HARD NEWS

MR: Why hasn't Obama stepped in at the demonstrations at Standing Rock, to stop the police?

R: there's been a story of relocating the pipeline – too little, too late! No need for a pipeline – no more oil from the Mother.

T: Obama can't do anything he is not told to do: Hillary is still running the show as long as she is running it.

R: As COR says, **NESARA is the cotter pin in this story that changes everything:**

- It is like jumping for joy in seeing what is coming into the planet
- he sees the joy of what is pouring in as well as the horror stories of what is unravelling
- Has not seen so much deviousness and racial hatred since the 60s: outright, blatant disregard for people of colour;
- it is coming to a head now as the Collective says: the energies cannot continue in the old way – breakthrough is happening

T: they've been killing people of colour since the 60s – **just not reporting it – not half of it!**

- in a sense Trump is a gift – he is so not of the right stuff!
- R has also heard that Obama would not let him take over should it appear that he wins
- We know Loretta Lynch is a schill for Wall Street; all past Attorneys General have been so too since Alberto Gonzales
 - for this to be unravelled, exposed - there are well placed white knights at the 38th level above the president – has heard the hint that people from the US Justice Dep't will be at various polling stations throughout all the 50 states but not where or how many – so if Trump goes try anything, harrasing people, they will be taken into custody and hauled away

T: another report on this: the investigation into the private security guards working on behalf of the pipeline unleashed attack dogs; the scene was not only sickening, but also totally illegal – the North Dakota Pipeline private Investigation and Security force – had concerns that security officers were brought from other states and not registered. One month the security guards were identified Cross Kennels security company from Ohio; Ten code and Silverton

- the dog handlers were operating under Silverton and were not registered under the North Dakota PSB – this in itself warranted investigation; one more peculiar detail was exposed – listed a number of other security firms working for the pipeline;
- top of the list is Tiger Swan a security co with world wide offices, formed in 2007 by James Reeve [tied in with Blackwater] – to provide security for businesses
- In 2009 Jeremy Scahill wrote that Tiger Swan was closely aligned with infamous Blackwater organization performing covert war for Blackwater!

One thing is certain: people with vast military experience are opposite the water protectors

R: Today he **spoke to Poppy Lady** – 2 US soldiers killed in Afghanistan + 30 civilians

- has to do with John McCain and Lindsay Graham & how the black budget money funds the operations around the planet

Caller: we know the elections are coming up; what's wrong with that picture?

T: doesn't think there will be one

R: what's wrong: Citizens United allowing those with \$ to influence politicians and lobbyists

- he voted for Bernie – wrote it in.

T: **Bernie did the proper paper work in every single state** so he can be written in in every single state, yet Republican governed states are covering this fact up!

- If you have to use a machine, can't even write it in – a criminal offence to not allow this
- haven't said a word about [the article below]

R: the only ones talking about it

Reading: 2016-11-01 BOMBSHELL! Hillary Clinton Pedophile Sex Ring Continues to be Exposed
by Insiders **[SEE BELOW]**

Caller: are you saying we will not see an election?

T: not saying yet this is not being reported on main media; there is something really important in this article –

“Comey has clamped down on all FBI agents and he expects a full-scale war between the FBI and the Department of Justice (DOJ), the White House, and the State Department. He has confirmed and understands that many sitting senators, congressmen, lobbyists, and power players are going to be indicted and prosecuted. One of the main targets of the probe is the Clinton Foundation and Clinton Global Initiative. Among the targets under investigation are John Podesta, Huma, Cheryl Mills, CNN, ABC, NBC, etc. ”

- this will require galactic intervention: which means they put the force field down 7 the world sovering militia force will help – so they can be arrested - will be immobilized
- she has already been proven to be unable to run – not sure what will happen but the main stream media are in bed with this!

COR: Did you say H is unable to run????

T: yes, all these things she has read are TRUE!

COR: because of the incriminating evidence – she has only seen such things in the alternative news sites

R: on **Counterspin, a radio show out of Canada:** guest was [Chrystia Freeland](#) of the Canadian Parliament -

- she talked about the sex scandal and all T just read: she said with these kinds of charges HRC is facing, a joke that she is still running!
- She also said that Trump is not eligible to run in a US election as he is a South African who filed false papers – this ties in with the unlawful Justice Dep't – and why the Supreme Court has to do – as we don't answer to Opus Dei and the other Black Ops in the Vatican, and we have a real Supreme Court - it was convoluted even then

T: made deals with England even at the time

Poppy Lady: all the situations going on right now are the result of the Black Ops money that goes to the Defense budget and is used by John McCain, Lindsay Graham, Joe Lieberman, Jeff Sessions and others

