tees (71.1/125).
- The total tournament fee is \$100.00 (\$200.00 for those not currently a member of the CHGA) payable at time of application. Fees include two rounds of golf w/cart and prizes.
