

EPAITDM SCHOLARSHIP PROGRAM

The **Eastern Pennsylvania Information Technology Data Management regional chapter** (EPAITDM) membership offers an annual scholarship program. Its purpose is to financially assist high school seniors interested in pursuing a career in information technology / computer science. Two scholarships of \$1,000 will be awarded in a one-time payment at the end of the school year.

ELIGIBILITY

Any high school senior who is enrolled in a participating EPAITDM school entity, and who will be attending at least a two (2) year post high school academic or vocational program is eligible. In addition, an applicant must:

- Attend an Institution with Paid EPAITDM membership in the current school year
- Pursue a career in the field of information technology / computer science
- Present evidence of character and leadership qualities
- Complete the application

SELECTION CRITERIA

A scholarship committee, appointed by the EPAITDM President, will review candidate applications and make recommendations to the EPAITDM membership for approval. Decisions will be awarded on a basis of interest in a future in technology / computer science, on character, and leadership qualities.

DURATION AND SCOPE

EPAITDM scholarships consist of a one-time payment up to \$1,000. The funds will be issued to the post-secondary institution after High School graduation is confirmed. The scholarship committee reserves the right to distribute scholarship funds in variable amounts, not to exceed \$1,000 to a single applicant.

Deadline for applications is March 15, 2018.