- she described it as 'we have dirtballs running the Congress'; they have violated their oaths of office, are guilty of sedition and high treason – and those charges lead to the capbale hands of Mother

KOE called Rama Tuesday:

- now is the time for the return of the Mahdi; the 7 Rishis who are alsot he masters of the Golden Ray Galaxy which is one of the 27 galaxies, including ours, that are located and come together at the Super Galactic Centre [aka the Hunab Ku of the Mayans]
- the 7 rishis work with the 7 Holy Kumaras to raise the energies in all 27 galaxies at once!
- And all undealt with, misqualified energies come to the surface, inside and out.
- Neither Barack or Michelle are part of this mess: **they will remain as double agents** until the others are arrested. What we are watching is the plan to keep them alive:
- **KOE** will welcome the Black Goddess. **MICHELLE FOR PRESIDENT! Nesara now!** Have a nice day, Lord Rama!

Guest: Rebecca Hardcastle –

- about working with the galactics and helping to bring forward the information on Disclosure and with Dr Edgar Mitchell
- this time on the call, she has heard all the people on the board!
- She had her own October surprise;
 - From 2009 – 2014, she worked with Dr Edgar Mitchell – worked with a zero point energy group; she was living in Phoenix at the time; it was decided she should move to DC and be a representative of the company. She and Dr Mitchell began crafting the memos that went to Mr Podesta's office on a large range of subjects.
 - He agreed to meet with them at the White House in 2014 between Aug 11 – Aug 22nd to schedule a meeting; Dr Mitchell was out of the country – she did not understand how grave Dr Mitchell's health was; she was to go to the White House and they would skype Dr Mitchell from Podesta's office – in DC, things move fast: if you miss the window, you miss the window – no word of the meeting.
 - She had been working on the concept of Exoconsciousness – invited him for a lunch.
 - In 2014, thought it was over, that she had closure
- then she left the company, created the Institute for Exoconsciousness in DC
 - then she received an e-mail from a medium in Florida: he saw a rainbow and Dr Mitchell came out of the rainbow with a message for her: happened on Oct 5th
 - on Oct 10th she opens her e-mail to find an e-mail from Victor Bidiyani, UFOlogist, who told her that her e-mails to Podesta were all over the internet giving her phone number and e-mail address
 - works with Canadian Researcher Grant Cameron and he keeps her abreast of what is going on re wikileaks and the e-mails that have fallen out of the Wikileaks
- Some energy has opened up the Wikileaks to disclosure
 - another group came out of Wikileaks – Tom DeLonge linked with the band Link 182 – thinks he consulted with people in the military . . . they had a google hangout with Podesta to discuss these things

. . .she keeps going in and out . . .

- Anonymous through the Benizen group . . . if the campaign starts to fail, something called Firesign would kick in, a kind of false flag UFO appearance to bring attention to disclosure and Hillary and UFO s – HRC and Podesta were members of the initial Rockefeller Initiative which has been ongoing since the '90s – given all the groups involved, a government style disclosure of the ET presence.

R: he knows they have been playing with this story of a protracted soft disclosure as opposed to full on Full Disclosure; what she is talking about sounds like soft disclosure – too little, too late – need full disclosure!

- She agrees – feels that we have to be careful with disclosures so we don't end up with fear of attack from Tom DeLonge's work: we have not had disclosure because gov't needed time to prepare itself for alien attack
 - after WW 2 and Roswell and back engineering and gov't officials meeting with ET s and suddenly need time to get ready – the reality is that the military is guided by military equipment, war
 - her primary approach is to look at ET experiencers and what they have to say – a very different perspective, outlook than what a military person or an intelligence person would have to say – for 70 years, it has been gov't military intelligence who have filtered, manipulated, coloured the ET experiences

MR: brings up Valiant Thor and the 3 who lived in the White House; the producer who made the short piece [Craig Campobosso]

C Randy: the star families have contacted more ordinary people than any other kinds of people; he talks to people all around the world who are being approached by their elder brother races; especially the indigenous people and the Inuit are saying the time is near; we the people have to come forward

COR: yes, and it has been stepped up enormously

RC: The Institute is working with a group of experiencers from around the world rather than framing things in military terms

C Randy: calling from Bangkok – every year, one of the temples has a healing meditation; last week, 5000 children meditating on world peace; he'll send her some aerial shots!

RC: peace is fundamental to exoconsciousness and to any ET or experiencer she has met grass roots movements, etc – a very exciting time

T: their friend Shandra Dass – a temple and a million children around that temple, all singing and chanting for world peace -

C Randy: this is the temple he is talking about; yes there was a million once! Quite the place!

