**27<sup>th</sup> Fri – 1 KAN – wave of kan – the opening of ideas. And is set in a new moon cycle.**

Being open to life; self-determination; harmony seeking, timing. Possibility time to let go of hesitation, any lack of trust. As we set our intentions for the new moon, it is also for the new wave. 1 is unity, time of new beginnings - concentrate on the oneness of all

**28<sup>th</sup> Sat – 2 CHICCHAN** - 2 of polarity; lunar, stability represents separation of form and duality yin and yang; snake energy – transformation – a warrior aspect, being open to change.

**29<sup>th</sup> Sun – 3 CIMI** – start next 10 days of portal days, in the middle of the T'zolkein – magnifying the potentiality of the day and expanding into the inter-dimensionality

- have 5 out of the 10 portal days in this week, and will get 5 more next week!

**COR:** Caroline Oceana Ryan channels The Collective [TC]

- TC are pointing out what T & R are saying: a ton of toxicity is coming to the surface of peoples' consciousness; things will get worse before they get better: an earthquake in human consciousness – has to do with the awakening of the Feminine
- the earth is in a new era; a new reality
  - the Saturday marches created an energy wave that has shifted us on our timeline, into a new reality – slightly unconscious in a way: thinking it was an outer cause, but it was a response that comes from the hearts of all.
- what the marches achieved is what indigenous elders have done all over the world when they had so many issues to deal with: they gathered and decided which gods or goddesses they needed to contact. It didn't happen just to raise their spirits, they knew they were shifting the outer reality of the tribe to something else, another timeline, or another new reality that was so powerful
  - they did not sit down and argue – they took active co-creative measures so they didn't leave their community defenceless – they created a new reality!
- We did something similar with the songs, the speeches, the banners, etc – created a powerful wave of light – shifting thoughtforms and other things
- she has to ratchet up the quality of her meditative time – and visualize in it, the anchoring throughout the earth
- No more white male supremacy

**To listen to the podcast:**

## **HARD NEWS**

- R:** a wild week; pay no attention to the fake orange man: the word "Tang" came into his consciousness and we know how bad it tasted back in the 60s – it correlates with what we are watching – rushing into absolute insanity!
- Keith Olberman: we need to invoke the 25<sup>th</sup> amendment
- T:** 25<sup>th</sup> Amendment is about how to remove a president because he is unfit for duty – this one is mentally unfit and so is the VP – and the rest of the cabinet
- there is an underlying thing going on: we are not being told about the regime of Hillary – **Donald Trump is no better than Hillary:** wants total Aryanism –
    - he has disappeared all the intelligence in the federal archives of anything having to do with climate change;
    - called back ambassador from Rome – fired him as he was getting off the plane!
- R:** had a bit of a **Jedi Council today: saw all the folks he talks to** in holographic form via his phone
- **KOS, King of Egypt; Dodi & Di; Jack the Alien Hunter** who has been in the Bucegi Mts and the holographic library there
    - found 3 tunnels: one to Himalayas; one to Giza Plateau; one into Inner Earth
    - has been studying the diagrams; holographic prints on how they did gene splicing and DNA, and how we got to Mr Hair who is a combination of Hitler & Mussolini
    - Jack explained that they used light frequency, sound frequency, colour frequency and the combination of the spirals of the DNA and infused quartz crystals, some of which are rutelated quartz with gold
    - they could use a form of really high pressure and create the Pieziel Effect of squeezing the crystals with high pressure – used it to use the crystal in how take

gene samples and overlay them with other gem samples and infuse them with a genetic slice so it would take on a higher form; each time would go to a higher level of energy

**T:** She and R have some obsidian which is rutilated with gold and with quartz

**R:** also that inside the cave, have huge urns that are the equivalent of 55 gallon drums and filled with monoatomic dust; he is finding out that some combination of the gold dust and what they did created new forms of lifeforms

- explains how they created different forms of the mutations that has to do with the mutant offspring from the time of Atlantis and ancient Sumer
- also shows how to bring people back to normalcy – we've been asking how to heal this

**T:** there has been this neo-liberalism going on, now going back to the neo-fascist extreme at the opposite end of the stick

- sounds like there is something to heal things with

**R:** Carolyn Kennedy is done in Japan, back in US – meeting with Bobby Kennedy Jr and figuring out how to run for her old senate seat in 2018 or 2020

- R said to them all: "We ain't waitin' that long for this!" and they all said "Affirmative, Commander!"

