For many of the Reiki modalities offered, there is a pre-requisite that you be an attuned Usui Reiki Master, for which I will ask for a copy of proof of certification. However, not all modalities require Reiki mastership. Please feel free to contact me with your interest. If I receive enough interest about any one particular modality, I might offer and set up a group attunement. Email me and let's talk about it.

I seek to learn that I may serve all of YOU ... E ku i ka mana kakou ...