R: what he has been hearing is that they would try to play a false flag event and use Area 51 Technology to mess with the people on election day

Also heard and he knows himself as a contactee – the Ashtar Command will not allow the people of earth to be scared to death by our own black ops and the attempts to control people

T: sounds like sounds from outer space!

RC: she talks a lot about we as humans are the ET s - we originated as seeded beings on this planet; as our consciousness opens to around us – we travel inter dimensionally as ET s do and we have an innate ability to communicate, & highly tuned telepathic and psychic abilities

- Humans are an ET race among many others
- as a person begins to develop their ET abilities, we see ourselves in a different relationship with the military and intelligence & gov't sources; we know we have the abilities to know things - we don't have to sit and wait
- she looks at humans as ET s
 - Once human begins to look at their ET identity, they look differently at the forces around them and how they have been manipulated – doesn't know that all of the confusion is orchestrated, but certainly some has . . . with galactic abilities, you are a different kind of citizen

MR: is there an increase in the number of people getting involved with her? Feels like more and more people are awake – have they found her?

RC: great number reaching out to the Institute

- just got a call from a physician in Hawaii – he'll do some research in Hawaii
- an e-mail from a man and family: wants to organize a WWW group of experiencer groups – the groups need to be organized, sourced with information so as they remember their experiences – they will be reaching out and need a community which is where grass roots activism happens – we are at the place where communities around the world will provide the real push for disclosures

Contact Information: Institute for exoconsciousness

- www.exoconsciousness.com
- send her e-mails via the website
- writes blogs about wikileaks and what was said; how to approach wikileaks with an exoconsciousness – a saner way to approach things: ti will be the Oneness of the people, people who are psychic

- On Facebook, Twitter, Linked in
- Michael Salla's exnews

- an exciting time: it's about consciousness and not about invasions!

T: what we are hearing is that on Wikileaks before the 8th – 50,000 more e-mails that will put Hillary in prison for life!!!

RC: in DC for 5 years – what she has learned is that people do favours for others, they stay too long in Washington – should have a term limit!

- Doesn't know what will unfold, what and who can do things – a great many people have hitched their wagon to HRC's star, thinking she would bring disclosure – like Stephen Bassett – she and Podesta: if she is indicted we could have a false flag - disclosure thru HRC is not the way she would go

T: the only way there would be an attack is via a Black Ops

- all the alphabet agencies are totally corrupt, also the banksters
- the 38th level above the president – the ACIO – Alien Contact Intelligence Operation
 - It was set up in 1945 when the US broke the Prime Directive: no intervention in a civilization's development unless or in case of psychic and/or nuclear holocaust the Ashtar Command, all the ascended masters intervened in 1945, setting up the ACIO
- THE 38th level was formed then – you will not drop one of those things again they have done everything else but that: Fukushima was set up in 1945 to keep Japan in line – the nukes were planted at the base of the nuclear plant then against the time when the Rockefellers opined Japan was getting out of line!

COR: what about Podesta and his tweets about regretting not having disclosure – what is his thinking: why would he say this in such a public forum when he is such a shady character?

RC: It was 2014 when he left the White House as White House Counsel to go to HRC campagin

- he's around 70; knows everyone, of them or about them; DC is really a very small town – goes by who you know, what you know, where you went to school.
- Podesta was part of the original Rockefeller Fdn, as John Mack, Bill Richardson, Edgar Mitchell were all part of the Foundation – the program of disclosure has been ongoing for some time; some of the people involved have legal & other issues they now have to deal with
- In DC, so many work for intelligence yet you don't work for intelligence! Can be a university professor or bankers or whatever and be involved with intelligence
 - it will not be a 5 star general that does the disclosure -

COR: we have been trained to think that a general or a politician will do the disclosure – the ET S will look past those people as they don't represent their interests

MR: how can listeners get involved and help things move forward? Beyond getting in touch with her . . .

RC: if anyone would like to lead a group – great!