**T:** what about Michelle for president?

**R:** they said she is working with Michelle and Barack; they had no more to say about this!!!

**T:** Steve Bannon threatening to kill Obama – they must know about what is going on!

**R:** Yes

**T:** there is such a frenzy is to get rid of neo liberalism and replace it with their own agenda

**MR:** what about the pipeline and the Water Protectors?

**R:** there is such an

**T:** Saudi Arabia is divesting itself [of interests in the pipeline] The SA king is going to Tokyo to meet with Shinzo Abe – going there to create some a variety – does not want to depend on oil and its export any more

- Trump and all are freaking: he is unplugging all the oil wells, gas wells across the US and bringing back DAPL and Keystone – talking about putting in more lines!
- His headlong rush to jump into neo-fascist state, following the lines of Hitler as he rose to power and became chancellor; the energies are moving intensely now on the earth and in our surrounding solar system and galaxy –
  - energies are so high, the madmen will not be able to take them: the higher frequencies - all they know how to do is act out of fear and create distractions of galactic proportions
- Trump plays with Alex Jones who is another madman; AJ was correct about 911 but has gone in another direction in the context that he has made direct threats against the Obama family
  - the people listening to this are venomously hateful about Obama and know nothing of his double agency
    - and that he was subjected to the neoliberalism under Hillary –
    - and that he has direct access to KOS, St Germain – his orations have reached millions of minds: from 2009 – 2013, a lady who studies auras has shown the extensive enormity of how he could affect people through his aura – it spread out for miles, and he has transformed people –
    - and for those not moving and saying NO – there are naughty things being thought
      - the **political corruption has completely saturated the entire earth**
- we remember to love everyone – if anger comes up, praise, thank and love the feeling
  - those feelings are not real
  - the **termination of the maya is to love the teacher**
    - and we are getting a huge dose of maya these days!!!

- Tiffany Trump voted in 2 states for her father – **voter fraud!**
  - T didn't realize until she saw more information: Donald T in a hotel room with a beautiful young woman on his knees: the young woman is his daughter. This goes back to the pharonic age and don't doubt he came from there: in that period of time it didn't work [to have sex with their children to try and keep the bloodline pure]; the inbreeding did not help at all
  - he's been having sex with both his daughters since the time they were young;
  - don't judge – **this is a complete ritual in which the families are trained.**
  - Does not make it right, but it is not for us to judge.
- Size of the crowds -
  - over 8 MILLION ON THE STREETS ON SATURDAY – OUTSIDE THE US
  - 506 MILLION INSIDE THE US – 2.2 million in Washington; ¾ million in L A:
    - ¾ million in Chicago, large # in Boston -
- this is a fascist tool: his press sec saying there were more people on the ground that was true – so they are telling people things that stir the emotion
  - the people in the dream of polarity have their hopes in that place and racism, misogyny, discrimination
    - the evangelical churches say they are the only religion, same thing as men vs women: the US is based in mysogony
    - Ayranism has an exclusivity – in Germany, Hitler was a Jew – an Ayran wealthy white jew; in fact, he was a Khazarian and they are more white than the jews –
    - they come from the steppe pyramids of Russia and of Kurdistan – so they have a different consciousness
    - It takes another kind of consciousness to even have a middle class

