

UNIVERSITY HIGH SCHOOL OF SCIENCE AND ENGINEERING CLASS OF 2017 AFTER GRAD PARTY COMMITTEE

Dear Friend,

In June, University High School of Science and Engineering Class of 2017 will graduate 100 students from 28 towns in the Greater Hartford area, including Hartford, who have focused their studies in Science, Technology, Engineering and Math. We would like to celebrate the graduates with a drug-free and alcohol-free After Grad Party. This fun celebration will include food, soft drinks, entertainment, and door prizes.

To support the party, we look to parents, friends and local businesses from the hometowns of the students who attend the UHSSE magnet school. Our wish list for the party includes:

- **Door prizes:** Gift cards, computer monitors, TVs, e-readers, electronics and supplies for college-bound grads. Autographed sports equipment, activities and event tickets are also welcome.
- **Food, party supplies and entertainment:** From pizza to chips, soda to juice, and balloons to streamers help us to decorate the space, entertain the grads and cater the party.
- **Grad Gift Bags:** Each grad will receive a gift bag. In the past, each bag included a desk lamp, bath towels, thumb drives and toiletries.
- **Monetary donations:** Our goal is to raise \$6,000 to help us with party expenses.

All donors will be honored with a mention on our donors list, which will be prominently displayed during the event and included in every Grad Gift Bag.

Please contact us at UHSSEAGP@gmail.com and we will pick up your donation. Or you can mail it to: UHSSE After Grad Party, Attn: Robin Guzauckas, 229 Hilltop Drive, Southington, CT 06489.

Thank you supporting our students. We could not continue to have this party without your support.

Sincerely,

Robin M. Guzauckas
Chair
2017 After Grad Party Committee