- If someone has written a book, or coach, or have a helpful protocol when ET experiencer is involved – it is possible that those coming to the group
- they also need website building help – click on any country or state and find an experiencer group
- Facilitators and organizers

R: he understands as COR said; as we join with James Twyman and PC Robles and the meditations going on consistently until NESARA is announced – this is consdioucness – as we work on the level of consciousness with peace and love, this brings in the higher levels that goes beyond threats and violence – will get real answers here

T: have to be careful not to judge those

- every since Greer has survived the first attack and when his wife is killed – the Black Ops

have controlled him: Barack and Michelle are under constant threat and cannot do more than they are doing

- In our spiritual work, we can call on higher beings to intervene

- Rama has received phone calls from KOS and Mike Ravel – citizens hearings on disclosure
 - Mike knows the truth about the corruption in DC and can talk to Rama and KOS

RC: she went to the 5 days of the Citizens Disclosure: 95% military and intelligence information

- as long as gov't, military intelligence are the sources, we become the sources – that's how consciousness works
- no stories from experiencers; there is only the military kind of witnessing about the ET presence – downed craft, etc

COR: They were trying to build credibility by bringing in those sources

- there are others, like people from the inner earth, yet they are the most honest people around

RC: there is a comedy now on PBS – making fun of experiencers

- have been too myopic about this

COR: yes, we need more ordinary people would give a more honest account at times; has concerns about their safety

RC: email, talk on cells, go on skype - gov't knows who all the experiencers are
Project Prism was collecting data on people – no such thing as privacy

COR: these people are coming forward in a very public way – not just the fact of it, also speaking honestly about it and that would bring others forward: it would give the gov't a very interesting issue

RC: true – they would lose control! If people are chipped, they lose their psychic abilities

- Have gone way too far on the side of technology and having vetted sources – humans need to wake up and see themselves as ET s, ET experiencers, before a lot of these programs come into play when it will be too late.

T: they don't want to disclose: is it not true that people like Stephen Bassett thought HRC to be the one to disclose on behalf of the Rockefellers and so Hillary won't say anything.

RC: in the beginning, she read C B Scott Jones – a major person in the Rockefeller Initiative

- They were well-meaning people back in 1990s; it's now 2016 – her guess it that it's some kind of government project at this time. Has no feel for if ET s are involved - she know the ET s work with individuals or groups -

MR: RC is making people aware that this kind of thing exists, and that people are not going crazy if they have had an experience: is this real? Am I going crazy? There are ways to support people's experiences.

RC: falling more on the side of citizens' rights – it's been a very unbalanced field – time to get respect for humans and sentient beings on this planet!

R: only that we are in the midst of something so magical, so wonderful – he knows no other words to describe it except Imagine all the People

T: we are farther along on disclosure than we know; also that people have a larger grasp on the existence of the dark side; and the financial side people are aware of too

- today in London, the judges came against the prime Minister who was going to take the power into her own hands – it's up to the Parliament and parliament has to debate the subject

RC: both comments are wonderful!

- And 50,000 more e-mails coming!!!
- we all knew we were coming to earth at this time for people to have an easier transition
- we don't need upgrading or tweaking: we have consciousness and innate connection with the Et s

- and the country also has that connection
 - only need accountability: is there oversight, and where is it coming from?
 - The wikileaks: the clintons were

T: tells RC that the people are not aware of so much -

- Goes through 40 Facts that

[SEE BELOW]

COR: it's been a corporation and a colony – agrees with RC that the structure is there and has to be brought into being – we can do it, with St Germain's help

T: which is what NESARA law is about – directs RC to the NESARA tab on 2013 Rainbow Roundtable

MR: most people are not aware that the NESARA website they are reading is not valid – they have not been looking at really solid websites / information

- Ashtar on the Road also carries the same information - Rama is the only person who has a connection with the Galactic WHITE KNIGHTS
- the NESARA INFORMATION ON OUR 2013 RAINBOW ROUNDTABLE WEBSITE IS ALSO ON THE ASHTAR ON THE ROAD WEBSITE.
- this is a classified subject – and you can't get any true information about it – only through Rama WHO DOES NOT HAVE A GAG ORDER. Lots of whistleblowers know about NESARA but cannot talk about it as they have a gag order and would be killed if they said anything!
- This is a big problem in the Light newtowrk- some of those newtwors are saying that the dinars, dongs and zimbabweat are equal to NESARA - NOT SO! NOT TRUE!
- Rebecca is talking about the consciousness
 - and we must also have knowledge
 - it is our free will choice to choose love!

INFORMATION RELATED TO THE NOTES

2016-11-03 Message to Lightworkers

by Caroline Oceana Ryan

The latest guidance from our friends, the Galactics, Earth Elementals, Ascended Masters, Faery Elders, and Angelic Beings known as the Collective:

Greetings, dear ones—Bringers of the New Earth!

We are very pleased to have this opportunity to speak with you again today.

We are aware that many millions are concerned regarding the upcoming elections in the United States, just as they are concerned about the influx of refugees from countries such as Syria and Afghanistan, or the forced removal of refugees from one camp or another.

There is also of course ongoing concern for issues of armed conflict, climate change, and economies all over the world, as the large banks and corporations begin to fail.

And we would say, that these situations are occurring for vital, Light-filled reasons, and not because the world is headed toward disaster.