**COR:** why do they want to kill Barack – energies getting more powerful?

- they know he's the Sirian Commander of the Council of 9; the secret groups connected with the secret gov't want him gone
  - don't want any black people – only Ayrians: he's a huge thorn in their plans to run the planet: the intention of the overlords is to take over the planet for the reptilians –
    - and Trump is an archon
  - interweaving of the stories: ET Corey, David Wilcock who have talked about Antarctica –
    - the pre-Adomic people being revived down there [those in the cryogenic chambers] do not have the same intentions as the ones who are hoping to have them on their side!
    - the pre-Adomic folks are way more psychic, much more advanced even than those from Atlantis
  - the dark ones are cancelling their life force out by choosing this dark path
    - and the only way to stay here [on the planet] is by using negative rituals
      - THE OBSCENE RITE – having sex with children, killing them and eating the pineal gland to extend their own life force
      - STEALING CHILDREN AND KEEPING THEM UNDERGROUND
      - IT IS THE ONLY WAY THEY CAN REMAIN HERE
  - these negative emotions are not real: **love is the only one**

**COR:** they know their moments are numbered

**R:** that is why Trump comes out each day and waves his fist

- has mental aberrations; alzheimers is setting in a bit more every day – this is more pressure than he ever dreamed of

**R: Ashtar has this all in hand: no nukes – and no dates.**

**T:** people in Congress are trying to get him away from that ??

**GUEST: Jill Rubin**

**Profit of Kindness** – name of book she has written

- she has applied this to business and to our personal lives.
- She has always been kind in business – her 82 year old friend made a comment that got Jill started on a larger canvas.

**MR:** How can we motivate people to do this?

- The studies behind her writing have shown how all aspects of a person's life, including kindness in business, improve enormously.
- She practices conscious acts of kindness, as opposed to random acts of kindness
  - once a day, she makes at least one conscious connection with someone else every day

**MR:** tells the story of a person who told her of his father who grew so much in his garden he had to give it away, and then he realized that his father grew so much in order to give it away!

**JR:** always gives a seat away at each of her events; Leads to marvellous results

- give away time, talents, etc etc – whatever you can

**MR:** people can call in 888-429 – 5471 toll free in US/Canada; also members of the team

[www.profitofkindness.com](http://www.profitofkindness.com)

**MR:** asks for examples of how people can do this, no matter what organization they are connected with – first, by getting the book

**JL:** do it by volunteering – an organization that you have an alignment with and volunteer there: she presents at various organizations

- doing a conscious act of kindness on a daily basis
- send out a hand-written note – thank you for what ever was done – and remembering to say thank you
- words of appreciation – starting in your own family, and practicing generosity

**• kindness is not weakness**

**MR: what is important to share with people?**

- KEEP A kindness tracker – measure one thing a day, and watch your reaction
- before you respond: take a moment and take a breath – patience is one of the pillars
- discussion of the qualities of kindness, and how they bring in the feminine
  - tit for tat does not work: only leads to more escalation
- practicing kindness is the best way, especially in personal relationships
- Kindness is not to be weak, but to be firm
- T's example is the pipelines: people moving their bank accounts away from the banks supporting the pipelines

**MR:** the Native Americans were firm but not combative with the Dakota pipeline situation

**T:** 40,000 tons/pounds of rosil, rat poison was dumped into the soil where those people were staying

- last Ap 1, 2016 when they started as Water Protectors: if you've touched anything it's in your system – at Standing Rock!
- Rama is trying to find [antidotes?]
- killed prairie dogs, bison, and – the people

- People are being attacked from all directions:
  - radiation poisoning in the water
  - chemtrails in the air
  - pesticides in the soil
- how do you clean up rat poison? – a super act of kindness to them

**COR:** when we are kind, we remain in higher vibes – energy soars

**JL:** yes, the body really responds!

**MR:** being kind to someone else is really being kind to yourself

**Cmdr Randy:** update from Standing Rock: over 40 people just full of rat poison

- he is skying in from the Phillipnes & connecting with people he knows in Standing Rock:

## HARD NEWS AGAIN

**R:**

**T:** a good thing in spite of the media control: he lifted the sanctions on Russia!

- Behind that we know why: **he owes Putin 1/2 billion dollars!**
- It was completely insane to have put sanctions on Putin in the first place: he did not steal Crimea – **90% of the people there voted** to go back to Russia.
- Lifting the sanctions helps the people in this country: over 60% have very unfavourable attitude to russia, and 67% against Putin
- there is a meeting in another country: Syria, Iran, Turkey and a rep fom the UN got together, plus various opposition forces – could see they didn't like each other –
  - so they put one table behind the other so they didn't have to look at each other – it was about keeping the cease fire going – left out both Russia and US
  - something that our guest was saying to day about kindness