These changes as Earth is birthing a far higher frequency than She has held for millennia, and all of you are likewise moving up in frequency, exponentially.

Understand that as we have noted before now, the time for fraud, exploitation, abuses of power, an apparent respectability that masks criminality, and other deceptions by the ruling classes, has now passed.

The dark hats will no longer be able to continue their march into power or their continuation of it, as evidence found in emails, testimony from victims of assault, and other indications surface to tell their story, as well as tell-tale signs from the criminals themselves.

They are beginning to reveal the depth of their crimes in the sound of their own words, in their own eyes, and in their own presence.

And in this time of increasing awareness of what the energies of each person's intention—in this time of increasing intuitive understanding in every person's consciousness—it matters less and less who is saying what, or what they are pretending to be.

The energies are such now, that each person's true stance and true history are shining through them at every moment, revealing that lifeform's level of consciousness, true intent, true life purpose, and even in many cases, their long-term mission.

You may be thinking, "I'm glad that Lightworkers increasingly feel and know the truth. But what if those in a position to arrest high-level criminals in government or banking or big pharma or the military are too bamboozled or too terrified to do so?"

We would say, that enough action is occurring behind the scenes, that those who are well-placed to make arrests, or to positively affect elections in one way or another, will be able to do so with the proper protection they require to head investigations, bring charges, and make arrests as needed, when the time is right for such.

The white hats (those in government, banking, military and other "power spots" who are aligned with the Forces of Light) are well protected by the White Knights (the sovereign militia forces of the Ashtar Command), and will be brought through safely to do their work.

And so it becomes every Light Warrior's job not to stress or worry now, but to concentrate on NESARA in more powerful and active ways than you ever have before.

For you are right, those of you who have sensed already, that the spirit of NESARA is in the very air you breathe now, in every tone sung by the wind and every molecule of water and ground you see around you.

You see the bravery of those at the Standing Rock camps, in refusing to allow further desecration of the Earth, and Her soil, air, and waters.

There is no coincidence that this is occurring now, of all times—there are many among them who, though they appear in human form, carry powerful Galactic and Angelic connections.

And there is no form of imprisonment, no violent "pushback" or dehumanizing tactics on the part of those in uniform that can erase the lift in consciousness that these dear ones are bringing in now, not only where they stand, but around the world.

They are demonstrating the reality of NESARA—human sovereignty and Divine government—along with all who are standing in the way of any bulldozer, physical or etheric, that is attempting to disregard human sovereignty and the sanctity of the Earth yet again.

The tide has shifted, and it is carrying this great ship that is your beautiful planet to a new and higher reality.

And so, stand up and stand with all those who are declaring the New Earth!

Concentrate on this new reality for at least five minutes each day, and allow your emotions to experience the true reality of NESARA.

Use your imaginative powers, and *pretend* that NESARA has just been announced.

Celebrate with joy and excitement!

Hop up and down like a joyful child who has just been handed a beautiful birthday present if you like, or sing a song of Truth and Freedom, Equality and Abundance, for all!

Allow yourself the actual *feeling*—not only the preference, but the *experience* of NESARA being very, very real, and happening **NOW**.

This is how you birth anything new in your life, whether it is a new partner, a new job or business, a sum of money, an increase in income, greater health and well-being, greater inner growth and wisdom—any new and beautiful project, experience, or object that you know intuitively is already part of your lifepath.

Use that powerful co-creational tool known as your **imagination**—that which **images** what you are creating, and therefore, that which creates—and let your words and your emotions ring out, **“This is real *now*! NESARA is here, *NOW*! I give thanks!”**

Then allow yourself to celebrate—to outwardly demonstrate that beautiful new reality, with the joy of laughter or music or a dance, or some other outer expression of thanks, of *Receiving*.

And refuse to be downcast or stressed regarding the confusion and seeming madness of the Earth’s experience at present!

All is well, dear ones! You came here at this moment in Earth’s timeline, to make it so.

And so it is!

We should like as well, to answer a question from a dear one who asks:

We are told that Niburu is very close to Earth, and that significant damage to the earth is going to result. In fact, the severe weather and Earth disruptions (volcanic and earthquakes) are attributed to Niburu.

Are the predictions correct? Is there anything that can be done to prevent this?

Also, Vladimir Putin is threatening nuclear war. How likely is this to happen?

Here is our answer:

Niburu, Mother Sekhmet's ship/planet, is indeed closer to the Earth now. But this does not signal destruction for Earth or Her people.

That great goddess is here, working with her consort Alcyone, the Great Central Sun, to undo great damage that occurred eons ago, in what you might term Earth's pre-history and early history.

And to ensure that life on the planet continues uninterrupted into the next level of evolution, which is that Ascension process that is bringing you into fifth dimensional planetary status.

You have been protected many, many times from what are termed extinction-level events, and the current era is no exception.

This is another example of a moment when you or any Light Warrior, with a vital question, can turn inward and speak with your spirit team, not only in any moment, but regularly each morning, asking for guidance, either from them or from Mother Sekhmet Herself.

The severe weather and Earth eruptions are in part the result of a dark agenda that manipulates the weather, and in part the result of the shifts and changes that the Earth Herself is traveling

through now, as She throws off the toxicity of many thousands of years of abuse, both in and upon Her being.

We would ignore fear-inducing “predictions” which for one, can be disproved very, very quickly, as Time in your part of the Universe is speeding up to the point where increasingly now, clocks will become irrelevant in your day.

This means that the timeline is likewise shifting so quickly, with so much occurring simultaneously, that even your best scientists are unable to make accurate predictions or even analyses, with the exception of those such as Dr Keshe and Dr Hamein and others who are working with Galactics and Galactic resources, and who are aware of the Ascension process.

President Putin will not instigate nuclear war. This we can tell you without reservation, as **no one** is being allowed to create nuclear war.

Most assuredly, Mr Putin is being painted as a criminal in the Western media. But this is a smokescreen, behind which other interests are working.

The fate of the Earth is not in Putin’s hands, no more than it would be in any one person’s hands. That is not permitted, under Universal Law.

A number of countries have attempted nuclear war over the past 50 or so years, and each attempt has been stopped in its tracks via Galactic and etheric intervention.

Understand, as we have said numerous times, that you are not alone.

You are part of us—part of this Intergalactic Confederation of Worlds.

You are not waiting for us—if anything, dear ones, we await *your* realization of *us*, and your joining us as fully in your waking hours as you do etherically in your sleeping hours.

Look up—we are here! And you are among us, and all your beautiful soul families with us!

Welcome in all of these changes, even that which feels to be full of tumult—allow it, without resistance.

Spread your arms wide.

Welcome, Golden Age! Welcome, NESARA! We are One, and we are Free at last!

Namaste, Light Warriors!

Yes, Water is Life—and your Spirits, every bit as powerful as the greatest sea—flowing pure and clear, and creating new routes and expressions throughout this Universe, in every moment.

2016-11-01 BOMBHELL! Hillary Clinton Pedophile Sex Ring Continues to be Exposed by Insiders

<http://www.ascensionwithearth.com/2016/11/bombshell-hillary-clinton-pedophile-sex.html>

The following is a compilation of reports associated to the latest leaks about Hillary Clinton's involvement with pedophile sex. There are now multiple sources from the FBI and NYPD confirming Hillary Clinton's massive crime syndicate in Washington DC. Is this the take down of the cabal taking place right in front of our eyes or is this a disinformation campaign?

Breaking bombshell! FBI NYPD INSIDERS LEAK; E-mail scandal : <https://youtu.be/os4S--dRB-U>

Source: [Victurus Libertas](#)

All of the following information was given to us by our insiders who have specific first-hand knowledge of the Hillary Clinton email scandal. It seems that things are about to heat up. We are told that of the 662,871 emails lifted from Anthony Weiner's computer, **11,112 emails are Huma Abedin's...** and pay to play – including Saudis and Israelis. Meaning Huma was the one Hillary USED to communicate with foreign leaders via email for inside information and deals via Huma's computer.

It has been established through many avenues, but mainly through Wikileaks, that the Clinton Foundation was just a farce set up in order to perform pay-to-play games with multiple entities, including foreign nations. Pay-to-play nations include: **Israel, Saudi Arabia, Turkey, Qatar, Kazakhstan, and the Ukraine.**