**Mexico:** peso plummeted when Mexican President announced he wouldn't meet Trump next Tues

- his statement was that the people did not believe in walls
- and that they would not pay for it!
- it's really time for all of us that will bring us closer together is what he was saying too
- at the same time, he has the lowest popularity of a president, ever!
  - Where are the children from that town in Southern Mexico? Dead
  - and almost 120,000 kids killed over the drug cartel
- when Trump went to address the CIA, they stood at attention the whole time
  - he did not let them sit down, gave them a tongue lashing
  - **LM Nada today:** we are watching the parallels that are so chilling –
    - people protested, yet Hitler was still made chancellor
  - Back in 1933, over 1 million in Berlin rose up against him and spoke truth to power
  - the propaganda did not continue: they were dumbed down and more serious things started to happen –
  - Trump created a riot rule for the inauguration
    - 6 journalists were arrested under this rule that can put them in prison for 10 years and being charged \$25,000 each: they were accused of participating in a riot
  - there was \$ involved where a small group of people of colour set fires going and breaking windows - it happened during the inauguration
- there were **no arrests during the marches**

**Randy:** update on Standing Rock

- rat poisoning: giving those affected activated charcoal
- basically warfarin, a blood thinner – have put it into the water, the land

**T:** called it Rozil in the articles

**MR:** about the tabloids at the checkout: the biggest article is Michelle filing for divorce: a \$25 Million divorce settlement and the big house, and he will have a bachelor pad in California – OUTRAGEOUS!!!!

**T:** an endless stream of this kind of thing

- there has been digital technology re-shaping of her body; Obama being gay all along

**R:** saw something – a series of pictures – apparently Trump chewed out Melania, she had a look on her face where she was frowning – and

**T:** and Trump having sex with KellyAnne Conway!!!

**MR:** no first lady in the White House -

**T:** the excuse is she is staying home with the son until he is finished school

**C Randy:** has probably seen the real monster coming out

**T:** she's been a madam and still is

**R:** she was a high class call girl - \$5,000

**MR:** idea of conscious acts of kindness: just taking an 82 old woman to lunch is a place to start!

- have Meals on Wheels in their area: a great boon for those who can't cook for themselves
- the delivery is as important as the food itself – appreciative of the food and the visit

**T:** same as being a nurse at a hospital, looking after old folks in a home – that alone can heal a person!!!

- A Tibetan Llama went into the hospital: the llama put his hand over the man's heart and said you have a wind moving through your heart - that consciousness changed the situation. When the man was checked, he was considered fine!!

**MR:** doing cranial sacral at a distance: the transformational clearing she does over the phone around the world – people are not getting a laying on of hands, yet we are being given these kinds of examples – helping people to get rid of old patterns is such a practical thing:

- when you put your hands in the field you are changing things

**COR** in closing:

### **The Profit of Kindness: How to Influence Others, Establish Trust, and Build Lasting Business Relationships**

Paperback – January 23, 2017

by [Jill Lublin](#) (Author)

When kindness becomes your primary goal, everything changes: how you look at life, what you get from it, and how others interact with and relate to you.

**The Profit of Kindness** will help you master the art of building trusting, long-lasting relationships through open, nonadversarial interchanges that result in mutually beneficial outcomes. A basic adjustment in attitude and approach can substantially improve virtually every facet of your life. Each chapter provides specific examples for improving skills such as communication, building integrity, team work, influencing others, and more.

In order to connect with new clients or future business partners and transform your potential into success, you need to establish trust and build strong relationships. The key is to focus more on giving and working with others rather than simply on “winning.” Because doing so is guaranteed to help you actually win.

**The Profit of Kindness** is a practical guide that teaches you how to connect with others using the global asset known as kindness.

You will learn:

- Kindness does not mean weakness.
- Kindness can help you stay competitive, anticipate pitfalls, and stay one step ahead of your rivals.
- Success, achieved through kindness, can indeed be yours.