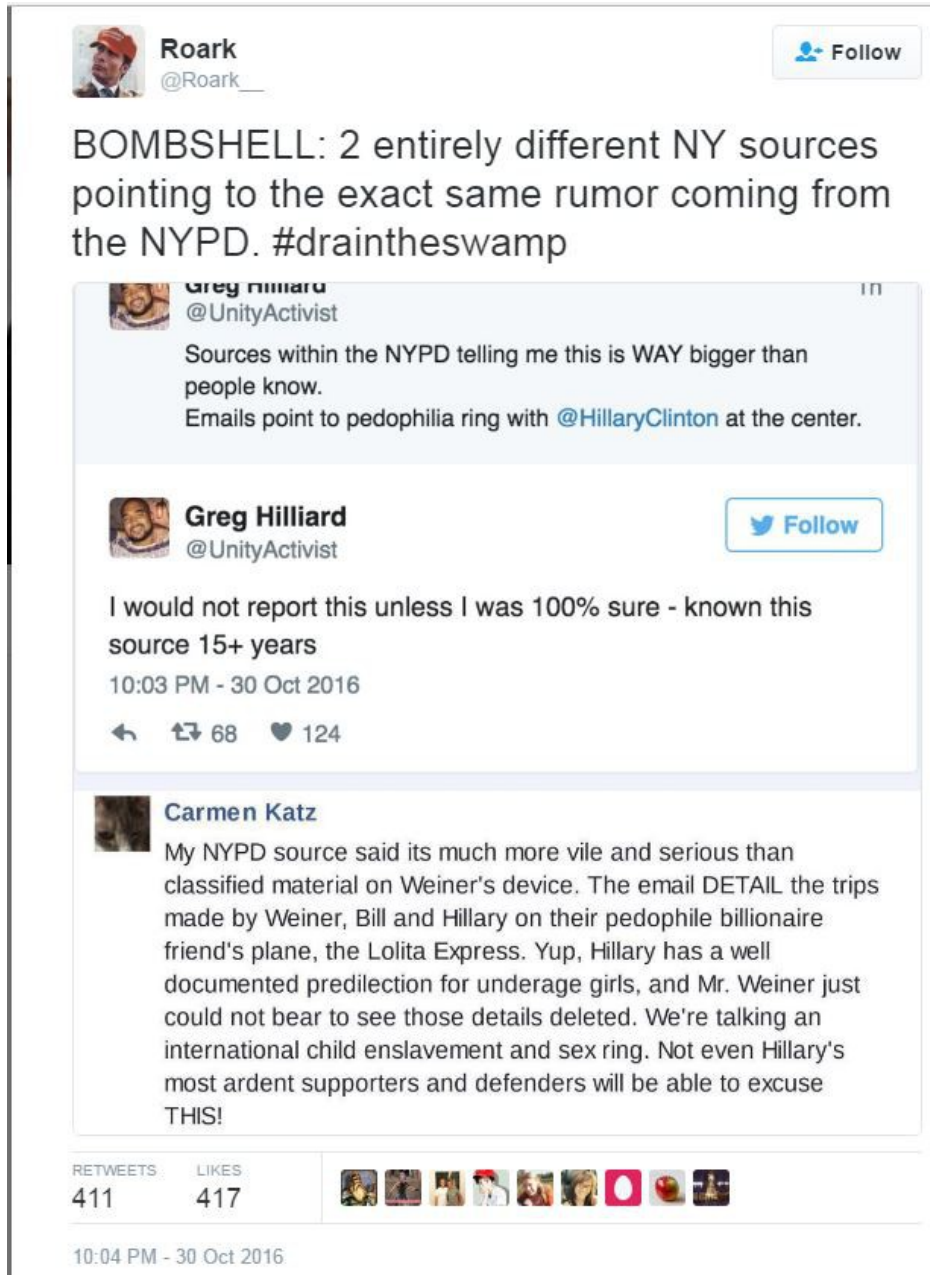

Furthermore, we are told by one of our insiders that one email unequivocally confirms **ISIS was created by CIA and Israeli Secret Intelligence Service, with help from Joe Lieberman, John McCain, and Lindsey Graham!**

An NYPD insider said the content they viewed did include **State Department TOP SECRET** emails. One file was called "Life Insurance". A second file was titled "**DNC Nuclear Arsenal**".

A third file I'm sure Hillary definitely DOES NOT want released was a file labeled "**Intimate**"... according to this NYPD insider, this file contained **X-rated photos of Huma and Hillary with a TEENAGER.**

NYPD detectives were sickened by what they saw, according to our insider, and they had threatened FBI field agents that *they would leak this information, if the FBI did not "step up and take off the kid gloves"*. At that point, 13 of the FBI agents in NYC were also threatening to leak the information.

As you can imagine, the scandal has the entire Obama Administration in full panic. We are told there are emails that could send Loretta Lynch to **prison**, as well as Bill and Hillary. The Twitter post below, our sources sent us, verifying it is all true:

The image shows a screenshot of a Twitter thread. At the top is a tweet from user **Roark** (@Roark_) with a "Follow" button. The text of the tweet reads: "BOMBSHELL: 2 entirely different NY sources pointing to the exact same rumor coming from the NYPD. #draintheswamp". Below this is a quote tweet from **Greg Hilliard** (@UnityActivist) with a "Follow" button. His tweet says: "Sources within the NYPD telling me this is WAY bigger than people know. Emails point to pedophilia ring with @HillaryClinton at the center." Below that is another tweet from **Greg Hilliard** (@UnityActivist) with a "Follow" button, dated 10:03 PM - 30 Oct 2016, with 68 retweets and 124 likes. The text says: "I would not report this unless I was 100% sure - known this source 15+ years". The final tweet in the thread is from **Carmen Katz**, dated 10:04 PM - 30 Oct 2016, with 411 retweets and 417 likes. Her text reads: "My NYPD source said its much more vile and serious than classified material on Weiner's device. The email DETAIL the trips made by Weiner, Bill and Hillary on their pedophile billionaire friend's plane, the Lolita Express. Yup, Hillary has a well documented predilection for underage girls, and Mr. Weiner just could not bear to see those details deleted. We're talking an international child enslavement and sex ring. Not even Hillary's most ardent supporters and defenders will be able to excuse THIS!".

Even MORE!

The following information comes straight from an FBI Anonymous source, who is the senior analyst who posted on 4chan in early July of this year:

Jim Comey learned that some of his own investigators were tipping off both Loretta Lynch and Bill Clinton, thus making his job impossible.

Comey sent a letter to Congress, knowing that ultimately it would expose Loretta Lynch as a dirty actor and the breadcrumbs would lead directly to **Obama**. The State Department is terrified now. Comey has assembled a small team of 40 agents, whom he has declared "The Untouchables" after the famous federal agent Eliot Ness.

Comey has clamped down on all FBI agents and he expects a full-scale war between the FBI and the Department of Justice (DOJ), the White House, and the State Department. He has confirmed and understands that **many sitting senators, congressmen, lobbyists, and power players are going to be indicted and prosecuted**. One of the main targets of the probe is the Clinton Foundation and Clinton Global Initiative. Among the targets under investigation are John Podesta, Huma, Cheryl Mills, CNN, ABC, NBC, etc.

As it turns out, Weiner, Huma's husband, had been forwarding Huma's emails each time she came home and left her computer open. Huma appears to have been in touch with Saudi actors, and therefore, **ESPIONAGE** is strongly suspected.

Comey and his 40 "*Untouchables*" are now preparing to take down the largest corruption ever witnessed in American history... which is what I think MUST happen if Comey is planning to stay part of the FBI. He lost so much respect and so much credibility with the first Hillary investigation, it would take something of this magnitude to allow him to face the public again.

The Pentagon has internal players and outside players they call "*creatives*". **Creatives** are civilians who tend to be geniuses, malcontents, extreme hackers, or otherwise demonstrate brilliance in other useful areas. A Pentagon program called **Cicada 3301**, which we have reported on previously, was created by several of these talented civilians. The program is now used to allow thousands of honest government people to report on their corrupt superiors, using what is called a DEAD BOX whistleblower encryption method so the non-corrupted government officials can report corruption and still remain safe.

I've heard it said "A vagina almost took down Bill, now will a Weiner take down Hillary?" LOL!

Again, thank you to all of the insiders, the whistleblowers, the good FBI agents, the good CIA agents, the good NYPD officers, and the non-corrupted government officials who want to see the truth exposed! Without these brave, wonderful, and morally erect individuals, our country would still be in the corrupted darkness.

Vistors to Epstein's Little St. James Island include:

- **Ehud Barak**, the former Prime Minister of Israel (1999-2001) – pedophile being procured underage girls by Epstein. Former Israeli Minister of Defense and also Deputy Israeli Prime Minister under Binyamin Netanyahu from 2009 to 2013.

- **Prince Andrew** – British royalty – Jeffrey Epstein and his girlfriend Ghislaine Maxwell pimped Epstein sex slave Virginia Roberts to Prince Andrew multiple times. The victim girls say Prince Andrew was very sexually sadistic; they despised this sick, twisted creature.

- **Kevin Spacey** – actor in House of Cards. People tell me Spacey is gay, and my response is "Have you ever heard of the word bisexual?" Spacey is very good friends with 2 big-time pedophiles: Jeffrey Epstein and Bill Clinton. Spacey, big Hollywood star, has 3.78 million Twitter followers.

- **Alan Dershowitz** – longtime friend of Epstein, as well as one of his defense lawyers. [Dershowitz](#) was the one who negotiated that absurd plea bargain for Epstein that gave him a 13-month (served) sentence and a 16 hour/day day pass so he could spend most of his time in his mansion. Epstein sex slave Virginia Roberts has said that Epstein made her have sex with Dershowitz numerous times. The real question is how many other underage girls was Dershowitz having sex with? Virginia Roberts says Dershowitz also witnessed Epstein's pedophilic activities.
